HG242-12—Kit Henry

“Well that’s where I’m gonna leave it tonight, guys,” Kit said with a smirk as he glanced at the ‘You Died’ screen on his monitor. “Safe to say that idea went exactly as badly as we all expected it would! Anyway, if you’re new here, check out my links below. Follow, subscribe, comment, it’s all appreciated. I’ll be back with a new YouTube video tomorrow and then back here Friday night for another livestream where I’ll be trying the zombie survival mod... and I reckon we all know how THAT’S gonna end! Buh bye for now!”

As Kit ended the livestream, he let out a long slow sigh. The persona he put on in his streams and videos wasn’t really false per se, but it was absolutely an exaggerated version of himself, and the constant cheerfulness was absolutely exhausting. He glanced at his follower count, which always re-energised him. He had passed 2 million a few months back, which had been a target milestone for so long, but almost the moment he hit it, his mind jumped straight to ‘I wonder how soon I can hit 3 million?’ And just like that, the joy he felt was replaced by all-consuming thoughts of what was next.

He slumped back mindlessly in his seat as he completed his usual post-stream routine with checking all his socials for important messages and obsessively studying latest viewing figures and subscriber counts. By the time he got up to leave his room, he was exhausted and cranky and, without the need for pretence, was happy to let it show. As he stepped out into the hallway, headed towards the bathroom for his evening shower, he let out a grunt at the sight of his little brother coming up the stairs.

“Evening,” Jacob said casually. He had not been home long and was still dressed in his football kit from the evening’s practice.

Kit rolling his eyes at his brother. Their relationship was complicated. They didn't really hate each other, but it was absolutely a stretch to call them friends. Kit always found Jacob annoying because he felt like the eighteen-year-old was undeniably their parents' favourite. As far as they were concerned, Jacob was the 'normal' one, as his main hobby was football, which they could actually understand. Kit's hobbies, mostly computer-based, had always been deemed a 'waste of time' or 'not good for you'. Nothing Kit ever did seemed to be good enough, while golden boy Jacob was celebrated for the smallest of things. Jacob had been on a team that had come second in a local tournament which had apparently earned more praise than Kit hitting 2 million followers.

"Whatever. Hope you enjoyed your sportball bollocks," Kit said disdainfully.

"Don't forget to like and subscribe to my page at fuck-off-at-kits-a-twat-dot-com!" Jacob replied angrily.

"That's an email address not a page, you brain-dead twat!" Kit scowled before disappearing into the bathroom.

Jacob froze in place for a moment, briefly considering kicking the bathroom door open to punch his cunt of a brother in the face. Their arguments had been gradually escalating over the years and Jacob flipped back and forth between righteous anger and genuine sympathy. Easy as it was to write Kit off as an anti-social arsehole, Jacob had known him his whole life and he genuinely believed that wasn't who his big brother was. Kit just never seemed happy. Even when he was happy, it only ever seemed temporary, before he'd start stressing over when he needed to post his next video or what new content to create next. His online life had taken over and his real life was absolutely suffering for it.

Jacob had considered ways to try and help his brother before, but in his darker moments he had thought about the same thing but for much nastier reasons. When Kit was at his worst, he was absolutely vile and Jacob had spent many nights plotting revenge for things his big brother had done or said to him or his friends or his parents. He had never had the nerve to follow through though. He had the plan, he had the tools, he had everything he needed, except the will to go through with it... until now.

Jacob felt strange for a moment, a strange sensation washing over him as he saw the briefest flash of light. "You're going down," Jacob growled as he glanced at the bathroom door, then turned his gaze to the door to Kit's room.

HG242-12-A—Jacob Henry

Kit stood under the spray of the shower motionless. He had finished showering a couple of minutes ago but he didn't want to get out. Showering was the one time in his day when he could leave his devices behind and just be completely offline, and today he didn't want it to end. Eventually, if only to sate his crippling FOMO, he got out and dried off before wrapping the towel around his waist to head back to his bedroom.

"Twat," he muttered as he passed the door to Jacob's room.

As soon as he got into his room, he checked his phone. It was both a relief and an annoyance to find no notifications. Tossing his phone down, he pulled his towel off and tossed it onto his chair. Tilting his head one way then the other, Kit reached up, stretching to loosen himself up. He had spent all day at his desk and he was really feeling it now. He took a few moments, stretching in various poses.

