Intro Riff

[Verse]
```
              Dm
It starts with one thing I don't know why
    C
It doesn't even matter how hard you try
Bb
Keep that in mind I designed this rhyme
    C
To explain in due time
      Dm
All I know, time is a valuable thing
C
Watch it fly by as the pendulum swings
Bb
Watch it count down to the end of the day
          C
The clock ticks life away
          Dm
It's so unreal, didn't look out below
C
Watch the time go right out the window
Bb
Trying to hold on, but didn't even know
    C
I wasted it all just to
          Dm
Watch you go, I kept everything inside
          C
And even though I tried, it all fell apart
Bb
What it meant to me will eventually be
        C
A memory of a time when
```

[Chorus]
```
          Dm                    F
I tried so hard and got so far
          C                     Bb
But in the end it doesn't even matter
        Dm                  F
I had to fall to lose it all
          C                     Bb
```

But in the end it doesn't even matter

[Verse]
Dm
One thing, I don't know why
   C
It doesn't even matter how hard you try
Bb
Keep that in mind I designed this rhyme
     C
To remind myself how
        Dm
I tried so hard, in spite of the way you were mocking me
C
 Acting like I was part of your property
Bb
  Remembering all the times you fought with me
C   **Dm**
  I'm surprised it got so far things aren't they way
         C
They were before You wouldn't even recognize me anymore
Bb
  Not that you knew me back then
     C
But it all comes back to me
     Dm
In the end you kept everything inside
       C
And even though I tried, it all fell apart
Bb
What it meant to me will eventually be
     C
A memory of a time when

[Chorus]
       Dm   **F**
I tried so hard and got so far
        C   **Bb**
But in the end it doesn't even matter
      Dm   **F**
I had to fall to lose it all
       C   **Bb**

But in the end it doesn't even matter

[Bridge]
```
             Dm          C
I've put my trust in you
          Bb               C
Pushed as far as I can go
              Dm
And for all this
              C                         Bb    C
There's only one thing you should know
              Dm          F
I've put my trust in you
           C              Bb
Pushed as far as I can go
              Dm
And for all this
              F                         C    Bb
There's only one thing you should know
```

[Chorus]
```
            Dm                  F
I tried so hard and got so far
            C                    Bb
But in the end it doesn't even matter
         Dm                 F
I had to fall to lose it all
            C                    Bb
But in the end it doesn't even matter
