

Office Party – Endgame 2
Dominant Lovers
Part B - Takeover

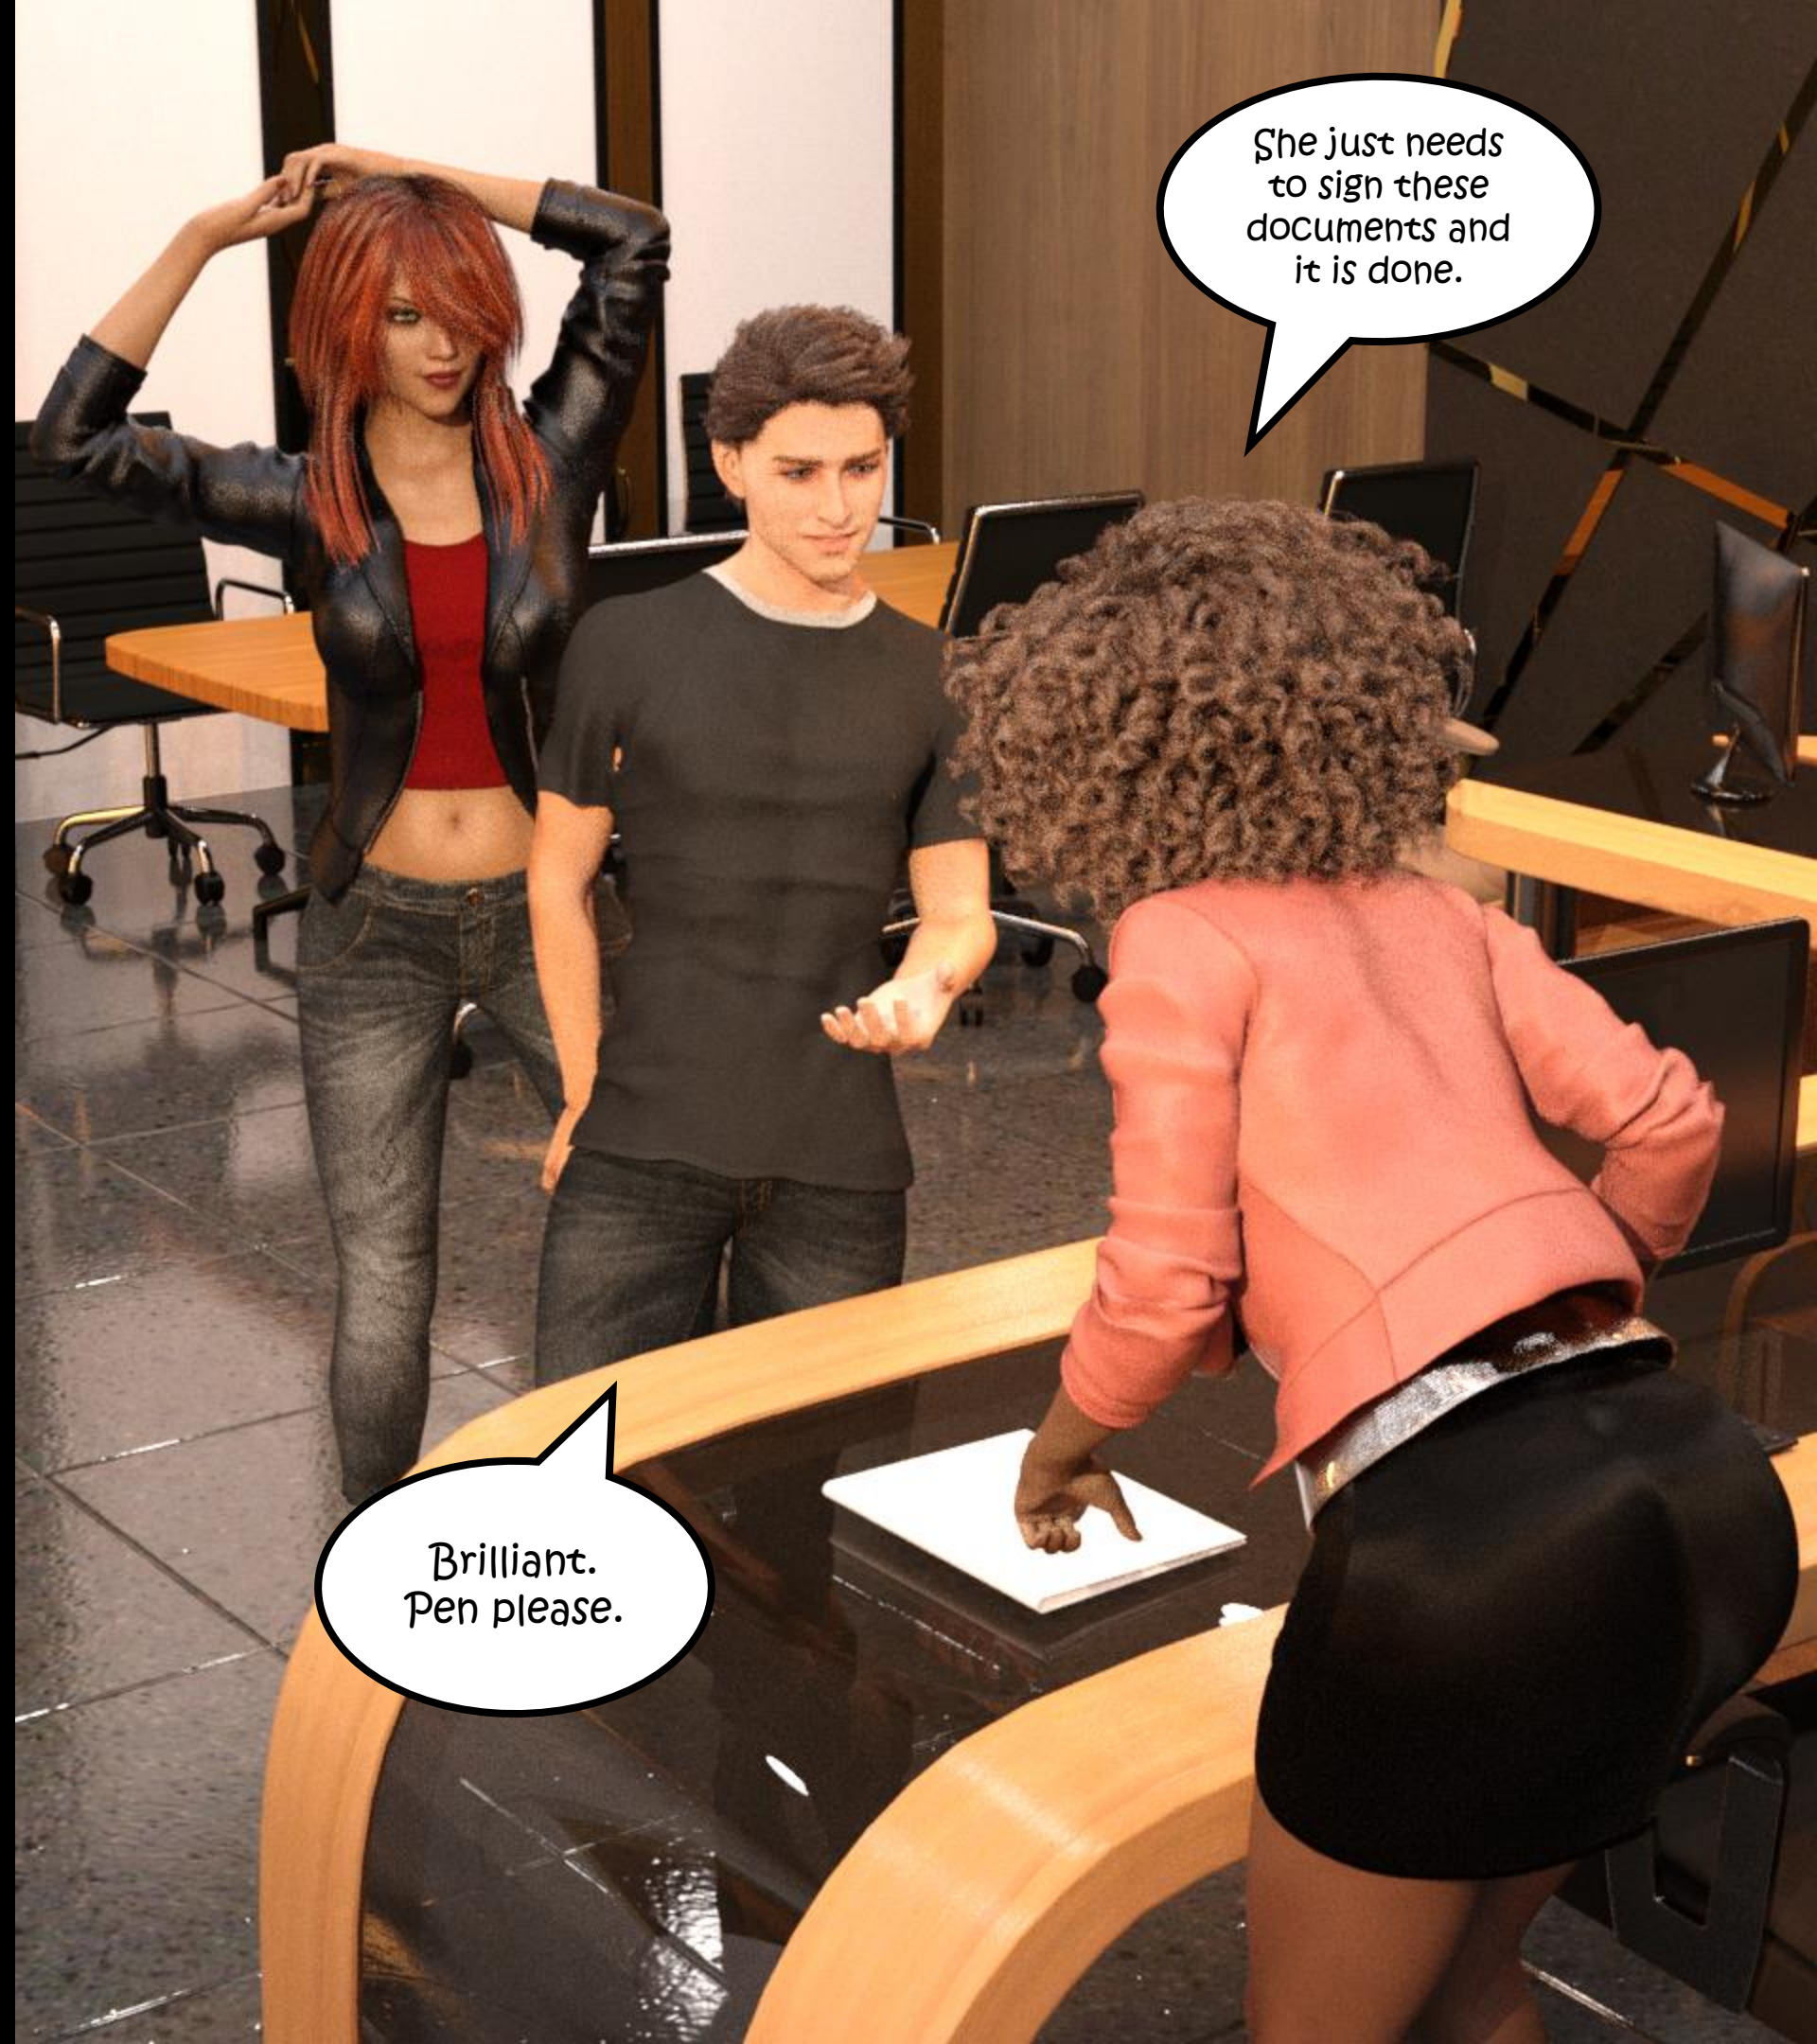

Lucine! Glad you could make it.

She looks attractive...
She'll do nicely!

As if I had a choice!

Just sign down here. And once more on the last page.

Here?

Yes, Mam. Right there.

Alright. Everything is in order. Welcome to the company, Miss... Bolagona.

It's Nicole. Though, Mistress would be nice.

Don't you think so too, hon?

Will you give me control of this beauty here, now?

What?!

Wait!
Dylan! Please!
Don't do this!

From now
on, call me
Mistress.

Lucine...
Nicoel and
I, we are
taking over!

So, from
now on...

I command you to
follow Nicole's
instructions, just
like you'd follow
mine.

Please, Dylan!
Don't!

Just don't overdo it. Lucine has always been nice to me.

So, COOL!

Yes, **Misstress.**
I will obey you, just like I obey Dylan!

Though, you know. If we had more time, I'd make her drop here and now and make her pleasure, you with her mouth.

Of course, hon. I'll keep that in mind.

Oh, you are so romantic. Nico.

Lucine, have you prepared the other document I was asking for?

I can't believe I'm forced to obey this stranger!

Brilliant.
Then the main phase of our plan can be set into motion.

Yes, Master.
It's written as specified. And it's signed by me and James.

A girl has to keep some secrets.

And you won't tell me his trigger?

kiss

But you are sure it's gonna work?

Don't worry. It will. Just focus on your boss,

and this company will be ours in a jiffy.

He does not need to know everything...

He would not like it... But things need to be done.

And I sure am not gonna be the one doing them!
chuckle

This girl means trouble!

As soon as Dylan is out a here...

Alright.
Here I go.

