# CHAPTER 05

"I thought you'd never ask.  
My vagina was asking for it  
all morning.  
I've got an idea."

Lana stood up and held my hand as we walked a few feet over to a giant rock. She put both hands on it and spread her legs while I was behind her.

"Jeez, this is so wrong," I said, almost laughing to myself.

"It was your idea to fuck my pussy. I only suggested the blowjob. Now have at it. I'm as needy as ever."

My hands rubbed her thighs while I looked at her perfectly shaped ass.

She was sexy in every angle.

Her back arched, pointing her butt up in the air while I spread her cheeks apart.

The tip of my raging hard cock touched her labia and I could feel the wetness of her insides when I slowly pushed.

I pushed a little more and her body started to move. When I pushed all the way in, I felt how warm and wet she was. More than anything, I felt her body trying to accommodate having something foreign inside of her.

"You feel tight," I noted.

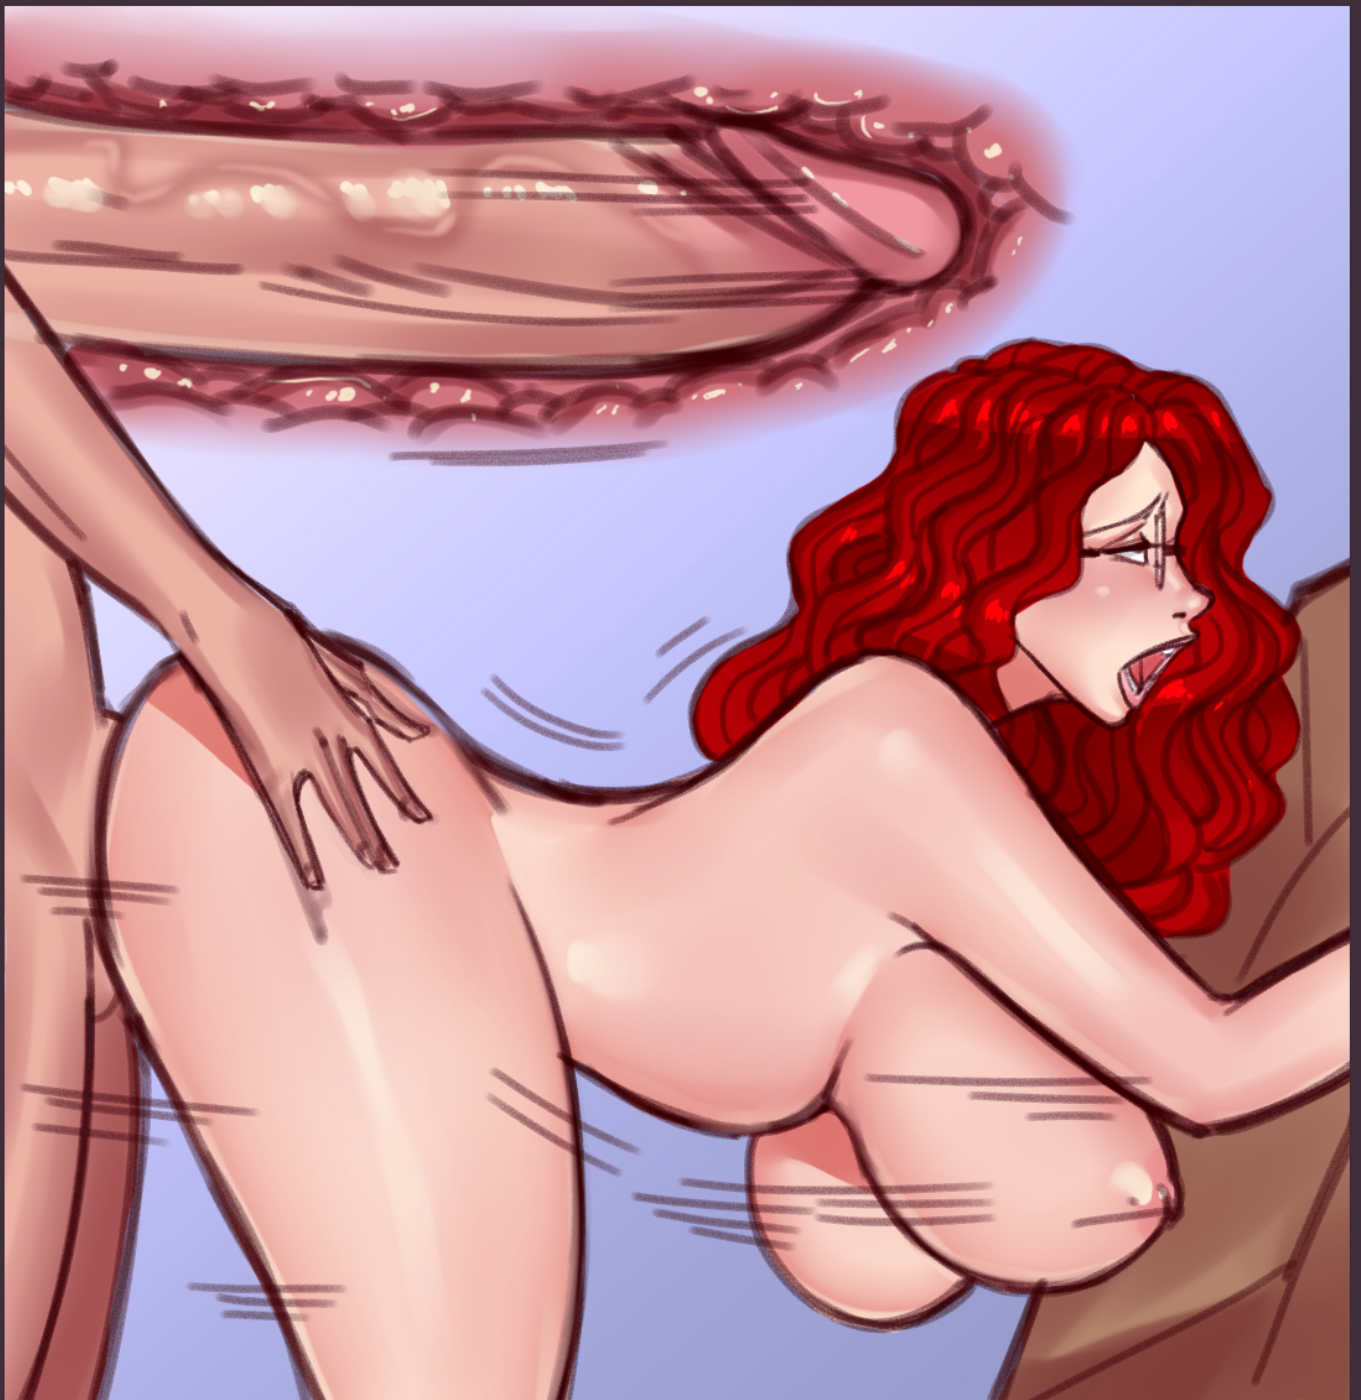

"I know, I get that a lot. Now fuck me already. I actually dreamt of your cock last night. My pussy is asking for it."

Hearing her say that made me want to service her even more, to give her what she wants and needs. I held her hips tight and slowly started fucking her in back and forth motions. Her cunt began to loosen and it became even wetter. She started moaning loudly.

