How rare...

A manga-style illustration showing a young man with short, spiky blonde hair and blue eyes. He is wearing a dark green three-piece suit with a white shirt and a dark red tie. He has a serious expression. To his right, a woman is partially visible, wearing a large, dark grey fedora hat that covers her eyes. She has long brown hair and is wearing a dark suit jacket over a light-colored top. The background is a dark, ornate interior with gold-colored decorative elements and a window with pinkish light. A speech bubble points from the woman towards the man.

...to see you drinking
at this place, Handler.

The line of war between the Westalis and Ostania is thinner than ever.

We, WISE, do everything
we can to prevent it,
Against those who wanted
to destroy that line.

We are. Handler, was there another threat?

Hmph... Still as sharp as ever, Twilight. Then, leave aside the Operation Strix aside...

According to an intel,
a file was transferred
to the hand of SSS...

"National Security
Service. Yor's sister,
Yuri Briar, is working."

They were contained
it in a high security protocol.

Then it's a bit of
problem to infiltrate...

Handler, do you have
the location where
they kept it?

Berlint City Hall.

Wait... What?
Why that place?

The most dangerous
hiding is also the safest
place to hide.

A close-up illustration of a woman with long, wavy brown hair, wearing a dark purple wide-brimmed hat, round glasses, and a white collared shirt with a large black bow. She has a slight smile and is looking towards the left. The background is a dimly lit room with dark wood paneling and gold accents. A speech bubble is positioned to her left, containing text.

Say, I heard that you once disguise as a woman, Loid?

Watch Season 1
Episode 16 of
SpyXFamily XD

It was Franky's request
for helping with his date.

Then, I take it will be the key of this mission.

How could it be?

The City Hall is now having a tight security over man, not like woman.

You did this on purpose, right?

So WISE will arrange you a suitable person to blend in...

A close-up illustration of a woman with long, straight brown hair, wearing a dark grey suit jacket over a light blue collared shirt and a black necktie. She is wearing round, thin-rimmed glasses and has her eyes closed. Her lips are painted a vibrant red. She is wearing gold-colored earrings with a dark, rectangular pendant. The background is a dimly lit casino floor with red carpeting and ornate gold-colored railings. A large, dark grey umbrella is positioned above her, casting a shadow over her head. Two speech bubbles are present: one on the left and one on the right.

Handler, you actually wanted to see me disguise as a woman.

Who know? Could be order from up high.

You also knew that if Yor found out, it will affect the Operation Strix.

Well, as long as it help finish the job, we will take the risk.

Then do everything
not to make it happen, Twilight.

Sigh I won't,
Handler.

Also, intel said that someone wanted that file, too. Maybe they're already in position.

In a disguise, I would say. So be careful, we don't want the file to fall into their hand.

Copy that. I will be cautious.

Good luck, Twilight.

"Hm... I know you will never fail."

I'm home. Sorry, the meeting took longer than usual.

It's alright. You should go take a shower, Loid.

I will make dinner
for you right away.

Ah... No, I can
do it myself. You
should rest, Yor.

