**THE OLD MAN
PHYSICAL THERAPY**

It's time for a physical therapy my friend!

You sure you wanna do this?

A close-up, medium shot of a young man with short black hair and black-rimmed glasses. He is shirtless and looking downwards with a slight, thoughtful expression. The background is a blurred interior with a window frame and a blue wall. A white speech bubble with a black outline is positioned to the right of his chest, containing the text.

Yes, besides... I wanna know what's it like
being inside this woman's body..

I see...

I'm about to wear her...

Oooh a woman's scent..

Bro.. I can't wait to try my new lower part!

I've got a dildo that I've bought for her, do you wanna try that first?

Nah.. I'd like to skip that part to a real thing!

Oh.. you got hard already!

A naked cutie, standing in front of me.. who wouldn't be horny?

That's true, but now.. let's start our therapy shall we?

It's in..

Try moving your hips as well..

Ahhhhhhh!

I can feel your hot cum inside me...

Same time tomorrow?
