No, it is Miss Semele for you.

I understand your points, Cornelia. May I call you Cornelia?

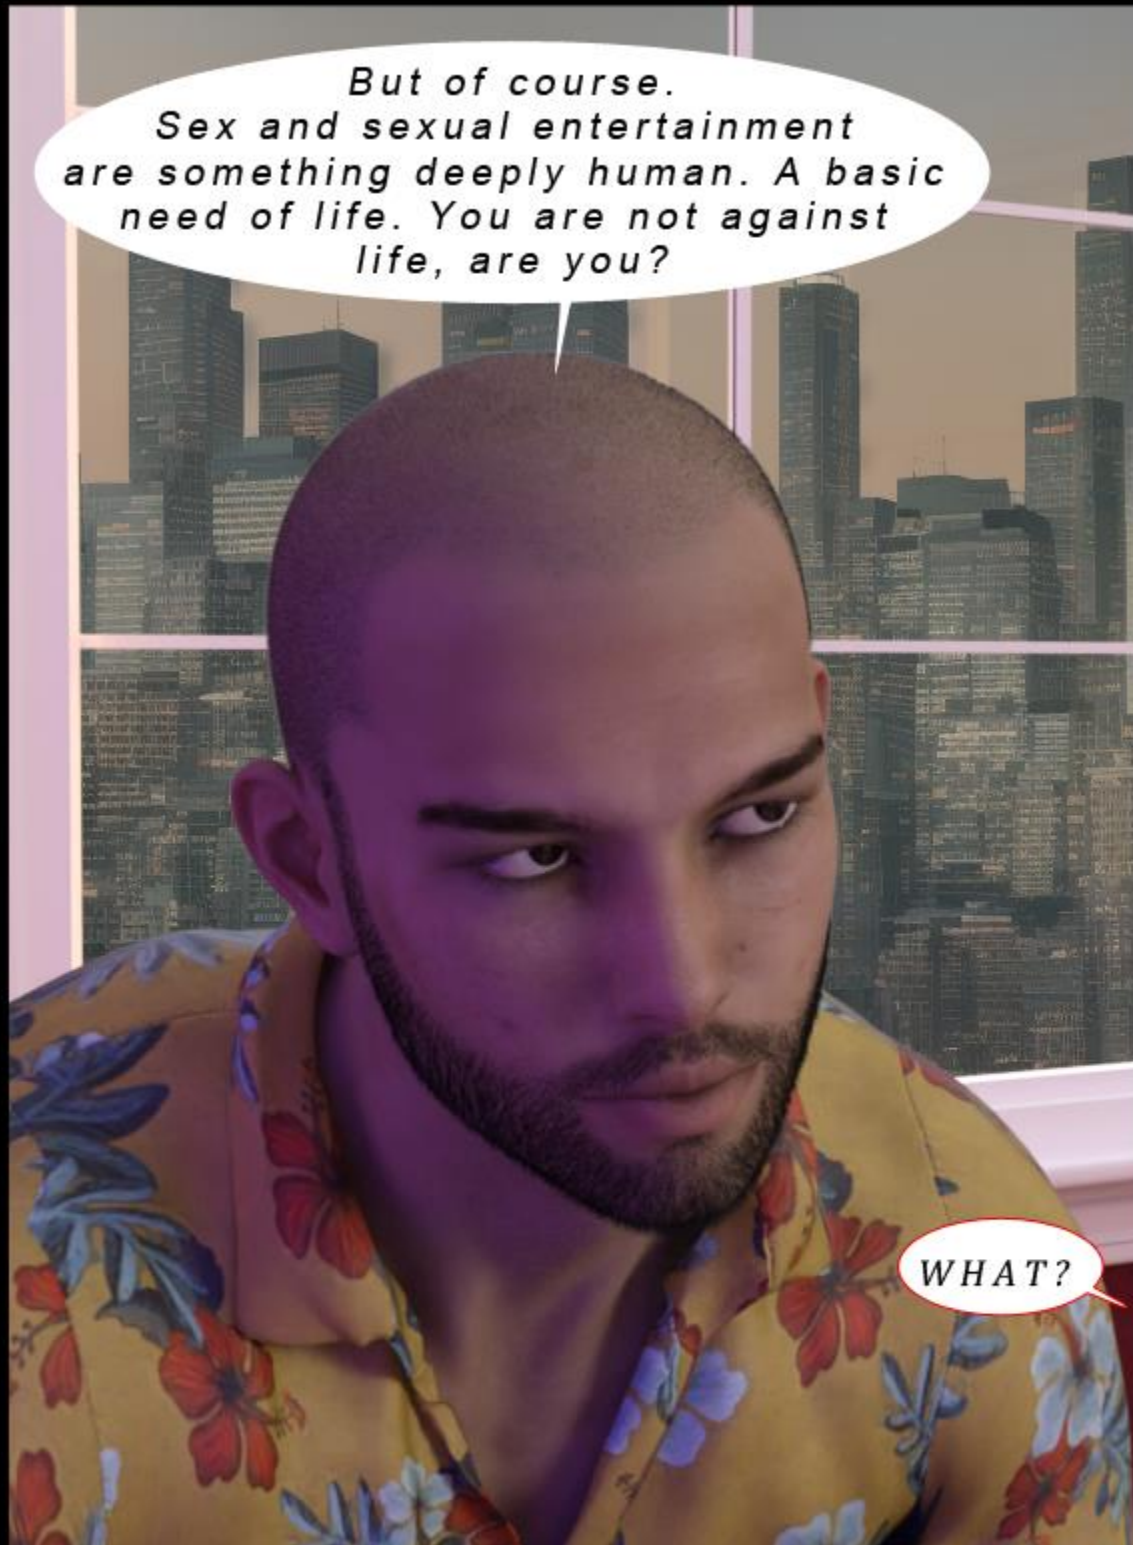

But you see... your accusations are unfounded. All the people in this club that Ava and I run, work here entirely of their own free will.

Thank you so much Sheldon...

You see...One of the girls told me a little rumor about you and Ava. This rumor is that you have a machine that allows you to change a person's body at will without surgery.

I love working here. But unlike the others, my tips are rather meager and most customers are drawn to the others. The reason is obvious, isn't it?

I have a clear idea of how I want to look...but I can't afford surgery. Can your machine help me?

Oh...and I am willing to pay...everything you want.

# The Bimbo within 2

And why do you think this rumor could be true, Brandi?

I researched. According to your school's yearbooks, you were rather slight and Ava was very unassuming and boring... even shy. Look at you now.

And a few minutes ago an asian hot babe left your office with Ava. BUT... before she went to the restroom she was completely different.

She was not alone in the Restroom. I had to go and when she changed I looked over the edge of the doors and saw everything.

Good point. But you are right. I can show it to you...when you truly want...

# The Bimbo within 2

This „machine“ is a prototype Brandi. I will fulfill your wishes...

Thank you, Sheldon.

...but in return you must tell me which of the girls spread the rumor. Deal?

Of course. It was Laura. She tells from time to time that she is actually a man and that you have changed her with this machine. Is that true?

Ah, Laura. No, that is not true. She always was a Girl.

# The Bimbo within?

*Interessting choice. But I will change her settings a little. Knowing the truth about me, Ava and this machine and with it my LifeChanger App...there is to much risk.*

But even Sheldon's newest Machine takes its time to rewire such a complicated organ as a brain and completely change a personality, so...

**Geraldine can't think straight anymore....**

**... it's so hard to have a clear thought that doesn't revolve around sex, fun, make-up or shopping...**

Brandi was always Geraldine's imagination. She wanted to look like this for years - but to completely align her personality with this figure never crossed Geraldine's mind.

# The Bimbo within<sup>2</sup>

However, because she lived her fantasy daily for many years, the process of resistance was very short...

Like who  
is Ger... al... dine?  
Me Brandi...

... Brandi Wild!  
teehee

Where Geraldine once was, Brandi Wild took place. Gone are the years of education or painful memories being an outsider... Brandi has always been the center of all attention and she enjoys using her body accordingly.

