URBAN DRESSING: ELVEN TOWN

PATHFINDER
ROLEPLAYING GAME COMPATIBLE

THE SUNKEN PYRAMID

A Pathfinder Roleplaying Game Compatible Adventure for 7th-level characters by Creighton Broadhurst and Marc Radle

Only a few miles from a small seaside village, the mysterious underwater edifice known as the Sunken Pyramid lies hidden beneath the waves. The handful of sages and scholars with any knowledge of this massive stone structure debate whether it is a completely natural rock formation, a natural site that has been intentionally modified or something built long ago by human, or inhuman, hands.

Locals and ship's crews alike report signs of increased sahuagin activity in the waters around the Sunken Pyramid. Is the recent rash of disappearances and abductions which have plagued the area connected in any way? Can these abductions be stopped before even more people are taken? Can those already abducted be found and rescued? And what of the strange and often conflicting rumours which whisper of something far more terrible lurking far beneath the Sunken Pyramid?

"All in all, we get one awesome, first class underwater module...you'll never find an underwater module as easy to run as this one while still remaining engaging, concise and just smart - even beginner's DMs should have a nice time running this..."

–Endzeitgeist (five stars and seal of approval)

"I recommend this product as highly as I can...written by clearly experienced Gms who have gone to great lengths to make your play experience as enjoyable as possible. This has my highest recommendation."

–Strangeport (five stars)

"...this adventure has everything you need to run it successfully. Very well done."

2	A group of elven hunters slip into the woods, making no noise as they navigate the underbrush.
3	Elven children perched in the tree branches, silently watch the party pass by below.
4	Clad in leafy garments, elven children prance around the town's central clearing.
5	An artist weaves numerous trimmed branches together to form a basket.
6	Beneath the moonlight, elves form a dancing circle to worship one of their gods.
7	Ethereal singing floats on the breeze, though the musicians are nowhere in sight.
8	An elven druid strolls through town, a friendly bear lumbering beside her.
9	A PC gets the distinct feeling a grove of trees is moving whenever he is not looking.
10	A peaceful river gurgles and ripples as it winds along just outside of the town border.
11	A band of elves light torches, preparing to burn a rotting tree from the forest border.
12	Several elven elders impassively watch the party as they go about their business.
13	As night falls, softly glowing lights wink into being in the darkness beyond the town limits.
14	A stately elf wearing a crown of thorny twigs gives the party a condescending look.
15	Peering up into the leafy canopy, the PCs spot platforms and homes built among the branches.
16	A dozen archers stand loosing arrows at targets across a field.
17	Two elves faces off, testing each other's guard with slim duelling rapiers.
18	A half-elf, obviously an outsider, looks uncomfortable as she walks through town.
19	A red-bearded dwarf trails after an elf, clumsily attempting to flirt with her.
20	An elven youth chuckles as he juggles at least ten stones without fumbling a single one.
21	Enchanting birdsong trills overhead, and birds flutter through the trees.
22	The pattering rainfall hasn't let up for a minute over the past few days.
23	Elves in grey shrouds form a sombre funerary procession along the town's main street.
24	Numerous traps and snares are set in the woods around the town—rather obviously so.

25	A band of hunters return from several days in the forest with much fresh venison.
26	A town resident uses a stick to idly write elvish sayings in the dirt.
27	A slim blacksmith hefts a work hammer that stands almost as tall as him.
28	A supremely sweet smell drifts over from the town's winepress.
29	A drunk elf staggers down the road, swaying like a willow in a breeze.
30	A shabby elf squats in an alley, wearing nothing more than ragged sackcloth.
31	A blind elf uses a wooden staff to tap his way through the crowd.
32	A song of adulation emanating from a nearby home shifts into a mourning tone.
33	As if by a secret signal, every elf in town suddenly falls into unified silence.
34	The subtle grinding of blades being sharpened reaches the party's ears
35	A dwarf wanders by, openly sneering at elven craftsmanship on display.
36	A muscular elf stomps past, muttering death threats under his breath to no one in particular.
37	This ornate statue appears to be constructed entirely out of animal bones.
38	A large network of knotted vines has been strung over most of the town.
39	Rows of well-tended gardens sit outside almost every home in town.
40	A line of fat fish has been hung up on hooks to dry in the sun.
41	Dozens of oiled furs hang in a shop window.
42	Swatches of leather are stretched on wooden racks, slowly curing.
43	An elf that has fine white hairs covering every inch of exposed skin seemingly glides down the street.
44	Many of the villagers are wearing bear claw necklaces and black fur hides.
45	An elf warrior—missing an ear, with a rather savage scar where it used to be—strides passed the party.
46	A bunch of human lumberjacks loiter at the local inn, oblivious to the scowls aimed their way.
47	What look like earthen mounds are revealed to be underground houses, on second glance.
48	A wooden spout has been jammed into this tree, and drips golden sap.
49	A trio of brooks twine together in this spot to form an odd shape that can't be natural.
50	These boulders have been marked with white and red chalk streaks.
51	Dozens of game paths wind out of sight into the brush, trampled with animal tracks.

