I have a lot of doodles from this month- most...won't make sense without context, but here they are!

These are Margot- from Obelisk, a vampire webcomic (its got lesbians you should read it)

Boobs and suspenders are a troublesome combo. Jerry has a solution to keep them from sliding open.

Val & Fliss

Oh-
don't cry...

It's not so bad- we can sneak
back and get blankets when
they go to church-

n' there's lots of
costumes...we can sleep
on those for tonight...

Sylvia & Jerry get kicked out
and stay in the theatre
where they work.

I'm sorry...

Not my art!
Here for context.
