

Whether you're a  
cafe owner

A pathetic stalker,  
or an aggressive  
abuser

I couldn't care  
less

Yet  
coincidentally,

Teacher Lee  
always tried to  
approach me

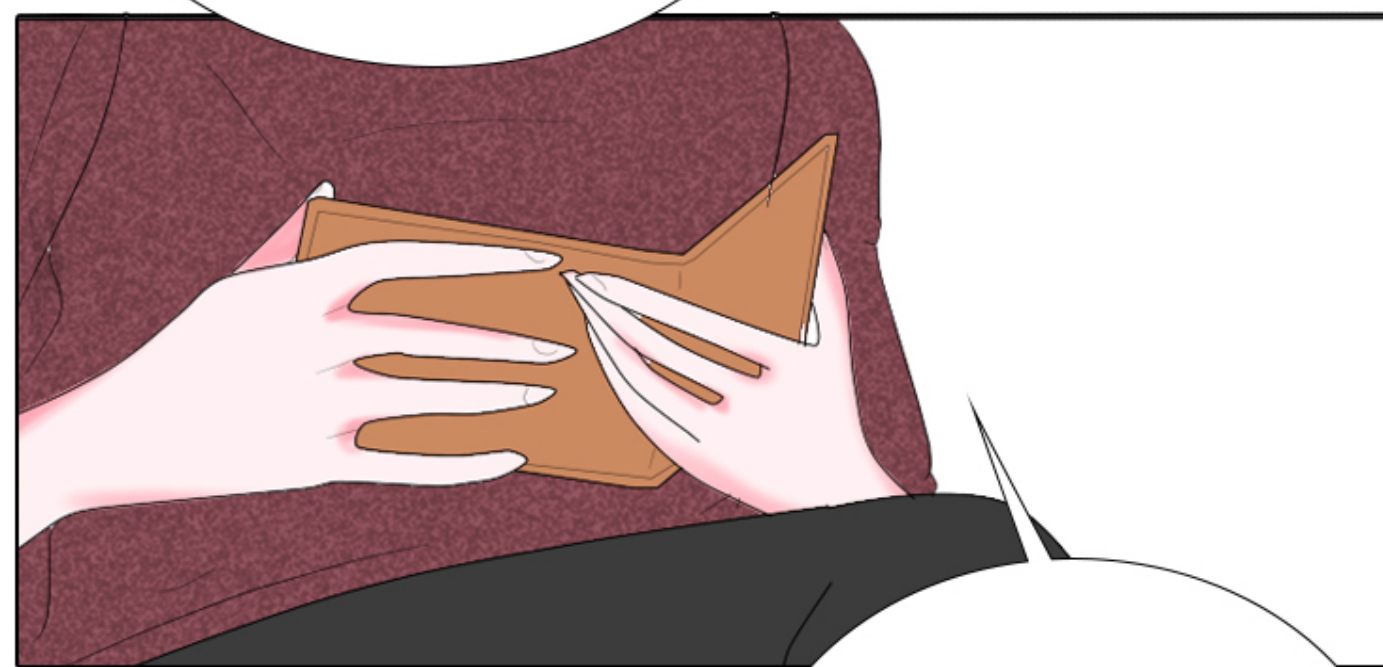

