

What should I do now?

What should I call this? a skinsuit?

What if I try to put her on?

Well.. let's try it!

Almost..

I can feel the wind passing through her skin... this is awesome!

A 3D rendered female character with long, wavy brown hair and green eyes. She is looking down at her chest with a slight smile. Her hands are positioned on her breasts. A speech bubble is attached to her mouth, containing the text "Oh, they're heavier than I thought". The background is a dimly lit room with a shelf on the left holding a small white container with a black cat silhouette, and a doorway on the right with dark wood paneling and two black pendant lights hanging from the ceiling.

Oh, they're heavier than I thought

'Sniff'

Damn, I smell just like her!

How would it feel if I...

Oh, I'm getting wet!

I need something to rub me down there... I want to know how it feels
