A person wearing a white long-sleeved button-down shirt and dark-colored trousers with a matching belt. Their hands are clenched into fists, suggesting anger or frustration. The background is dark, with a blue object partially visible on the left.

They are not going to provide any fund for this lab.

"Why can't they understand
my creation!? None of them!
I was so close..."

A glowing blue computer monitor is the central focus of the image. It is positioned in a room with bookshelves in the background. The monitor's screen is a bright, uniform cyan color. Two speech bubbles are overlaid on the scene. One is on the left, and one is on the right. The overall lighting is dim, with the monitor providing the primary light source.

Malfunction has been fixed... Calculating...

ENOUGH!!!! I will destroy everything...

**Success... Activate
the machine... Success...
No errors found...**

A man in a light-colored suit jacket and dark trousers stands in a room. He is looking towards a large, glowing green screen that fills most of the background. The room has a futuristic or industrial feel, with a grey wall on the right side featuring some faint markings. A speech bubble is positioned above the man's head.

It worked...

A young man with short brown hair and a white button-down shirt stands in a locker room. He has a worried expression with wide eyes and a slightly open mouth. The background consists of a grid of lockers with small circular handles. Two speech bubbles are present: one on the left and one on the right.

Require an object to operate...

I got nothing left...
even a mouse...

"If this is to open
their eyes... and
witness my success..."

Gulp... Gulp...

"I'm not afraid to turn myself into an experiment object!"

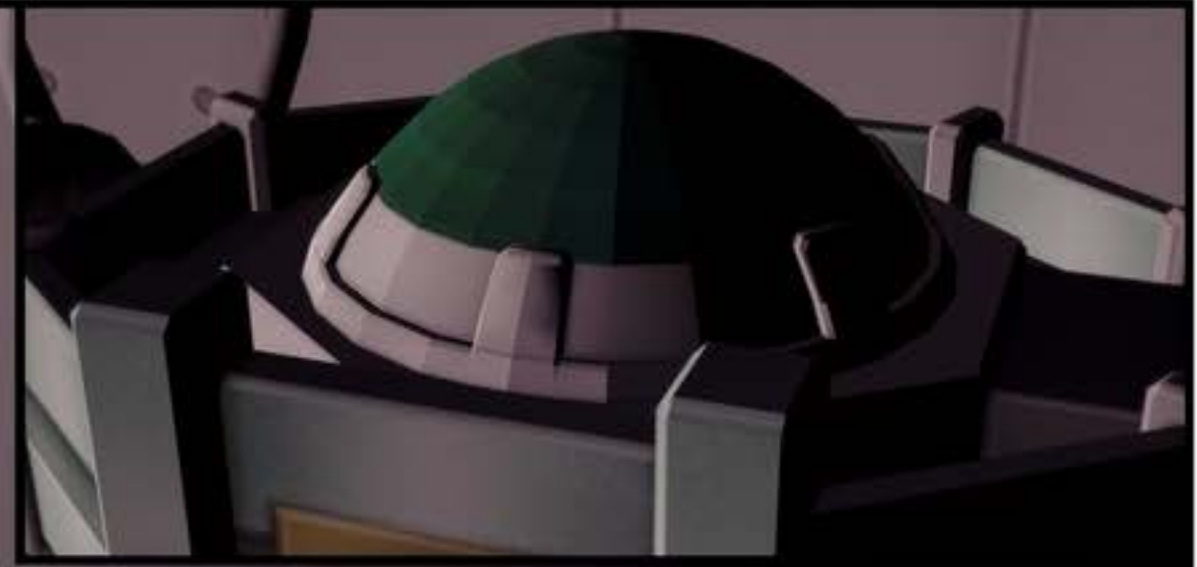

"Show me... what
you can do, my creation!"

The image depicts a dark, industrial environment. In the foreground, a red mechanical device, possibly a scanner or a piece of machinery, is partially visible. The background is dominated by a bright, glowing green light source, which creates a strong contrast with the surrounding darkness. The scene is framed by various mechanical structures and pipes, suggesting a complex, possibly underground, facility.

Project Snake's Skin!!!