Stepping across the room, he stood looking at himself in the mirror for a few moments. "Fuck, you look like shit!" he muttered to himself. He let his hand roam his chest for a few moments. "You're getting fat," he complained quietly as his hand grasped at a pectoral, even though there was virtually nothing to take hold of. Letting his hand slide down to his flat stomach, it was joined by his other one as he rubbed what he was as bloatedness, though to anyone observing he looked fine. Better than fine. Good!

"Ugh," he groaned as he turned to the side to try and get a view of his butt. "No wonder you're alone," he grumbled under his breath as he continued to look at himself.

Taking another brief look, he quickly turned away rather than actually thinking about the rest of himself. It was confusing as he did know, based on the many thirsty comments from his followers, that a lot of people thought he was hot, but he never believed them. They were just pathetic sycophants. He knew no sane person could look at him and genuinely find him attractive.

The stream has started

JustJonJonson: What else is he gonna do? I swear if I see him boned up I'll fuckin die

TheEnderBunny: If he doesn't know he's on cam this is sick. I'm messaging him!

JacobRoolz: His phone's probably on silent *innocent whistle*

Flopping down into his bed, he pulled one of his pillows to the side and wrapped himself around it, cuddling it tightly. For a brief moment it wasn't a pillow, it was a person. He didn't know who. They didn't have a name or a face or even a gender, it was just someone who he could hold and who would hold him back. Someone who didn't care that he still wasn't at 3 million followers yet, someone who didn't care how ugly he was, someone who could just look past all the bullshit and just love him.

Kit let out a sigh, then pulled the pillow up a little as he rolled onto his side to face it. "You... really think I'm cute?" he asked softly. "I... think you're... really hot too!" he said to the imaginary person, then leaned in to kiss them. He lay making out for a few moments, imagining arms holding him back and lips pressed against his own.

Continuing for several moments, Kit eventually pulled out of the fictional kiss and glanced down at his dick as he rolled onto his back. "Sorry about that," he apologised with a shy chuckle to the pillow person, "You just... really turn me on. Do I... turn you on too?"

Letting his eyes close for a moment, Kit's hand slid down his body and took hold of his dick, giving the modest tumescence a quick squeeze. He wished he had more to play with, but obsessive googling had revealed to him that five inches was actually average, not small, so it was enough.

"Maybe we could... jerk each other off!" Kit said awkwardly, still lost in the fantasy. Though he had not imagined the person with any specifics, the suggestion of jerking each other off turned the imagined person instantly male. Kit wasn't gay. Not officially. He had never had a boyfriend or a girlfriend so it was hard to be sure, but many of his fantasies and solo sexual activities had certainly leaned more towards interest in males, though females certainly had their place too. Realistically he knew he was probably bisexual, but for tonight he was with a man, who he now imagined at his side, equally naked and hard as they cautiously took

NotAStalker69: I thought hed be more muscley but the skinny look works for him

JustJonJonson: definutly workin for me!!!!

Guest420: Is this shit really happening? LOL

GockCobbler: Real and being recorded too!

roxCalliexox: WTF is he doing to that pillow?

JacobRoolz: Aww, they're cuddling. HOW CUTE!!!!

NotAStalker69: That's so cringe

TheEnderBunny: Aww no, cuddle pillow is cute

JustJonJonson: he could cuddle me any day!!!!

Trey84253: Jon's hornier than usual tonight LOLz

JustJonJonson: Vlame naked Kit!!!!

JustJonJonson: *Blame

NotAStalker69: He's talking to it. Not sure if cute or unstable

JustJonJonson:

JacobRoolz: OMFG he's making out with a pillow

NotAStalker69: Cringe

JustJonJonson: Lucky pillow!

NecroBrainX: Fuckin hell, he got a boner from kissing a pillow. That's fuckin tragic!

Guest420: I thought he'd be bigger

RazerLazer2: It just looks average

Guest420: Average is small

RazerLazer2: That makes no sense!

Guest420: You make no sense!!!?!

JustJonJonson: Looks like enough for me to work with. YUMMY. He's actually hard. I'm in heaven!

JacobRoolz: Surprised you can even see it, it's so small. Reminds me of the time he got pantsed on the beach. Everyone saw his tiny little baby dick. Was SO funny!

