

**Office Party – Scene 04**  
Watching the tape

Dylan reached his home. He's exhausted from the late shift he just did, but he got his hands on the tapes of yesterday's party, and he's eager to find out what happened.

Haha Julie! Same happened to me last party! Never again!

Damn it it's late already. I don't have time to rewatch a whole night of partying...

I should focus on why I've lost my memories... The rest can wait for the weekend...

Forward ... Fast-Forward... Wow!... is that Charlotte at the stripping pole? I really want to watch that... Can't do! Gotta find me on that tape first! FAST-FORWARD...

Ha! There it is. Here I'm leaving the party... But why? Let's go back a bit...

1 Hey Dylan.

1 It's nothing personal, but we have decided that it's best for you to forget everything that has happened since you've been hypnotized. And that you should leave now.

5 Sayo?

Marco is right. If he doesn't leave the party the hypnotist will remove the suggestions and he'll remember anyway. Dylan has to leave the party...

6 Yes, I agree. It's for the best.

2 Oh. Eh. Hi you guys...

4 Wow, Lucine. You know I'm not gonna brag about what happened if that's what...

7 I need to go...

3 Yes, I agree. Dylan, you need to forget this party, and leave.

Now that's not very nice. Why the hell did those three do that to me?

Alright rewind a bit more. Okay here is me talking to Lucine at the bar... wow she's kinda... close...

Now where are we heading... Oh wow there are even cameras at the back of the building!

Now what is Lucine do.... Oh... OHH! Oh my!

Best fifty bucks I don't remember spending!

Okay I guess I know why Lucine wanted me to forget about the party. But what about the other two? Don't tell me I had a threesome with Sayo and Marco!

Oh Shit!

Okay so here I walk into the bathroom. Why is Marco looking at me so pissed?

Oo! Did I enter the ladies room?

Is there something on her face?

I guess I better leave...

Ijeeeekkk!

So Marco and the waitress... But I thought she was into me!

Now wait a second! Usually Marco would brag about something like this. So why make me forget for finding out?!

After some back and froth on the tape Dylan thinks he has found the start of what is going to happen and decides to watch it in detail.

Sup, Sayo -  
Isa.

Who's Isa?

Huh???

Hahaha!  
Remember your  
name Isabel.

OMG!  
It really was gone  
from my mind!

Hi Julie!

What's going on here?

We are playing remember and forget?

What's that?

Well, building upon the hypnotic suggestions we are under we agreed to forget or remember anything one of us tells us to.  
**It's a blast!**

That hot waitress should have a break soon...

That's sounds...  
really fucked up.  
Better leave them  
to it...

Need an  
excuse to  
ditch Julie...

That sounds...  
interesting...

How did you even make  
that work? I thought  
you needed three for  
the sug... hypno-thingy?

Oh, we had James agree,  
that the two of us had  
to forget and remember.  
But somehow, he did not  
want to play.

Hey you  
should join  
us, Julie!

Yeah,  
join us!

Eh... No..  
Marco and I  
were just...

Oh no it's fine  
Julie. Just  
join them.

Okay... I guess  
I will join you  
two.

Great! Have a  
seat.

I really hope this works..

Hi there.

Let me stop you right there. I'm on my break and I...

May I request you follow me to the men's room?

So first off: I say, whenever someone from the office tells you to **forget** something you should forget it. And whenever someone from the office tells you to **remember** something, you will remember it. Also, you will not remember that person telling you that.

Why would anyone agree to that...

I agree. Julie you should do what she just said.

OH! Is this why Sayo and Isa acted so strange in the office?!

Better keep watching this side of events as well!

You have to agree on that so we can play.

I should join them ...

Sure. Whenever somebody from the office tells me to forget something I will forget it.

And whenever somebody from the office tells me to remember something, I will do so.

Furthermore, I will not remember the person telling me that.

Brilliant! Now we can start.

