Um... hi. Um...
it's nice to meet you too, but
I don't really hug.

Sure O.K., but
you're half naked. Why don't
you have clothes on?

No... no
it's not that. I... I just wasn't
expecting this.

Hi you must be
Lydia, I'm Amiko. I'm so glad
to finally meet you.

Don't be silly,
everyone hugs. We're going
have so much fun.

Oh Lydia! If I'm
getting you hot & bothered I
can put more clothes on.

What?! I'm not a lesbian. Not that there's anything wrong with that.

Lydia I had no idea I'd be living with a Dyke. I hope you don't ravish me.

Amiko you're really um... different. What did you want to show me.

I'm just teasing I don't think you're a lesbian. Want to see something?

Oh wow Amiko!
I've never actually known anyone
with their tongue pierced.

Lydia didn't expect Amiko to expose her breasts like this. She had never really scene another girls breasts. Even in gym she had always stared at the floor in the locker room; too scared to look anywhere else. Now another girl's breasts were right in front of her and she couldn't look away. She knew College would be different, but she didn't expect this. Amiko's breasts were different from hers. Small and perky. They were cute. Why did she think that? When Amiko invited her to touch them, she could feel her hand starting to move on it's own. This was bad! Her Pastor wouldn't approve of this.

OMG Amiko!
Your nipples are pierced. Did...
did it hurt? What does it
feel like?

It hurt at first, but
now it makes them really sensitive.
You can touch them if you want.

Lydia didn't know why she touched Amiko's nipple. She had never done anything like this before. She had never been curious about other girls or even boys for that matter. She was still a virgin. She had always focused on Church and school. Seeing Amiko's exposed breasts made her feel funny. She felt all tingly and confused. She knew she was about to do something bad and that she should stop, but she didn't. She pinched Amiko's nipple. Lydia could feel the metal piercing in the soft nipple. She heard Amiko moan softly. Lydia knew she should stop, but she pinched it harder. She could feel Amiko's breathing getting heavier and hear her soft stifled moans. Lydia pinched the little pink nipple harder.

Lydia didn't really understand how things had moved so quickly. Just a few minutes ago and she was meeting her new roommate. Now she had touched another girl's breasts for the first time, and she was about to let Amiko touch her breasts. She knew she shouldn't be doing this type of thing, but there was something about Amiko. Amiko was crazy and fun, and made her want to be reckless.

I've never really had a best friend. Everyone always teased me for being smart. I guess I could let you touch them.

Lydia since I let you touch my tits, can I touch yours? We are going to be best friends. It might be fun.

OMG Lydia, your breasts are incredible. Take your bra off slowly for me.

O.K. Amiko. Do you really like them? I'll go slowly for you.

Do you really like them Amiko? They're so big I've always been embarrassed. You can hold them a little longer if you want.

Wow! They're so heavy. I could hold them all day. you're so lucky to have breasts this big.

I can't believe I'm doing this. OMG she's kissing my breast This is going too far.

Things were moving too quickly for Lydia. Her parents had just dropped her off at College an hour ago, and now she was half naked in her dorm room with her new roommate kissing her breasts. It felt so good, so right, but her head told her it was bad. She became frightened, she had to stop this craziness.

Amiko we shouldn't ...

Wow Amiko! I can't believe we actually did that. I've never even kissed a boy before, but that was really fun. I think I liked it.

You really liked it Lydia? You're not just saying that? I kissed another girl before, and it reall freaked her out. You really liked it?

I really did like it Amiko. It felt... I don't know... natural.

It felt really natural to me too Lydia. I'm glad you liked it.

Um...O.K.

You know Lydia,
since we both liked it, we could
do some more things.

A close-up, side-profile photograph of two young women kissing. The woman on the left has voluminous, curly hair with a red-to-orange gradient. The woman on the right has long, straight black hair. They are positioned against a warm, orange-toned wooden background. A thought bubble above the woman on the right contains the text: "We're going to have so much fun together Lydia. There are so many things I want to try."

We're going to have so much fun together Lydia. There are so many things I want to try.

Amiko cut it out.
You have to take this seriously.