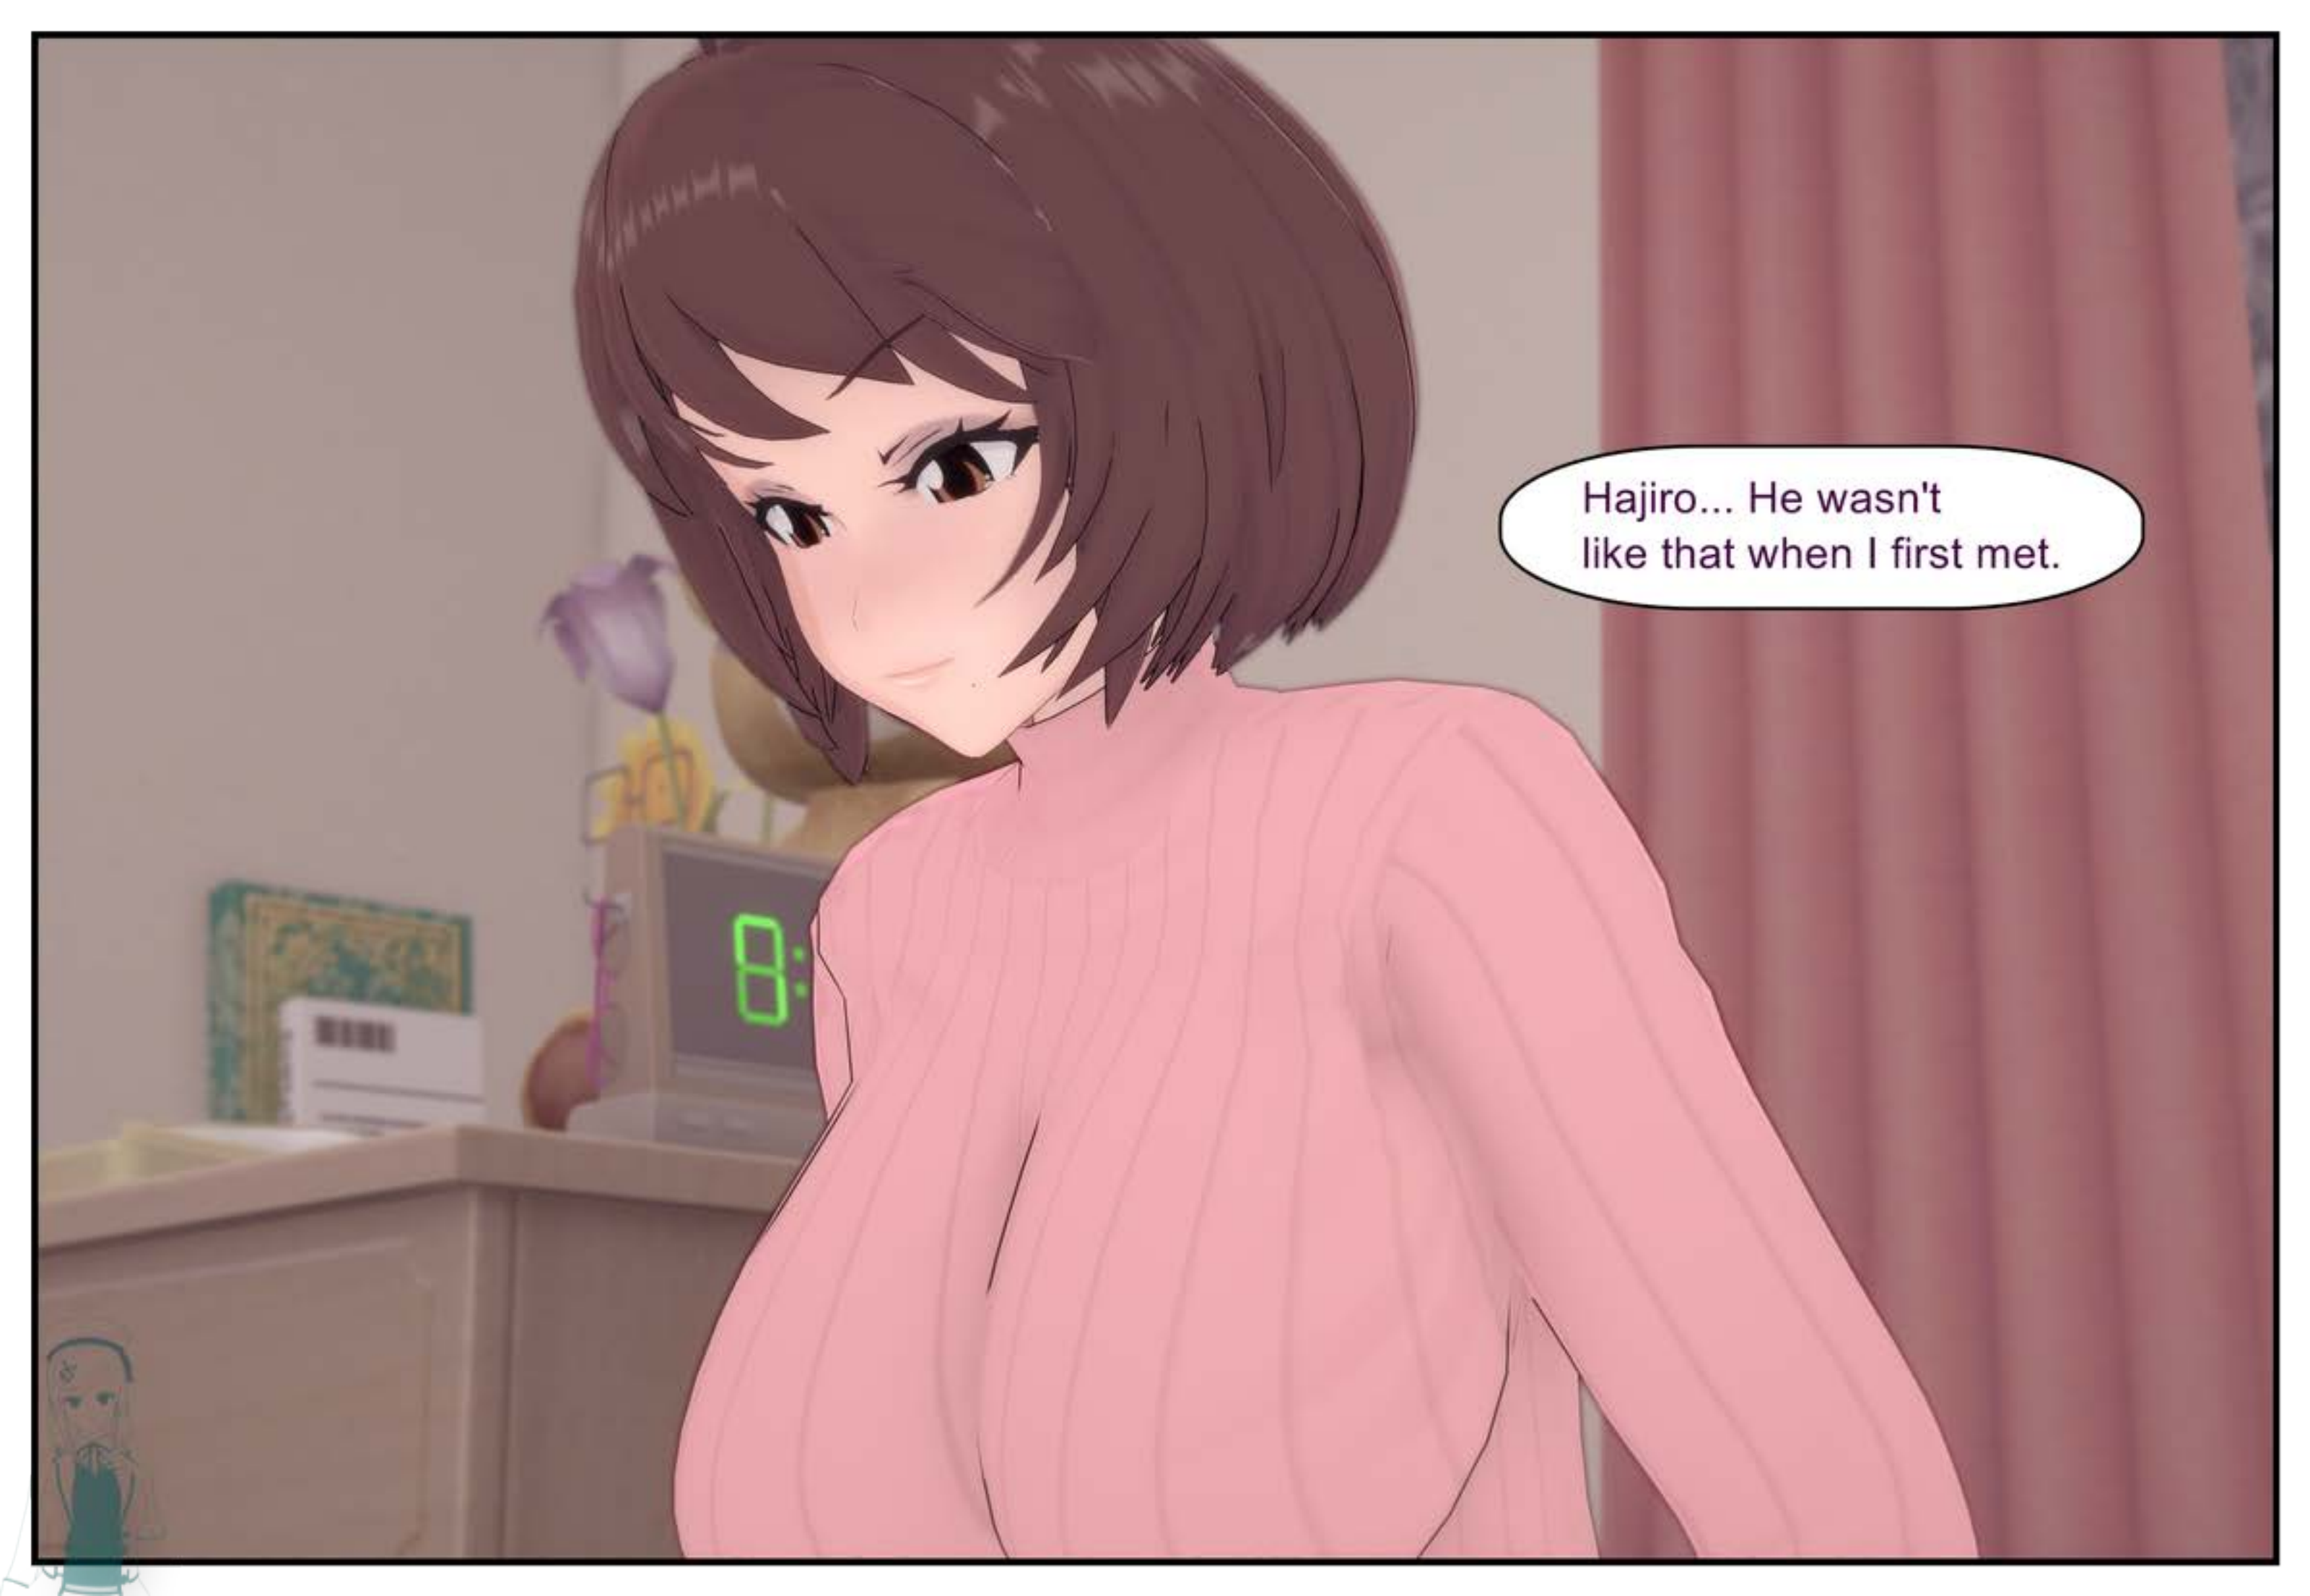

Sssshhaaaaaaa!!!!

Employee's dorm
inside the facility...

In the end, he
went crazy...

Hajiro... He wasn't
like that when I first met.

"Is it... already
too late...?"