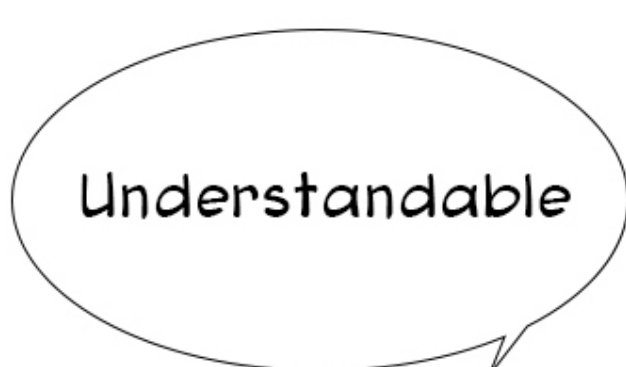

While you  
out of nowhere  
had my phone  
number

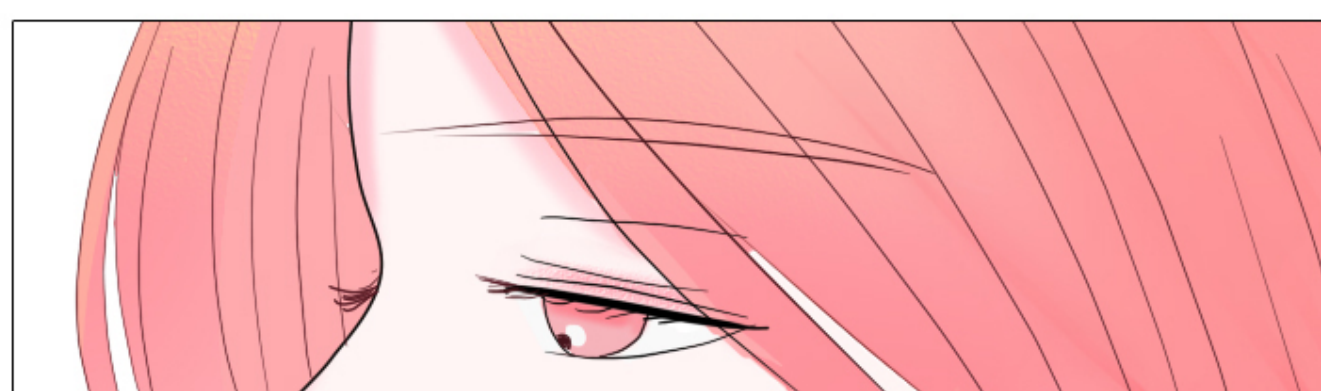

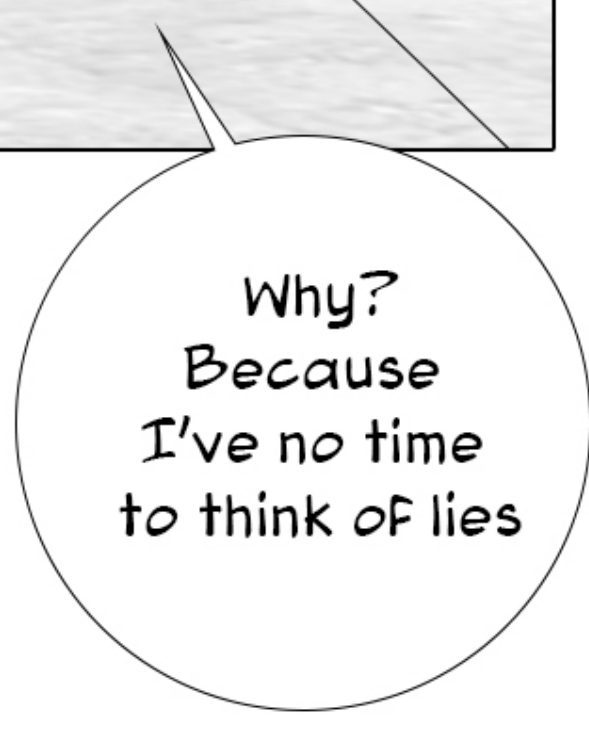

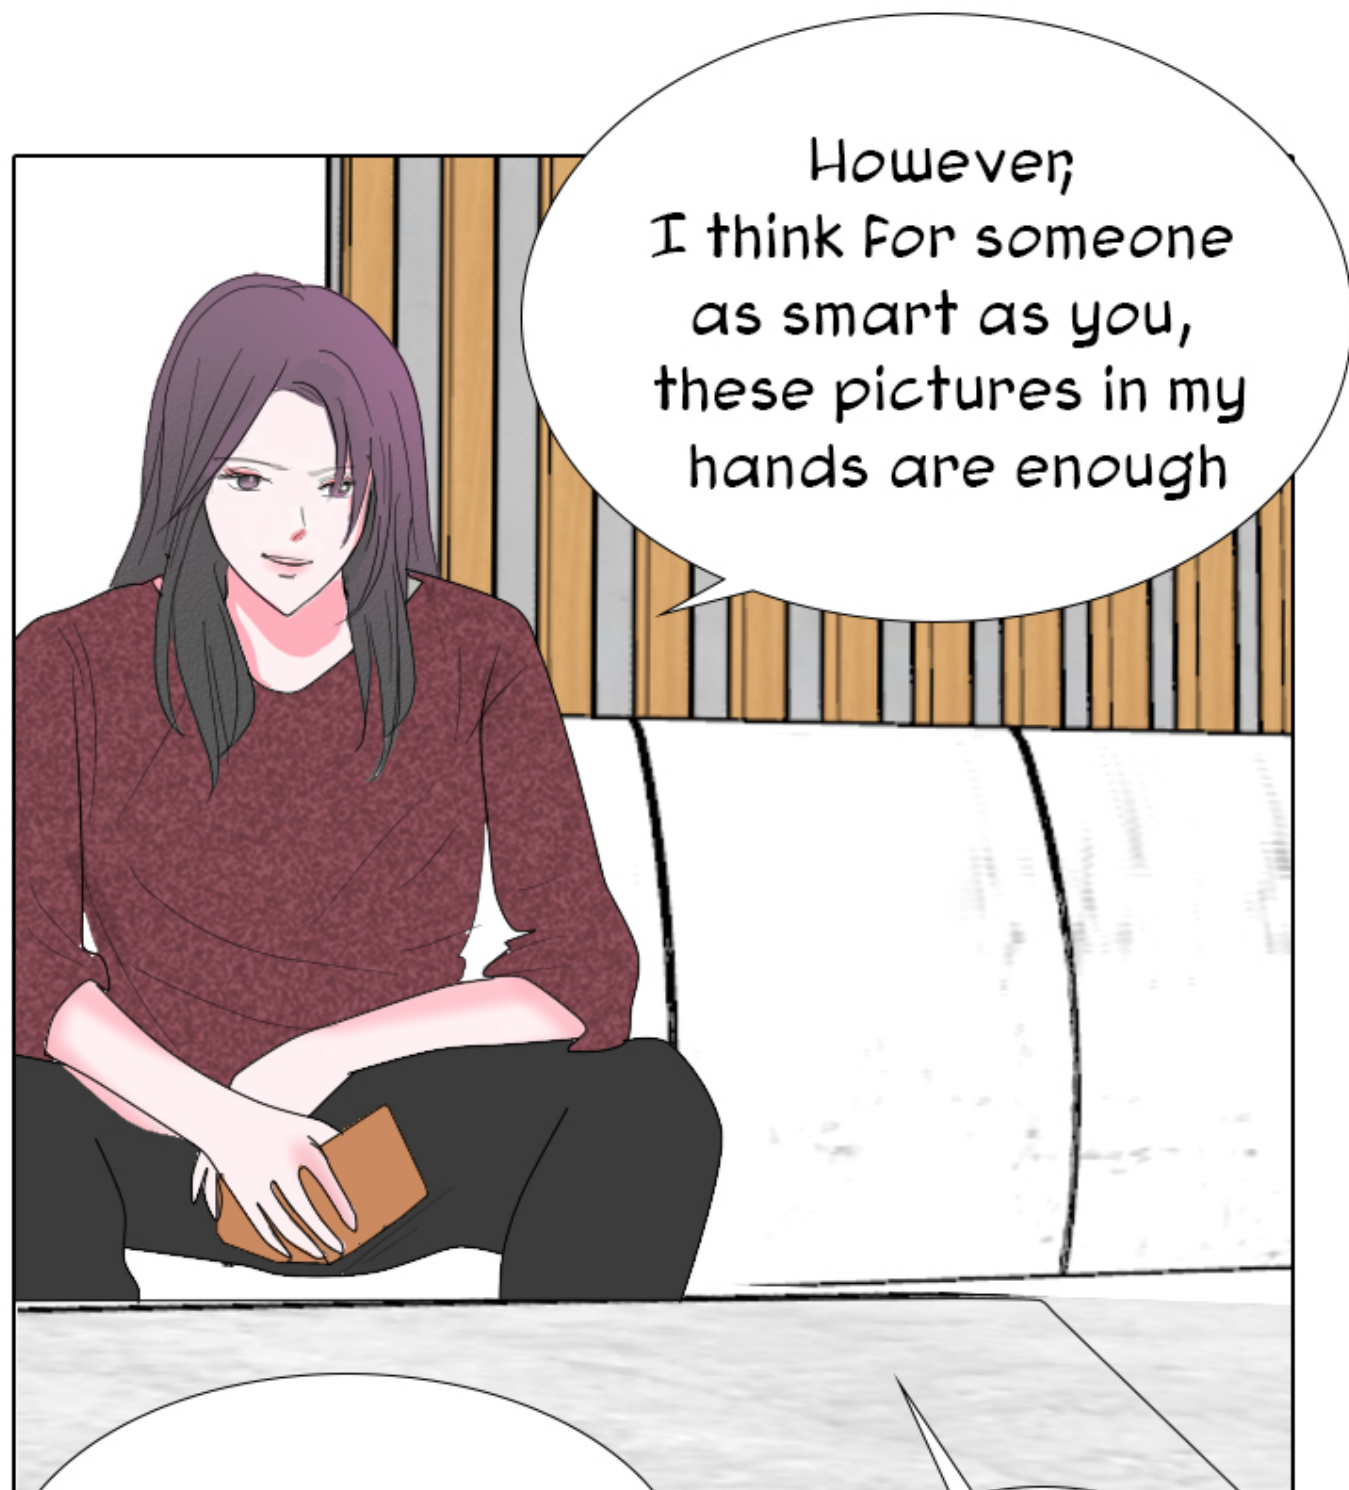

Just when everyone  
