

Huh.? Oh-

GRIP

What the- I was picking at it so absentmindedly! It was bleeding this whole time?

Come, I think we have a first aid kit somewhere in here.!

Pull's

Wait, what about lunch??

Lunch?! I don't give a shit about lunch right now!

We need to take care of your hand first!!

Oh God..

I fucked up again.

Does it sting?

No, I can handle it.

Say it's not a big deal one more time, shitass.

It's not that big of a deal-

I can't believe this, the first day the bandages come off and you're already tearing your hand open.

I told you to stop picking at your scabs, Crush!

Why do you never listen to me??

And now it's like I can't keep you away from the first aid kit!

You haven't gotten injured for the past 4 months,

Are you trying to make me worry?

No! I'm fine, I swear!

I don't feel anything!

STOP SAYING 'IT'S NOT A BIG DEAL'!!!!

It's not a big deal-

ASDKJFD @#!@!#&\*!

Did you just figure that out, genius?

I'm sorry.. Are you mad?

Whimper

Of course I'm mad that you're not taking care of yourself!!

I didn't want to press you after that whole thing with Mashiro the other day.

But it's getting harder to ignore when you're doing this AGAIN.

You only pick your skin when you're stressed out, Crush.

Cherie..

Remember that time I got trapped in the elevator for two hours?

You were so distraught that you picked at your finger nails until it bled!

I can always tell when you're hiding something,

I know why you're stressed, okay?

Fuck, I should come clean

Cherie I-

I'm sorry for overworking you, Crush.

...Huh?

You're... what?

It's my fault why you're this stressed out.