TheEnderBunny: You're a mean brother! Go tell him before he does anything else

JustJonJonson: Why are you trying to ruin this for me??? Why do you hate me bunny???????

Guest420: Did he just ask the pillow to jerk him off?

RazerLazer2: I think he said jerk each other off. IS HE GAY?

NecroBrainX: Jacob? Dish it!

JacobRoolz: Can neither confirm nor deny. Not my place!

TheEnderBunny: So u'll let him humiliate himself but you won't out him? Your moral compass is just spinnin now, isn't it!!

RazerLazer2: jerk each other off is pretty conclusive

RazerLazer2:

JeeperCreeper: Bisexual do exist, ya dick!!!

hold of each other's dicks. Sadly the only hand actually touching Kit's erection was his own.

"Ah yeah, that's good, just like that," Kit moaned happily as he stroked himself in place of his imagined partner. "Am I... doing it good?" he asked as he fantasised jerking off the other man. "Thanks," he said happily as he imagined a positive response. He nestled slightly against the pillow at his side, resting his head on its fictional shoulder.

Kit was in no rush to finish. He laid there stroking casually, enjoying the contact with the body at his side, the closeness of the mutual masturbation... the feeling of not being alone. The goal wasn't to cum, it was simply to be together.

Holding back as he felt himself starting to get close to cumming, Kit let go of his dick and leaned over to kiss the pillow once again. As he pulled away, he said softly, "You... really wanna do more?" He paused to get the imagined response then grinned and said, "Okay!"

Kit jumped up from his bed and started rummaging through his wardrobe, digging out the items he kept hidden in there. He pulled out a large dildo and tossed it back onto the bed then continued searching.

Next he pulled out a large fleshlight which he threw onto the bed too before taking one more dive into his messy possessions to dig out a small bottle of lubricant.

"I'll do you first, then you do me," Kit said with a chuckle, knowing how silly the conversation was but still enjoying the concept. He knelt down beside his bed and placed the pillow there to simulate a lap, then held the dildo onto it, mimicking an actual erection.

"Oh, you're... so big!" Kit gasped as he looked up. He wished there was someone there looking down at him, maybe with a reassuring smile or a kind, "Don't choke yourself on it, I want you to enjoy it too!"

Alas he remained alone. Glancing at the dildo, he leaned

JustJonJonson: He's gonna jerk off OMG OMG OMG OMG

NecroBrainX: WHY AM I STILL WATCHING THIS?

JacobRoolz: One time I walked in on him knocking one out while he was watching cartoons! He proper screamed at me to get out. I think it was Pokemon!

TheEnderBunny: Do you enjoy embarrassing your brother???

JacobRoolz: YES! LOL

TheEnderBunny: You're so mean. I hope he kicks the crap outta you for this!

JustJonJonson: Aww, he's so cute and so hot!

JustJonJonson: Anyone else wanking?

JacobRoolz: Yeah, KIT!!!!

Starboy3654: genuinely surprised the stream hasn't been banned yet!

JustJonJonson: Don't tempt fate. If I don't get a happy ending, I'm hunting him down to see it in person!

JacobRoolz: looks like he'd be okay with that so long as you cuddle after hahaha

Guest420: Why's it called jerking OFF and not jerking ON?

xoxCalliexox: OMG, Kit's gonna die when he sees this

TheEnderBunny: I messaged him loads but I guess his phone really is on silent

JacobRoolz: Oh no, how awful!

GockCobbler: He wanks weird!

JustJonJonson: I reckon he's trying to do it like the pillow guy's wanking him or something. Fucking lucky pillow guy!

xoxCalliexox: What did he just say?

Trey84253: I heard wanna do more or sumfink like that

JustJonJonson: Wait, where's he going?

JustJonJonson: Oh wait, we can see his butt again. Yay!

Starboy3654: What did he throw on the bed???

JustJonJonson: DILDO ALERT! WE HAVE A LIVE DILDO IN PLAY PEOPLE. ACTION STATIONS!!

JacobRoolz: He has other toys in there too LOL. He's got a fleshlight. He left it in the bathroom once. Shoulda seen how scared he was when I came out. I acted like I didn't see it, but then kept making comments that totally made him sweat LOL

JustJonJonson: There's the fleshlight too. OMFG. Best day of my fucking life!!!

TheEnderBunny: It's actually kinda cute the way he's talking to him

NotAStalker69: Nah, still cringe

Trey84253: Fuck is he gonna blow it!?!?

