HERE?!

**YOU WANT TO
DO IT HERE?!**

Day 0, 4:30pm: The Old Sackler Mansion

That's right, April!
We're going to film our music
clip in the *Sackler Mansion*!

Em, Ted, you know that, like,
20 people were murdered
here, *right?*

Ahhh no way, that's all just urban
legends. The old owners went
bankrupt in the 80's and it's just
been full of hobos since!

It's totally perfect though! Emma
and I peeked in a few days ago.
It's gonna blow your mind!

And if anything happens, I'll
protect the both of you!

That inspires literally 0%
confidence in me!

There is *no way* you guys are
going to get me to go in there!

2 seconds of peer pressure later...

I have no idea how you guys got me to come in to this godawful place!

Maaan, look at this place!
It's *amazing!*
It's *so creepy!*

Would you *relax* April?
We'll be totally fine, I promise!
Just a quick little look around the place out and we'll be out before you know it!

You want our vid to be awesome, right?
There's *nowhere* like this anywhere else in town!

Of course I do, but just...
I don't like this place!
It's got seriously bad mojo.

Let's just check it out, I promise we'll be quick and if you still don't want to film here, then we won't.
Promise!

April, this place is brilliant!
It's so perfect. It's *authentic*
abandoned ruins!
We couldn't replicate this even
if we wanted to!

Yeah OK Ted!
I get it, the place has atmosphere
and real-life creepy vibe...

But even if it's not haunted, it's also
dangerous, probably condemned and
full of, like, hepatitis!

Hey now, what's a little hep A, if we're
going to be absolutely amazing!

SLITHER

SLITHER

Oh man, look how the walls are just falling apart, it's got apocolypse written all over it!

Em, do you seriously want to lug all our gear into this place and do this?

Can't we just, I dunno, find an empty parking lot to film it?

April, you always talk about wanting to do something different, so let's *actually* do something different!

Let's make out mark!

Everyone in *town* will talk about this!

-Will talk about *us!*

A man with light brown hair, wearing a blue zip-up jacket over a green t-shirt and blue jeans, stands in a dark, ancient-looking environment. He is holding a flashlight in his right hand, which is illuminated. The background is a dark, textured wall with a large, dark snake-like shape. The word "SLITHER" is written in green on the wall twice. To the left, there are stone pillars and a wooden structure. Three speech bubbles are present: one on the left, one in the middle, and one on the right.

Oh, nice – what's this down here?

How far into this place do you want to go?

Just wait until you see the hall, April. I reckon that's where we film the main parts of the song~

...d doing his solos and -oh- over
...re we can setup your drums and
...e some shots of you smashing it
... Just picture how it'd look if we-

Well, well, well... What do we
have *here*?

Woaahhh look at this thing!
How big is this rock?!

2022 SUMMER

This looks legit!
I wonder if it's worth anything!

FWOOOSSSHH

A close-up, low-angle shot of a hand holding a black pen. The pen is positioned diagonally across the frame, with its tip pointing towards the bottom right. The hand is partially visible, with fingers gripping the pen. The background is dark and out of focus, showing some metallic or reflective surfaces. In the bottom right corner, the word "CLANG" is written in a stylized, orange, hand-drawn font with a black outline. The lighting is dramatic, highlighting the pen and the hand against the dark background.

CLANG

GRAAKKK~LKK

SOORRL

What was *that*?!
Em, did you hear that?
Tell me you heard that
just now!

This place is creepy as hell!
I'm gettin serious bad vibes
and I just want you to know
that when I get murdered, or
whatever in here I'm coming
after you!

Oh my god, April!
I would *not* have picked you for
such a freaking scaredy cat!

You're being super paranoid.
I didn't hear anything, it's just us
in here and porbably the house
slowly falling apart!

A cinematic scene featuring a woman with vibrant red, wavy hair. She is shown in profile, looking towards the left with a concerned expression. Her eyes are wide, and her mouth is slightly open. The lighting is dramatic, with strong highlights on her hair and face against a dark, blurred background. A speech bubble is positioned to her left, and another is to her right.

Um...

Where the hell is Ted?

Urghh-

Unghh Wh- what happened?

Where am I?

Huh- OK well... another fine mess
you've gotten yourself into, Ted!

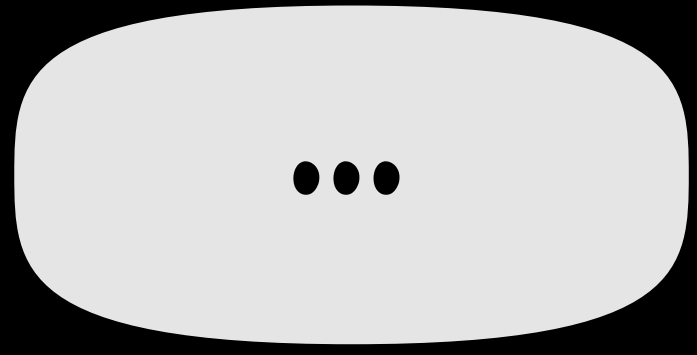

Hmmm, there's gotta be some way
out of... Wherever this-

Huh?

A- April? Is that you?

Hello, Teddy bear.

April, where the hell are we and- wait, What are you wearing?

Ohh Teddy, we're exactly where we're supposed to be and I'm wearing exactly what you want me to.

step

Teddy bear, I have to tell you something. I have a confession...

I- I want you.
I want us to be *together!*

What?!
April, what are you talking about!

Hush Teddy bear, I know.
It's a lot to take in.
But, truthfully, I'm not the only one...

Not the only one?
What're you talking-

Ohhh Teddy bear,
Have you forgotten
about lil' ol' me?

Em? You're here too and you... want this too?
Are you guys screwing with me?!
This. This is a lot to take in~

We would looove it *so much*
if you'd join us.
We just want to be together.

Yess, it would be sooo
good if we were all together.
If we were all joined.

We know you've wanted these bodies.
Dreamt of them. *Lusted* for them
And you can have them!
It would feel sooo good, we promise!

A man with a hairy chest and a woman with a red wig are in a dark setting. The man is shirtless and has a surprised expression. The woman is wearing a red wig and a black top. She is holding a black object, possibly a vibrator, against the man's chest. The scene is lit with dramatic, low-key lighting.

Woah?! Where'd all my clothes go?!
What is going on!

Mmm, Teddy bear,
don't think about it.
Just feel it.
Feel her face against your
sinful, hard cock.

Ahhh

There's no use denying it.
We can tell how much you like this.

We can feel your blood
pumping and filling up your dick.

Getting ready for us...

Oh maaan; April, Em!

I- I didn't know you both felt this way.
We're really going to do this, aren't we!

Only if you want it Teddy bear.
Only if you want to be with us.

Do you want it, Teddy?
Do you want us?

All you haev to do is join us.
Just let us in-

lick

lick

lick

We want *you*, Teddy!
Want you so much!

Be with us Teddy!
We would be so much better
together!

Forget about everything else
and just be with us...

Let us in. Let us explore
every inch of you.

Mmmm

lick

Do you want this Teddy?

Do you want to feel us?

Want to fuck us?

Do you want to drown
in lust, sin and pleasure?

Just tell us...

Ohh fuck, yes~
Yes I want it!
I want it *so much!*

Don't stop.
Give me more, girls!
You can have me~

Have *all* of me!
