

Oh man.. look what you just did.. you came inside her!

It's an accident!

I understand, it feels too good right?

If she pregnant, My life is over.. I mean.. She is my sister..

No need to worry that much! do you want your sister back?

*Yes, ofcourse!*

*I have one last request before I let her go..*

I'm listening!

Are we really gonna do it in this place?

*Do you still want your sister back?*

Yes..

Then shut up and enjoy this moment...

Do you think I'm cute, brother?

You're not my sister..

Hey! Don't ruin it, or our deal will end!

Sorry..

*Good!*

What a mess!

Admit it! you prefer me as your sister than the real one

Free her already..

We're not done yet!

What are you guys doing!

Oh shit!
