Hana is.. a bit strange since yesterday..

Yes! I'm sure that the food store will be very delicious!

Also, the ghost  
back at the gym..  
It's not like any  
those things..

Miko..?

What are you thinking, Miko?

Ah.. It's nothing, Hana. Let's get back to our class.

Tch.. Somehow  
I can't even control  
Hana in a way..

"I must find a new host."

"Hmph.. I can still take control of a body well."

Let's enjoy my  
this new body.

"That Miko girl..  
look like she can  
see me?"

Nevermind. I must have worried too much.

"Oh? Just look at  
this teacher's body."

"There's no one here at all. Let's enjoy her!"

Well.. I heard the infirmary has a big boobs nurse.

I wonder if that ghost.. do something to homeroom teacher.

Oh? Miko?  
Where are you  
going?

Ah.. He possessed  
her body..

Hm? What with that face, Miko? Did you see something?

What should  
I do.. Ah.. if  
I answer it..

Miko!! There  
you are!!

Miko is bad!  
Left me at the  
canteen alone!

Sorry. I forgot  
my money in  
the backpack.

Okay okay. I won't leave you like that again.

Sorry, teacher.  
We have to go now.

"Just as I thought,  
she didn't see me."

Oh, you are..  
a homeroom  
teacher?

Can I come in?

I think our school has room for teacher?

I felt a bit tired and needed a bed to rest.

Oh.. I wanted to recall the old time when I was a student.

Ho? I see..

I still have one.  
But I won't take  
any responsibility.

Ah!!??

What are you..  
trying to do?

Ah.. That's not important. Let's find some males and enjoy.

A girl that can see ghost? Hm.. Interesting.

"But I would love to see how will that spirit do in his last 3 days."