JustJonJonson: God why isn't that me?!?!?

JacobRoolz: Cos you're not a pillow with a fake penis attached LOLOLOLOLOL Clearly his type!!

TheEnderBunny: I wanna hug him. This is horrible.

JacobRoolz: Yet still u watch...

TheEnderBunny: Shut up! I'm here to... protect his honor!

JustJonJonson: While wanking?

TheEnderBunny: You can shut up too

JustJonJonson: I think he's going for it!

forward to give it a gentle lick, then sniggered and said, “Oh, you like that!” He gave the tool a few more licks, starting just above the fake balls then right up to the bulbous head. “You taste good, baby!” he mumbled before taking the dick into his mouth. He started pleasuring the silicone phallus, putting skills that had only even been done as practice to use.

After a few minutes, he pulled up and said, “Nuh-uh, don’t cum yet. We got more to do. First, it’s my turn!”

Excitedly taking the pillow’s place as he sat on the side of the bed, he squeezed some lube into the flashlight, smearing a little around the opening before pressing the fake lips that surrounded the opening against his shaft. Sliding it up and down, he moaned happily as he called out, “You like licking it, do you? Yeah, keep doing that, baby!”

Moving the flashlight up and down his shaft with one hand, he leaned back on the other and closed his eyes, enjoying the sensation as he allowed himself to believe it was a real mouth for a few moments. Eventually too horny to take any more, he pressed the silicone lips against the tip of his cock and felt himself begin to slide inside.

“Ugh, your mouth feels so good!” Kit moaned dreamily. “Ah yeah, take all of it, baby!” he said as he slid his full length inside it.

Kit flopped back onto the bed as he pumped away slowly at his dick with the flashlight. “Ahh, babe, you’re so good at that!” he gasped happily. “Yeah, lick the head, lick the head, ahh yeah!”

After a few pleasurable minutes, he pulled the flashlight away and gasped, “Ugh, fuck I was so close, but... you... what? You wanna fuck me? I... I’ve never... done that before! Just... be gentle, please!”

Kit was still fantasising with the comment, but it was technically true. He had never been fucked before, whether by a real cock or a fake one. He had slipped a

NecroBrainX: Eww, he’s licking a fucking dildo

JeeperCreeper: Aren’t all dildos fucking dildos? LOL

JustJonJonson: D’you reckon he fucks with it?

GockCobbler: Well it’s not a doorstep, is it!!!!

JustJonJonson: Maybe he just does that with it. He might be a top!

GockCobbler: Tops don’t use dildos!!

Starboy3654: That’s a very broad generalization

Guest420: You’re a very broad generalization!!!!!!

JacobRoolz: Oh, good thing he didn’t let it cum LOL

JustJonJonson: What does he mean his turn? Is he gonna ride it???

RazerLazer2: Guessing he means the flashlight

JustJonJonson: Oh, that makes sense

JustJonJonson: Wait, he’s gonna use it?!?!? FUCK!?!?!?

roxCalliexox: jon’s totally gonna blow before Kit does!!

NecroBrainX: And I’m pretty sure we’ll ALL know when he does!

JacobRoolz: Apparently the flashlight enjoys licking. That’s so bad

JustJonJonson: You mean so hit

JustJonJonson: *hot

TheEnderBunny: No, come on Kit. Catch on to what’s happening and end the show!!!!

JacobRoolz: Nah, he always jerks off after a livestream. Never does anything else til he cums!

RazerLazer2: Umm, how exactly do you know that about your own brother?? EWW

JacobRoolz: We just have very thin walls, which Kit never seems to remember. He’s NOT a quiet wanker lol

JacobRoolz: That’s why I always know the bets times to walk in and catch him. He makes the WORST excuses! And he blushes so much. Almost a shame he doesn’t know now. He’d be so fuckin’ red LOL

JustJonJonson: Ugh, that should be MY mouth he’s complimenting!!

Guest420: Why’s it called a blowjob when you suck not blow?!

JacobRoolz: Is he always like this?

TheEnderBunny: Yh pretty much!

JustJonJonson: Fuck, is he gonna blow?????!

roxCalliexox: Are you???? LOL

Starboy3654: That thing looks fun. I might invest

JustJonJonson: I wonder if Kit would sell me his. Used of course!