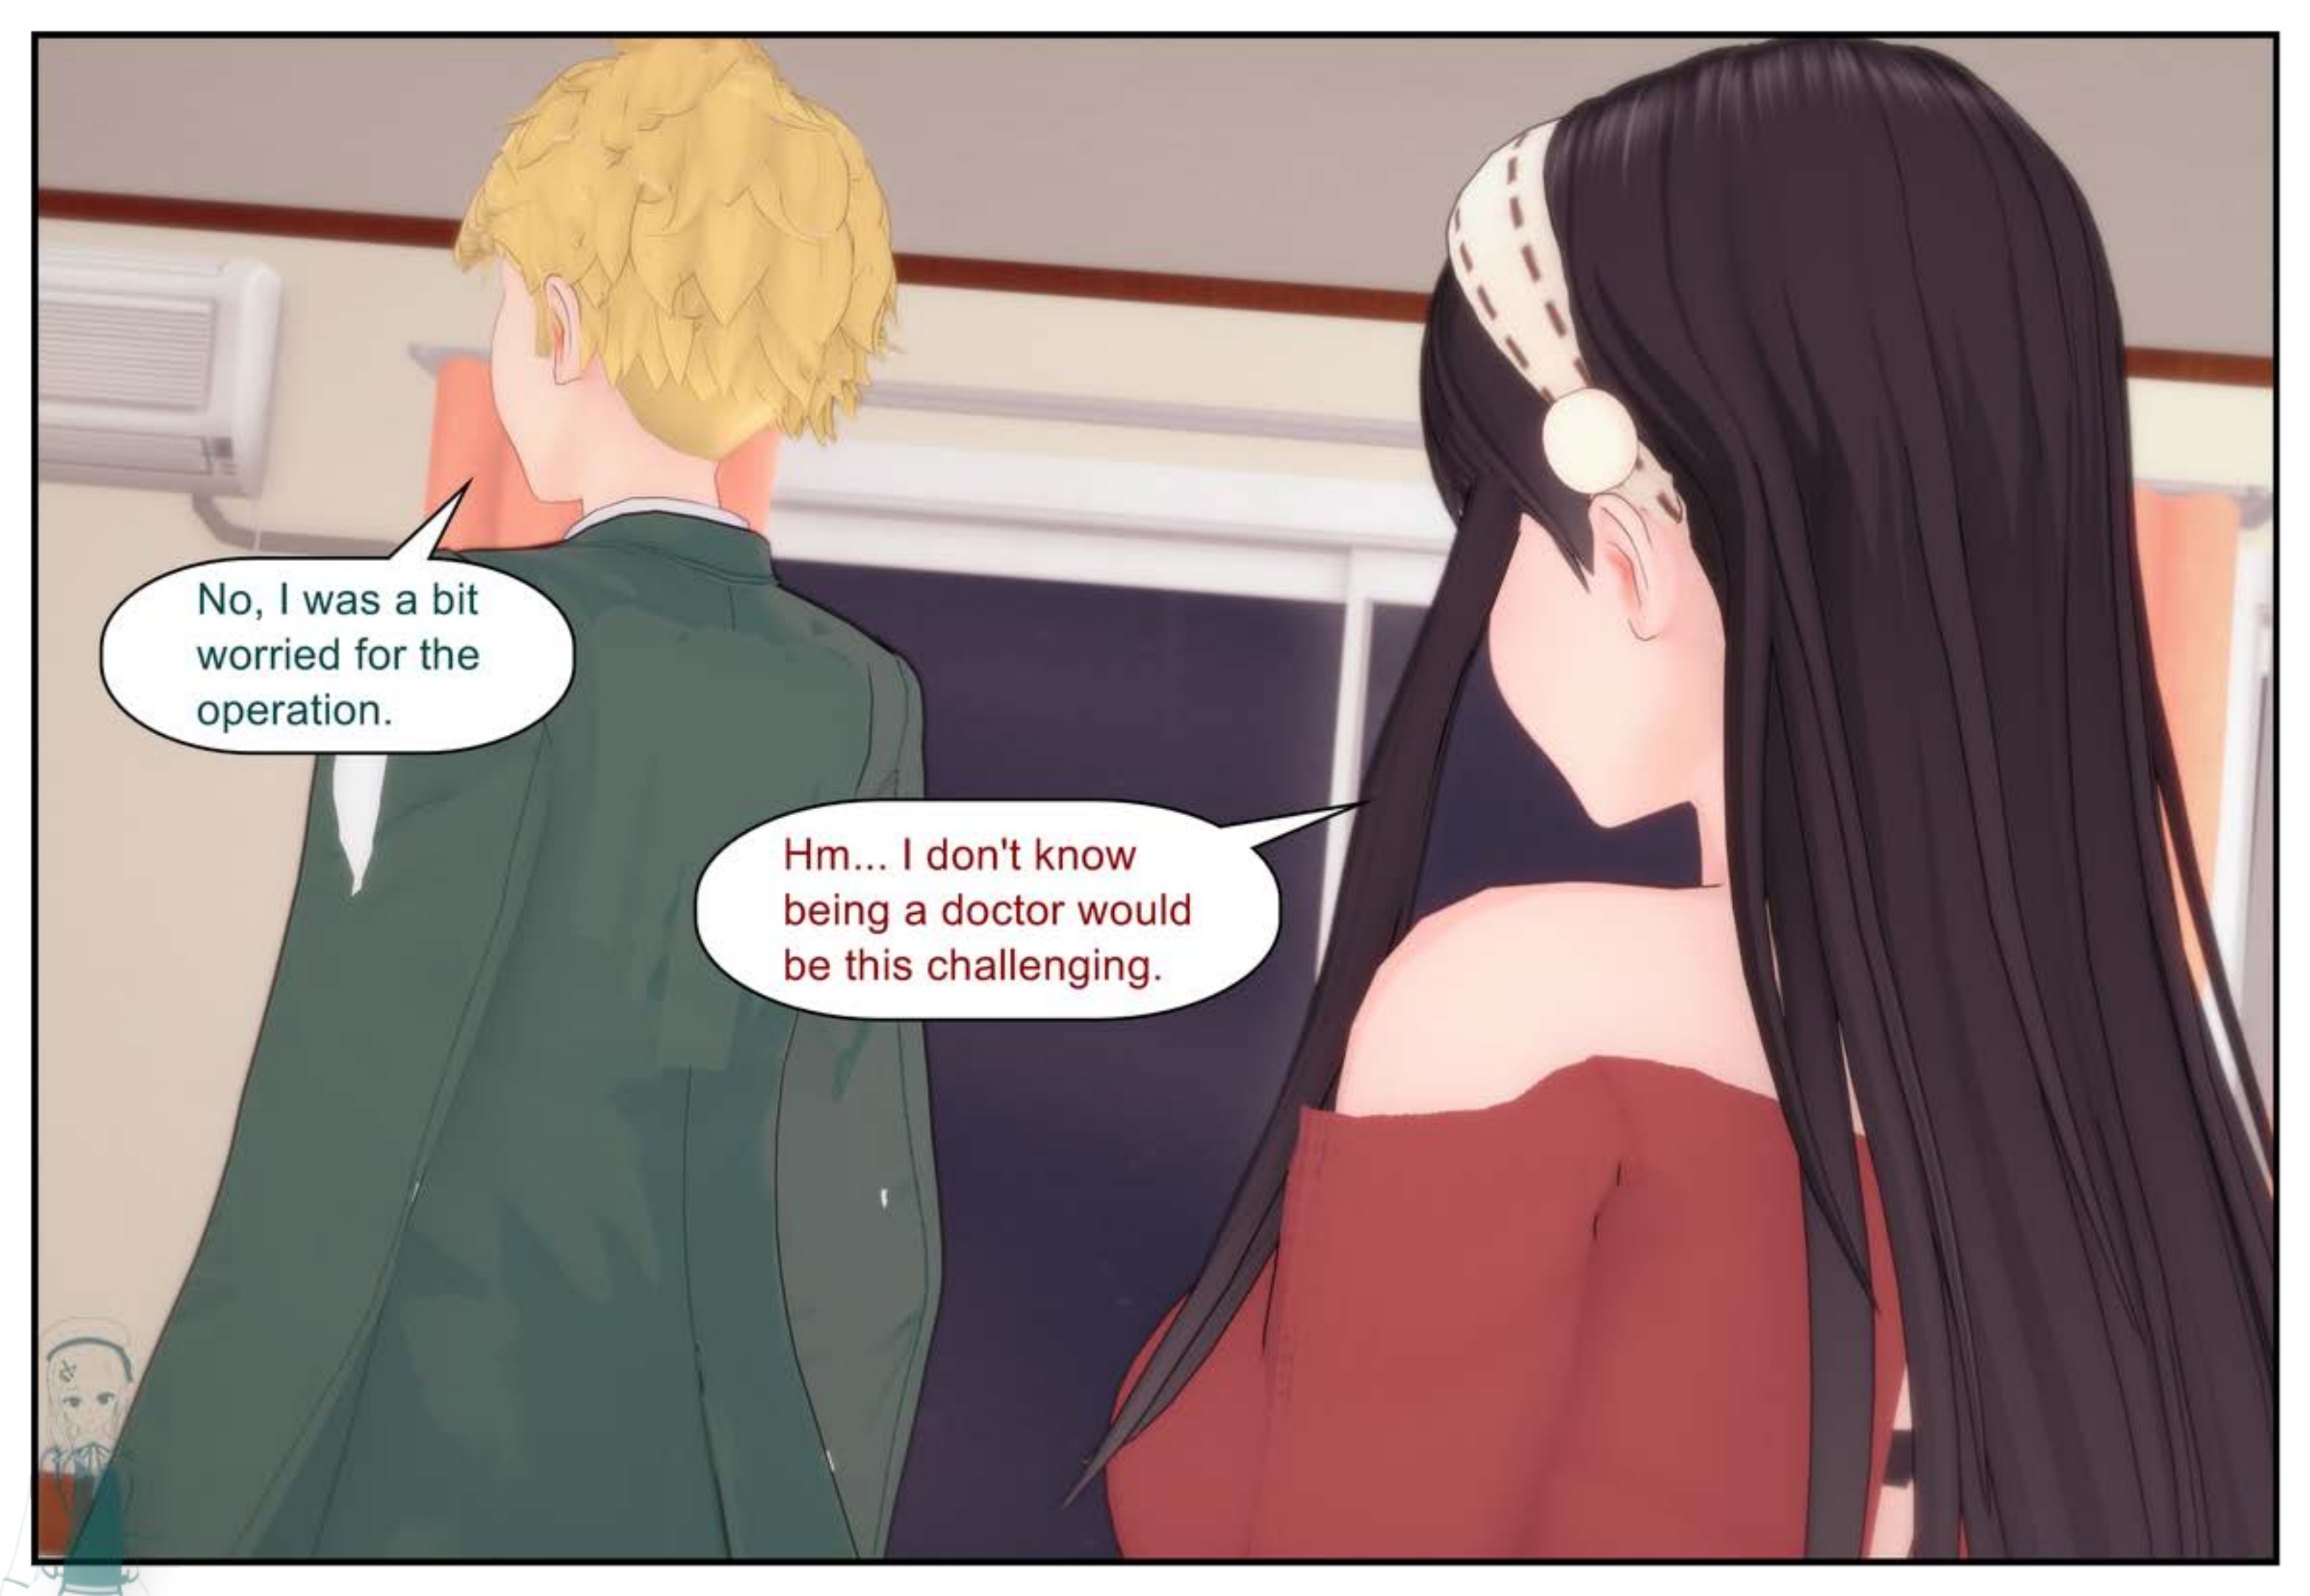

Has Anya already gone to bed?

Yes, she will go camping with class tomorrow so.

Mind you tomrrow
to take Anya to school, Yor?
I have to prepare to perform
a surgery tomorrow.

I will. You seem
very tired, Loid?

A man with short, wavy blonde hair is seen from the back, wearing a dark green suit jacket. He is facing a woman with long, straight black hair. She is wearing a white headband with a black pattern and a large white circular earring. She is wearing a dark blue or black top and a red skirt. The background shows an indoor setting with a white air conditioner on the wall and a window with orange curtains.

No, I was a bit worried for the operation.

Hm... I don't know being a doctor would be this challenging.

By the way, thank you, Yor.

Um... It's nothing?

Then, I will take
Anya to the
school bus now.

Okay, mind you
a bit, Yor.

A manga-style illustration showing a girl with long, straight pink hair and a black headband with a yellow crescent moon. She is wearing a black long-sleeved top with yellow cuffs and is waving her right hand. She is looking towards a man with short blonde hair who is also waving his right hand. The man is wearing a light blue t-shirt and dark pants. They are in a kitchen area with a white countertop, a red microwave, and a red container. A speech bubble above the girl says "Papa, bye-bye!".

Papa, bye-bye!

"Base on the information that WISE sent me last night, there's a spot where I could blend in."

"Though, this person can't stay for long to avoid suspicion."

"An infiltration mission!? So excited!!!"

