

EMILY

DOESN'T

**FIND
NEMO**

Characters and setting from Pixar's Finding Nemo

PT I. THE DELICAN

A 3D rendered scene from the movie Finding Nemo. Nemo, a yellow and white striped clownfish, is in the water on the left, looking towards Emily. Emily, a young girl with dark hair in a ponytail wearing a pink bikini, is in the water on the right, looking at Nemo. They are in a shallow pool or lagoon with a wooden pier structure in the background. The sky is bright blue with white clouds. A speech bubble originates from Nemo.

Come on, Emily, we
gotta find the boat! It's here
somewhere!

We're so close to finding Nemo! We can't stop now!

We've been searching all night; don't you want to rest for a bit?

Why're you bringing
this up now? Speaking of
which, why are you even in
this scene?

C'mon, gimme a
break, I'm a human, I don't
naturally swim long hours
like you.

Those boat sails got
really whippy just now, the
wind is really strong
today!

That doesn't sound
like the sails...

A woman with dark hair, wearing a pink and blue swimsuit, is in the water. She is looking towards a large, orange and white clownfish. The clownfish has a surprised expression. The background is dark blue water.

Umm... maybe we
should duck...

That's not a
duck, that's a-

pelican!!!

A woman with dark hair, wearing a pink and black swimsuit, is in a pool of water. She is looking towards a large, cartoonish orange fish character with a wide-open mouth. The fish character has large, expressive eyes and a small fin on its head. The background shows the ripples of the water.

Hey, I never said it
was a duck!

Why aren't we
ducking?!!

Too late!

Whoa!

AHHH!!!!

FLOP!

GALP!

Nooo!!!

A close-up photograph of a person's face submerged in water. The person's eyes are closed, and their mouth is open in a joyful expression. The water is a deep, warm brown color, and the lighting creates a soft, intimate atmosphere. A white speech bubble with a black outline is positioned to the left of the person's face, containing the text "Woohoo!".

Woohoo!

What a tight
fleshy slide!

A woman with dark hair is smiling and looking towards the camera. She is wearing a dark top. Next to her is a large, orange, textured character with large, expressive eyes. The scene is set in a dark, rocky cave with some light reflecting off the walls.

No! I
didn't come this
far to become
breakfast!

ACK!!!

Hruk!

Alright,
Gerald, what is
it? Fish got your
tongue?

AHHH!!!

Love a duck!

WHACK!

You've had
enough, Gerald!

Looks like I
got it! A little
clownfish!

Oh my god, we're
alive! We made it
out!

I can't believe our
luck, Emily!

...Emily?

A 3D rendered scene featuring two cartoon ostriches standing on a wooden deck. The ostrich on the left has its beak wide open in a large, red, fleshy shape, as if it has just finished eating. The ostrich on the right has a more slender, red beak and a slightly annoyed or surprised expression. Both ostriches have spiky, yellowish-brown feathers on their heads. They are standing on two wooden posts that are part of a railing, with white horizontal bands around the posts. The background shows a stone wall and a blue sky with light clouds. Two speech bubbles are present: one on the left containing the text 'Hruk! Ach!' and one on the right containing the text 'Whoops, looks like you still had another one in there!'.

Hruk!
Ach!

Whoops,
looks like you still
had another one in
there!

A 3D animated scene featuring two toucans on a wooden deck. The toucan on the left is white with a large, bright red beak and is shown in the middle of a large swallow, with its beak wide open. The toucan on the right is grey with a large, dark red beak and is looking at the first toucan. A speech bubble from the grey toucan contains the text 'You managed to get it down! Lucky fella!'. The background consists of a light-colored stone wall and a blue sky with white clouds. The deck is made of wooden planks.

GULP!

You managed to
get it down! Lucky
fella!

Oh no... don't tell
me... Emily went
back in?

Sigh
Figures even in a
G-rated movie I
would become
food...

BURRRP!

Excuse you...

A 3D-rendered clownfish, resembling Nemo, is swimming in blue water. The fish is orange with white stripes and a white belly. It has a speech bubble above it. In the background, there is a pink, tangled object floating in the water.

I guess I'll have
to find Nemo myself
now...

THE END

A close-up, low-angle shot of a woman's face and upper body. She is looking slightly to the left of the camera with a subtle smile. The lighting is very dark and moody, with a strong orange or red color cast. Her hair is dark and voluminous. She appears to be wearing a dark, possibly sequined or beaded, garment. The background is indistinct but seems to have some texture or light patterns.