RazerLazer2: Gross!!

Guest420: Maybe he will. This might be his sneaky way of launching an OnlyFans

JustJonJonson: I would totally subscribe!

roxCalliexox: Shocking! -_-

JustJonJonson: Did he just say fucking?????

RazerLazer2: Yeah, he also said he hasn’t done it before. Hands up who believes that. Oh right, nobody!!

JacobRoolz: I dunno, I could believe he’s a virgin

finger or two inside himself many times, but the dildo laying on the bed had only ever been touched or licked or stroked as part of his masturbatory shenanigans. He reached out and took hold of it shakily, then squeezed some lube onto it before massaging it all over. As he moved onto all fours, he reached back with his lube-covered fingers to apply some to his hole.

“Ahh yeah, ahh fuck, yeah, finger me, finger me,” he gasped as he slipped first one finger inside himself and then a second.

Looking back over his shoulder, he still couldn't picture the person he was with, but he knew they were smiling at him, offering silent reassurance they would be gentle.

Holding the dildo to his hole, he started pushing it inside himself. As he felt his hole stretch to let the thick tool begin to enter him, he let out a shuddery moan. He pulled it back out and said, “Yeah, that was okay, you can go further!”

He pushed the dildo into himself again, this time a little deeper.

He repeated the gesture, pulling out gently. As good as the fake cock felt inside him, he was getting just as much enjoyment from the imagined care and attention its owner was giving him as he considerately worked deeper and deeper inside him.

“Ah, oh, oh fuck, I think... that's as far as I can take it,” Kit moaned when it was five inches deep. Thinking about how it was the equivalent of his own cock let him feel he had taken enough. “Now fuck me,” he pleaded as he dropped his face to the bed as moved his other hand back to stroke his dick. “Fuck me and make me cum, baby!”

With his butt in the air, the dildo sliding in and out of him and his hand working up and down his cock as he held it down between his splayed legs, Kit eagerly worked himself into a frenzy. The feeling of the dildo inside him was intense and his stroking was as expert as

JacobRoolz: Fuck knows he never dates!

JeeperCreeper: OMG he's actually gonna do it...

JustJonJonson: I may cry!

TheEnderBunny: I feel so bad for him

JeeperCreeper: To be fair, he seems pretty happy about it

JacobRoolz: Yeah, watch that tiny dick throb lol.

Trey84253: That's ur brother's dick ur talking about!?!

JustJonJonson: If he was my brother I'd be doing a LOT of incest!!!!

xoxCalliexox: Extra gross!!

GockCobbler: Is that two fingers or three?

JustJonJonson: Looks like just two. Maybe he IS a virgin

xoxCalliexox: Let me guess, you'd soon change that!

xoxCalliexox:

JustJonJonson: Stop judging and let me enjoy!

Guest420: If you made a dildo out of dill flavored dough and used it on a dodo it'd be a dill-dough dodo dildo LOLLOL

Trey84253: He's going for it!

NecroBrainX: Oh god, my eyes, MY EYES!!!!

TheEnderBunny: You can log off any time!!

NecroBrainX: Nah, video of this'll be everywhere by tomorrow. I wanna say I was at ground zero when it happened!!

JacobRoolz: Ha, I love it.

TheEnderBunny: Mean. Mean mean mean!!!!

JustJonJonson: Oh my god, I swear I've dreamt of this moment

GockCobbler: You dreamed of wanking while watching him fuck himself with a dildo without knowing he's on stream? That's oddly specific!

JustJonJonson: YOU KNOW WHAT I MEAN!

JustJonJonson: I wish that was my dick! I don't even top, but for Kit I would!!

RazerLazer2: Wow, that's not much to take. I think we really ARE seeing his first time. That's insane!

JacobRoolz: No, that's amazing! This is gonna be remembered FOREVER!

JacobRoolz: YESSSS! Tell everyone! Show everyone! This'll be talked about even more than that time last year he wet himself. That was SO embarrassing!

TheEnderBunny: Bad little brother. Very bad!!!

TheEnderBunny: Did you set this whole thing up?

JustJonJonson: If you did you are my new god!!!

JacobRoolz: That is a vicious and unfounded allegation!

TheEnderBunny: So that's a yes that you don't want to publicly admit to. Got it. Bastard!

Trey84253: Jesus, for a first time he certainly knows what he likes. He is going for it HARD!

