NO! PLEASE!

Come on doll.

You're going to keep quiet if you don't want me to slit your throat ear to ear.

PLEASE DON'T!

What a ripe pussy you've got dolly.

I usually go for younger than you, but beggars can't be choosers.

KYAA!

Most women can't take the pain, at first...

Let go of her, you scumbag!

Oh yeah! you're much more my style, Dolly. I'll fuck you instead.

Damn... she's getting away!

O! What?...

Whoa! Loaded!

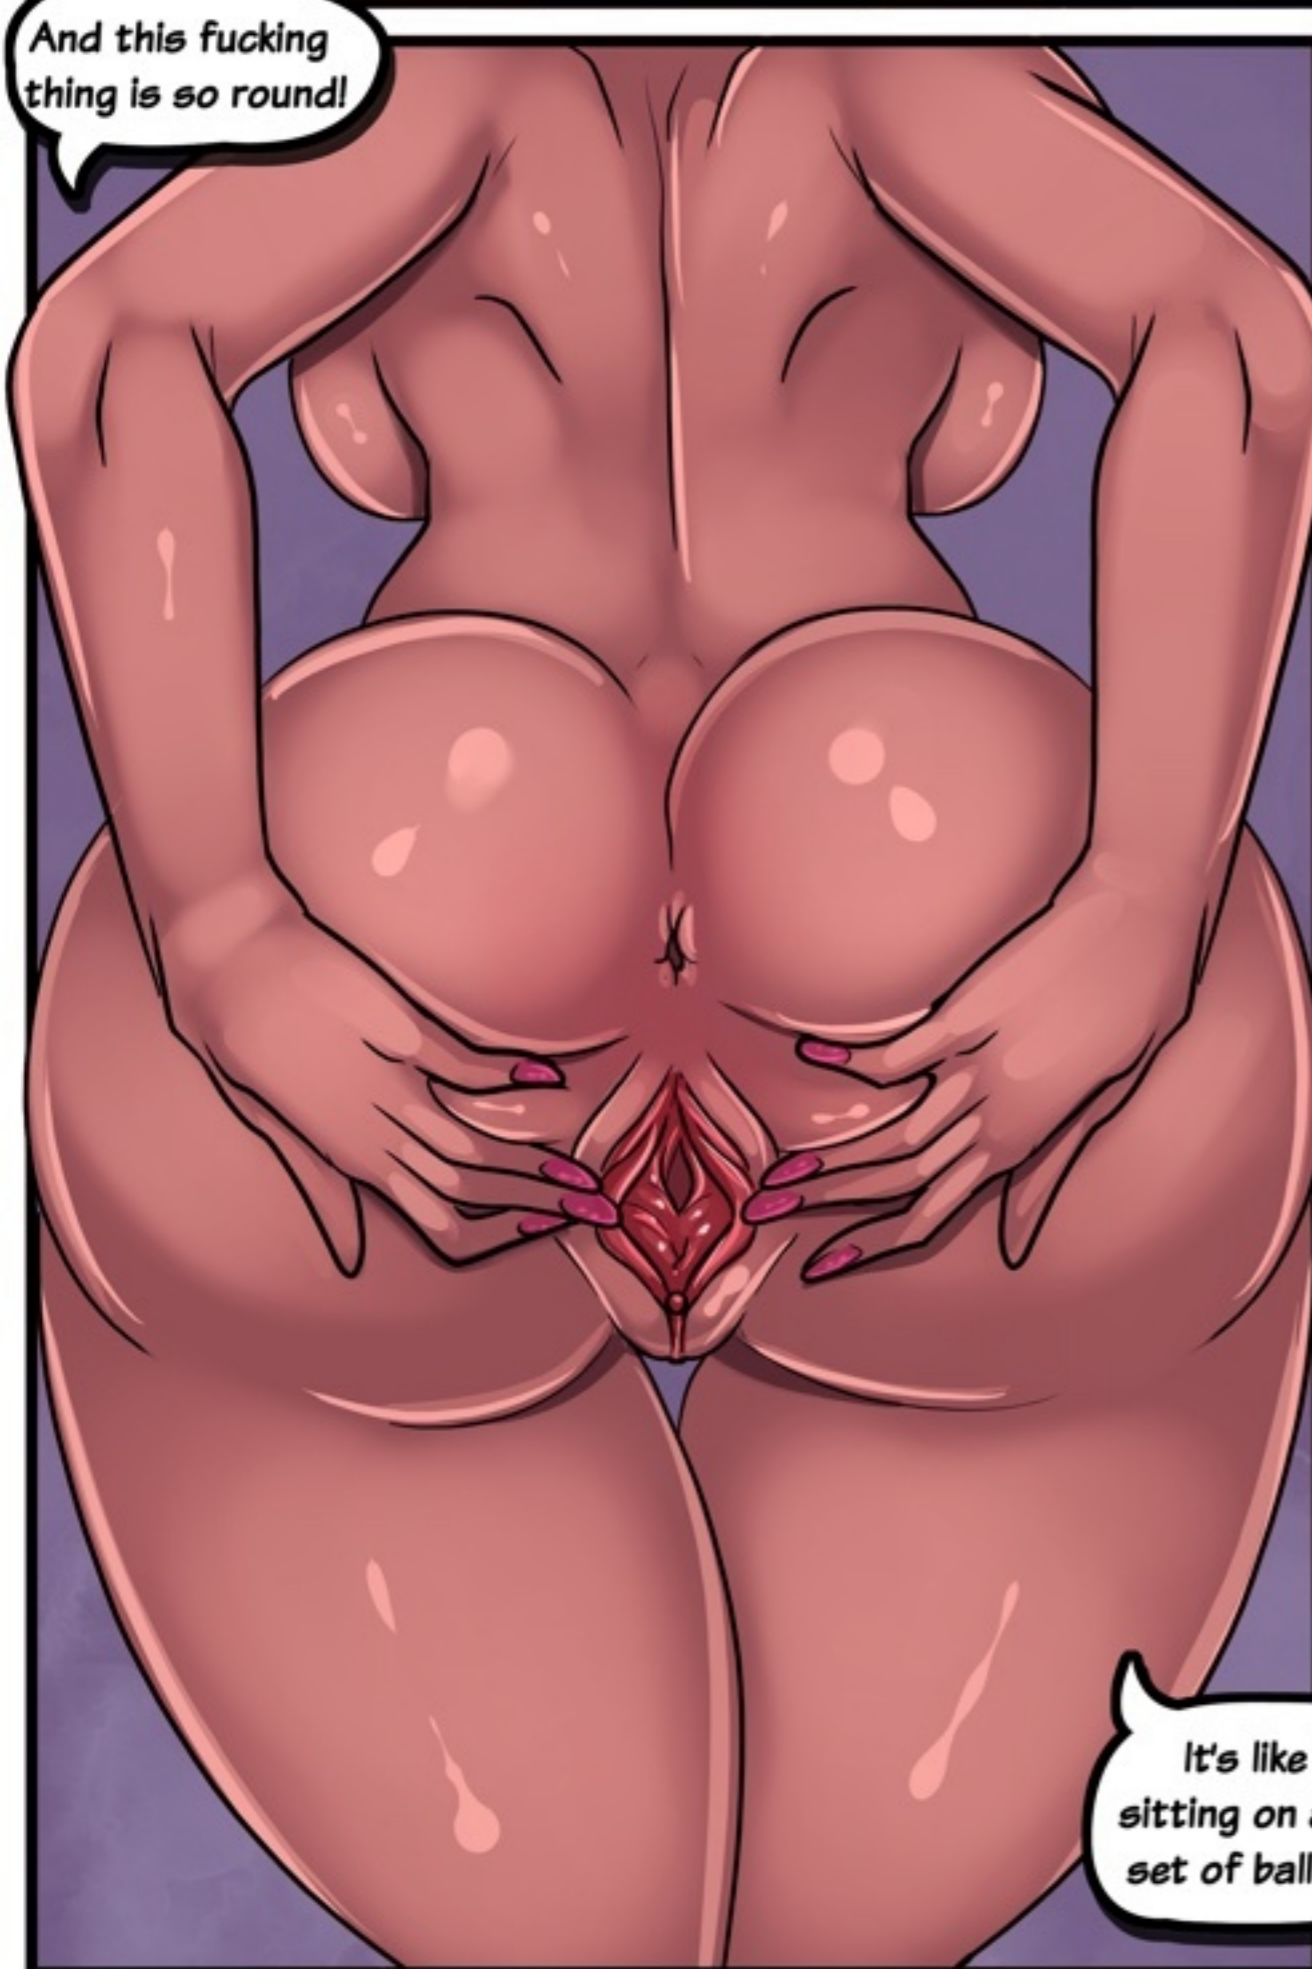

It's so different when they're mine!

Mmm, yeah, your body's so hungry for what I'm wanting...

And this fucking thing is so round!

It's like I'm sitting on a firm set of balloons.

How's this chick so much stronger than me? Gawd!

It's a pity I won't have my massive cock anymore, it's the one thing I liked about that old body...

What are you doing don't touch me!

Shut Up, you're going to love this.

Gawd.... What is this feeling?

Yeah you still want to be fingered like the little cunt you were despite that massive cock...

But I need you hard if I want to test ride my new pussy.

Mhmmh!

MHmhm miss this?

See how wet I am.  
I think I'm getting  
the hang of it.