# The Bimbo within?

While lust and passion dominate her mind and body, all more complex thought processes are just a colorful something - hidden in a pink cloud. For Brandon and Ava, she no longer poses any threat of ever exposing their game or going public with it.

# The Bimbo within?

Darling, who is she and why are you changing her?

You know her, Ava. This is Brandi... she gave us some info... and asked to be changed...

Like hi there, Boss Lady Kitty... teehee.

But Brandi Wild was just an alias. Do you remember Geraldine Topazi? That is her...

... she told me that my beloved bro started to tell everyone that her name is not Laura... it is Derek...

... and finally Geraldine solved our secret. So I changed her a little more...

... and made Brandi Wild her true personality... in Body and Mind.

No way... Geraldine? Worked under the Alias of Brandi Wild? And Derek remember that he not always was a woman? Hm...

# The Bimbo within?

I have no idea, Ava.

This is an amazing twist...why do you think Derek remembers she wasn't always Laura?

Alright. Brandi's transformation is mostly done. In 20 minutes should the room be free.

But leave her to me. However, I need this room in... say 20 minutes?

# The Bimbo within 2

After I'm done with Laura, we need to look for a new Lapdancer.

Sounds interessting. But remember that she is still family.

Oh... and let Brandi age... or make her younger... maybe six years? She should not have the same age as we have.

D'accord... Safety first.

If Laura really remembers that she once was Derek, there must be a reason. The first thing I have to do is gain her trust....

If we need a new table dancer to replace Laura, I will specialize Brandi for that. As a new young woman in her early 20s, she still needs a specialty.

Sounds good, Darling.

Dereck was always very easygoing... If I'm strict with him, it doesn't help. So first change clothes and slip into something loose....

Laura? Are you there?

U-hum?

Can I can come in?

Sure...

# The Bimbo within 2

# The Bimbo within?

Have you drunk to much, Kitty? Or why can't you see clearly?

What can I do for you? You are here for a reason Kitty.

Kitty? Is THAT the name Sheldon used to... I'm Ava by the way... Ava Takada.

Ava? The Nerd my brother stalked that much in college? Always thought that you are Kitty.

So you are also a victim of my brother!

# The Bimbo within?

Yes exactly.  
Can you believe that he  
let my Ass expand... while  
we was in the library?

But now I'm  
myself again... except  
for my body.

Yea... i was  
sunbathing as he turned  
me from a hunk into...  
this!

I always loved  
to fuck... not to be  
fucked.

I realized by happystance  
that something was wrong...these  
dreams - I was a completely  
different woman.

Then my blog...  
which hasn't been updated  
in years.... and lastly  
his cell phone...

Did you know that  
Sheldon kept a detailed  
log of everything. That's  
how I found out about you.  
How did you find out?

A Customer.  
He told me he knew my  
family and wondered where  
Derek had been all  
these years.

The beginning  
was not easy. My head is  
like packed in wool and  
constantly this stupid  
giggle...

I learned to  
control the giggles and  
gathered information in  
my free time.

Finally, I got  
no further and asked  
John B. Books for help.  
He is a private  
investigator.

He found out  
that I didn't seem to  
exist until a few years  
ago... and I showed up  
when Derek disappeared.

I did an  
expensive genetic test  
and it was almost identical  
to Derek - except that  
I'm a woman by genome.

# The Bimbo within?

When I became aware of this, the memories came back little by little. It was a key moment.

After that, I did everything I could to hurt Sheldon. In the end, I told an activist about the condition here... but she never showed up here. And then you come...

I see...  
La-er... Derek.  
We should take action.

First:  
We should become ourselves again.

And I know exactly the place where we can undo the changes.

Really?  
Let's go Ava!

Second:  
After that, we lure Sheldon into the Machine and give him a taste of his own medicine...

...a few years as a dumbass with an inflated sexdrive shouldn't hurt.

Yea! But not as hot as we both are... let us make her real ugly.

Sounds like a deal, Derek.

# The Bimbo within?

I'm curious, Derek. What will you do when you are yourself again?