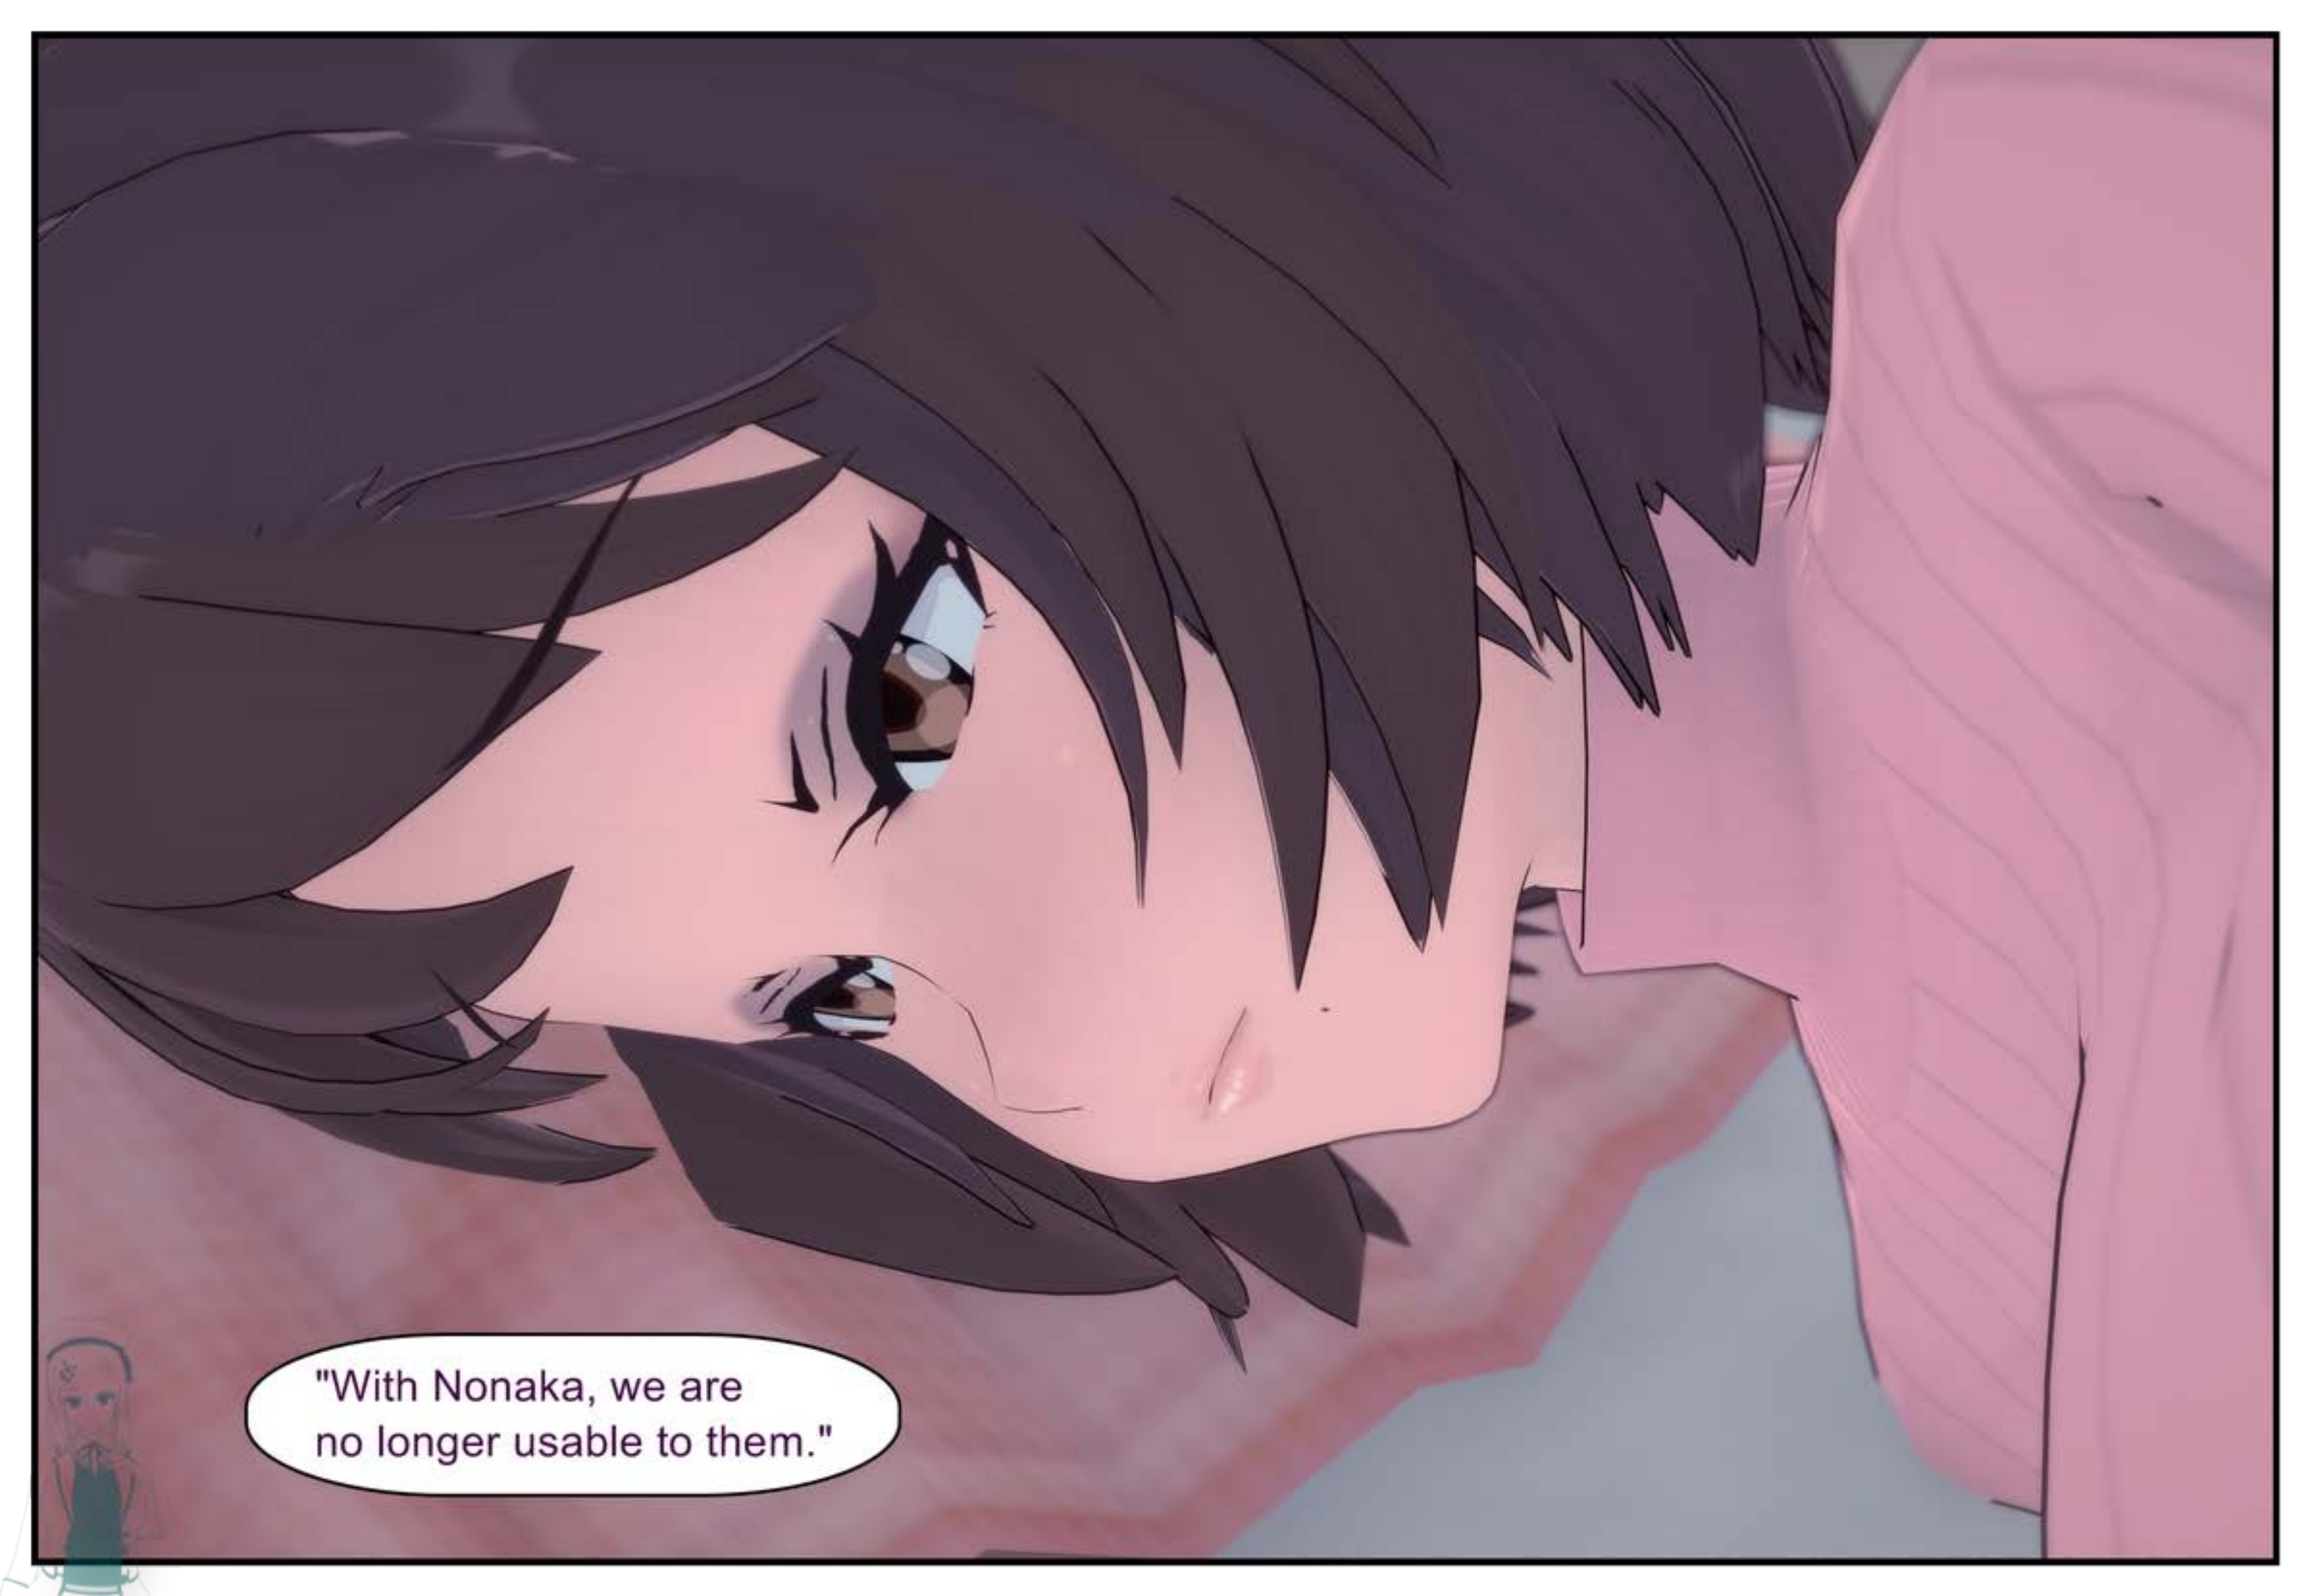

"I'm not a scientist, but a sidekick... Should I left him like that?"

"Ah... It's late. Tomorrow,
I will have to leave this place."

"With Nonaka, we are
no longer usable to them."

Sssshhhiiii....