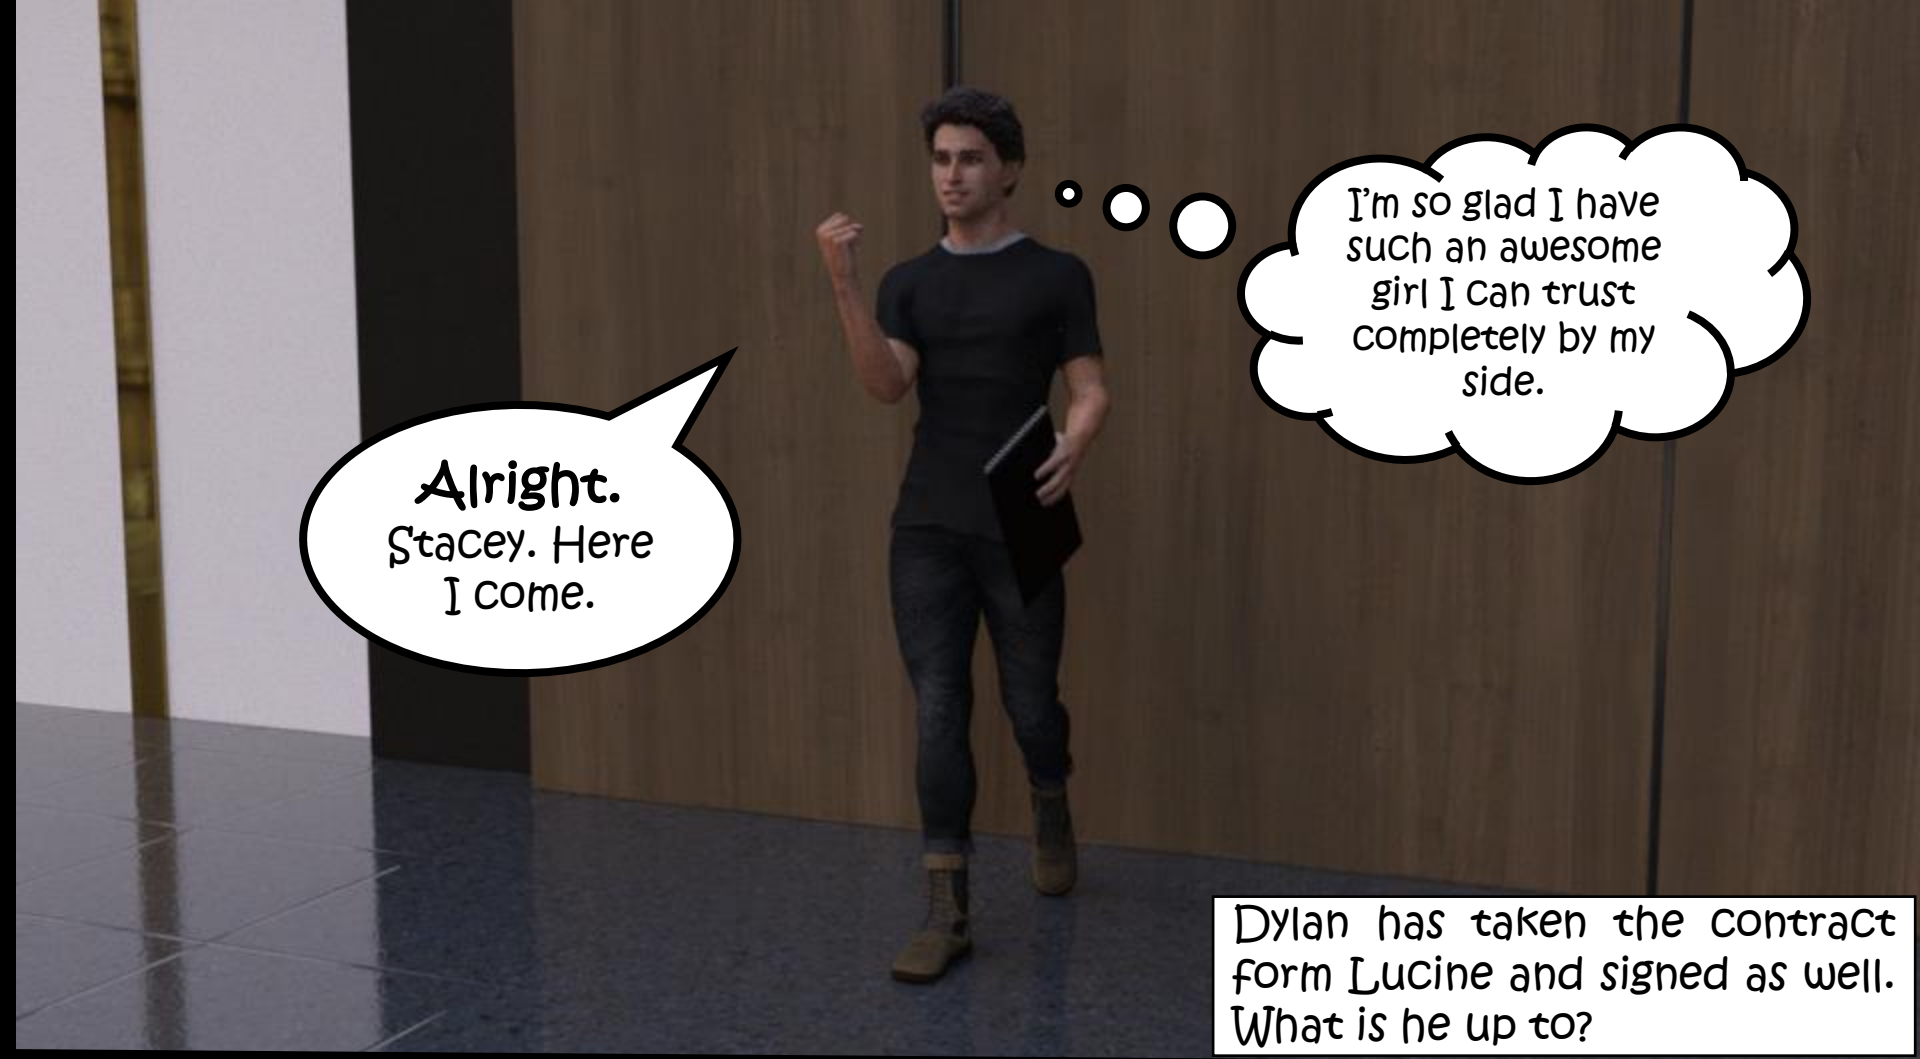

Don't do anything I wouldn't do.
giggle

... I will overpower her and go warn the others!

First, I need to make her more obedient.

Alright. Stacey. Here I come.

I'm so glad I have such an awesome girl I can trust completely by my side.

Dylan has taken the contract form Lucine and signed as well. What is he up to?

Clonk

As the door closes behind Dylan with a clonk, it's time for the girls to act...

Now what
am I going to
do with you.

Slave.

Bitch!

Oh darn!
Just calling her
slave makes me
kinda wet!

I request you shut up and become my slave instead!

Oh, fuck.

She remembers my trigger!

Don't speak another word until I allow it!

You stupid bitch! You almost got me!

But that's not how my trigger works!

If you had just settled for a more usual request, who knows how this would have ended...

Y.mmh... ngh rhhh arghh!

FUCK!
I can't speak anymore!

And that makes it permanent, Dylan said.

How are you feeling now?

...

You may speak again!

I know it's just because of the writing.

But there is nothing I can do...

God she is so perfect!

Oh, Mistress! You are so wonderful!

Thank you for making me your faithful servant!

I will be a good slave for you, Mistress.

seductive

I'm so glad you made me yours, Mistress.

How can your humble slave, be of service?

Would you like me to give you a massage?

Or would you like to get more private? *wink*

So hot!
I still can believe this is really happening!
I finally can live out my fetish!

That's the right attitude, slave.

But save your seduction skills for somebody else.