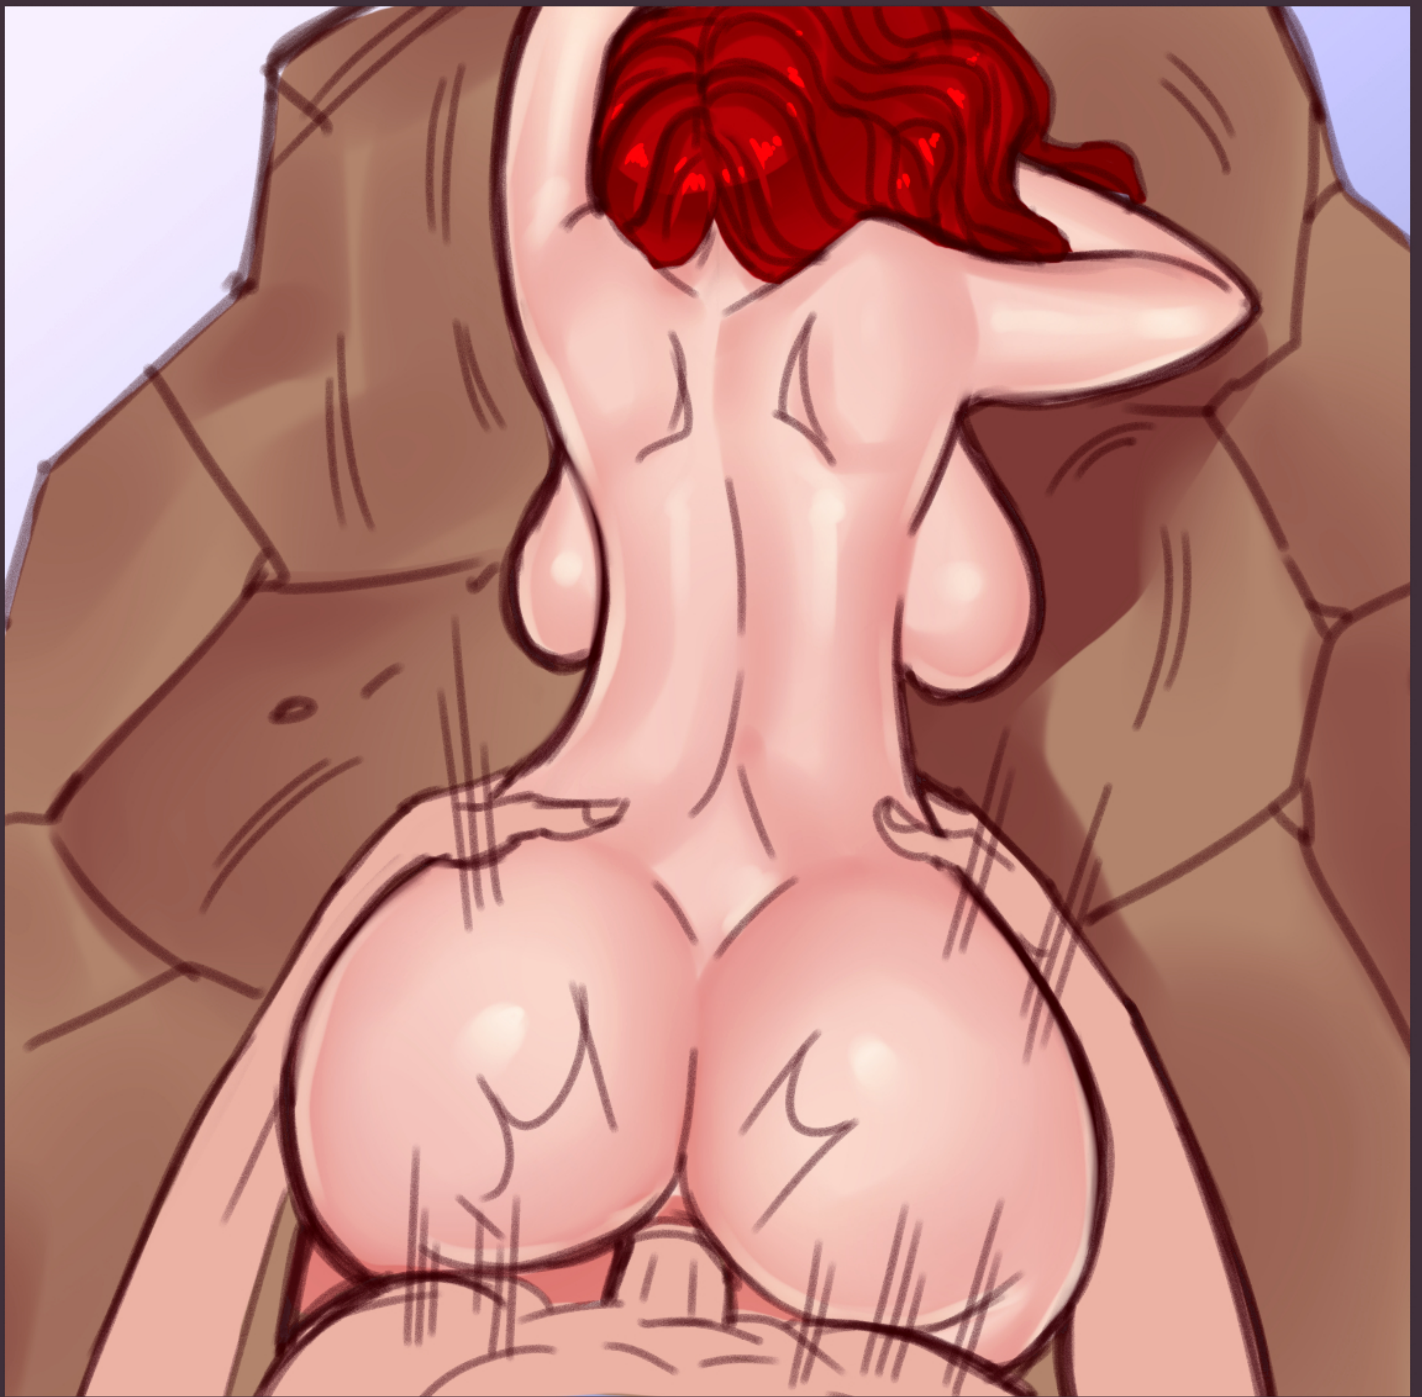

She leaned against the rock and panted out loud as I fucked her harder and harder.

"Oh jeez," she cried. "Don't stop. Feels so good!"

I lost track of time while we had sex together. At that point, anyone could have just walked by and watched an incestuous counter between two siblings -- but neither of us cared at that moment.  
It felt too good to want to stop.

I kept on giving in to my sexual urges and my newfound lust for her until I couldn't take it anymore, and my throbbing cock was ready to erupt.

We switched positions. As we both stood, she faced me and wrapped her arms around my neck. Then she wrapped her legs around my body, so that I was carrying her entire body weight. I put my cock back inside and we fucked again. This time, I could see her tits jiggling.

They bounced up and down with every thrust in her pussy.

There was a deviant xpression on her face as her tits bounced.

She wanted me to see this.

The sound of her moaning was like music to my ears.

Her moaning became louder and louder.

My hipster sister was suddenly a dirty little sex kitten.

"Lana, I'm about to cum," I said, almost asking her what I should do next.

She answered that for me, pulling herself away from my hard cock and once again dropping down to her knees.

She wanted it inside of her mouth.

I stroked myself as fast as I could and aimed the tip of my erection towards her outstretched tongue.

She held her tongue out like a puppy needing water, but she was my sister who was desperate for cum.