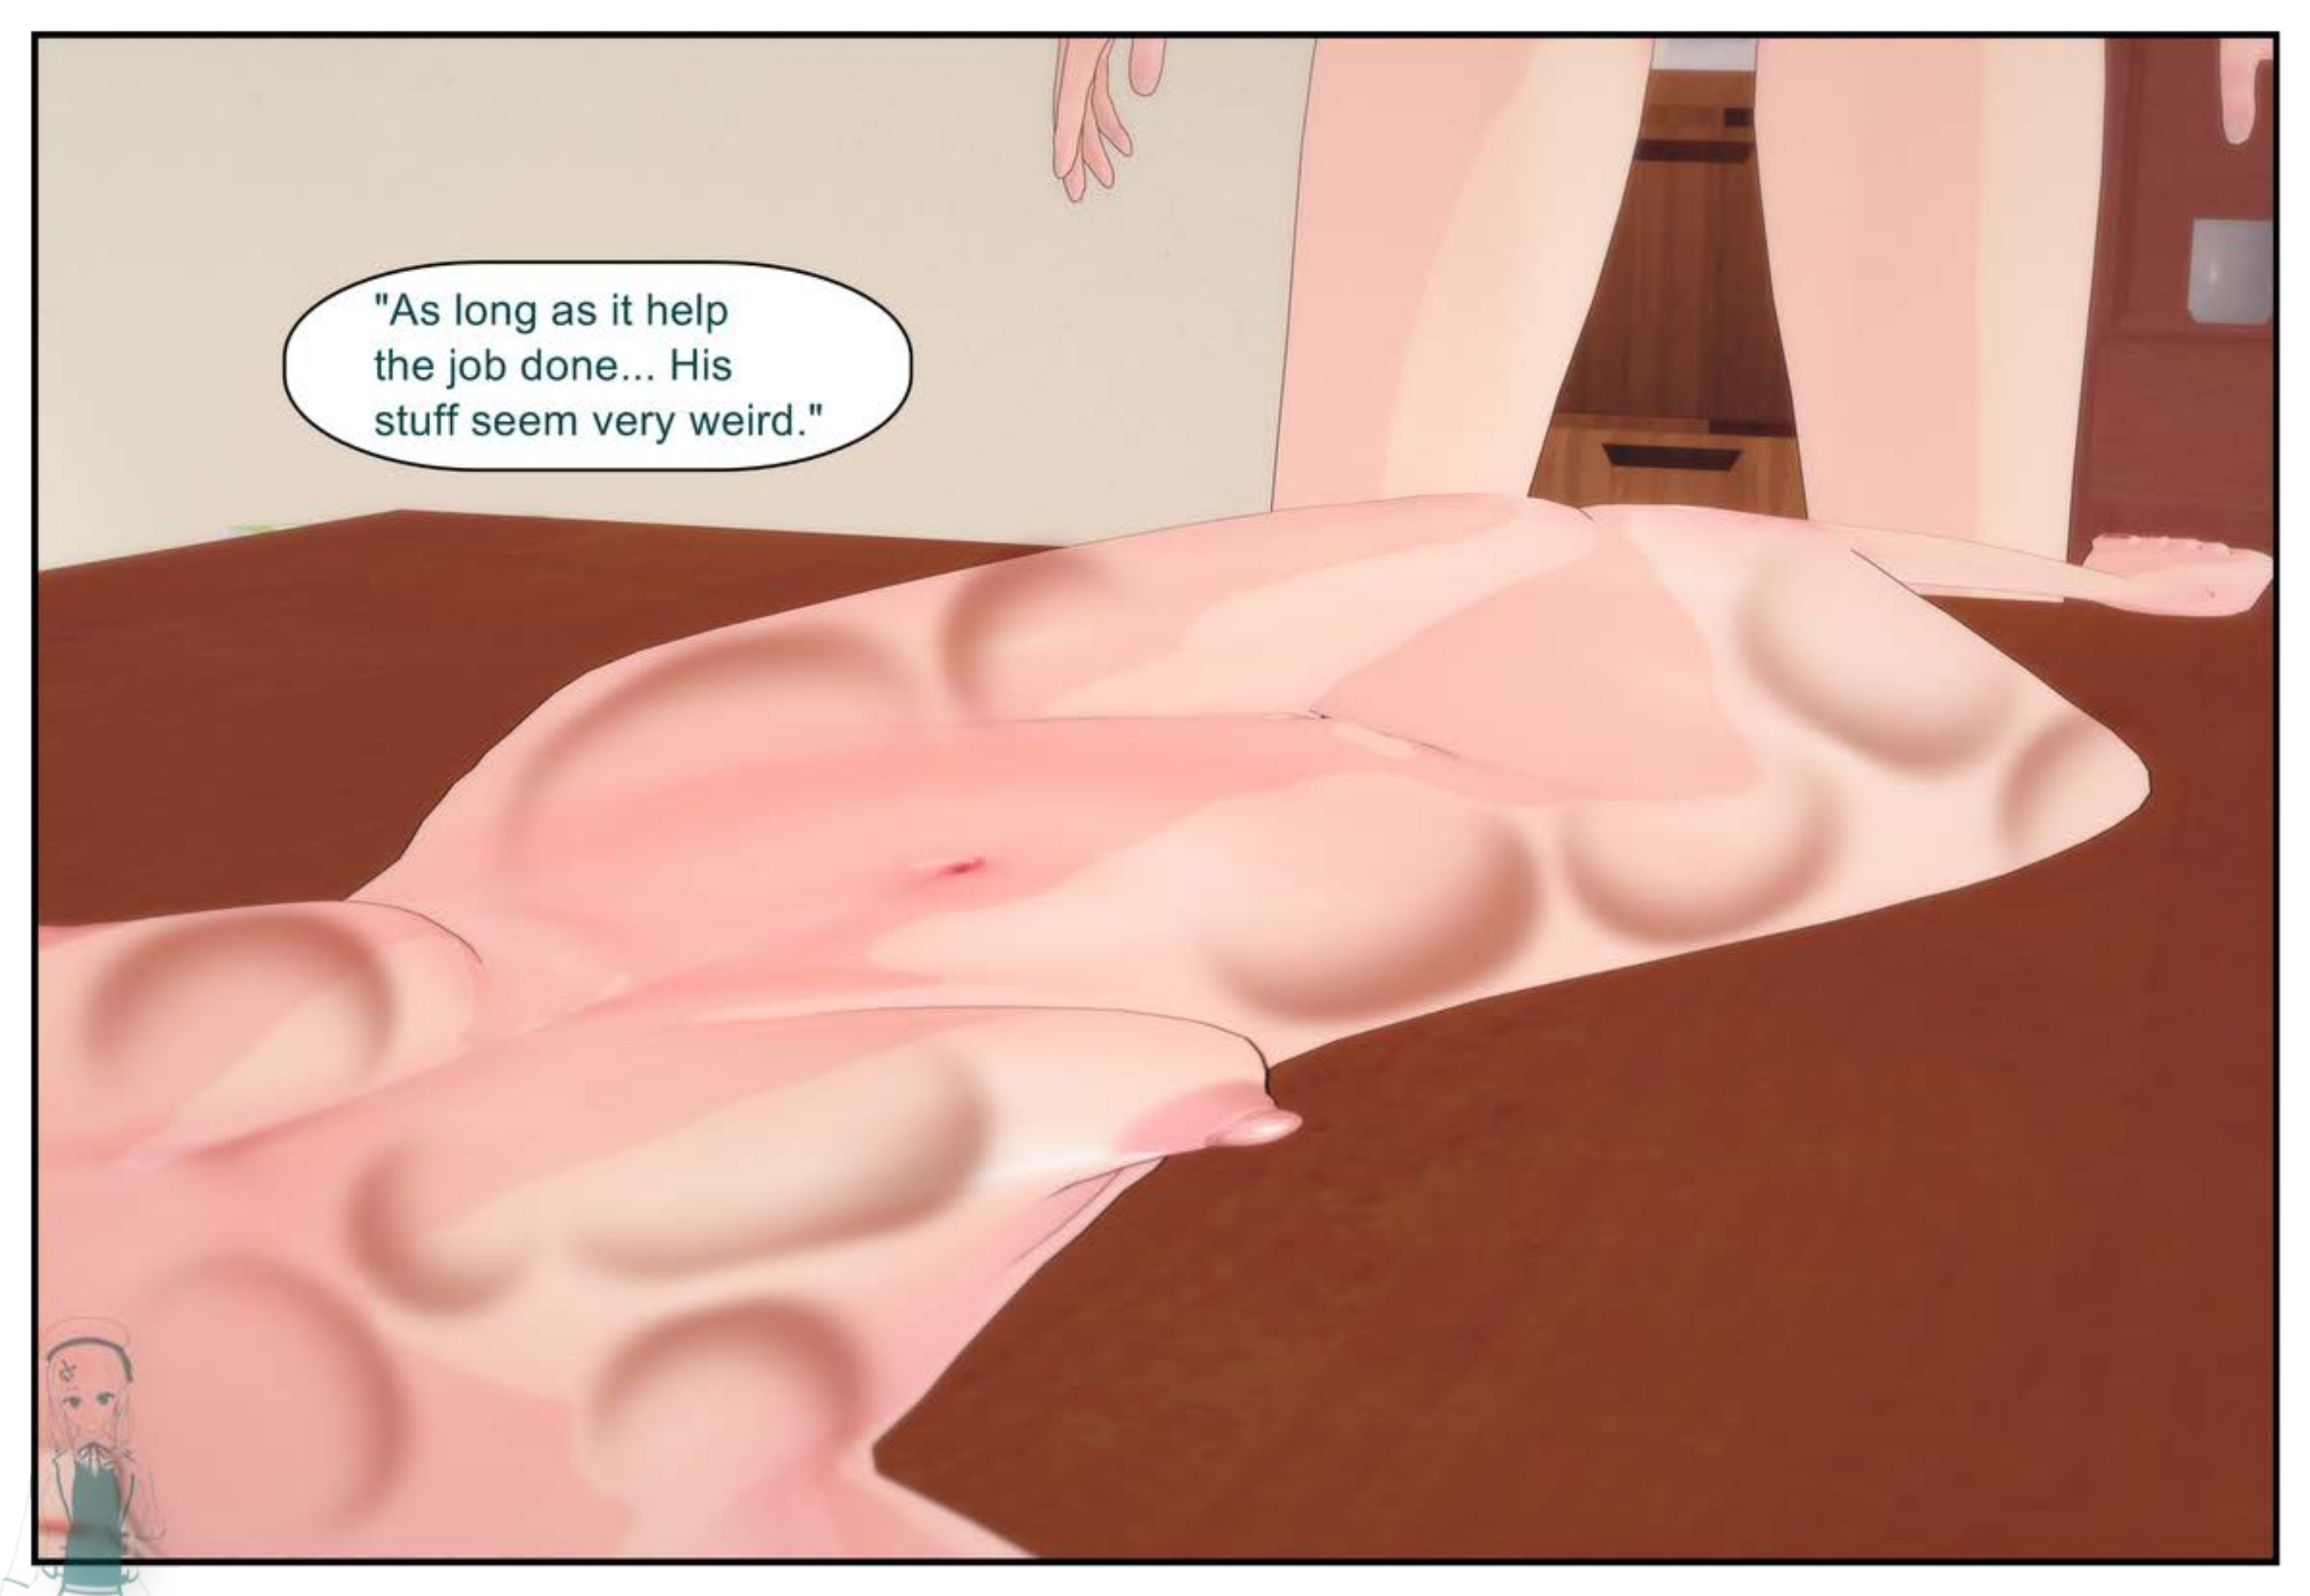

"Good, both Yor and Anya left home. I have to be ready fast."

Franky gave me this
'advance disguise'
that he invented...

A person is lying on a bed, covered by a light-colored sheet. Only their head and one arm are visible. A speech bubble is positioned above their head. In the background, a hand is visible near the top of the frame, and a doorway is partially visible. The scene is set in a room with a brown headboard and a light-colored wall.