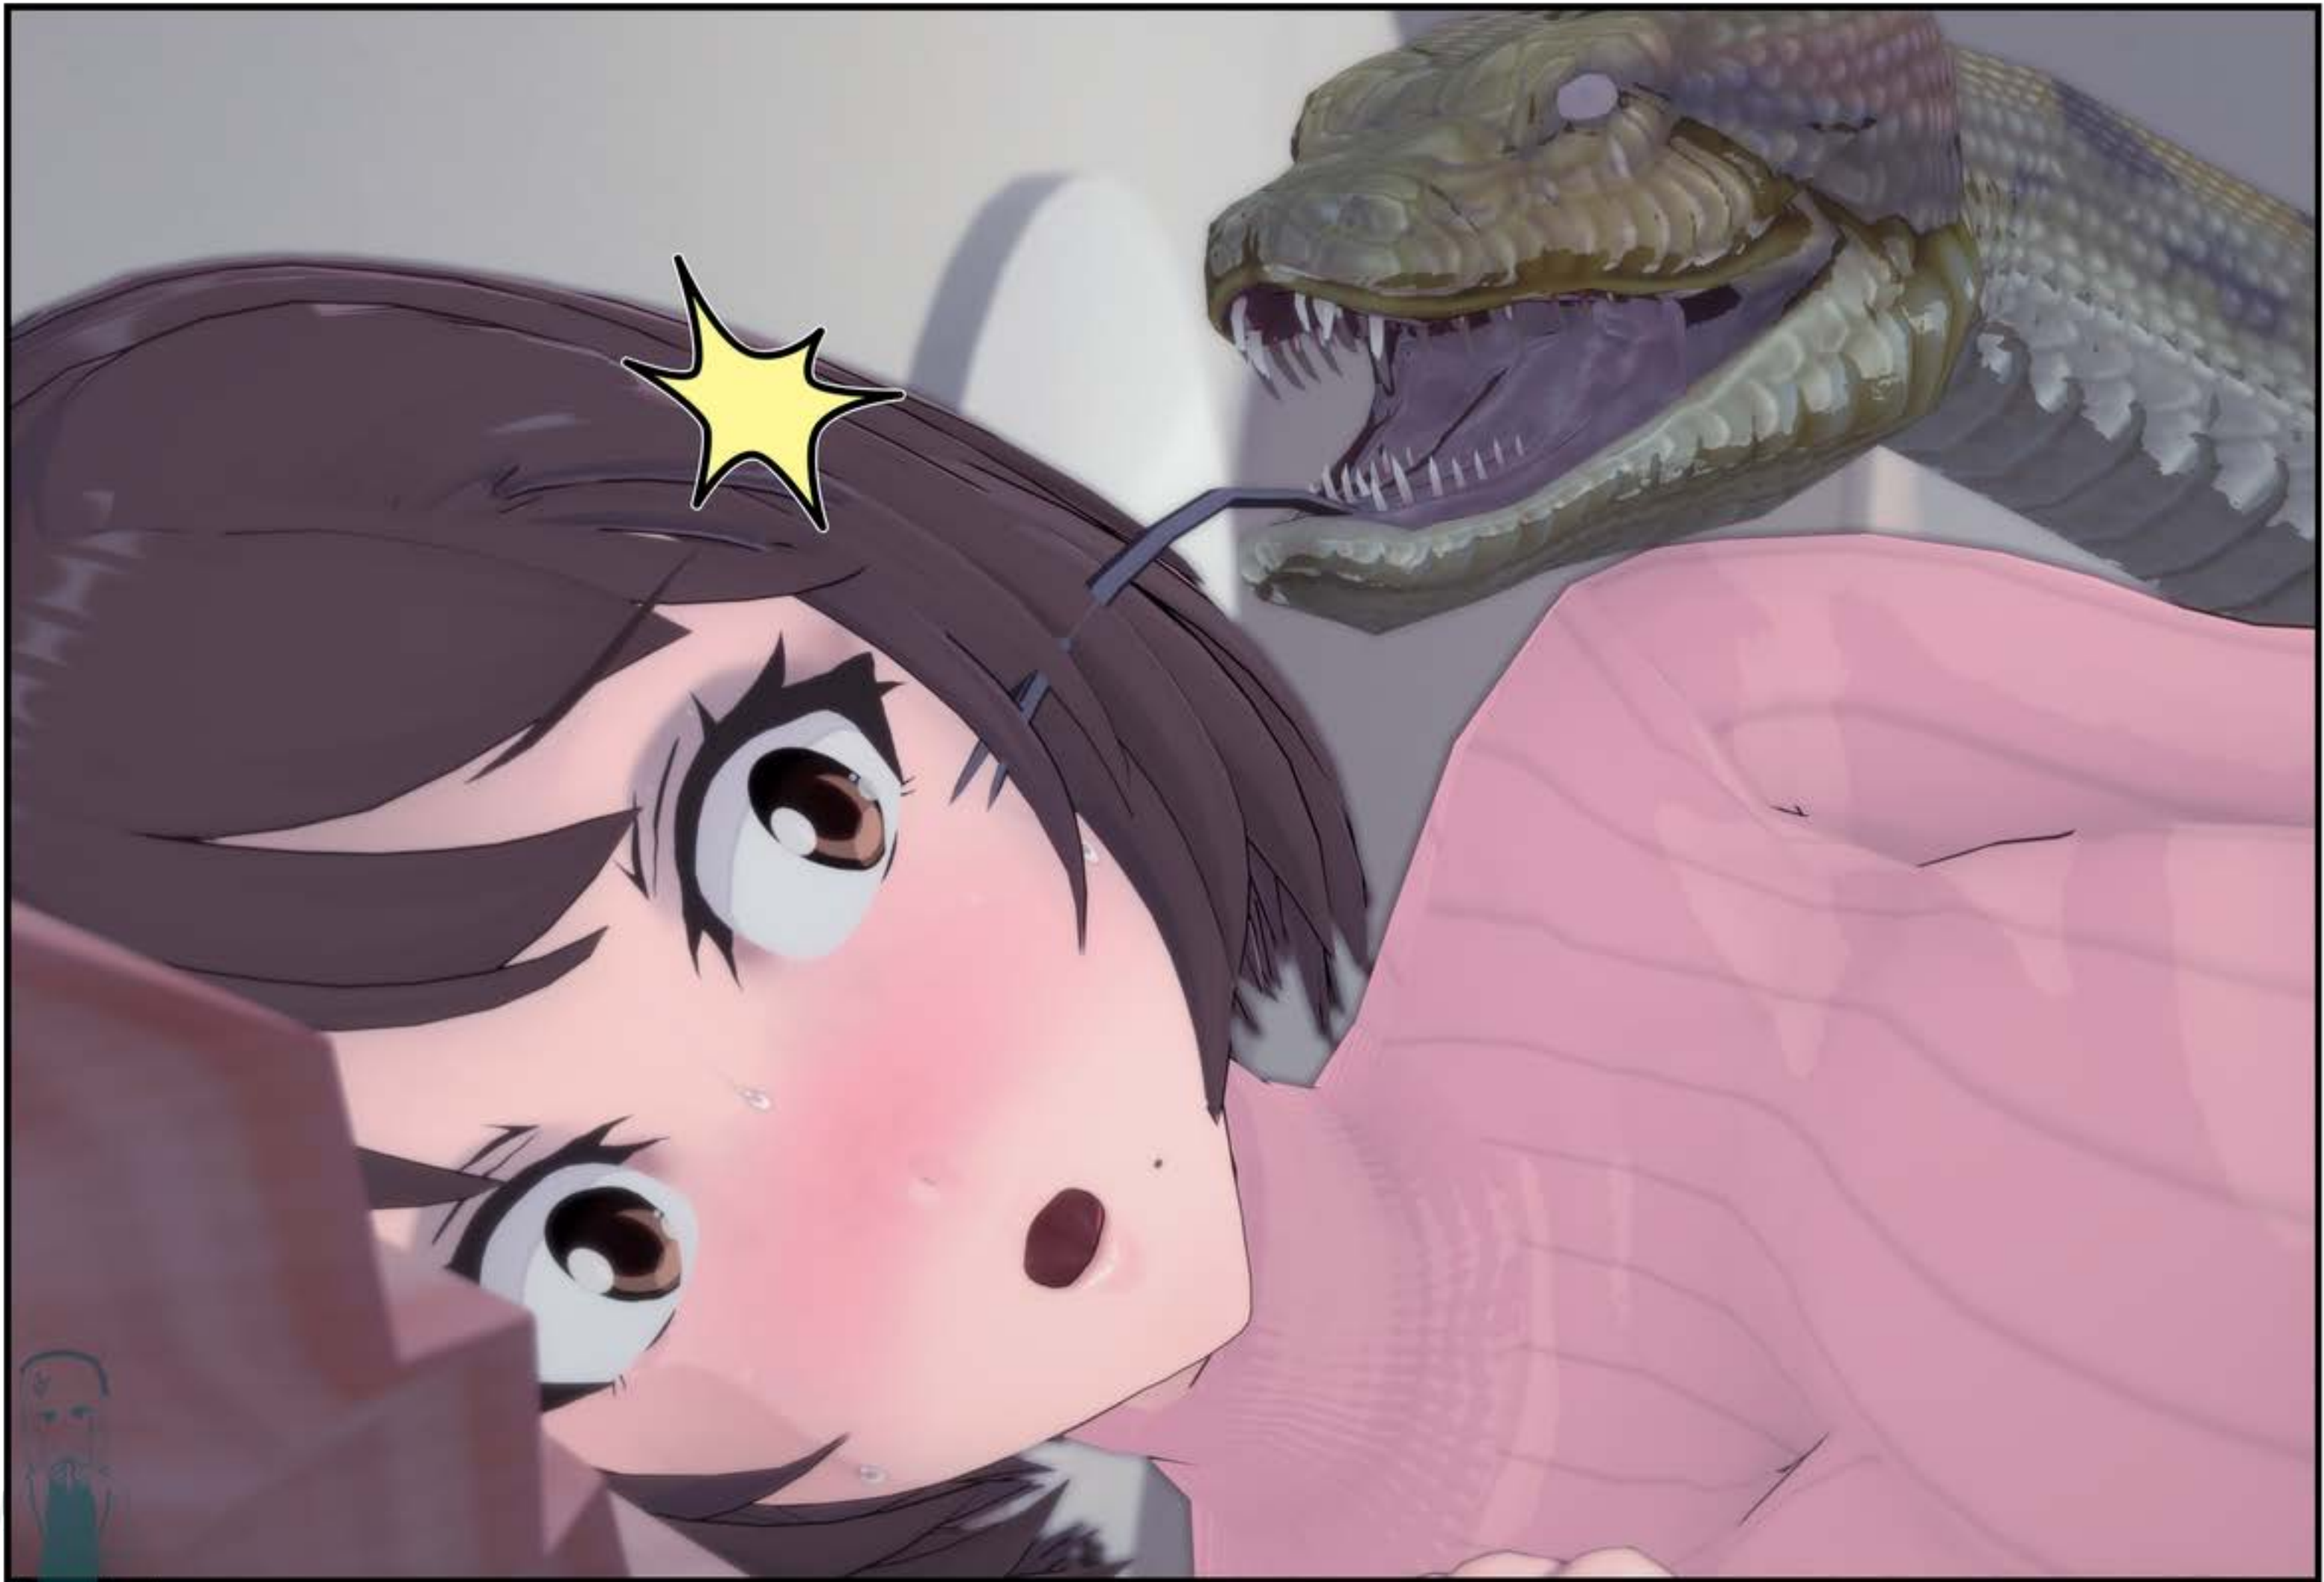

"My dinner... got stolen
by a snake..."

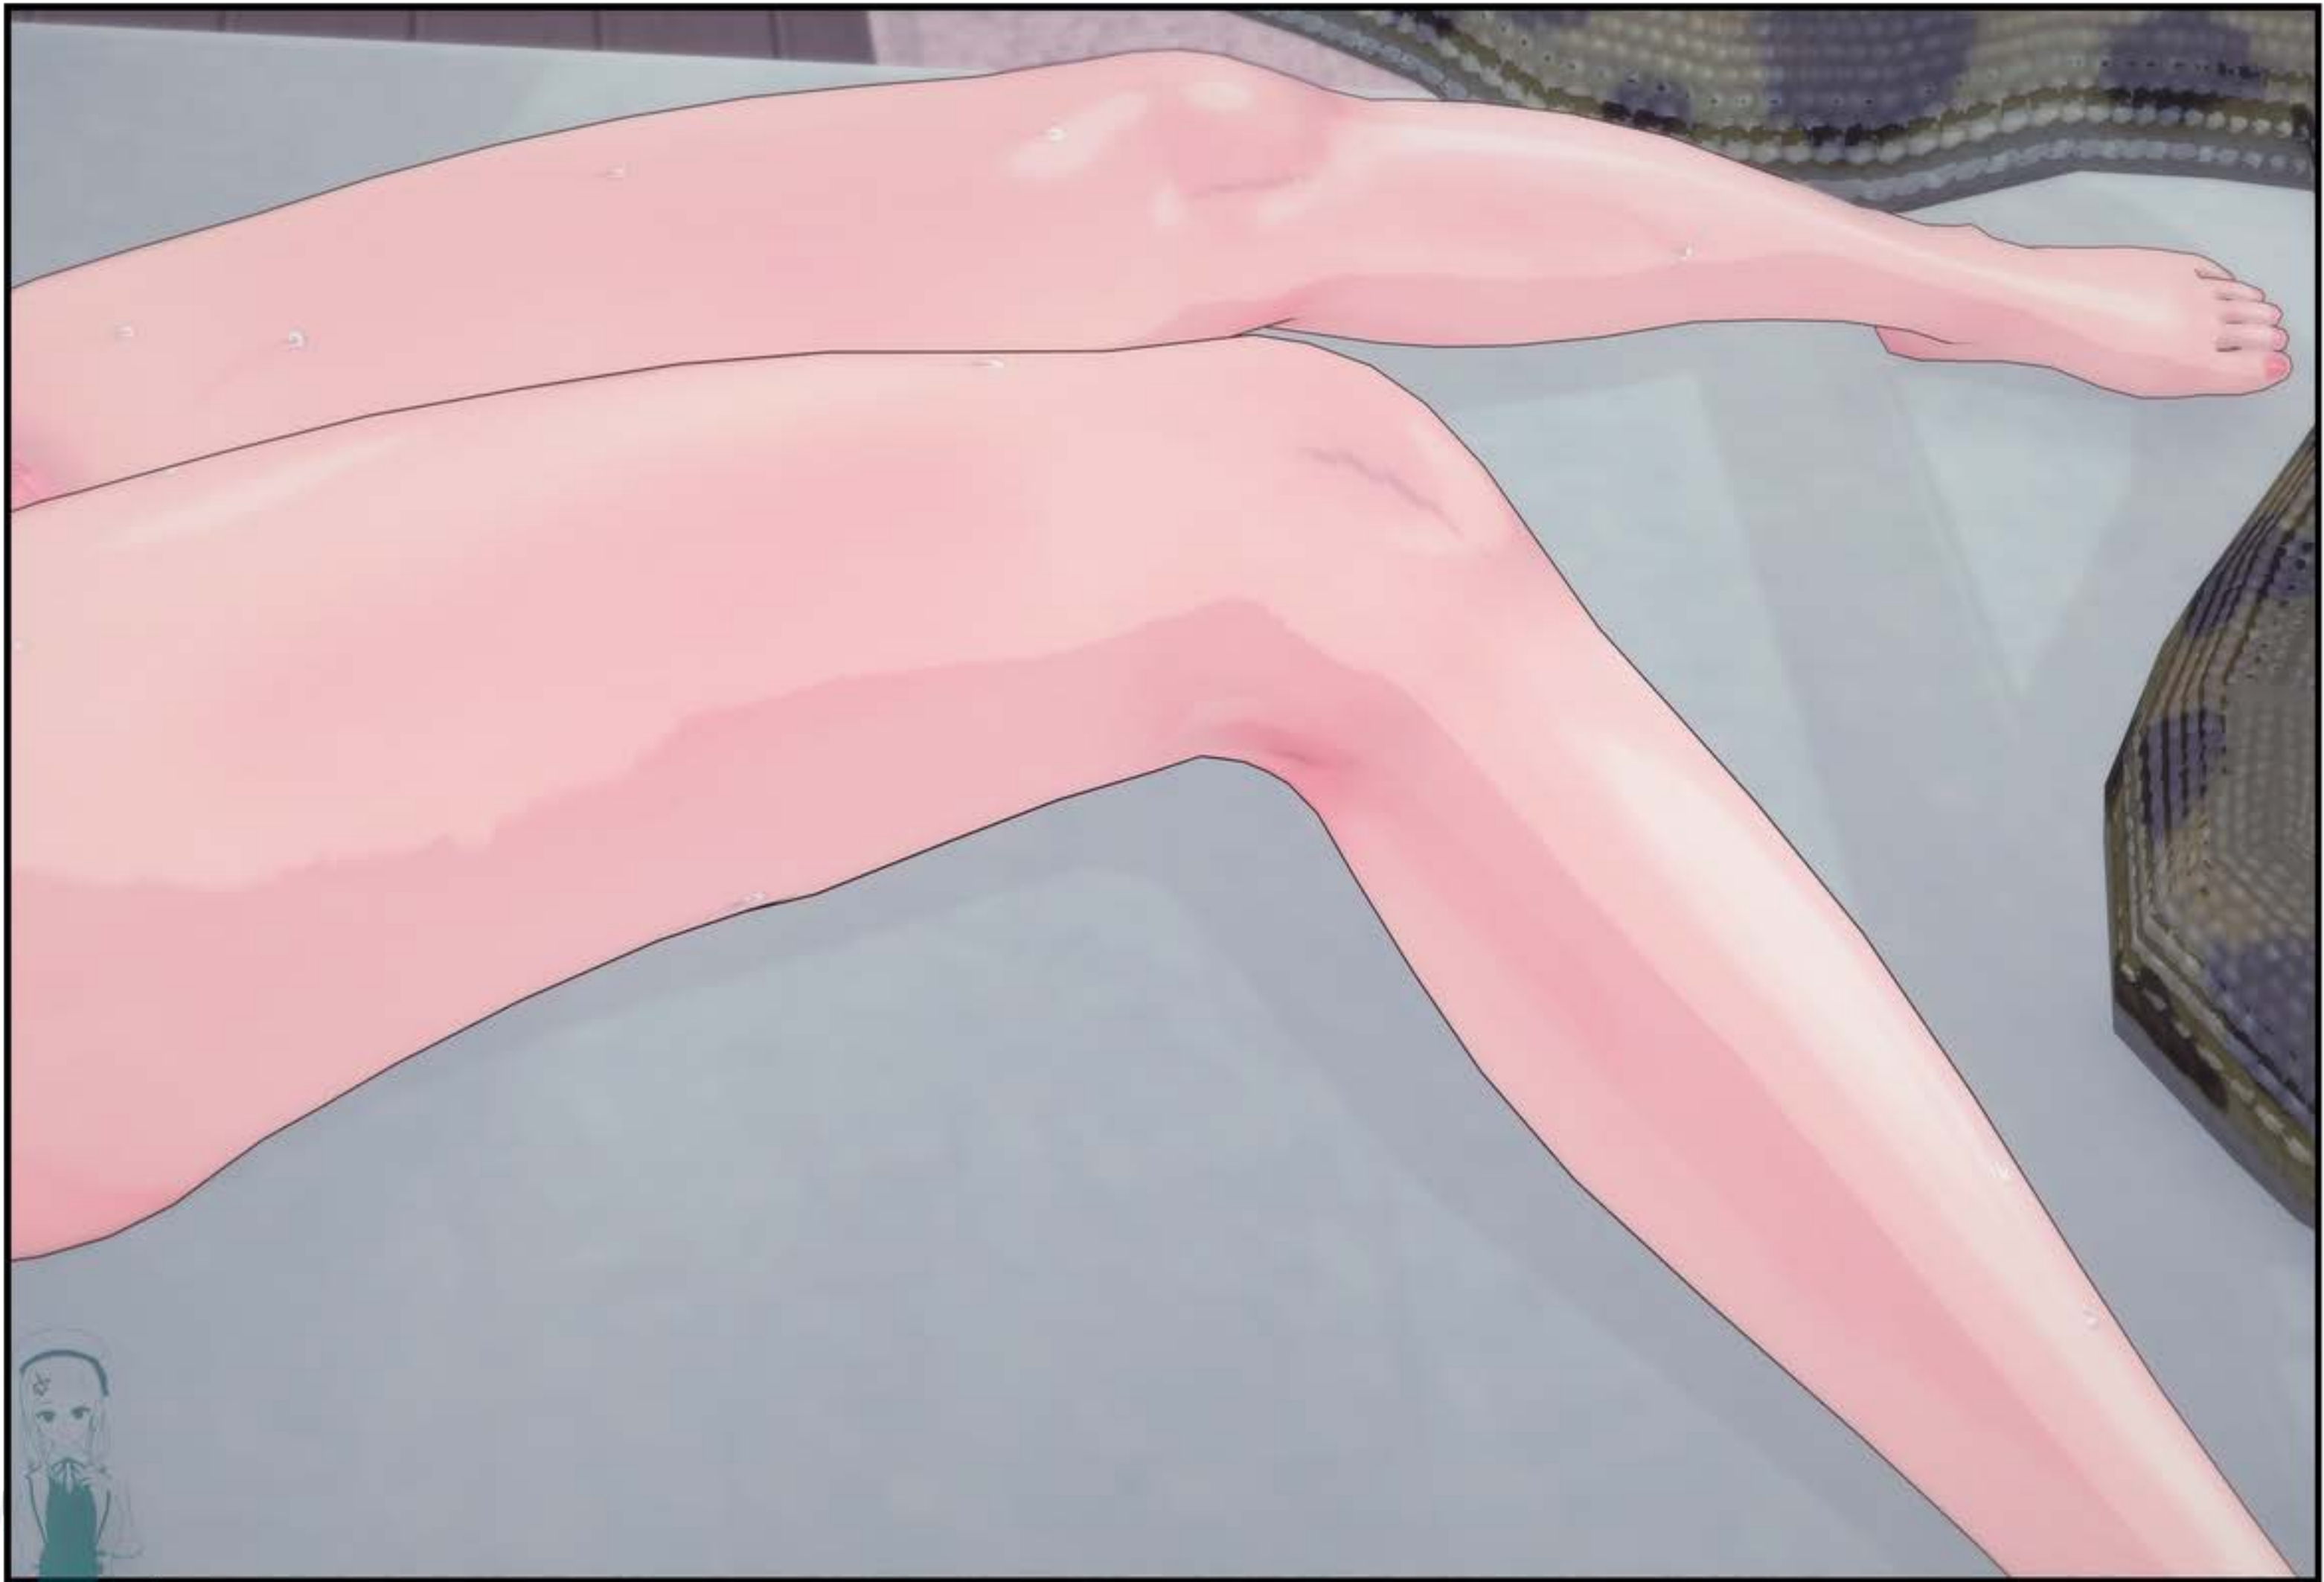

W-What was...