JustJonJonson: Ugh, look at him stroke that sexy little dick. I should be there milking him!

NotAStalker69: I thought you were fucking him!?

it could be after ten years of pleasuring himself, but it remained the thought of having someone with him that truly turned him on as he sped towards an orgasm.

“Oh god, oh god, of fuck!” Kit gasped as he grew closer to release. The fantasy was suddenly forgotten as he pulled the dildo out and tossed it aside as he rolled onto his back, gave his dick the final few strokes and began to shower himself with spunk. Whimpering as the intense release ripped through him, he eventually dropped his hand away as the orgasm reached its end and he laid helplessly exhausted and spent.

Raising his head to glance down at his body, spattered with thick globs of white goo, he reached for one and scooped it up. Watching it for a moment, he raised it to his mouth and let it drip in, swallowing it down. He repeated it with every spatter of cum from his torso before licking his hand clean. He sat up, still catching his breath a little, feeling slutty for having swallowed his own load but satisfied at the thought of how much it pleased his imaginary partner.

He stood and gave his body and face a quick wipe the with still-damp towel then moved aside his sex toys ready to be cleaned next time he could sneak them safely to the bathroom, then flopped down once more on his bed.

“Huh!” he grunted as he picked up his phone. He had a lot of notifications, but he hadn’t heard his phone go off once. “Why’s it on silent?” he asked nobody in particular before turning sound back on.

It took barely a few seconds of looking at the plethora of messages for Kit to catch on to why he had so many notifications. Looking over at his desk in abject horror, he could see the ‘broadcasting’ light was lit on his main camera... he had done the entire thing, streamed live on Twitch!

“Oh my fucking god!” Kit gasped as he leapt across the room to turn the camera off. How could this have happened? Turning on his computer, he quickly scrolled

JustJonJonson: I can multitask!

roxCalliexox: You mean like typing while you’re cumming!

JustJonJonson: Not cumming yet!

JacobRoolz: Looks like Kit’s about to!!

JustJonJonson: FUCK I’M CUMMING!

JacobRoolz: Any second now

roxCalliexox: I was right. Jon went first!!!!

JeeperCreeper: Wow, our boy can cum

GockCobbler: I think that shot hit the ceiling

RazerLazer2: Impressive. Embarrassing, but impressive!

NecroBrainX: I think I have PTSD

JustJonJonson: wesrdtfyughijopkoe5stxdcyfgvhib

roxCalliexox: Oh, he broke Jon!

JustJonJonson: Sorry, wiping cum off my keyboard

JacobRoolz: OMG he’s playing with it!

JustJonJonson: OMG...

JustJonJonson: Is he...

JustJonJonson: HE’S EATING IT! I may cum again!!!!

NecroBrainX: Alexa, search for local therapists

roxCalliexox: So gross!

JacobRoolz: My bro is a freak!!!!

TheEnderBunny: You’re all awful

JacobRoolz: And you’re STILL watching!

TheEnderBunny: he’s gotta catch on. Check your phone Kit. PLEEEASE!

JacobRoolz: This was too good!!!

JustJonJonson: I’m not sleeping tonight. Gonna be wanking til sunrise!

roxCalliexox: WAAAAAY TMI

TheEnderBunny: Check your phone Kit!!!!

TheEnderBunny: Yes, he is! Yes!!!

JustJonJonson: Nooooooooo!

JeeperCreeper: Well this was horrific, but I gtg

Starboy3654: Yeah, I don’t need to see the aftermath. Bye

JustJonJonson: Wonder how long it’ll take him to realise!

TheEnderBunny: Hopefully not long!

JustJonJonson: We definitely need him to do this again some time!

TheEnderBunny: He’s probably getting banned for this!

JustJonJonson: I think he’s onto us!

JacobRoolz: OMG, his face! LOLLOLOLO

TheEnderBunny: Finally. Bye all!!

JacobRoolz: Too good!

This stream has now ended!

up through the messages, trembling as he saw the running commentary on what he had done. They had seen everything! Suddenly the page logged out as he got a notification of an email. Opening it up, he found an email advising him that his account had now been permanently banned for streaming explicit content!

“FUCK!” he yelled, distraught by the ban, then he remembered his streams were set to auto-update onto other sites after they ended. Quickly flicking to some other tabs in his browser he realised he was too late... it was already spreading!