thought her career  
was ruined,

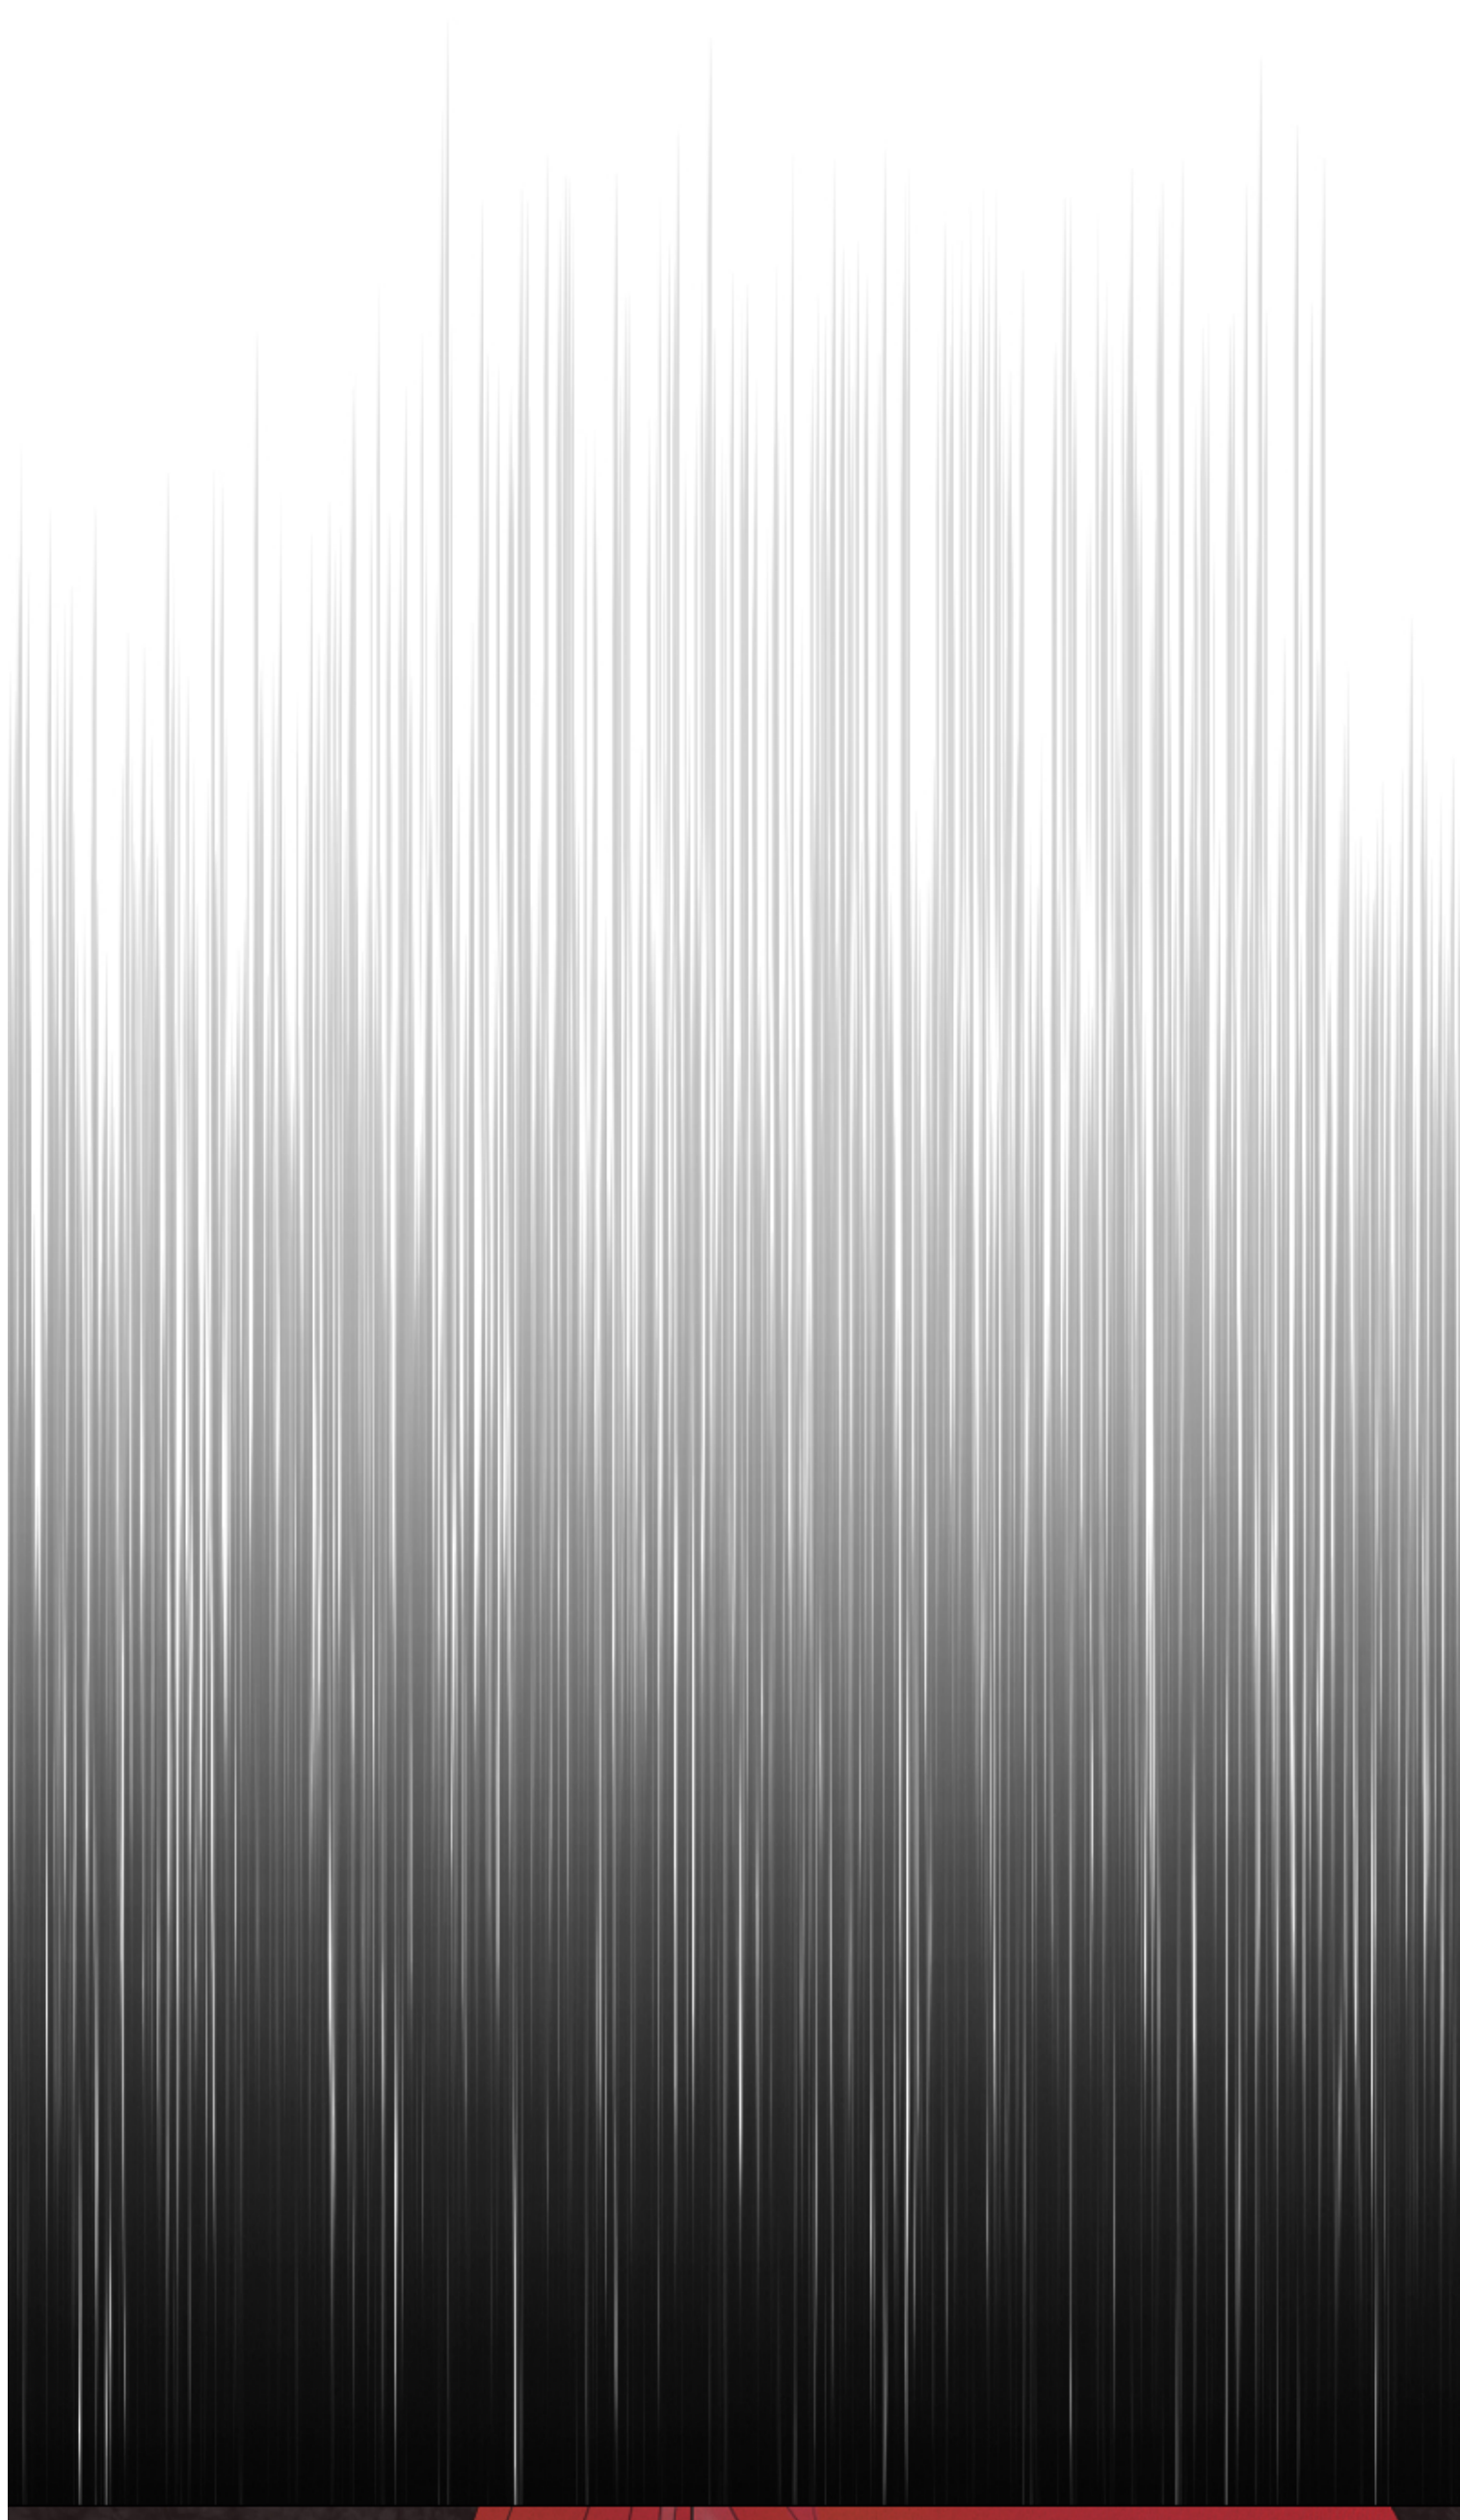

You made her  
get back to work  
as if nothing happened  
the next second.

This silly game  
from both of you

I don't buy it

