This is gonna be a pain to put back..

We've been unpacking for HOURS!!

And I'm still drowning in boxes!!

I completely lost track of time!

I gotta go!

Thanks for reminding me, honey.

You sure you don't wanna come with me?

We can all hang out together!

Maybe next time, I'd like to get everything unpacked first..!

Alright.. I'll bring you back some takeout, do you want anything in particular?

Whatever's fine!!

Okay, I'll be off now..

And, um..

I.. love... you.

I love you, too!

I think I'm finally cured!
