

CharlieXe (narrator): Today, the time has come to see how our dear friend acts in an extreme situation. His name? I don't know, I never gave him an official name so he's just the main character of this story. We begin with a wonderful spring day...

You: Oh that this day is perfect to go out!!

Indeed, today there is a spectacular sun, worth going for a walk with your girlfriend...

You: but I don't have a girlfriend ☹ ... **sad music XD**. How lucky are those people who have found the love of their life... when will my time come? Dx ???!

--

CharlieXe (narrator): I don't know, you tell me... you moron.

CharlieXe (narrator): Today you will have no escape my friend... this story happened and we will FINALLY see you fulfill your duty as a vernacular Spartan and legionnaire macho man... MUAHAHAHAHA!!! You are in my power!

Ahem...

You: hmm... so boring. I have nothing to do today, however, I listen to my cell phone the classic ringtone that i have in there. It's a message from Rarity :O

Rarity (Text): *Hi my love ^^ . Today is a magnificent day for you and me to going out for a picnic in the park, don't you think? I can't wait to see you ^^ , I'll wait for you in front of the school at 3:00 pm. I love you <3.*

You: OMG!! ... wait... "my love?" ... "I love you?" O_____o

CharlieXe (narrator): absolutely bro! Are you ready huh? :D .. please don't keep your date waiting!

You: This is weird, why do I feel like someone is commenting on this story in the third person? O_o

Anyway, this weird commenter is right, I have to look good for Rarity, I guess this really is a date! Yay!

It's almost 3:00 pm now, and I'm at the front of the school to wait for Rarity. It is not long until she arrives and surprises me with her splendid beauty.

You: woah Rarity... you really looks beautiful!

Rarity: teehee, thank you my love ^^

She is wearing a beautiful short pink dress and a scarf around her neck. In her right hand she carries a basket with food, apparently for the picnic. She turns to show me her dress, lifting it up and slightly showing me her thighs... WOAH!! she really is beautiful!

Rarity: ready? ^^

You: su-sure... O_O

Both of us arrive to the park, we are totally alone since from what I am seeing, there is no one here. Great, alone with Rarity? OMG, I still can't help but feel a little nervous.

Rarity begins to take out the blanket that curiously resembles another one that I saw recently in a drawing of Sunset e.e

CharlieXe (narrator): ahem... Don't blame me for recycling that layer, I saved a lot of time! ͎_͎

We both sat down and started eating while chatting about the many adventures we've had over the years. Yes, including the fake wedding I was the victim of!

Rarity: That wedding, even if it was fake, I really enjoyed it a lot, and all thanks to you ^^

You: I barely remember her, I mean, when you showed me your... O////O

Rarity: oh? You wanna see them again? ^^ tee-hee what a pervy Xd!

You: what?! No! Dx

In short, at that wedding, Rarity showed me her breasts and I was the victim of a powerful nosebleed from which I passed out. The second thing I remember is that I was in my house naked and with Rarity by my side. That's why as much as I tried to clarify this situation, Rarity always evades my question!

You: Rarity, its time that you answer me this question!! What happened that time when we was naked in my bed!

Rarity: ugh again? U_U .. I already told you like... 100 times? We made love :) .. you were my first time and that's why I'm now the happiest girl in the world! :D

You: that can't be! Why i cant remember that?!

Rarity: don't ask me, it was you who grabbed me by the waist... I wanted to do it too so... it happened :)

CharlieXe (narrator): really you dont remember? Yes you are a moron
-_-'

You: that means... i really became a man!! :O

CharlieXe (narrator):

Rarity: hehe yes ^^.. well, we can do one thing if you want ^^

You: huh? :O

Rarity: let's do it 😊

You: QUEE??!! I mean, WHAAT?!

Rarity: You said that you don't remember what we did that night, well I would like you to also have a moment with me in your memories, that would be fair, don't you think? ^^

You: ahmm.. yea... but... here?!

You: good, you finished Dx

Rarity: finished? Hah.. I couldn't breathe, now i will continue hehe Xd

AAAAAAAAAAAAAHH!!! HKSADSAKJDHSAKJDHSAJDSAHDKAS!!

After a few minutes, now she really seems to finish doing "that" to me...
However, this was not all, she begins to take off my pants little by little...
O_O!

You: Rarity?!!

Rarity: dear, i'm so horny...

Rarity pounces on me and starts touching me and kissing me...as she slowly pulls down the top of her dress, showing me her breasts!

You: hmmmhnmm!! Hmmnh?!