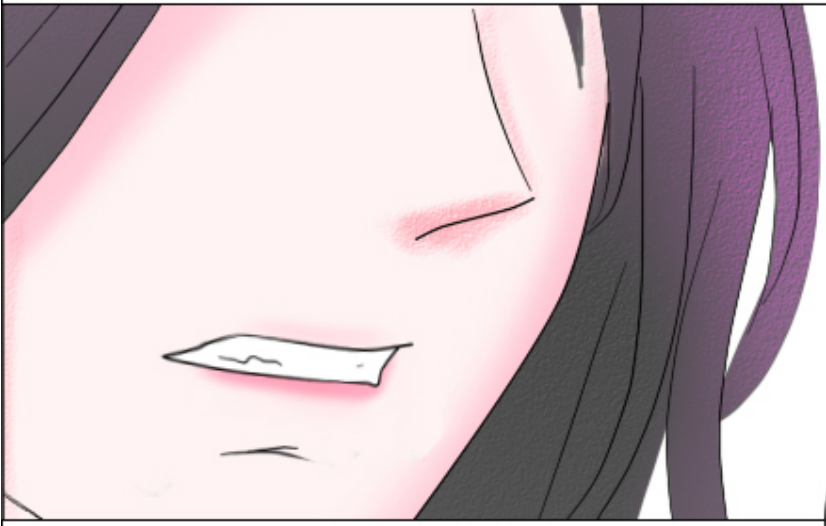

8 years ago,

Because of  
this heartless  
unmarried  
couple,

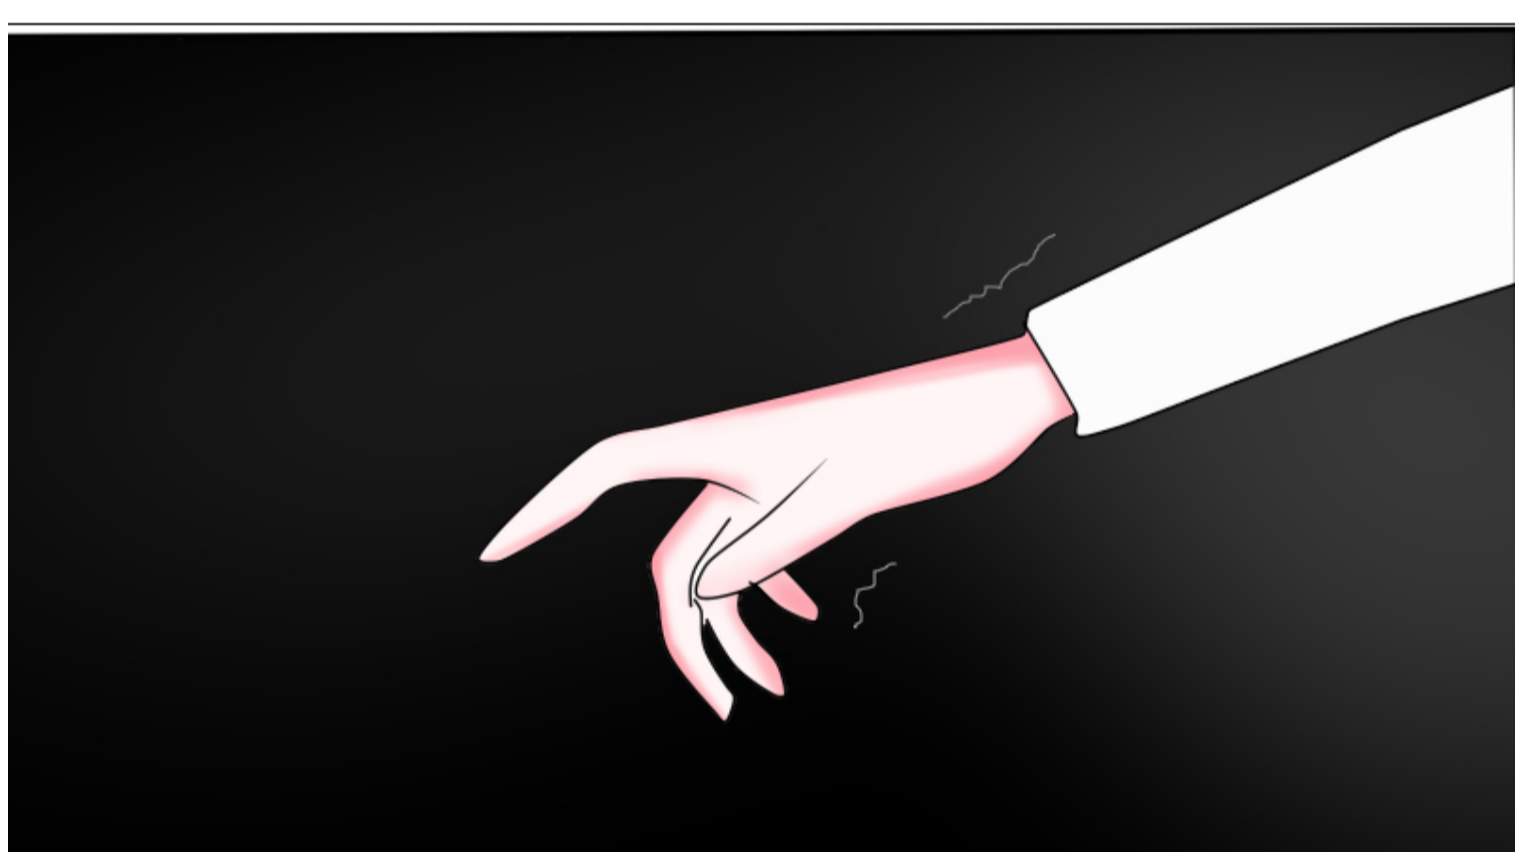

Yoonhee unnie  
almost died in  
an accident

No!

How could it be  
an accident?