52	Out of the whole forest, this one tree stands wholly bare...not a leaf on a twig.
53	A charred shunt of wood is all that's left of this tree, after lightning struck.
54	Several large mushroom rings have grown from the soft earth here.
55	A stink of mildew floats about, heightened after the recent rain.
56	This toppled tree has a flight of stone stairs under where the roots once burrowed deeply.
57	A PC thought it was the wind, but now he's sure those are voices whispering just beyond comprehension. No one else hears the voices.
58	A curious rustling comes from the bushes off to one side.
59	The party discover themselves in a thick grove somehow hidden in the middle of town.
60	The trees on this side of town all appear to be fruit-bearing.
61	Numerous wooden and stone animal dens have been constructed around town.

68	Dozens of paper lanterns have been hung up in the trees.
69	A spring bubbles up on the outskirts of town, providing fresh water for everyone.
70	Elves are clipping away at the thick, thorny bushes growing around the town.
71	A terrible stench emanates from the town alchemist's shop.

73	Green garlands are strung up between all the town buildings and walls.
74	Bright crimson ribbons are tied around every tree trunk in sight.
75	A human stands stripped to the waist and locked in stocks in the centre of town.
76	An elf walks by wearing a pair of wooden shackles around her slim wrists.
77	Hundreds of birds flock overhead, settling into the branches all about.
78	An enormous harvest moon hangs above the trees like a god's golden eye.

79	The evening starlight is unnaturally dazzling, bathing the town in a white glow.
80	The air is abuzz with swarms of winged insects that keep flitting about the party's heads.
81	A pack of wild cats prowl through the town, though nobody appears alarmed.
82	An arrow zips past a PC's ear and embeds itself in a tree trunk just a few paces away.
83	A group of elves stand in a sunny clearing, arms raised as they bask in the warm light.
84	Many townsfolk have gathered for a communal meal in the town centre. They invite the PCs to join the feast.
85	The sharp scent of spiced meat being roasted teases the party's noses.
86	A newly betrothed elven couple have eyes only for one another as they stroll through town.
87	Everyone is going about with dozens of wildflowers in their hair.
88	An elf's vibrant cape is made up of hundreds of leaves sewn together.

90	Elves laugh and play as they bathe in the nearby snow-fed lake.
91	A lone stone cairn has been constructed just outside of the town.
92	All the building roofs look to be covered in layers of mud and moss.
93	A bucket splashes down into the depths of the town's main well.
94	A mirror-calm pond sits in the exact middle of town, with homes built around its edge.
95	The wood used to build these houses appears to still be growing.
96	The streets of this town are demarked on either side by rows of colourful wildflowers.
97	No matter where the party goes, countless squirrels follow, chattering incessantly.
98	A shop window is crowded with intricate woodcarvings.
99	Hooves pound in the distance, as if something has caused a herd of deer to stampede.
100	The inhuman face carved into this massive tree animates and begins talking to the party.

ELVEN TOWN: HOOKS, COMPLICATIONS & OPPORTUNITIES

Although the PCs may simply want to visit the elven town, sometimes fate intervenes. Use this table to determine what opportunities or complications they encounter.

D12

1	Before the PCs realize what's happening, they're handed torches and swept up in an elven funeral.	7	The townsfolk keep to their homes in terror of a hideous beast stalking the nearby woods which has already claimed a dozen lives.
2	An elf staggers up to the party and blurts out, "I've been poisoned!" before dropping to his knees and vomiting all over a PC's boots.	8	Elven warriors have captured several human lumberjacks and are about to hang them, blaming them for the death of an ancient dryad.
3	A half-elf is being shunned by the full-blooded elves in town and so comes to the party for aid in seeking his long-lost parent.	9	Strange lights flicker in the deeper woods beyond the town. A few children have gone missing and are believed to have been lured off by wicked spirits.
4	The smell of smoke fills the air moments before someone screams "Fire!" and flames begin leaping across the treetops.	10	An elven winemaker offers to pay the party well if they'll track down the thief who stole his most valuable flagon of wine—which he believes to be well over a thousand years old.
5	A strange mist settles over the town, muffling most noises and making it difficult to see more than a few feet in any direction.	11	The town's sombre mood mystifies the PCs until one of the elders confides that not a single elven child has been born there in over a century.
6	Every animal encountered both outside and inside the town appears sickly, and the elves do not know what is causing the illness.	12	As they wander through the town, an elven warrior blocks the party's path and defies them to take a step further without being cut down by his blade.