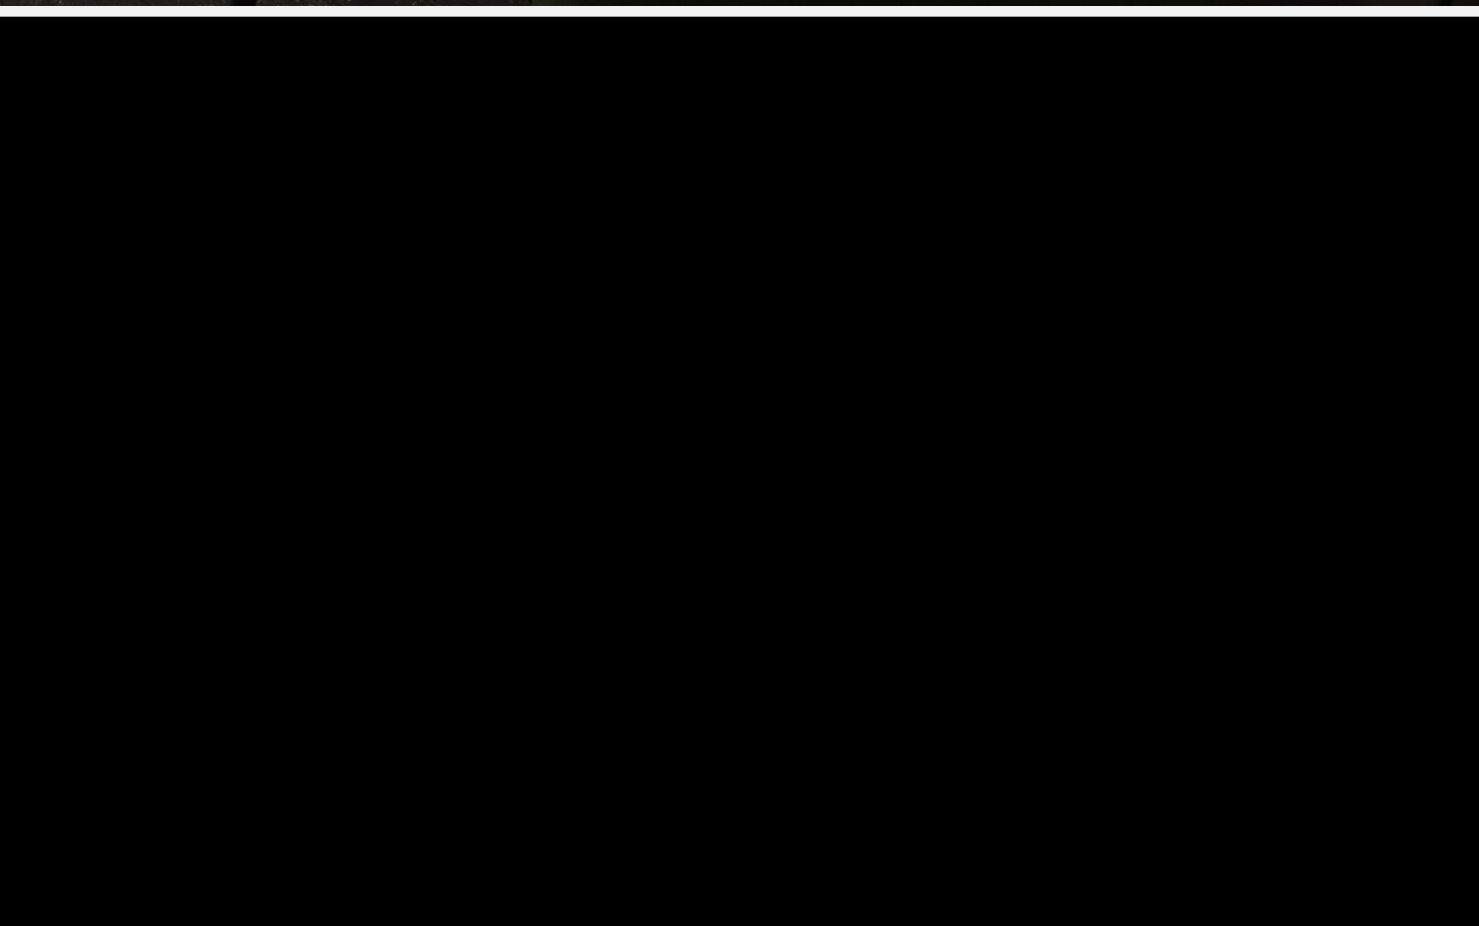

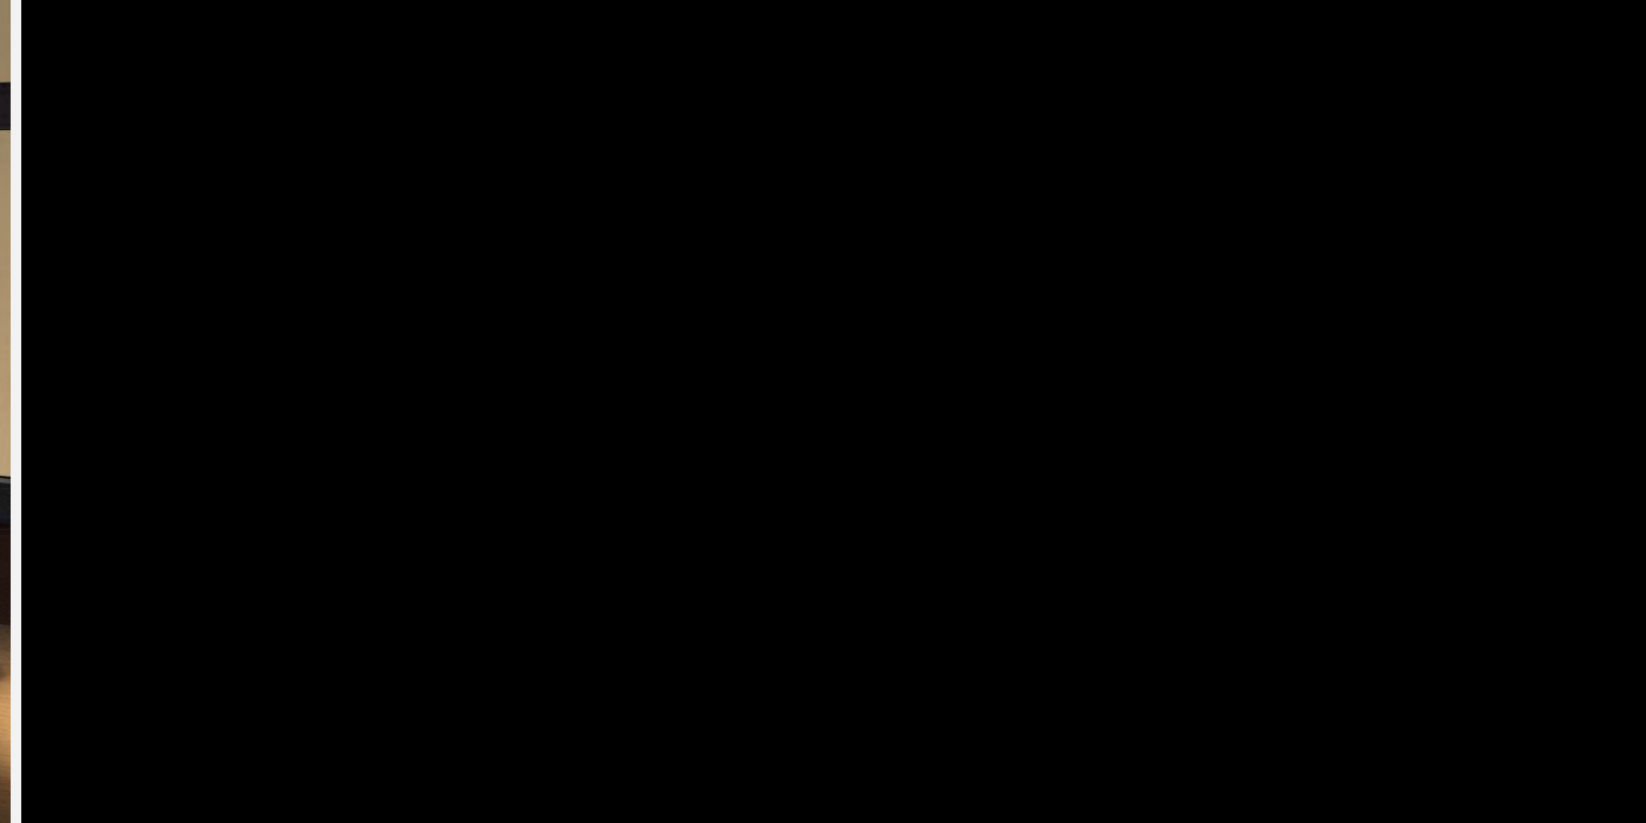

It's a good idea I followed him into the men's room. It will be so much easier to turn him down in here.