Oh that is easy. I'll kick my brother in his balls, throw him into his machine and let him taste his medicine. Then...

... I'll take all money here and destroy everything including my asshole of brother.

He always was a pain in my ass.

I see. You don't want to revert the others to their former selves?

And I know exactly the place where we can undo the changes.

No. Why should I? I don't care about them and they are hot to make a living with it.

# The Bimbo within?

Typical for my stupid egg head brother... functional and no taste.

All this info are very, very helpfull... true... Laura mostly got her memory back... but she is still very naive. Keep talking girl.

But I bet this machine is super effective.

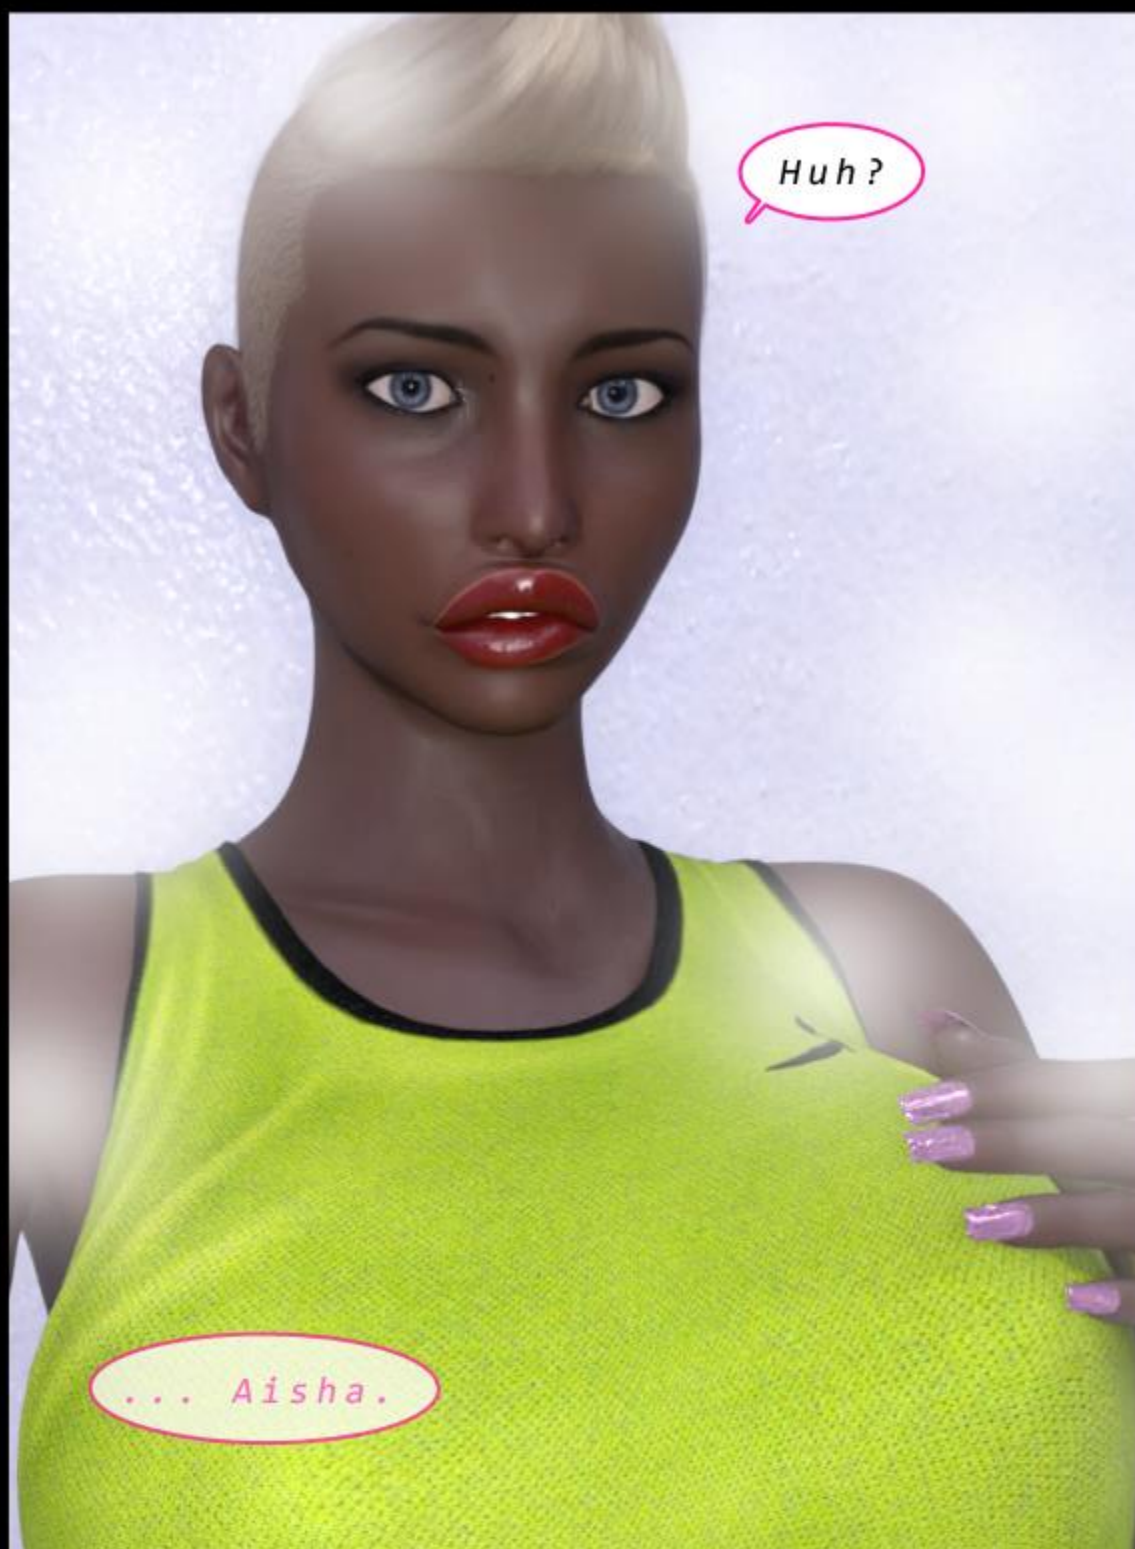

All right, and what should I do now?

Just stand there, Derek. I already found your file to revert the changement.

I'm YOU!

# The Bimbo within?

That is not true! You're nothing...

Oh, really?  
I tell you a secret, cause we are one in our mind...

Your brothers device can only change people who are not honestly to themself.

Secretly, we've always fantasized about what it's like to be a woman, before he changed us...

When it happened, we enjoyed it inwardly - even if it shocked us first.

But sure, that's also the reason why I've fucked dozens of girls...

Oh, please... we only fucked two girls... cause we was drunk and aroused.

# The Bimbo within 2

How... how do you know that? You wasn't there!

Of course was I there. I'm you... we both was there.

All we did was to get more attention...

We wanted to be seen... and tell me Derek... what was more fun for us?

That is not true...

Fucking as a guy, cuming after a few minutes... and be completely exhausted?

Or did you enjoy to be fucked as Woman? The afterglow when an orgasm hits you... the feeling to be touched...

# The Bimbo within 2

I SAVE  
THE MONEY FOR MY  
FIRST SET OF IMPLANTS  
WHEN I TURN 18.

**That is MY  
Daughter! tee hee  
I'm like sooo proud  
of you Darling.**

Yes, we work in erotic entertainment, Dee. But nowhere is it more comfortable to be a woman than here. Privacy and protection are the number one priority here.

OH?? AT HOME WE OFTEN HAD PROBLEMS WITH FANS AND OTHERS WHO HOPED FOR MORE.

If a man or woman goes over the top, it will be taken care of immediately. The same applies online. You will not experience cyber attacks here.

WOW... LIKE JUST WOW!

Oh, hello there Darling. Glad to see you...who is... ?

Hey Hun...