Now that your tool is  
ready how about you  
stretch my tight little  
cunt a size or two?

Ohh fuck...

You're too big....

Ahhn!  
Ahn...

Hahhn...

Your pussy's getting nice and stretched out!

Uggh! Almost got every inch in!

Ahn!

Ahhnn!

Your willpower  
is amazing!  
I'm so close  
to cumming!

Get off me!

UGGH!

Just.  
Yet!

NOOO!

Fuck, your old cunt is dripping like a leaky faucet.

I'm pretty sure that's more me than you!

Hey! Hey... Look at me.

I think I'll be enjoying this for a long time.

Wasn't that great?

A comic panel featuring four women with short purple hair and large breasts. The woman on the left is shown from the waist up, with her right arm raised and her hand near her head. She has a slightly pained or determined expression. The woman on the top right is shown from the chest up, smiling and holding both breasts with her hands. The woman in the middle right is shown from the chest up, smiling and pointing her tongue out. The woman at the bottom right is shown from the chest up, smiling and pointing towards the viewer. The background is a dark blue with some light blue speckles. There are four speech bubbles containing text.

Fuck that pussy is wanting more despite the pain, Being a woman ain't so bad afterall.

Especially with these puppies. Don't you think?

Thanks for the good eye too.

My new body is the whole package.

I think I'm getting the hang of my pussy...

if I grab it here... feels like a little dick.

OH fuck! A woman's clit is so much more sensitive...

Oh yeah.. I feel it build up again!

**Fuuuuuuuck!!**

Fuck that is the best, I'll be sure to remember that trick.

Yeah.. bitch.

I can't decide which I like most. Your awesome titites...

... or that slick Fountain Cunt of yours, so tight yet stretchy....

Fuck I just can't stop touching it.

Oh bitch, how many times can your body come and still want more?

\*splish  
\*splish

Alright Bitch, I got to bounce.

I should probably Ice you before I disappear, but what can I say..

I'm a sentimental. Must be your hormones ...

Do you want one last blowjob for the road?

You better not follow me or try anything if you do I'll kill everyone you know starting with your immediate family and pin it on you.

Imagine your parents murdered by their own Daughter....

Please no!