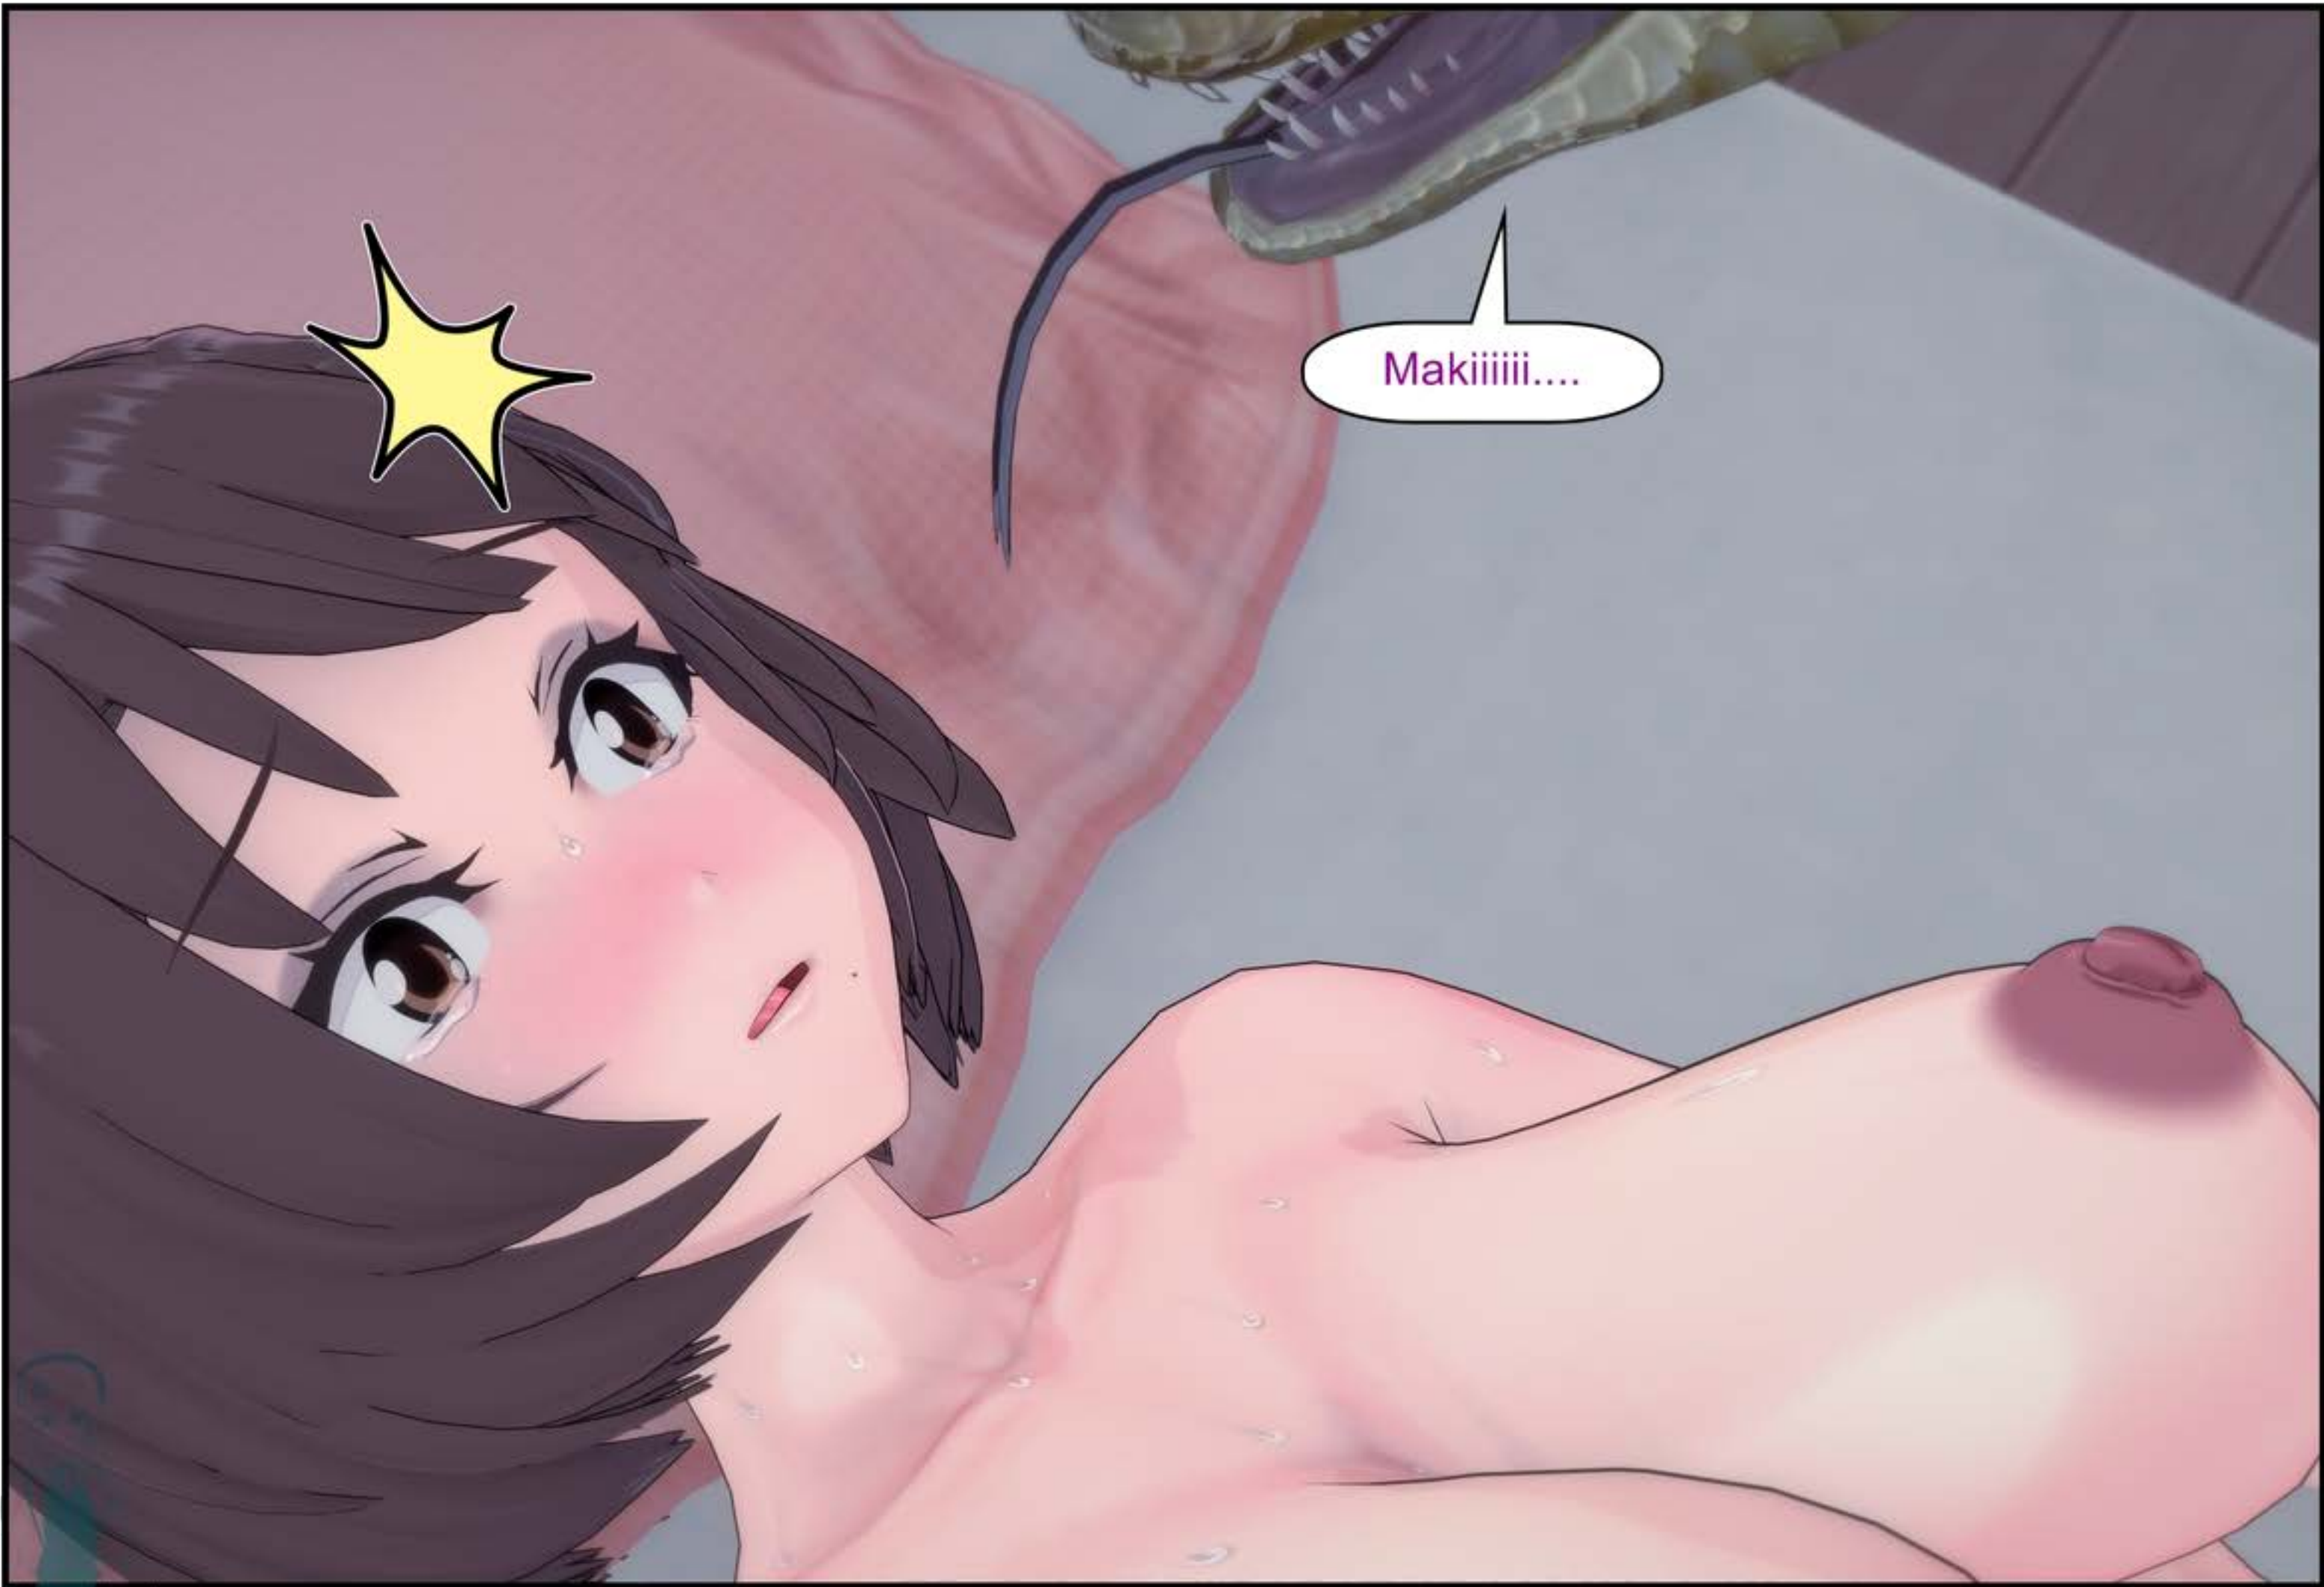

W-Why there is a snake here!?