**They,  
your ungrateful biological  
parents, deliberately  
crashed into her**

**In order that  
you can live a  
comfortable life**

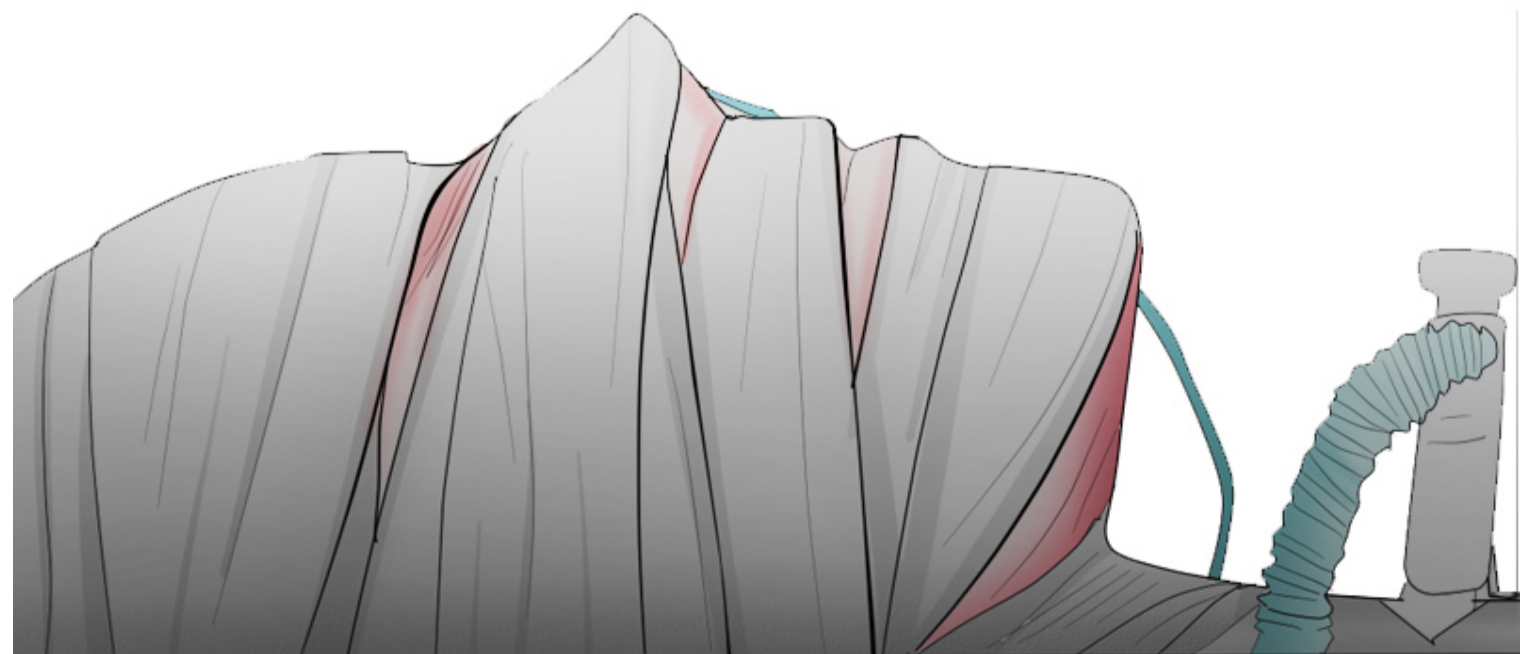

When Yoonhee unnie  
woke up from  
a 10-month coma,

Do you know  
what was the  
first thing she  
said?

She said  
she wanna see  
you

With the ventilator  
and all sorts of tubes  
and bandages  
all over her face  
and body

