CHAPTER 05

"Oh, god,
they look so soft,
like pillows."

"You really think so?"

"Yeah!"

"Do you mind if I massage your cock like this?" she said after wrapping his cock with her big breasts.

"My Goddess!! please do it!"

"Good. I feel like massaging my own breasts with your cock instead."

"You do?"

"Yes. How about this?"

"Um..."

"How does it feel?"

"It feels fantastic ... just ..."

"Does it still feel wrong to you?"

"Yeah ... NO ... well ... I'm not sure..."

"How could I convince you, then?"

"I don't want you to convince me."

"But I will," she said, visibly making him feel better and better about this as time went on.

"But this ... this is wrong ... does it?"

"Look down. Take a look at what am I doing to you." she said as she brought her tits on both sides of his penis. Wrapping and hugging it with her mammaries.

"What do you want to prove to me?"

"Look at it."

"Okay?"

"Do you see any penetration?"

"No. Only massaging."

"Right. No penetration."

"No ... pene ... tration..."

"Which means that it's okay. We are doing nothing wrong."

"You told me the same thing earlier."

"I did. And I'm telling you time and time again, there is nothing wrong here. We are doing what we are supposed to be doing, helping each other through this tough time. Relieving some stress. That's all."

"You're right. I will try to relax now."

"Oh, wow! It's getting even bigger now."

"Oh, yeah, it is."

"And it's harder."

"I can't control it."

"It's fine. Don't worry. The harder it is, the better it is."

"Right. Dang. Your tits are so soft."

"They are. So comfortable. Isn't it?"

"Yes... They are..." he admitted to her.

"They are yours for as long as we are stuck in here together."

"For as long as we are stuck together?"

"Yes."

"I am so lucky," Chase mentioned.

"What do you mean?"

"Your breasts are so large, and they feel so comfortable. I don't deserve this. I am not worthy," he admitted to her.

"Yes, you are, otherwise, I wouldn't be massaging your cock with it."

"It really feels like the best massage in the world."

"I'm glad it is. Does it make you less nervous like this?"

"Yes, I feel better already."

She closed her tits together again. Enveloped his dick with her warm pillows. She began shaking them for him. Making him feel much, much better that way.

"See? We are moving into the right direction. You are already doing a little better," she smiled.

She was so happy he was doing better because of her. Her big tits continued being squished against the sides of his dick.

"Thank you. My balls are so full."

"And heavy."

"I think I produce too much semen."

"It's not an issue for me, because I like emptying men's balls."

"I think... I understand..."

"If you are relieved. Enough that is.

This means that you are less stressed out. It's important for the both of us to not be nervous and stressed out. That's why this is important for me ... and feels ... good ..."

"Yes, It feels so good, Karina. So good, that I think ... I'm about to come..."

"Don't hold anything in."

"I'm not."

"Let everything out. You are going to be feeling much better afterwards."

"You don't mind me covering your breasts, right?"

"Don't hold back, sweetheart."

"It's coming out. I can see it. Lots and lotsof pre-cum. Not only that. Actual cum is coming. I can guarantee you that."

"I believe you now, Don't hold back."
she said as she continued massaging his cock with her soft breasts.

"I'm coming! I'm coming!"

"Go for it!" she massaged him some more.

"I see it! I see it!"

It was out of control.
A huge amount of semen suddenly
came out of the tip of his dick,
accidentally being shot a little
everywhere all over her face.
"I'm sorry..." he immediately
apologized.

"Don't apologize. It's fine."

"But it's... All over your face, Karina..."

"Yes. It's fine. The thing that matters the most is the fact that I have emptied your balls. I hope you are feeling less nervous now."

"Yeah. I think I am. I actually feel a lot less nervous already."

"You are so good at it."

She laughed quite a bit. Blushed as well.

"I'm glad I could help you."

"That's a nice way to begin the day."

"It is." she told him as she continued massaging his big dick with her tits. However, this time, she did something a little different with him. She wrapped the tip of his glans with her lips. Even though her face was all covered in his juicy semen, that didn't mean that she couldn't clean him up a bit.

"Hold on, what are you doing?"

"Just enjoy it. Let me do my thing.

Okay?" she was able to communicate with him a bit, even with the tip of his glans inside of her mouth as she was making her tongue swirling all around it. Licking him. Cleaning up.

“Um. That feels good. Your mouth is so warm. Warmer than your tits even. And that’s saying something.”

“Well, we need to clean this ...” she was still able to say something to him as she had his cock inside of her mouth.

However, her voice became more muffled and hard to understand as she inserted more of his cock inside of her mouth. All of his glans was now inside of it, and she was cleaning him up at a rapid pace.

"Do you like it when I'm cleaning you up like this?"

"Yes. It feels right, too... Oh, fuck! I'm going to come again! I'm coming!"

"Come in my mouth!" she told him to do as he was still chewing on his food.

"This is it! I'm coming, again!"

He ejaculated right into her mouth.
She received and kept everything.
She swallowed.
"It felt so good. Thank you for that."
She pulled his dick out of her mouth.

He ejaculated right into her mouth.

"It felt so good. Thank you for that."
She pulled his dick out of her mouth.

"There was a little more cum this time around," she told him.