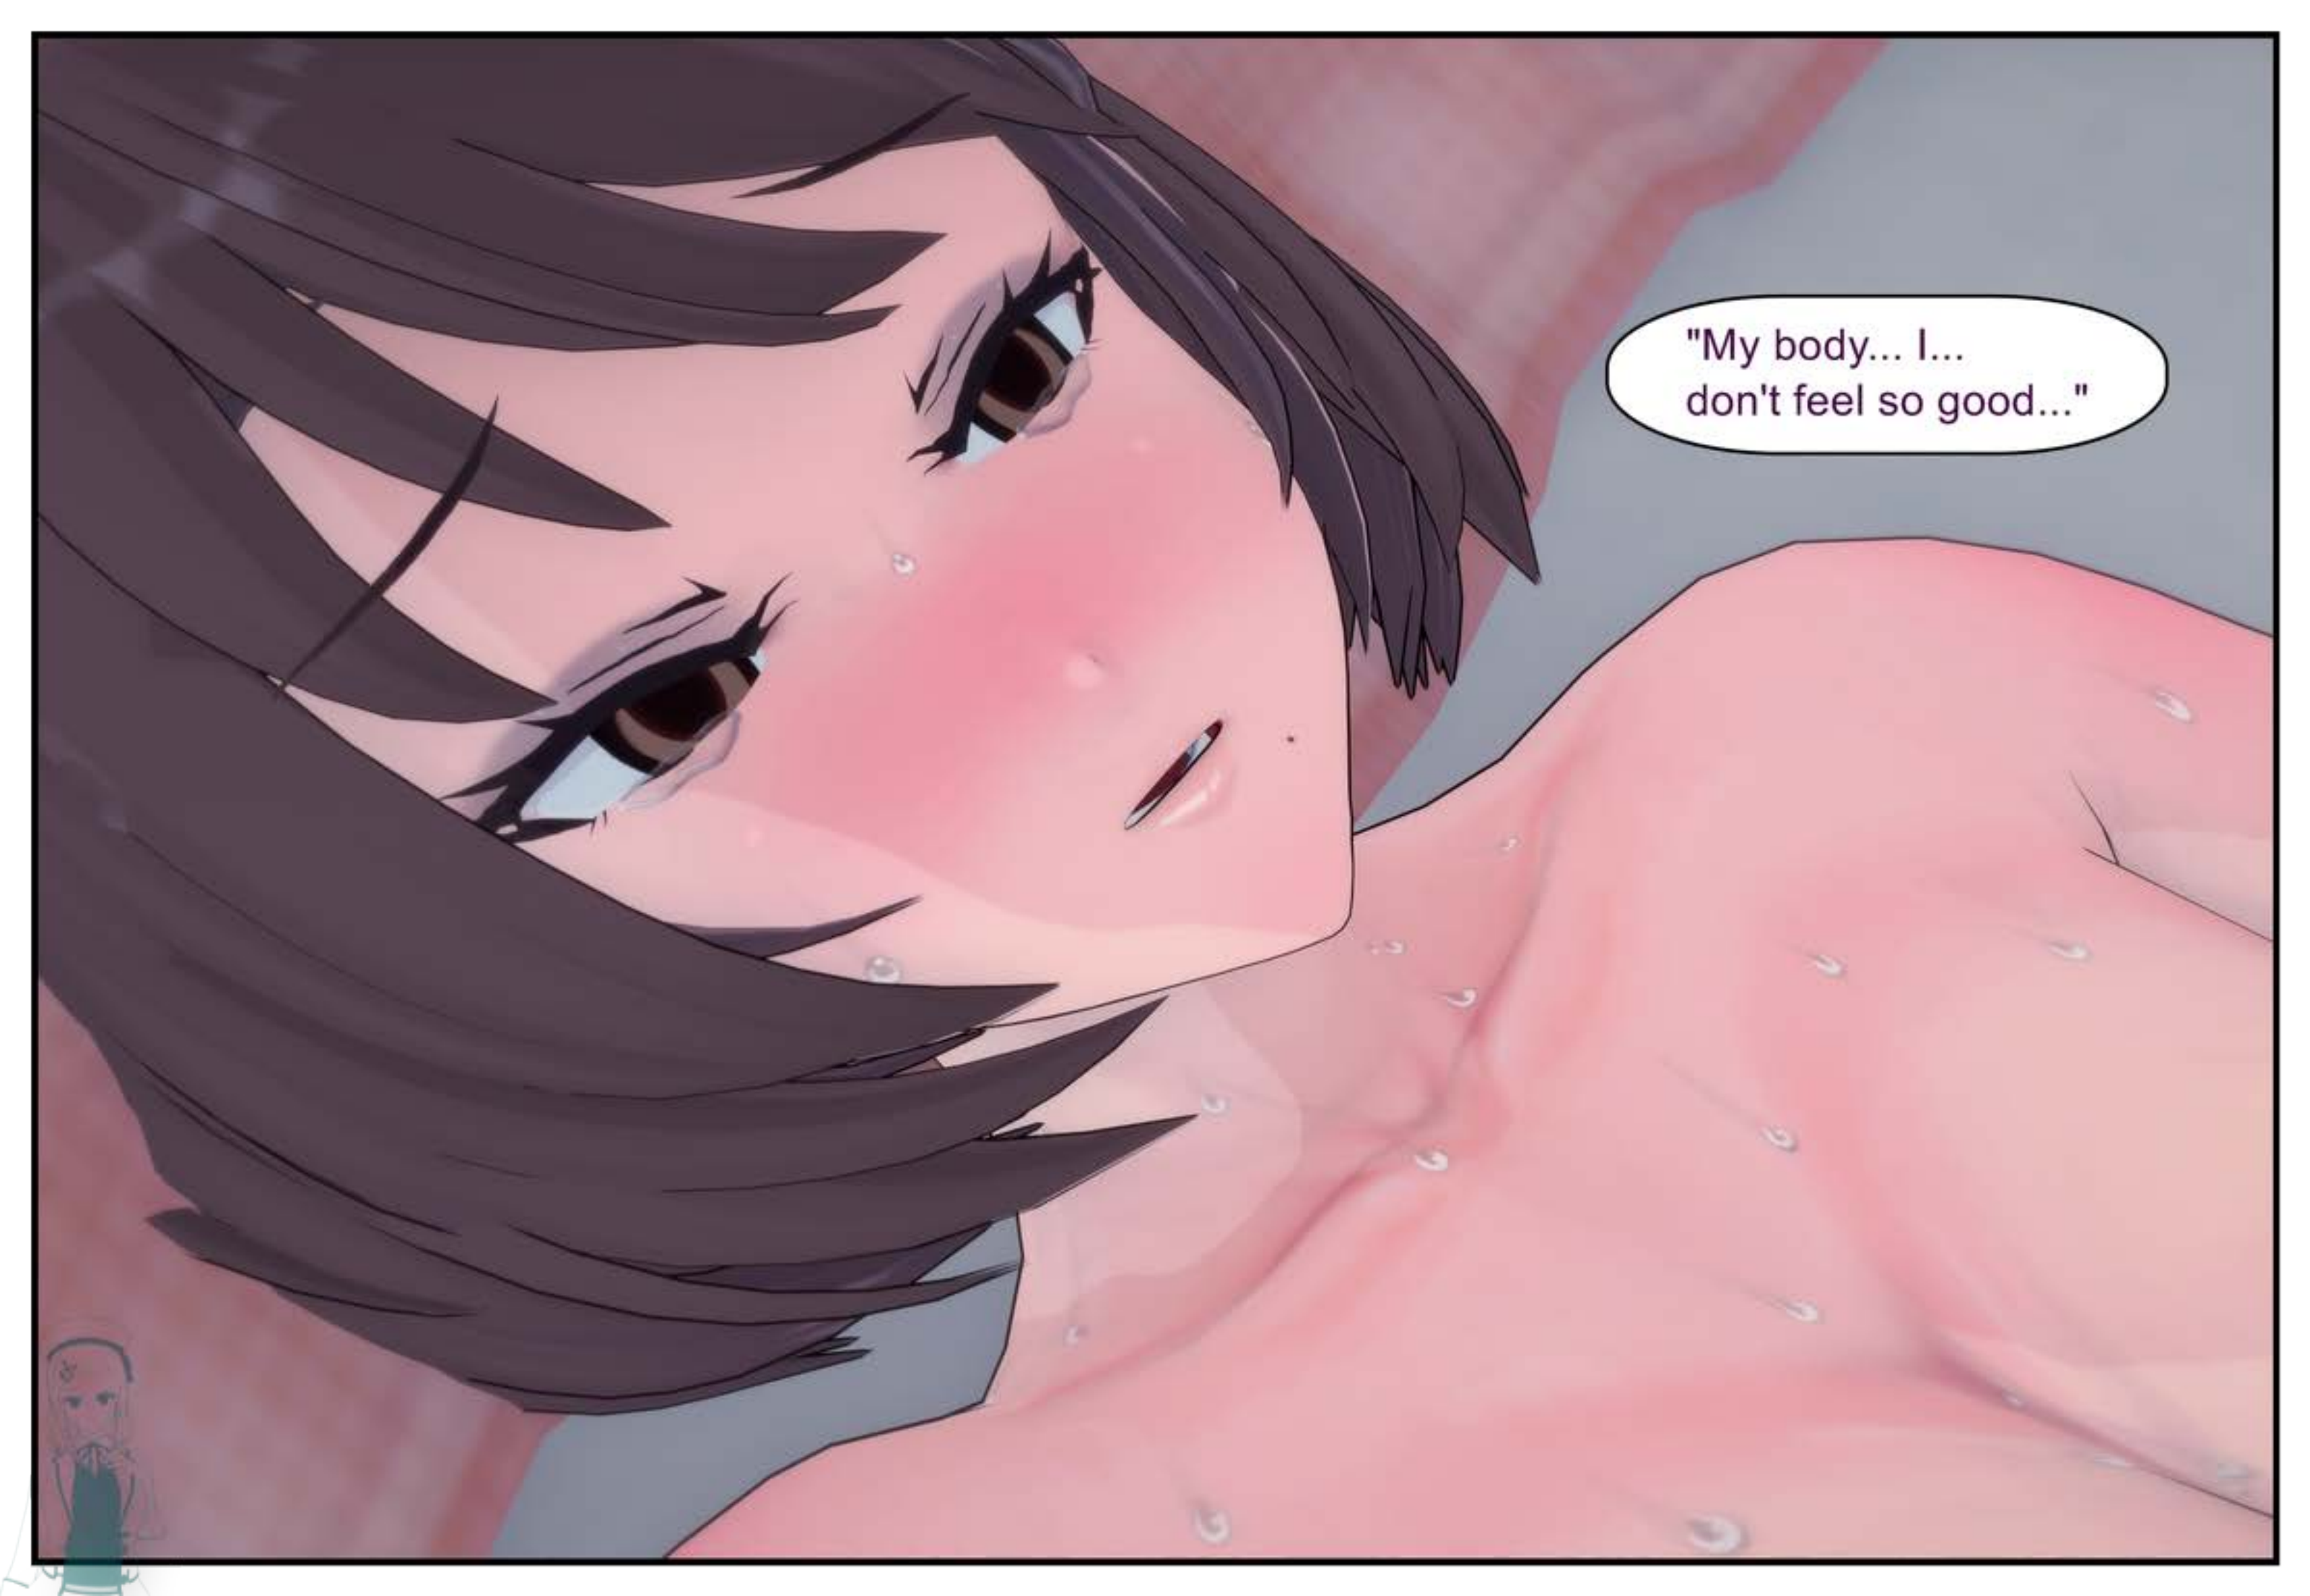

Makiiiiii....

"My body... I...
don't feel so good..."

A close-up illustration of a person's legs and feet. The person is standing on a wooden deck with dark brown planks. A light-colored, textured mat is partially visible under the feet. The person's skin is a pale, pinkish tone. A speech bubble is positioned in the upper left corner of the frame.