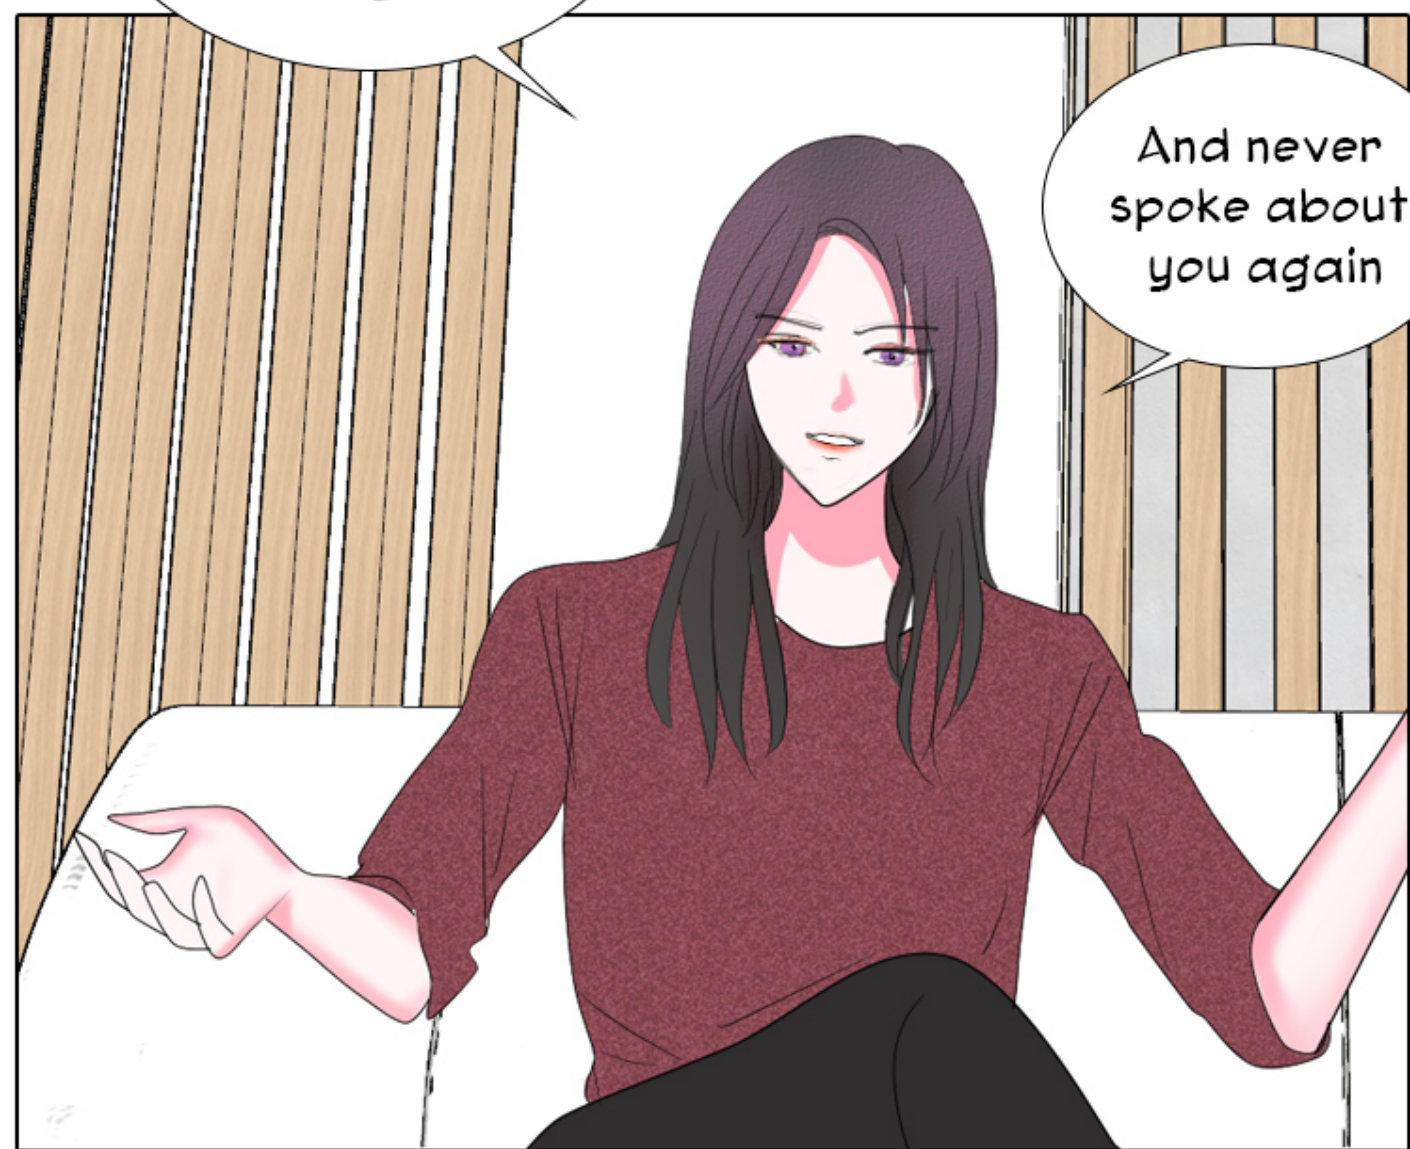

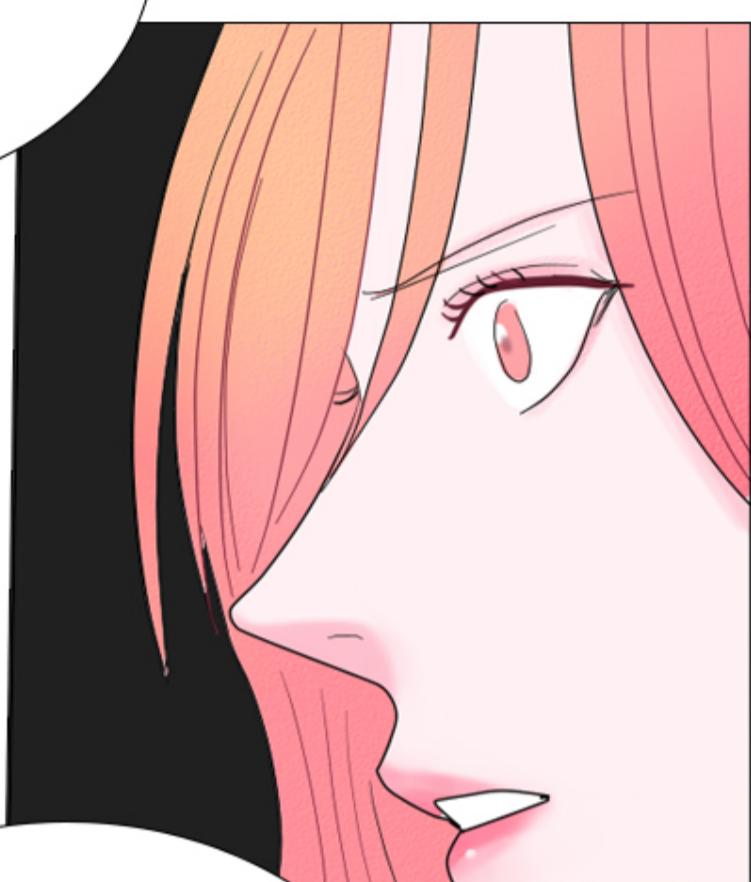

You've figured  
what happened  
next already,  
ain't ya?