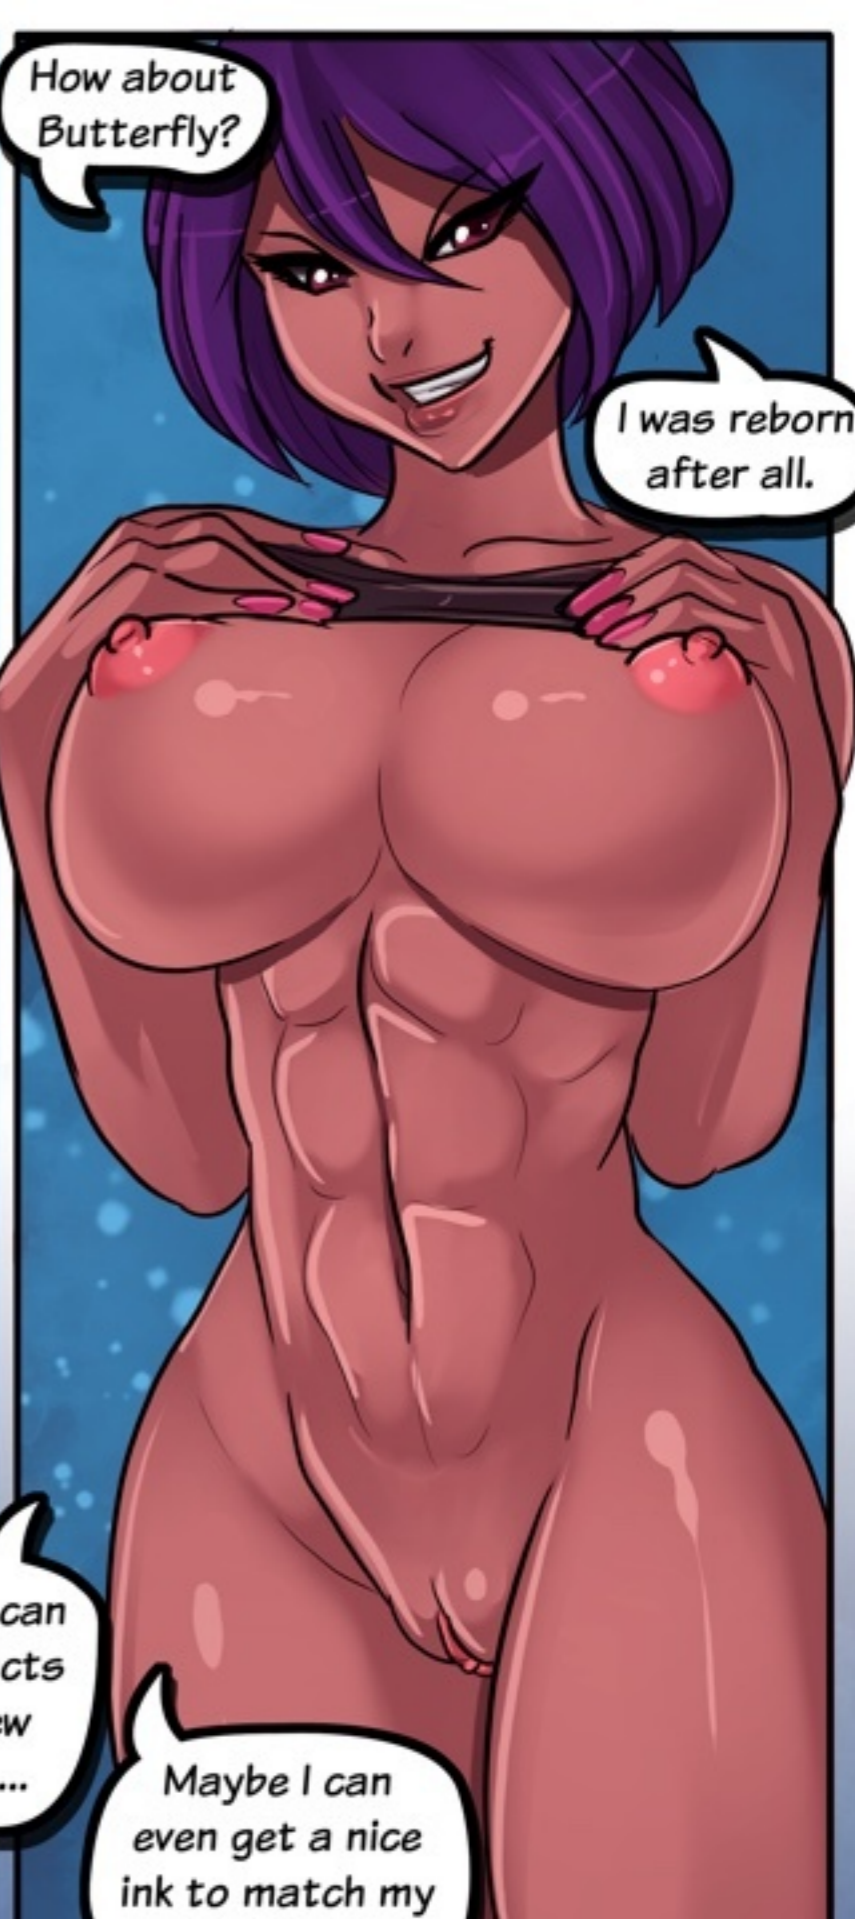

Give me back my body.

Not a chance doll, I didn't ask for this but I'm keeping it.

It's fit enough so I can start doing contracts again, I need a new nickname though...

I'm sure you'll be a good dolly though, I would rather not have to kill right away and enjoy this life for a while.