"Project Snake's Skin...
When I saw the snake
has an ability to take
off its own skin..."

"So I think about creating a substance from its venom and a machine to turn me a snake."

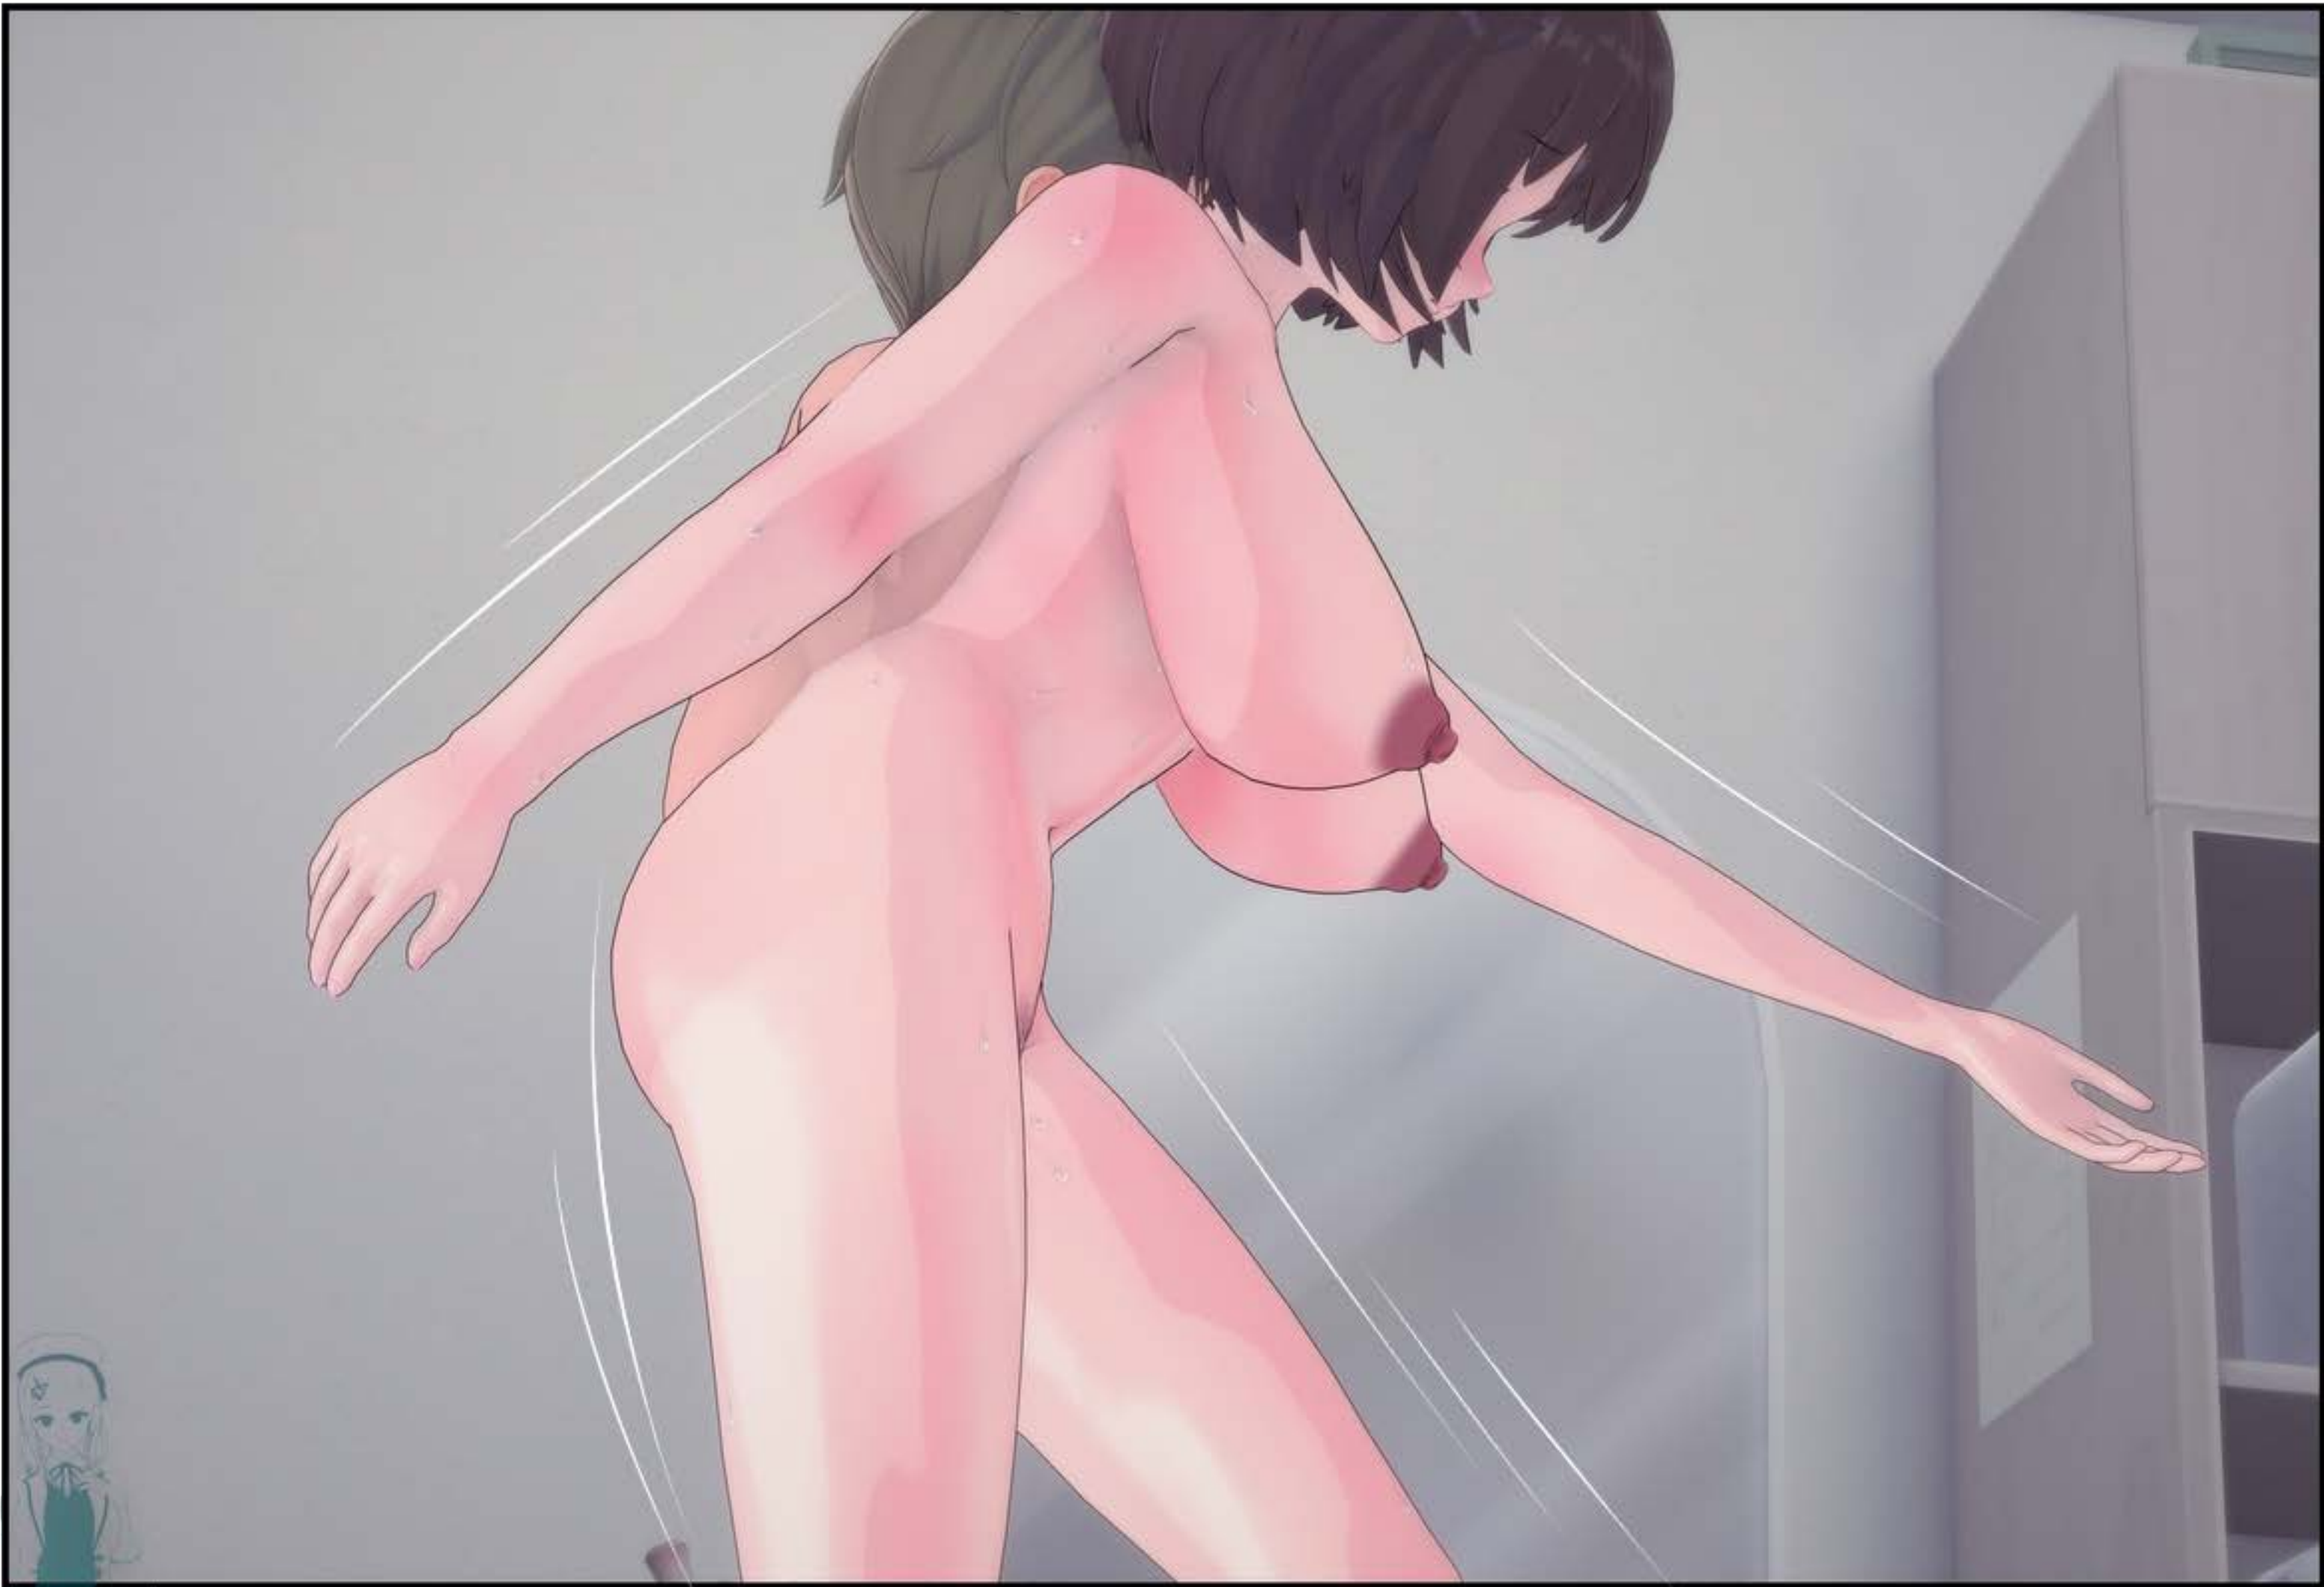

"It's a lot to explain...
But I spent most of
my lifetime for this."

"Turn a human into a skin... that wearable."

Her size and shape auto fit. Somehow, I gain her voice, too.