Rarity: mmmhm... hmm...

** hickeys and kisses* Xd*

My head is about to explode!! My body does not react to my orders, but is as if spellbound! Rarity lifts her skirt and slowly begins to lower until her private part touches mine...

You: you know what... I would have liked to do it with you on Monday, but it won't be possible...

Rarity: huh? Why?! :O

You: Because today is Friday .. No wait!! What a bad joke! Rarity are you sure about this?!

Rarity: aww sweetie ^^ . You just relax, I'll take care of everything ^^

Rarity goes down again, the sensation is indescribable... our private parts begin to come together, until finally...

Rarity: aaahh... **moan** .. you are inside me! **moan**.. this feels great!

You: aah..

I can't help it... this really feels great...!

Rarity: I'll start moving okay? ^^

You: okay...

And this is when Rarity begins to move, rubbing our private parts...

(this versions is for Tier 2 and Tier 3!)

You: WOAHH!!

Rarity: aaahh!! **moan**

smack* *smack* *smack

As Rarity jumps, our pelvises collide making a "smack" sound, only offset by Rarity's sexy moans!

Rarity: aah.. ah... hmm... aaahh... **moan** .. dear... ahh.. i... i love you...
moan

My body begins to move by itself to the sound of Rarity's movement... I don't know if that makes sense but my body is moving! XoX!

This feels amazing... Rarity's insides are so warm, her moans make my body heat up, my hands begin to touch Rarity's legs as she looks at me and smiles at me, she's really enjoying this!

CharlieXe (narrator): And don't deny it champion, you also enjoy it!

Just as me and Rarity continue to have... what appears to be sex... my phone starts ringing...

ring* *ring :D

You: my... my phone?

I try to take my phone, but Rarity, without stopping moving, reaches to grab it with her hand and answers the call O_O

Rarity (still moving): hello? ^^

Pinkie (call): hi dummy!!! ... ahm... Rarity? O_O

OH S**T!!

CharlieXe (narrator): MUAHAHAHAHA!!!

Rarity (still moving): *ahh.. ahh.. *smack* *moan** .. yes, Pinkie? My dear is a little busy right now.. im sorry... aaah... **moan**

Pinkie (call): why do you sound agitated? Where is the dummy!

Rarity (still moving): Now is not a good time Pinkie... aaaahh!! **smack**
moan

Pinkie (call): hmmm...

Damn I'm about to cum! Dx!

You: Rarity please end the call! This is not the time!

Pinkie (call): Dummy? Are you there?

Rarity (still moving): you see... now we are exercising hehe... that's why I'm a bit agitated that's all. Right after we're done, he'll call you back hehe... bye!

**end call* Xd*

You: aahh Rarity!!

Rarity (still moving): aaahh!! Aaaaahhmm!! **moan** do it!! Do it inside me my love!! Aaaah!! **smack* *moan**

You and Rarity: aaaaaaaaaaahhh!!

SUURP* *CUM* *CLIMAX

This was really very intense, as intense as Goku using Ultra Instinct!

panting* panting

You: O_____o ..

Rarity: that... was... amazing... ^^ **panting**

Rarity and I take a moment to rest and arrange our clothes...

Rarity: my love, we continue with the picnic? ^^

You: ooh... su-sure O_____o

Rarity: Remember to call back Pinkie hehehe XD

OHH SHOOT SHE IS RIGHT!!

You: You shouldn't have answered that call! Now what I tell her! DX

Rarity: Tell her the truth... we were exercising hehe ^^

You: WHAT?! But.. we...

Rarity: sweetie, sex is considered exercise, didn't you know? :O

You: O_____o'' ... I'll think of something later x(

Rarity: hehe ^^

And in this way Rarity and I continue to enjoy the picnic... I really don't know what to think now. Rarity and I are closer, that's for sure... hmm... I have a lot to think about in the next few weeks x_x.

Rarity once finished eating, wraps her arms around my neck and kisses me again.

Rarity: I love you <3

You: **gulp** O___o ... ahm... I...

Rarity: Don't worry, I know you have a lot to think about ^^

You: how do you know that?

Rarity: I read it 4 paragraphs up. The point is that I understand how you feel, I'll give you time to clear your mind and then give me an answer :) .. are you okay with that?

You: yeah... yeah sure.

CharlieXe (narrator): And so both of them continue to enjoy the picnic. Our friend has to think very carefully about what he will do, since more adventures like this will come in the future! MUAHAHA! Believe me, I enjoy being the villain in this story :D.

END! :D