It was clear that she enjoyed this type of thing, at least with me I think.

She didn't have to wait long.

Spurt after spurt of my cum shot out and coated her tongue and the walls of her mouth.

I nearly collapsed from the pleasure, but I stood my ground until I finished.

Her tongue disappeared into her mouth, she pressed her lips tight, and she gulped it down, swallowing everything.

"All gone," she said, sticking her clean tongue out to prove it.

I could swear she was a nympho when she put my flaccid cock back in her mouth.

She sucked for every last drop of cum.

She needed everything I could give her.

"You're a bad girl. God, I've never felt so dirty in my life."

Lana stood up.

"I know right? But it felt wonderful. That was the best sex ever. Society can go fuck themselves for all I care."

"You've got that right. I mean, fucking my own sister? Who knew it could be such a thrill."

"Yeah, that was a great fuck. My roommates are going to be so jealous."

Just as we picked up our clothes to get dressed, we heard voices from far away.

They couldn't see us, and we couldn't see them, but it was clear that people were headed in our direction.

"Oh shit," I gasped. "Sounds like mom and dad are headed this way with their new friends. We better get the fuck out of here before they see us naked."

She smiled,

"I'll race you back to the lodge."

We both grabbed our clothes and ran. Lana sprinted, completely naked, with her clothes in hand. Her big tits bounced with every step she ran. Her cute little butt was also bouncing as she raced towards the lodge. I ran after her.

END.