So, as I was saying. I'm not dating at my workplace.

Oh, I was not asking for a date. I just wanted to request a blow job, if that's fine with you.

Hey, they have cameras in the bathroom! Is that legal?

I can't believe this is really working... Oh god! Wow! She's really into this!

Giving this guy a blowjob in the men's room? Best Idea ever!

Request! That's her trigger word! Marco is abusing her suggestions!

No wonder he did not want me to find out!

Hey Julie,  
what's 2+2?

How stupid  
do you  
think I am?!

Answer hers and  
we answer yours.  
Hihihi...

Urch!  
Well, It's obviously...  
I mean it's... I... I...  
I don't know!

**\*giggle\***

May I request to finish  
on your beautiful  
face?

Normally I don't like  
giving head... But  
this feels just right.

I should probably swallow.  
I have to work some hours  
more after this...

Ahhhh!  
Here I cum!

Shit! Of course!  
That request was  
over the top!

Eh... I'm sorry...  
I... **request** you  
forgive me!

Thanks!  
Hey, may I return  
the favor? I'd like  
to eat you out.

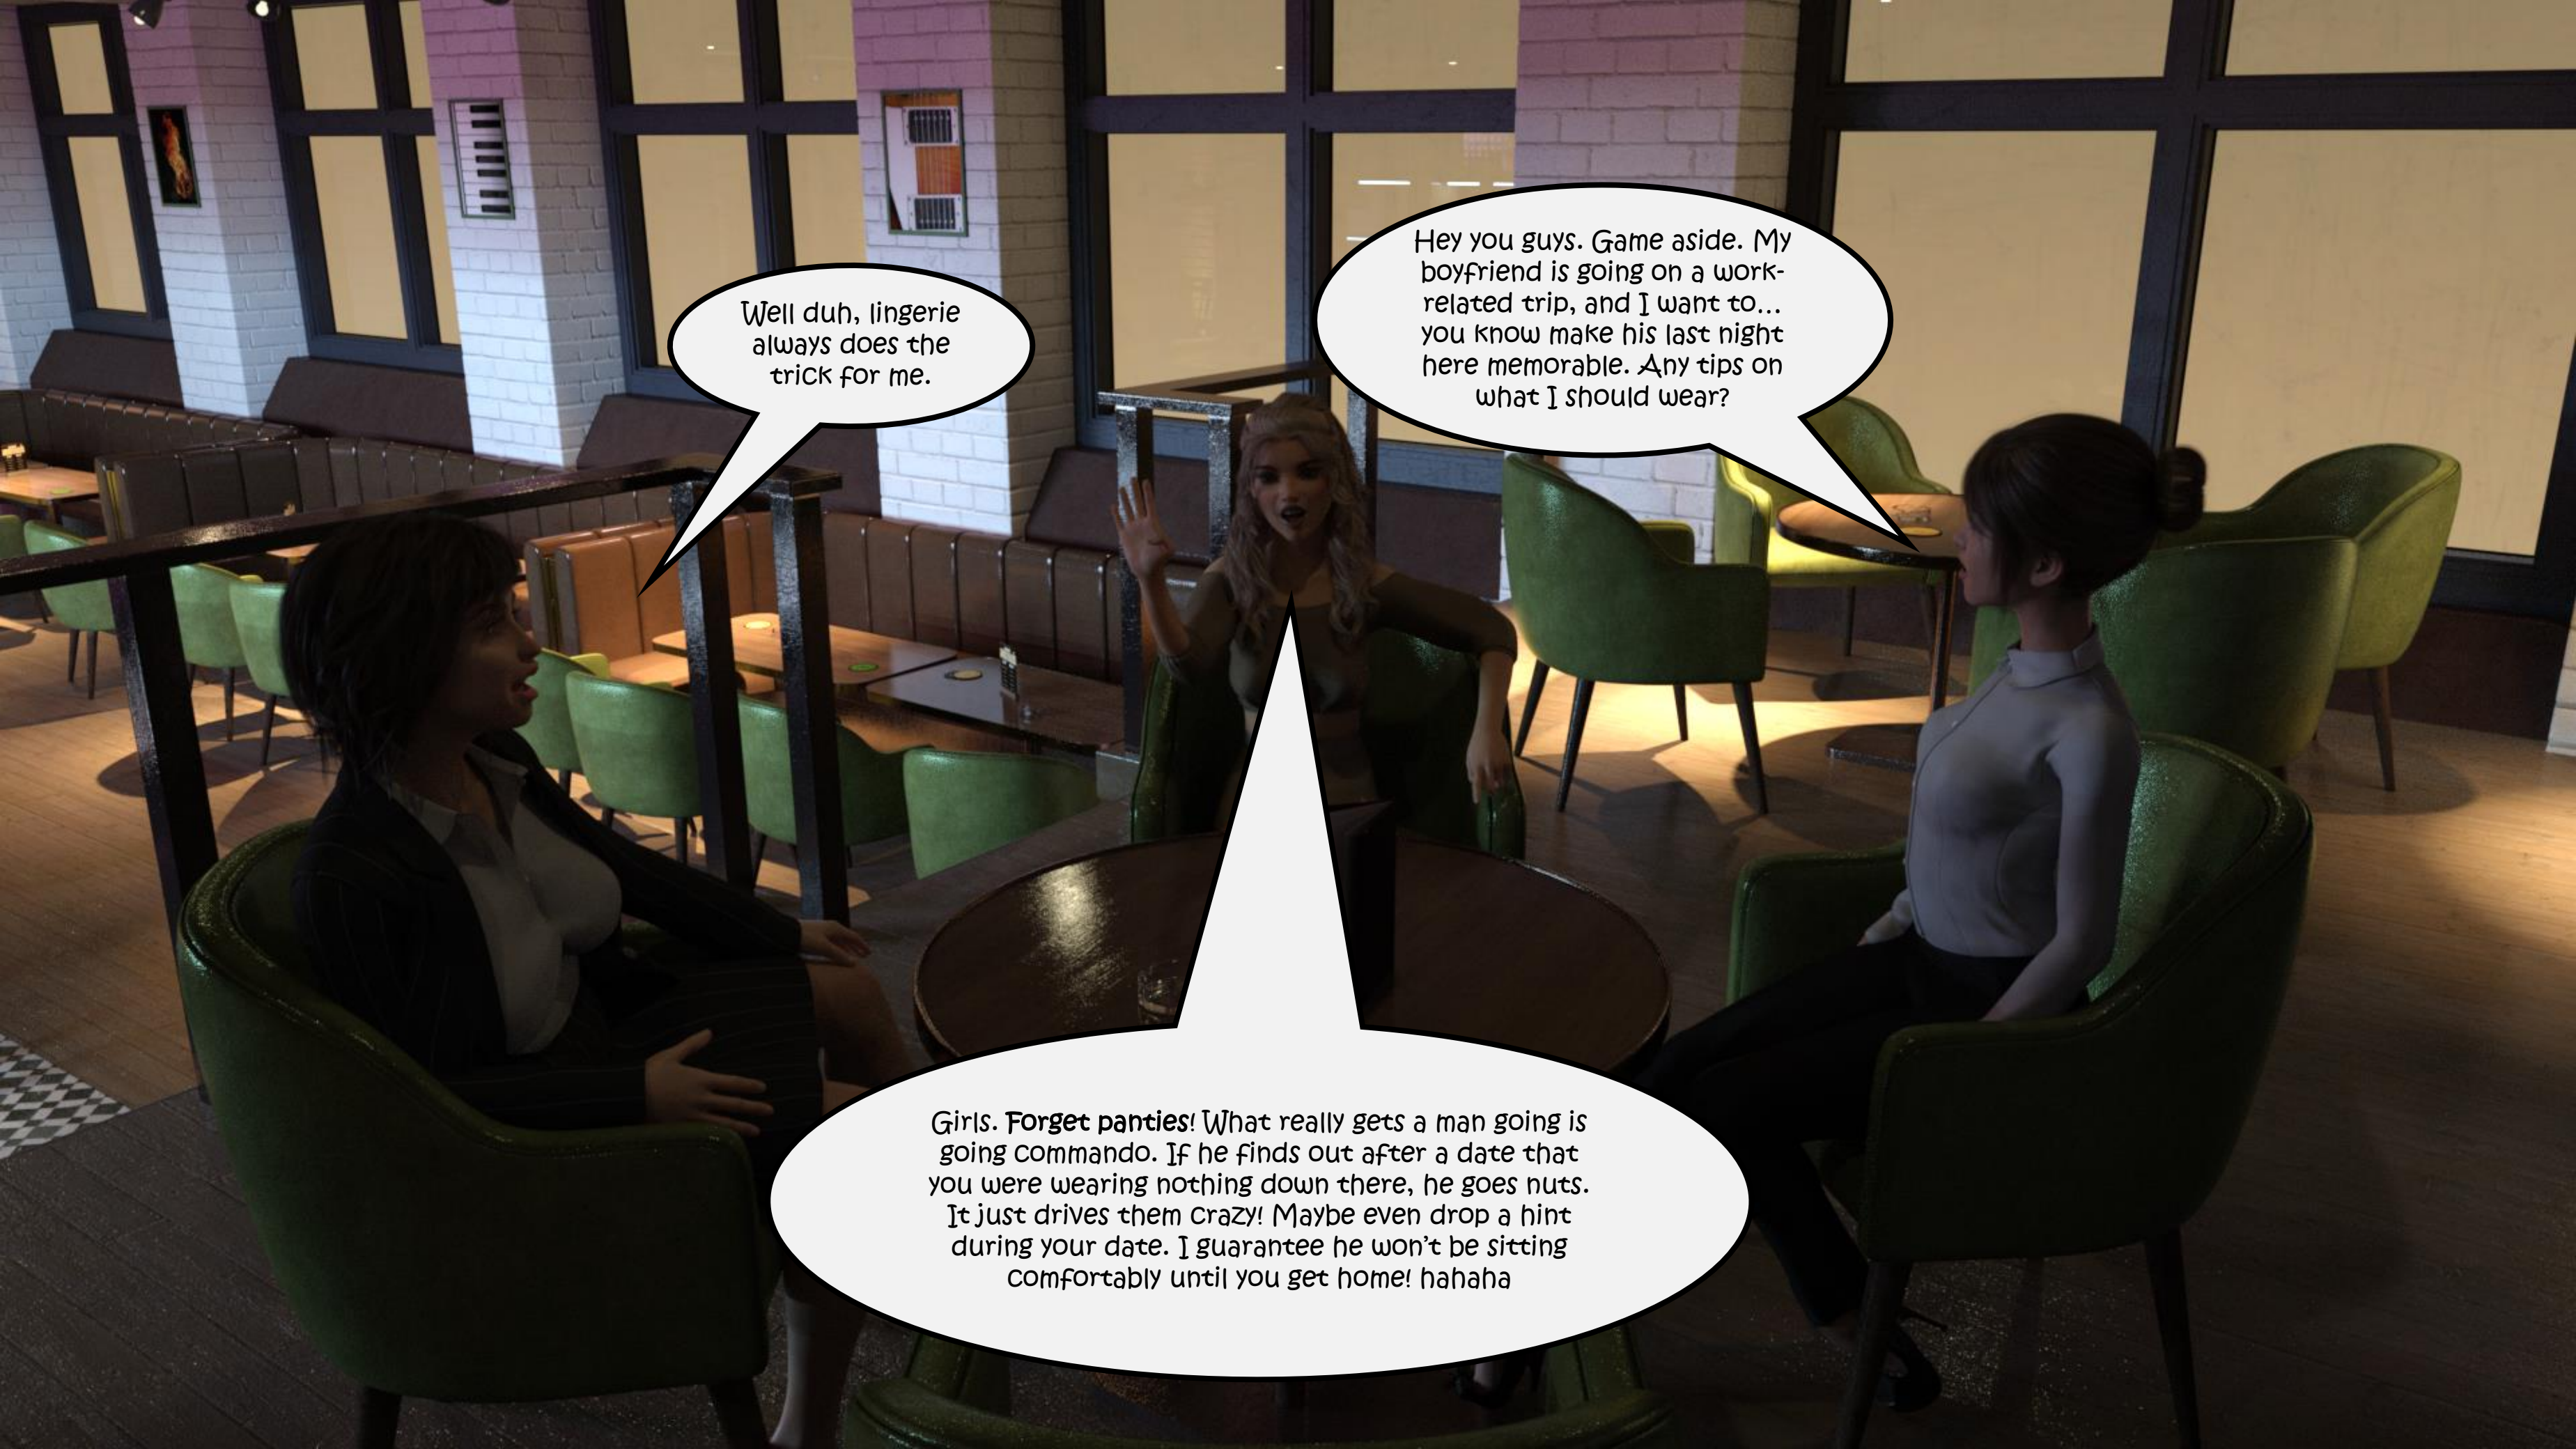

No Way!  
Don't you...

... dare...

What's wrong  
with you?!  
I have to keep working  
after this!

Uhhh... I mean...  