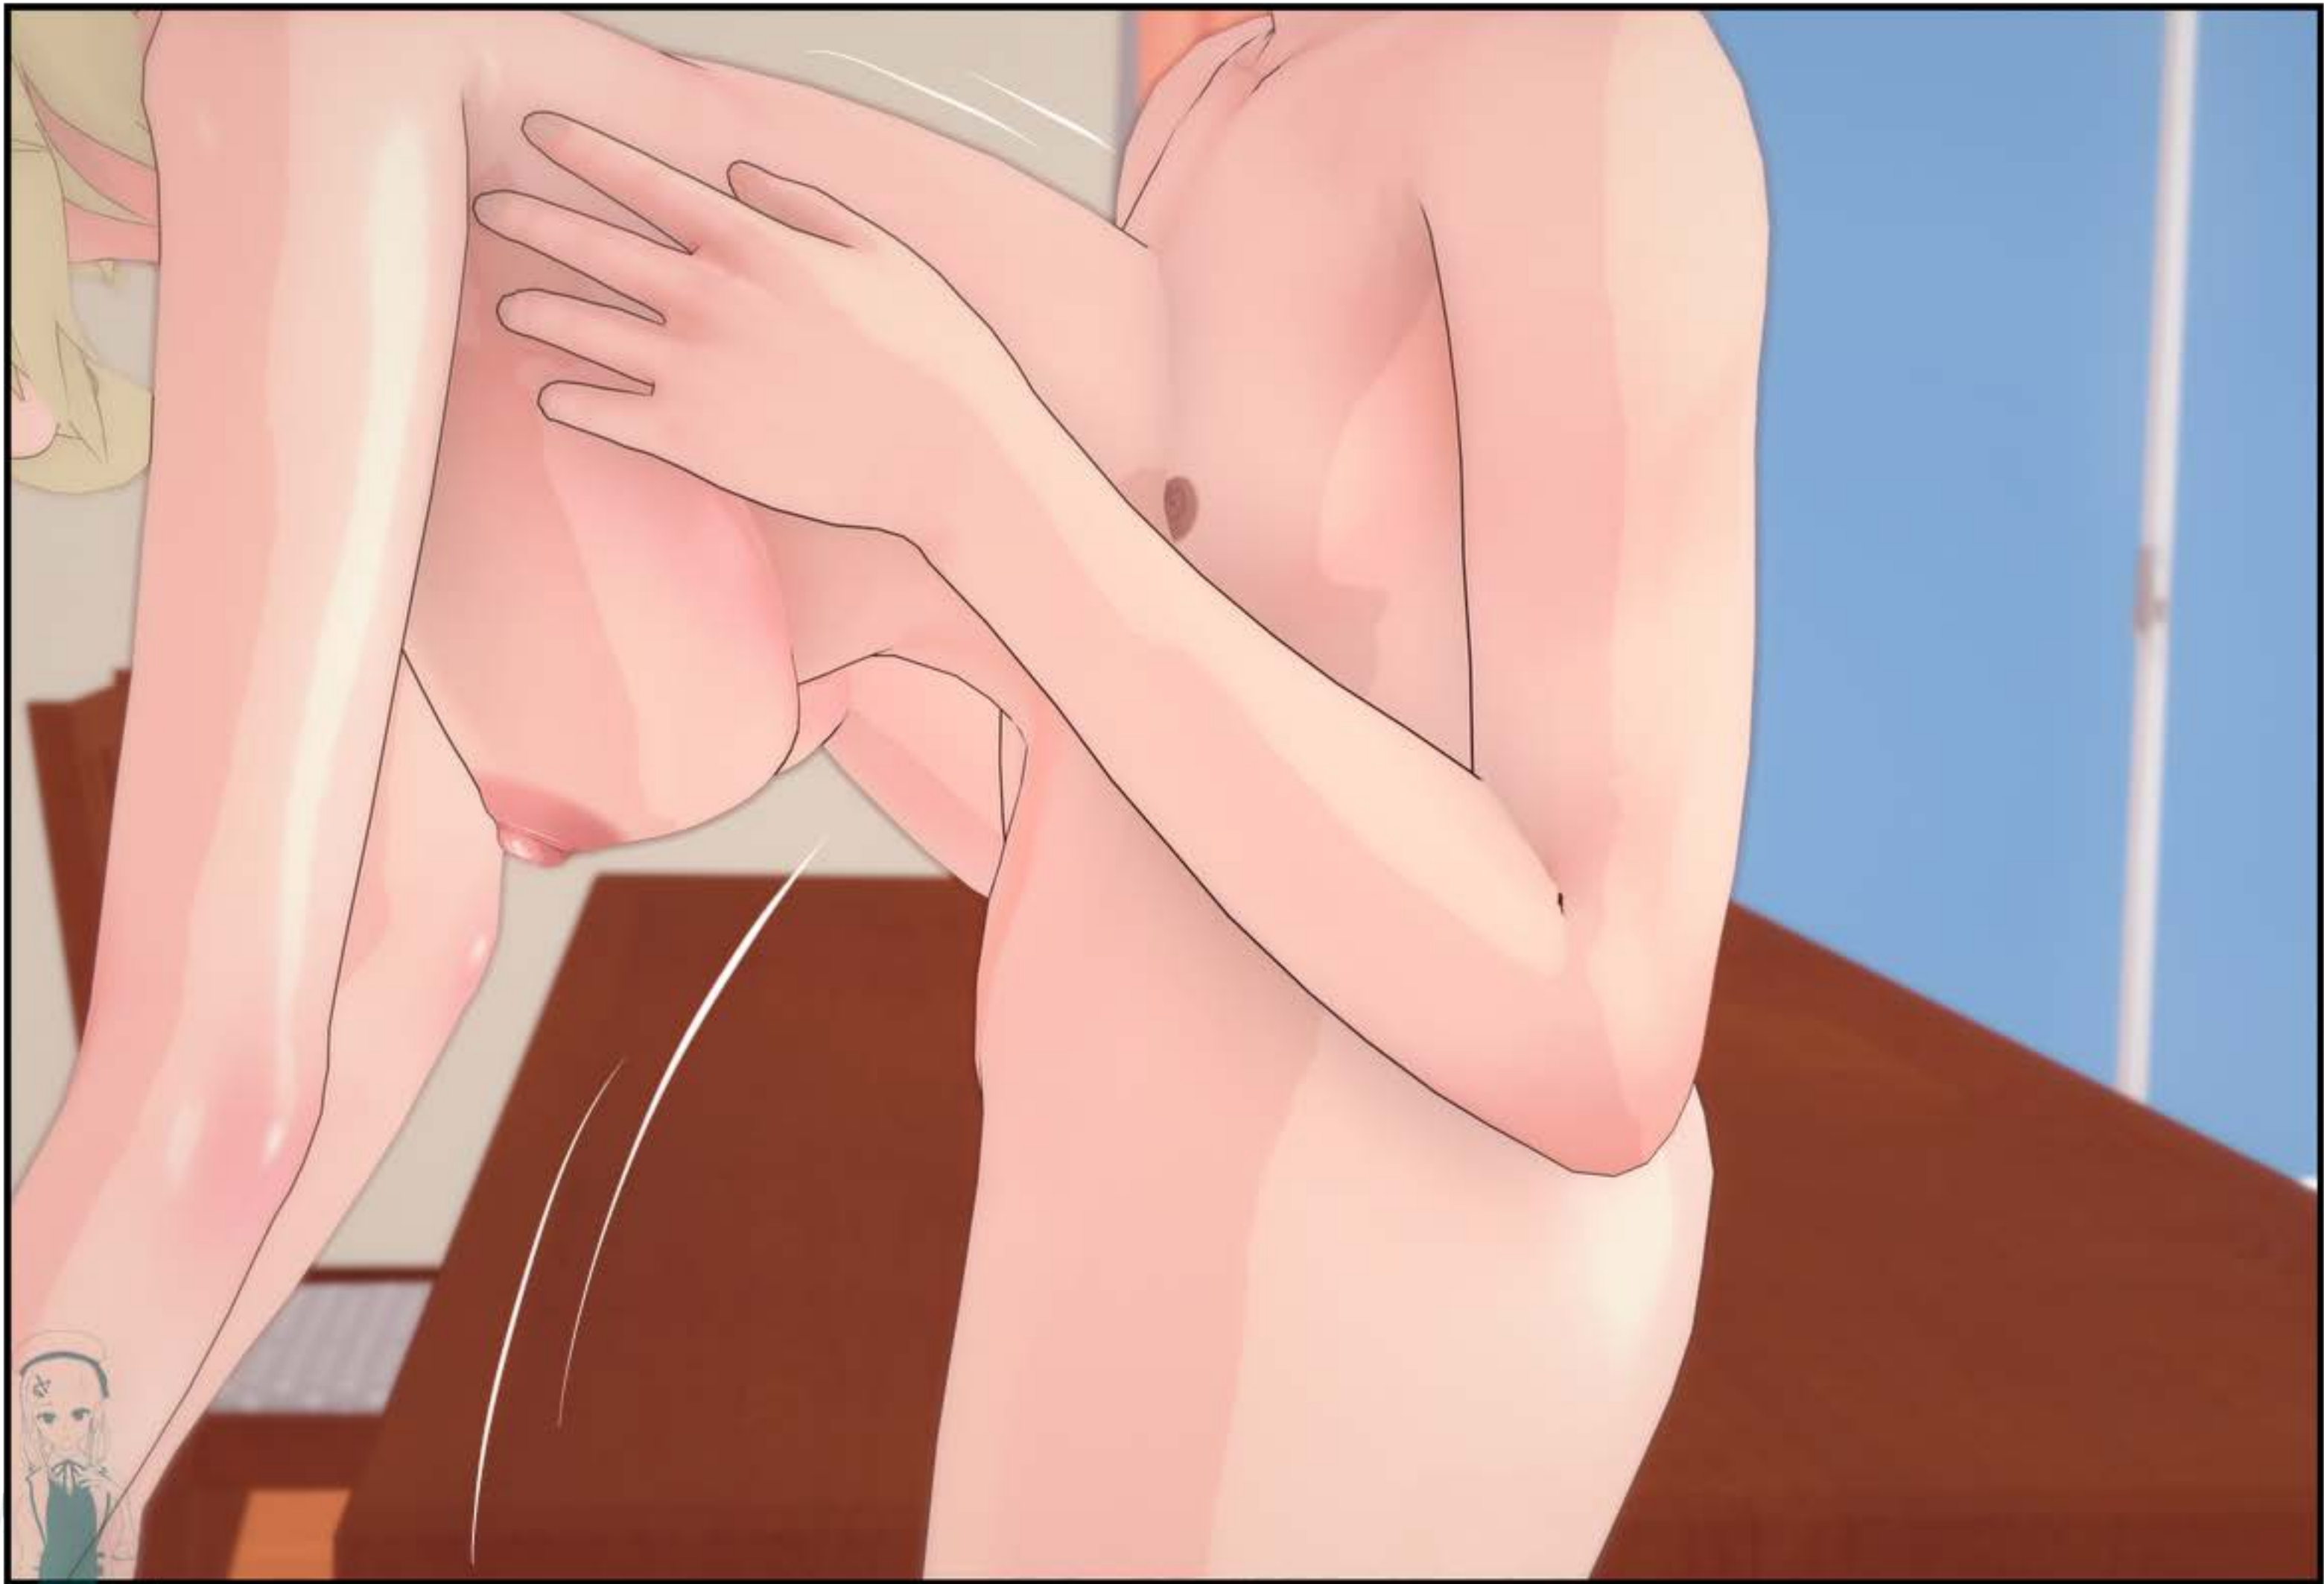

"As long as it help
the job done... His
stuff seem very weird."

It's a bit tight...
Maybe it was
woman disguise so.