She slowly slowly  
becomes the  
person we barely  
recognize

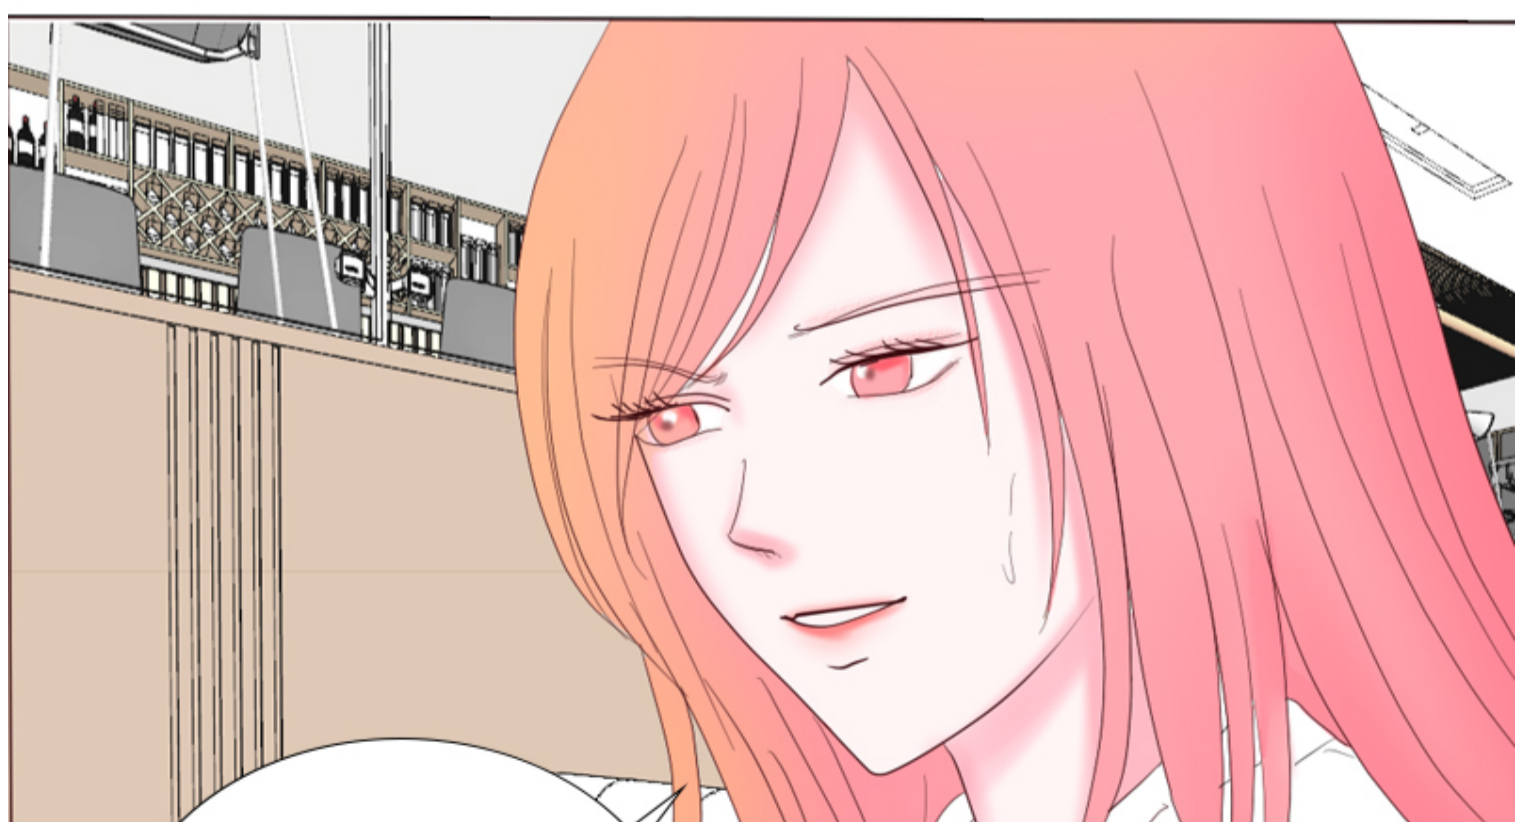

And never  
spoke about  
you again

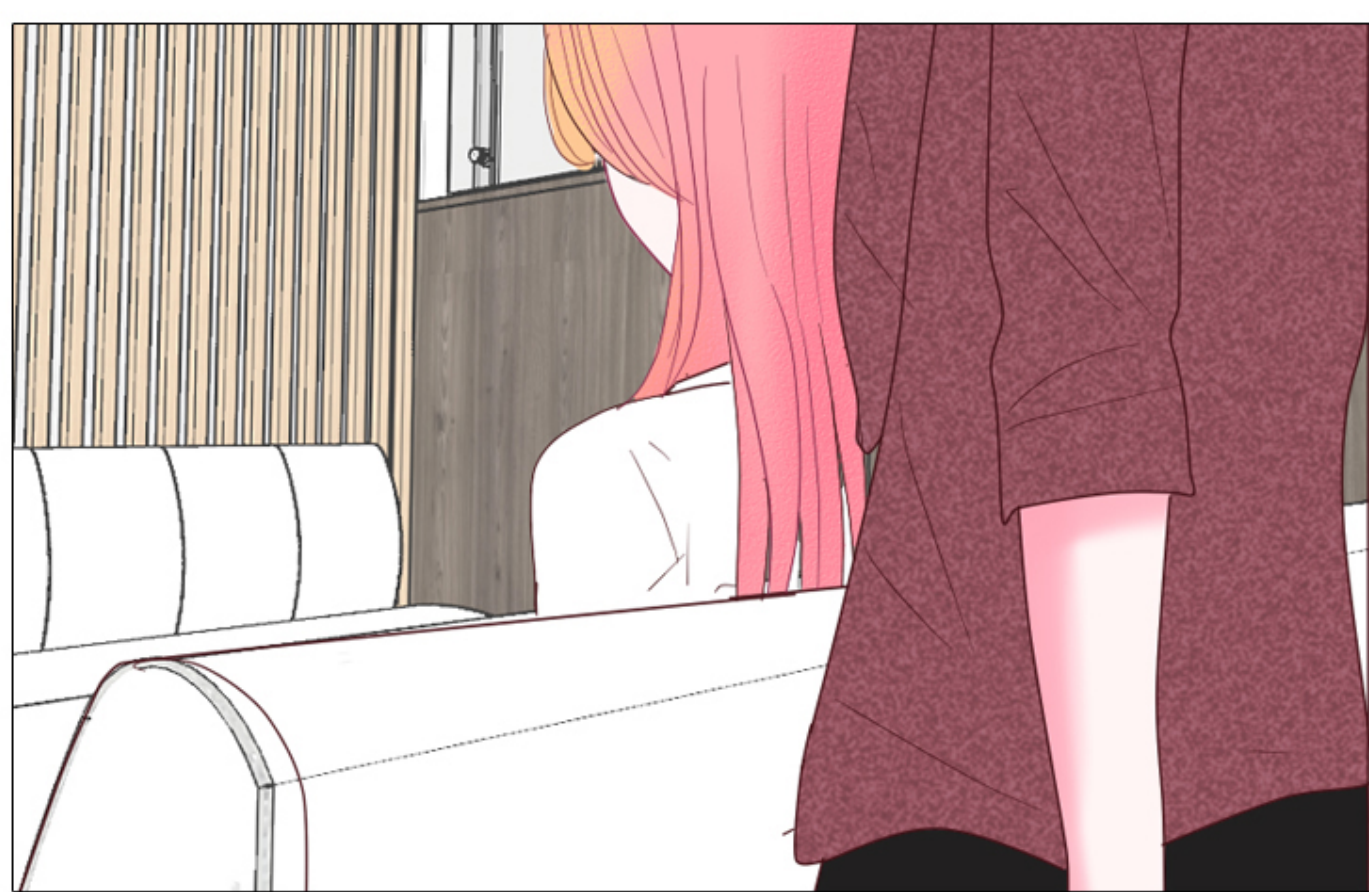

Had it not been  
for Yoonhee unnie's  
kindness,

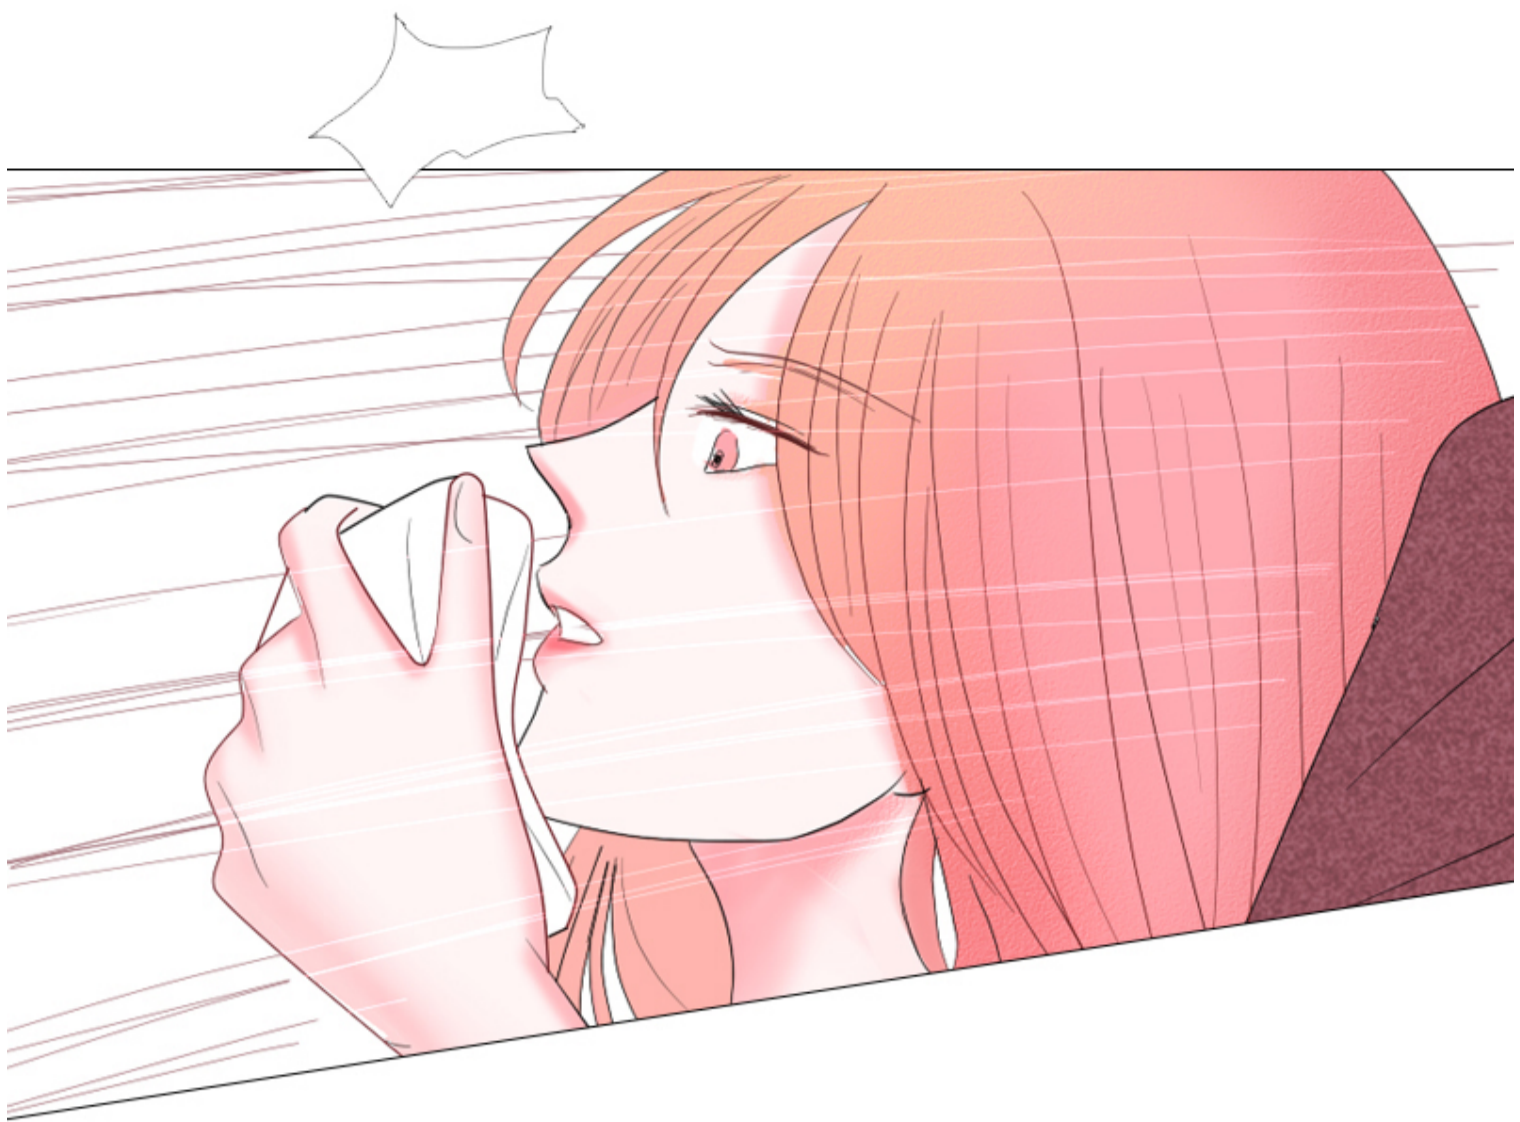

Do you think  
you can still live in  
that luxurious  
house?

You psycho,  
aren't you aware  
of what you're  
saying?