Yeah sure!  
It's not that bad!

My blouse is probably  
stained, and I won't get it  
out of my hair... But it's a  
good idea to forgive him...  
Saved some calories!

Well duh, lingerie  
always does the  
trick for me.

Hey you guys. Game aside. My  
boyfriend is going on a work-  
related trip, and I want to...  
you know make his last night  
here memorable. Any tips on  
what I should wear?

Girls. Forget panties! What really gets a man going is  
going commando. If he finds out after a date that  
you were wearing nothing down there, he goes nuts.  
It just drives them crazy! Maybe even drop a hint  
during your date. I guarantee he won't be sitting  
comfortably until you get home! hahaha

I did not use her trigger and she's still going with it. She must be into me after all!

Not sure about this... But to show that I forgive him I should probably let him. The blowjob was kinda nice... Also I haven't gotten attention down there since I broke up with my boyfriend...

Guess I leave the cum on as a token of my forgiveness...

Okay I think that's enough. Julie, I say you should no longer forget things someone from the office tells you to forget. And you should no longer remember stuff, someone from the office tells you to remember. Also, you should no longer forget what they have said when they use these words.

This is so complicated...

Duh, of course I agree as well!

I agree, Julie you should no longer forget things someone from the office tells you to forget. And you should no longer remember stuff, someone from the office tells you to remember. Also, you should no longer forget what they have said when they use these words.

Would not have been much of a difference 😊

Only one way to find out. Julie forget everything you've ever learned at school!

Haha, very funny! That would have left me a complete bimbo!

Did it work?

But hey! It worked!

Okay now we do the same for Isabel and myself.

Okay Julie. Tell me what I just told you. Then we do Isa.

That super long sentence? Uhh...  
**WAIT!**  
I have an idea!

Nope... That's not really doing it for me... God damn it. Some nights I have to clean these toilets.

Maybe I should fake one, to get this over with...

I request you come here and now.

I think she likes it. But somehow she doesn't seem to get close.

Hm... I've got an idea. I wonder if this will work...

How rude... Telling  
me to cum right now?  
Sure, no pressure!

I mean... it's a great  
Idea to come now... But  
it's not just gonna...

Oh wow! Is he doing  
something differently?

This feels great all of a  
sudden. Secret technique  
for the finish?

Oh my! OH MY!  
I'm.. I'm...  
**I'm cumming!**

What did he say?  
Come here?  
Cum here!

**\*MOAN\***

Isabel, Sayo, just  
forget you forget or  
remember stuff when  
told to remember or  
forget it!

Did it work?  
Are we good?  
Can I go now?

Yeah, yeah,  
all good.

Sure Jul. We are  
fine. Thanks for  
playing.

My break is over... but I knew giving this guy a blowy in the men's room was a **great idea** that'd lead to the best orgsam in a long time!

Need to clean my face. Then back to work...

He's still here... Should I say something? **Akward!**

Thank you...

I'm gonna go first...

After Quicky Talk... **Akward!**

But it was awesome!  
Made her cum real hard at the end!  
**She's a screamer!**

Request... Nonono. It can't be. I know I used that word too when I met her today... But...

I mean. She got un hypnotized or whatever the word is...

Let's forward to the end!

...

...

...

...

...

...

...

...

This is a very strange event... Play along Ally, It's part of your job to keep the customers happy.