I have a task for you.

Anything, Mistress.

I live for your commands.

Knock
Knock

Yes?
Come in.

Hey, boss.

I wonder if he's under a suggestion as well... I need to take control of everyone!

Hello, Dylan. What can I do for you?

Got some important document. Luince told me to hand it to you.

Stacey Alcone should as of immediately step down from her position as cooperate manager.

She needs to give all her assets, her body and mind to Dylan Roberts and his girlfriend Nicole Bolagana. Becoming their ...

Becoming their devoted slave in the process.

Is this your idea of a joke, Dylan?

Girlfriend? Dylan? Cute! I thought he'd never get one!

I demand an apology!

Please. Stacey. Calm down.

Have another look at the bottom of the page. It should make everything clear.

It's signed by Lucine and James as well?

Those two are in on this joke?

You are missing the point here.

Both of them and I have signed this.

All three of us agree. Do you understand?

FUCK!

No... way.

I thought I was safe because he was alone!

Shall we go and get the legal stuff sorted out...

Or would you like to lay claim to my body first?

Gulp
I think we have time for a quick blow job.

Of course, Master.

It's my pleasure to service you.

Zzzip

I've never seen this submissive side of her.

Let me help you out of those jeans.

Nice cock, Master. And already hard!

I'm honored!

Now, let your humble slave relief your pressure.

She's really doing it! My former boss is giving me a blow job!

Kiss

Oh, yeah! Just like that! Just like that, slave!

suck

FUCK!
This feels amazing!
I'm almost ready to