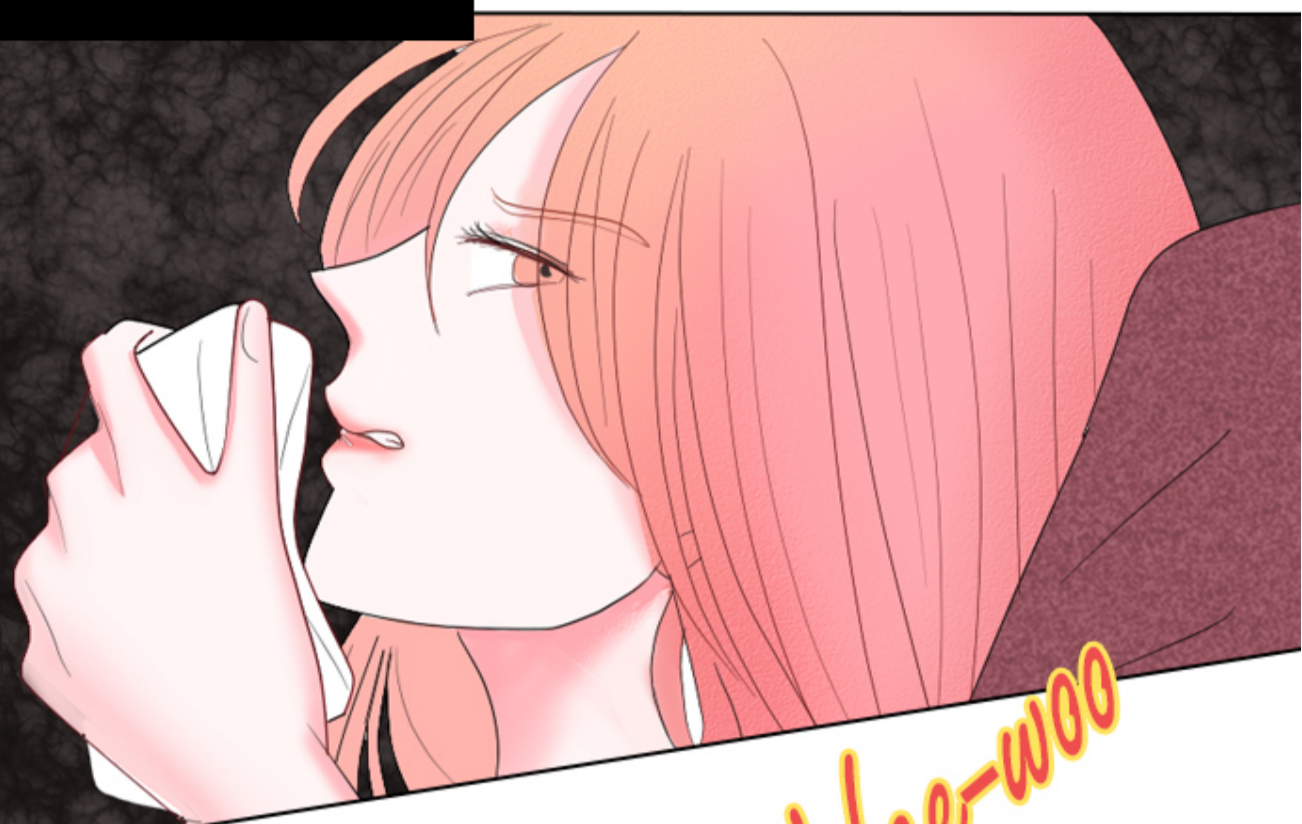

Unfortunately,

Nobody's going  
to save you from  
this psycho

How annoying!

Wee-woo

Wee-woo

Wee-woo

Sirens?

\*police car\*

Haha...  
Jung Aerin

Thank goodness  
I only wanted to  
scare you a bit

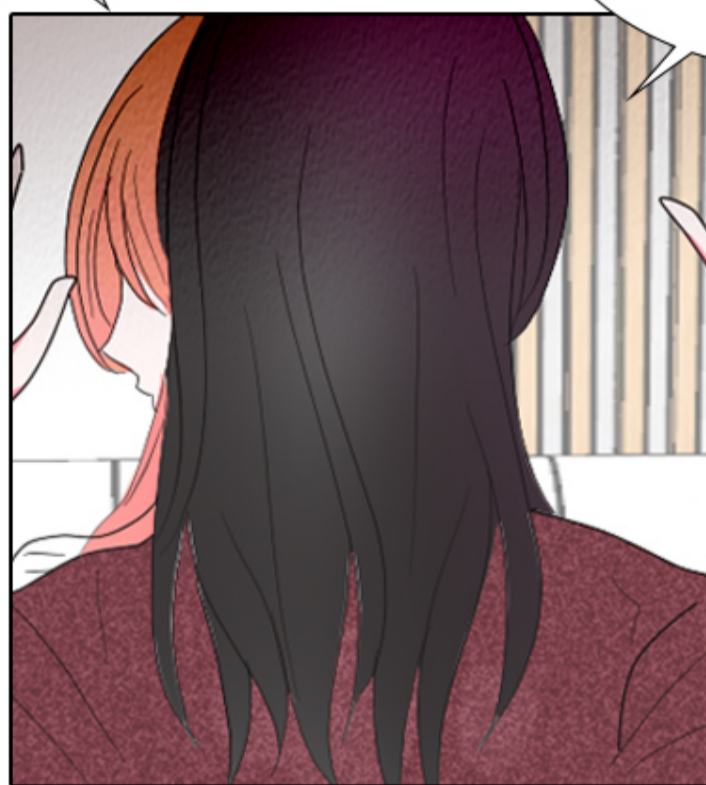

Wee-woo

I could've gone  
as far as making  
you inhale chloroform,  
did you know that?

But  
I'll be troubled  
if cops come  
and arrest me  
later

It's just  
vodka

Huh?!!  
How did you  
fr

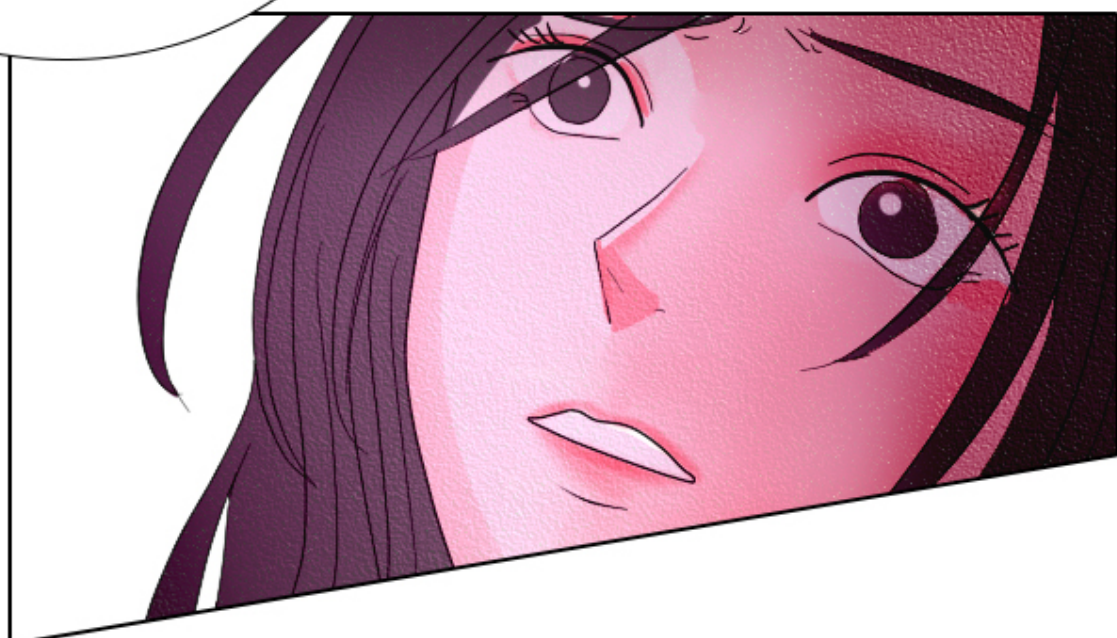

What...?  
She's so  
strong..

Let me remind  
you

**DON'T. EVER.  
EXPOSE. THE. TRUTH!**

---

**CUZ IF YOU'RE  
PLANNING TO  
TAKE REVENGE  
FOR TEACHER**

**I'M AFRAID  
GOD WON'T BE ON  
HER SIDE AGAIN  
IN THE WORST-CASE  
SCENARIO**