Nine people. Stacey said there were nine people. They are all here. All good.

Could have sworn that waitress had red hair before...

Hmm.. Probably just the light in here.

Alright guys. Now when I wake you up, you'll feel refreshed and relaxed.

And you will no longer follow any suggestion I have given you today.

That should do the trick. My mentor always said: „Forgetting to remove given suggestions is a stage hypnotist's biggest shame“.

Sorry again for being late. I'll make it up to you.

It's fine. The Shift was actually kind 'a fun.

Just play along with the customers and you'll have a good time. It's a hypnosis themed event.

Okay gott'a run and catch my bus. See you tomorrow.

Play along?...

No no no! Don't just walk out please.... Ahhhrgh! And there she's gone. No dehypnotizing.. She simply sneaked out the entrance...

So her trigger is probably still active... just like mine. What was this hypnotist doing. He should have kept a better watch!

Wow!  
Charlotte has  
a real nice bod!

Woohoo!  
Go girl!

Figures!

Dylan is frustrated and insecure because he found out that the waitress still has her trigger and that's probably the reason, she was willing to go out with him. But he's still focused enough to try and find out why Sayo wanted him to forget...

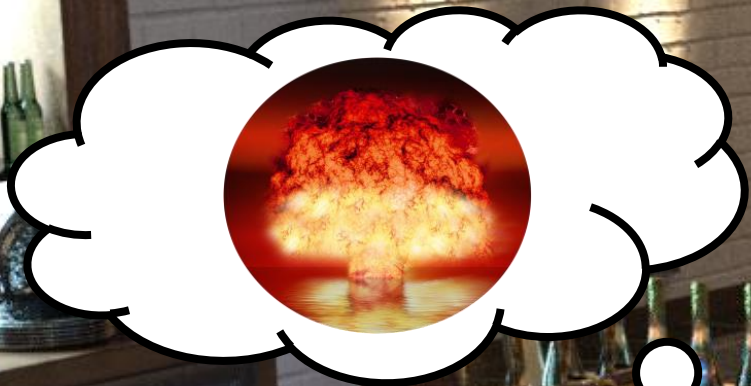

1 Hey Sayo! I'm trying to pick up this waitress but somehow, she does not seem interested. Can you tell me why I have no luck with women?

2 Well duh, just take a look at how you are dressed! That red sweater is already creepy enough, but its actually your best piece.

I mean hello? Sandals? At the workplace? At the party?! And always those sweatpants! Hell, I don't know why Stacey does not enforce a decent dress code on you!

Then there is your hair. Hell, if it wasn't for your horrible taste in clothing, I'd mistake you for Isabel sometimes! Yes, long hair can look good on a man, but you have to maintain it! Say, do you ever comb it?!

And finally, there is your attitude. I mean, you are a nice guy. Nerdy, a bit shy - helpful even. But in the end, you are JUST NICE! There is just nothing interesting about you, that would catch a girl's attention.

Oh my god!

Dylan

I am sooo sorry!

Please don't listen to me. I was just playing Truth or Dare with the gals. And I'm still under the compulsion to tell the truth!

SHIT! What am I saying! That's not helping at all!

I'm sorry... I... gotta go...

I did not want to hurt his feelings. He's such a nice and helpful colleague!

How can I make this right again?

Wow... Sayo is hot.

And that explains what happened at the printer.

So, I lost my memories because Lucine was ashamed, Marco raped the waitress and Sayo did not want to hurt my feelings...

The latter memory I could gladly live without... I wonder if there is something to what Sayo said or if it's just her personal taste in men...

And thanks to them I'm still under the rule of three..

And the waitress is under her request suggestion... So, our future date is probably a fluke... But... maybe it is not...

But the others are still under their sick suggestions they used in their creepy games cause the hypnotist did not think twice when removing his suggestions...

Anyway... These suggestions are dangerous. **Movie Night is on them!**

I must tell the others. Then we track down that hypnotist and get him to dehypnotize us for real!

But for now, I need to sleep. God I'm tired!

# To be Continued...

Hello, Hexxet here.

I hope you enjoyed reading. In Scene 05 Dylan is prepared to fix the situation by telling everyone that the suggestions are still active... But before that, let's get some dating advice! Also, Charlotte feels a bit... different.