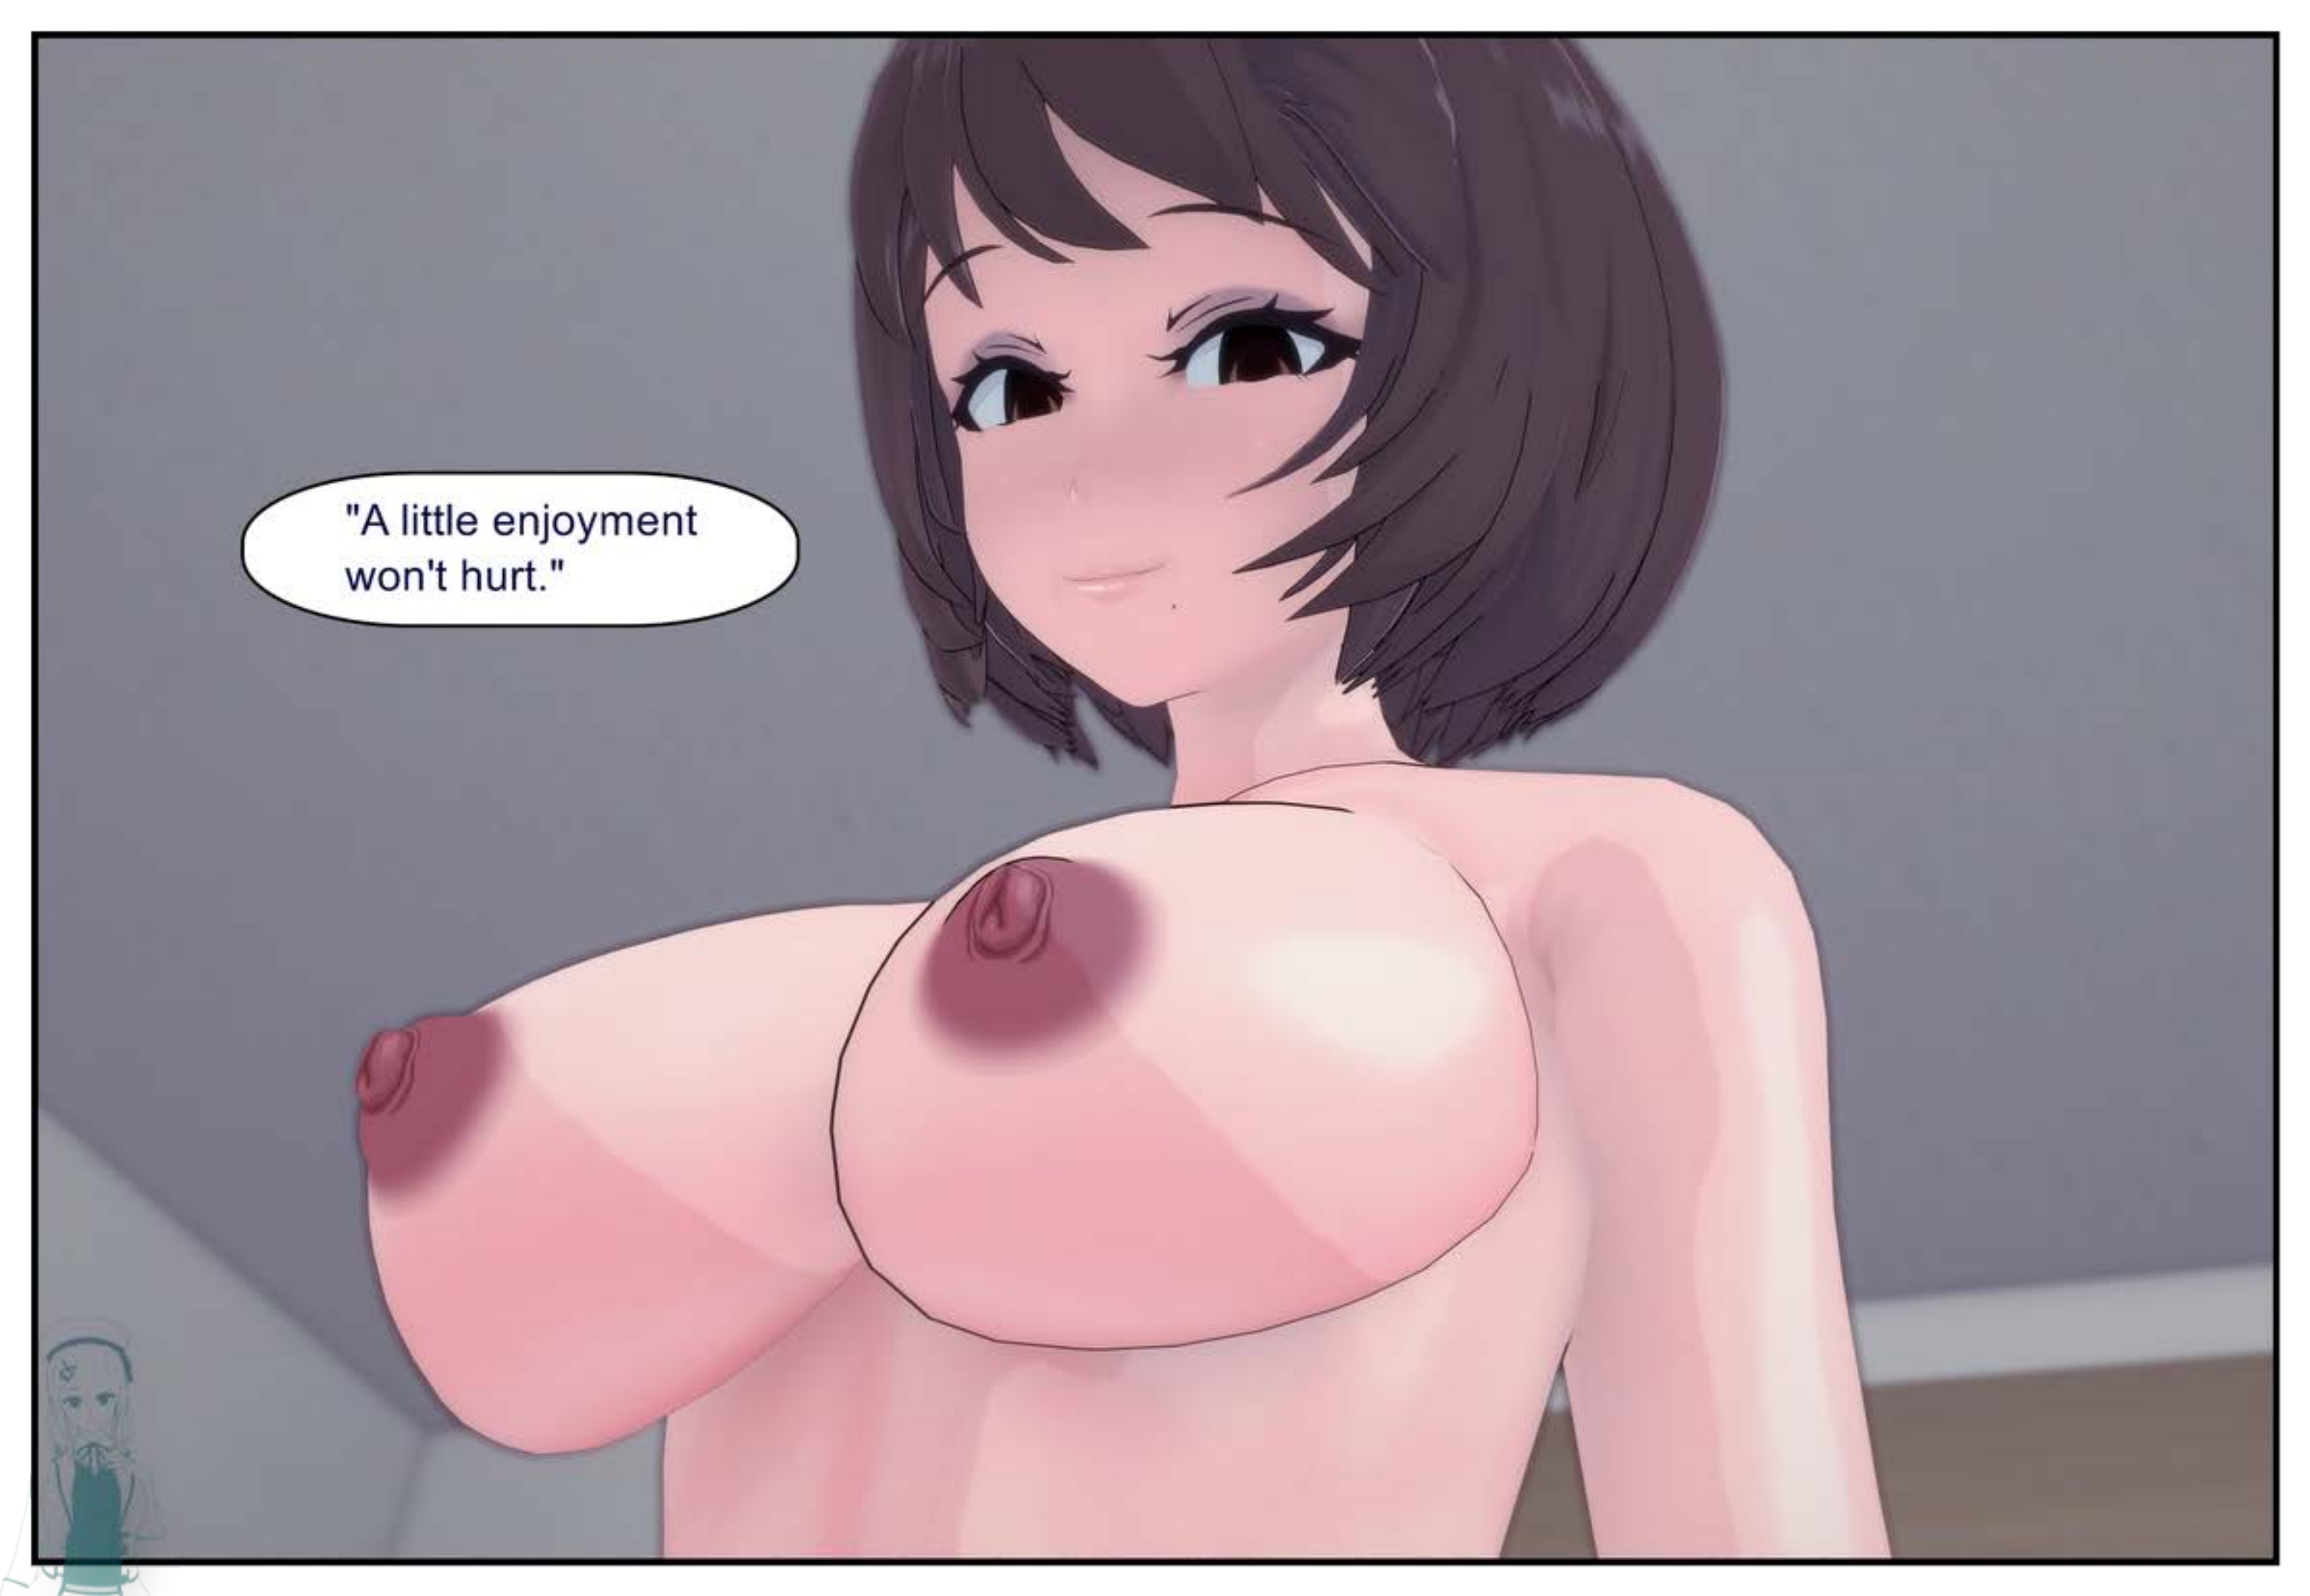

A digital illustration of a woman with short, dark hair and large, expressive eyes. She is unclothed, with a large, green and brown striped snake draped over her shoulders and chest. The snake's head is positioned near her right breast, with its mouth slightly open. The woman's left hand is held out to the side. The background features a window with patterned curtains and a wall with a subtle floral pattern. A speech bubble is located in the upper right quadrant of the image.

My creation finally...
proven itself.

"Hm... Inside a female skin... Not bad, I guess."

"A little enjoyment
won't hurt."

A woman with short dark hair is lying on her back on a light-colored carpeted floor. She is unclothed. Her arms are raised above her head, and her legs are slightly bent. A speech bubble above her head contains the text "Hyyyaaaaaaa!!!!!!". To the left, the lower leg and foot of another person wearing a purple skirt and brown tights are visible. The background shows a wooden floor and a white baseboard.

Hyyyaaaaaaa!!!!!!

M-Maki!? What happened to you!?

A person's legs are shown from the knees down, wearing purple shorts and brown boots. A green and blue patterned snake is coiled around the person's right foot, with its head raised and mouth open, showing its tongue. The person is sitting on a light-colored carpeted floor. In the background, a wooden floor and a yellow and blue patterned rug are visible.