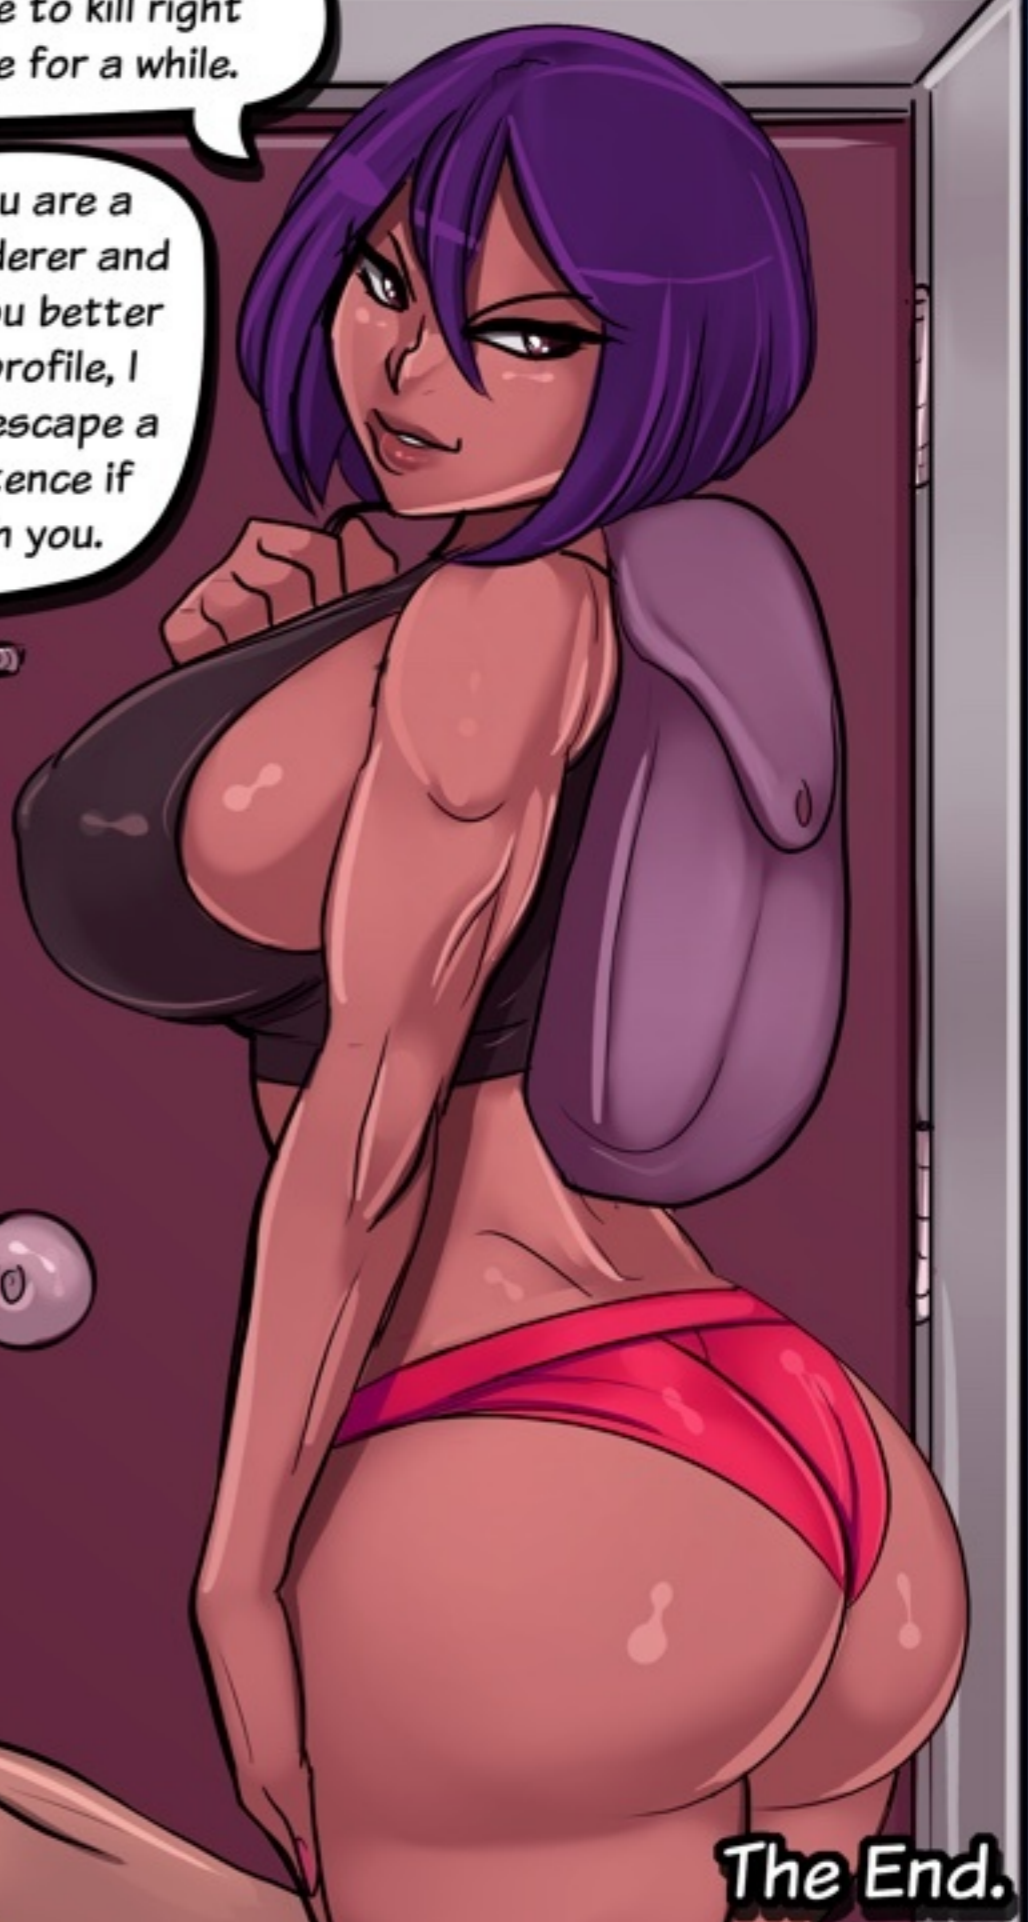

Besides, you are a wanted Murderer and a fugitive. You better keep a low profile, I doubt you'll escape a death sentence if they catch you.

How about Butterfly?

I was reborn after all.

Maybe I can even get a nice ink to match my new identity.

The End.