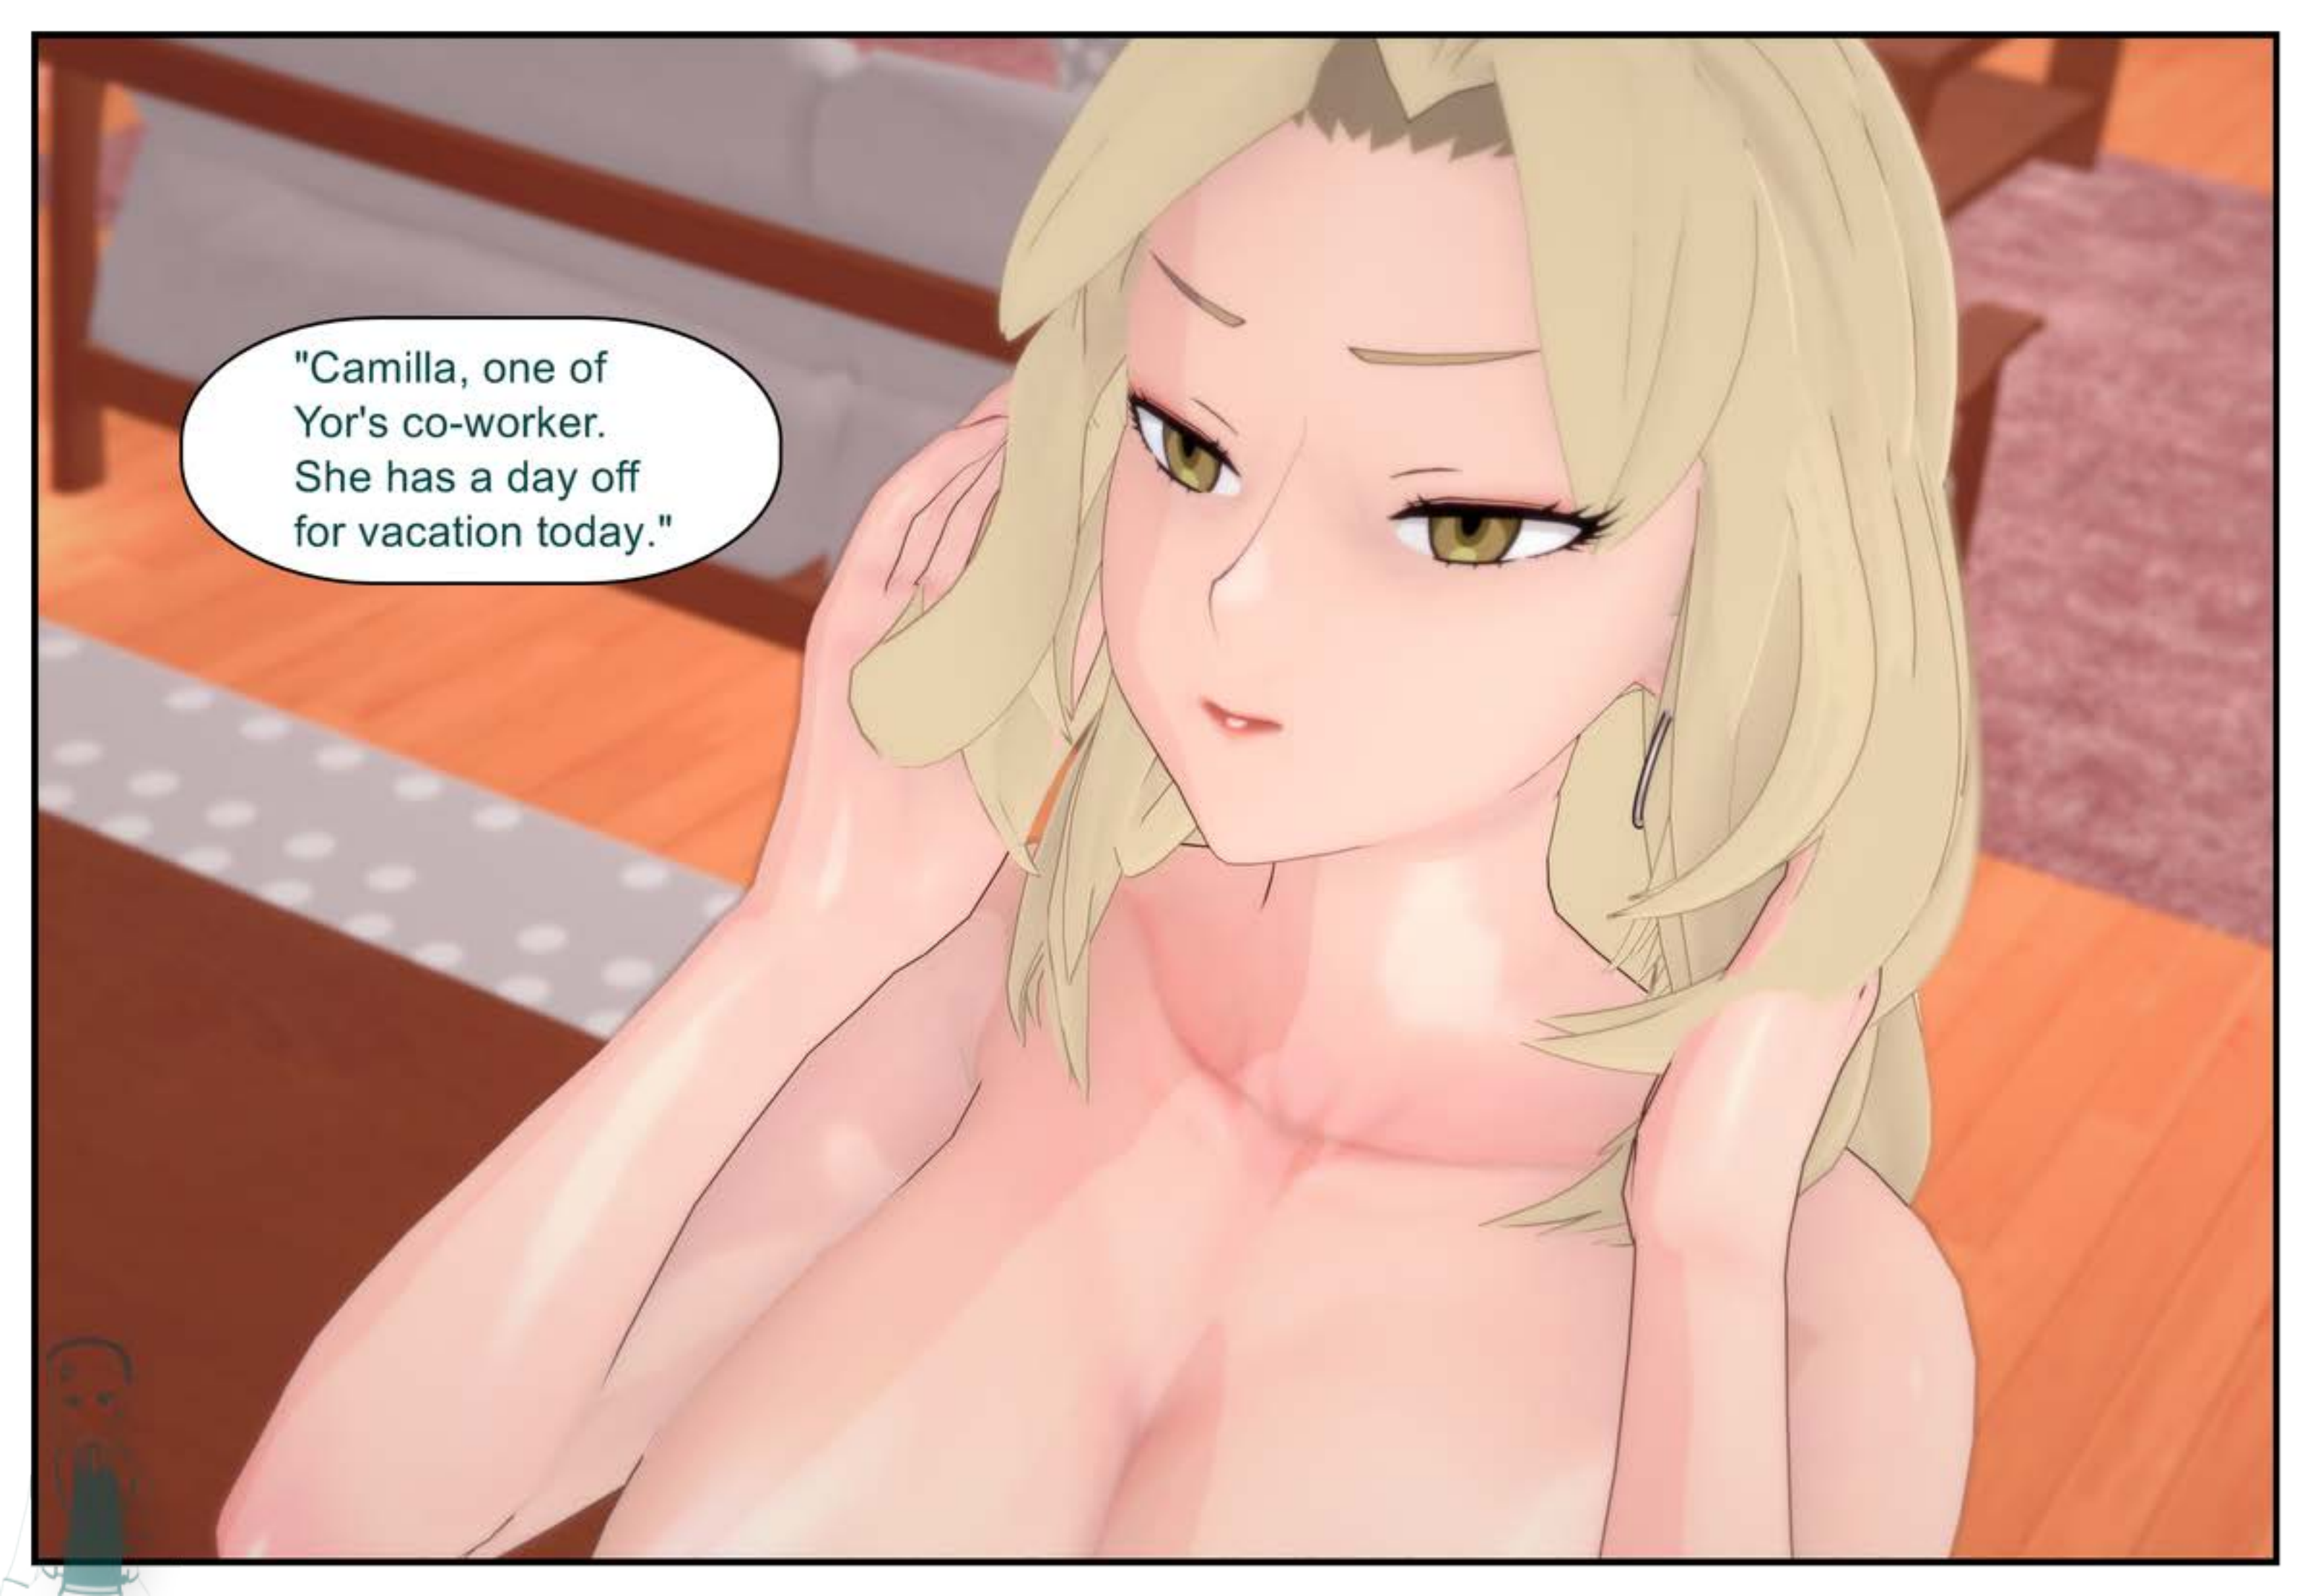

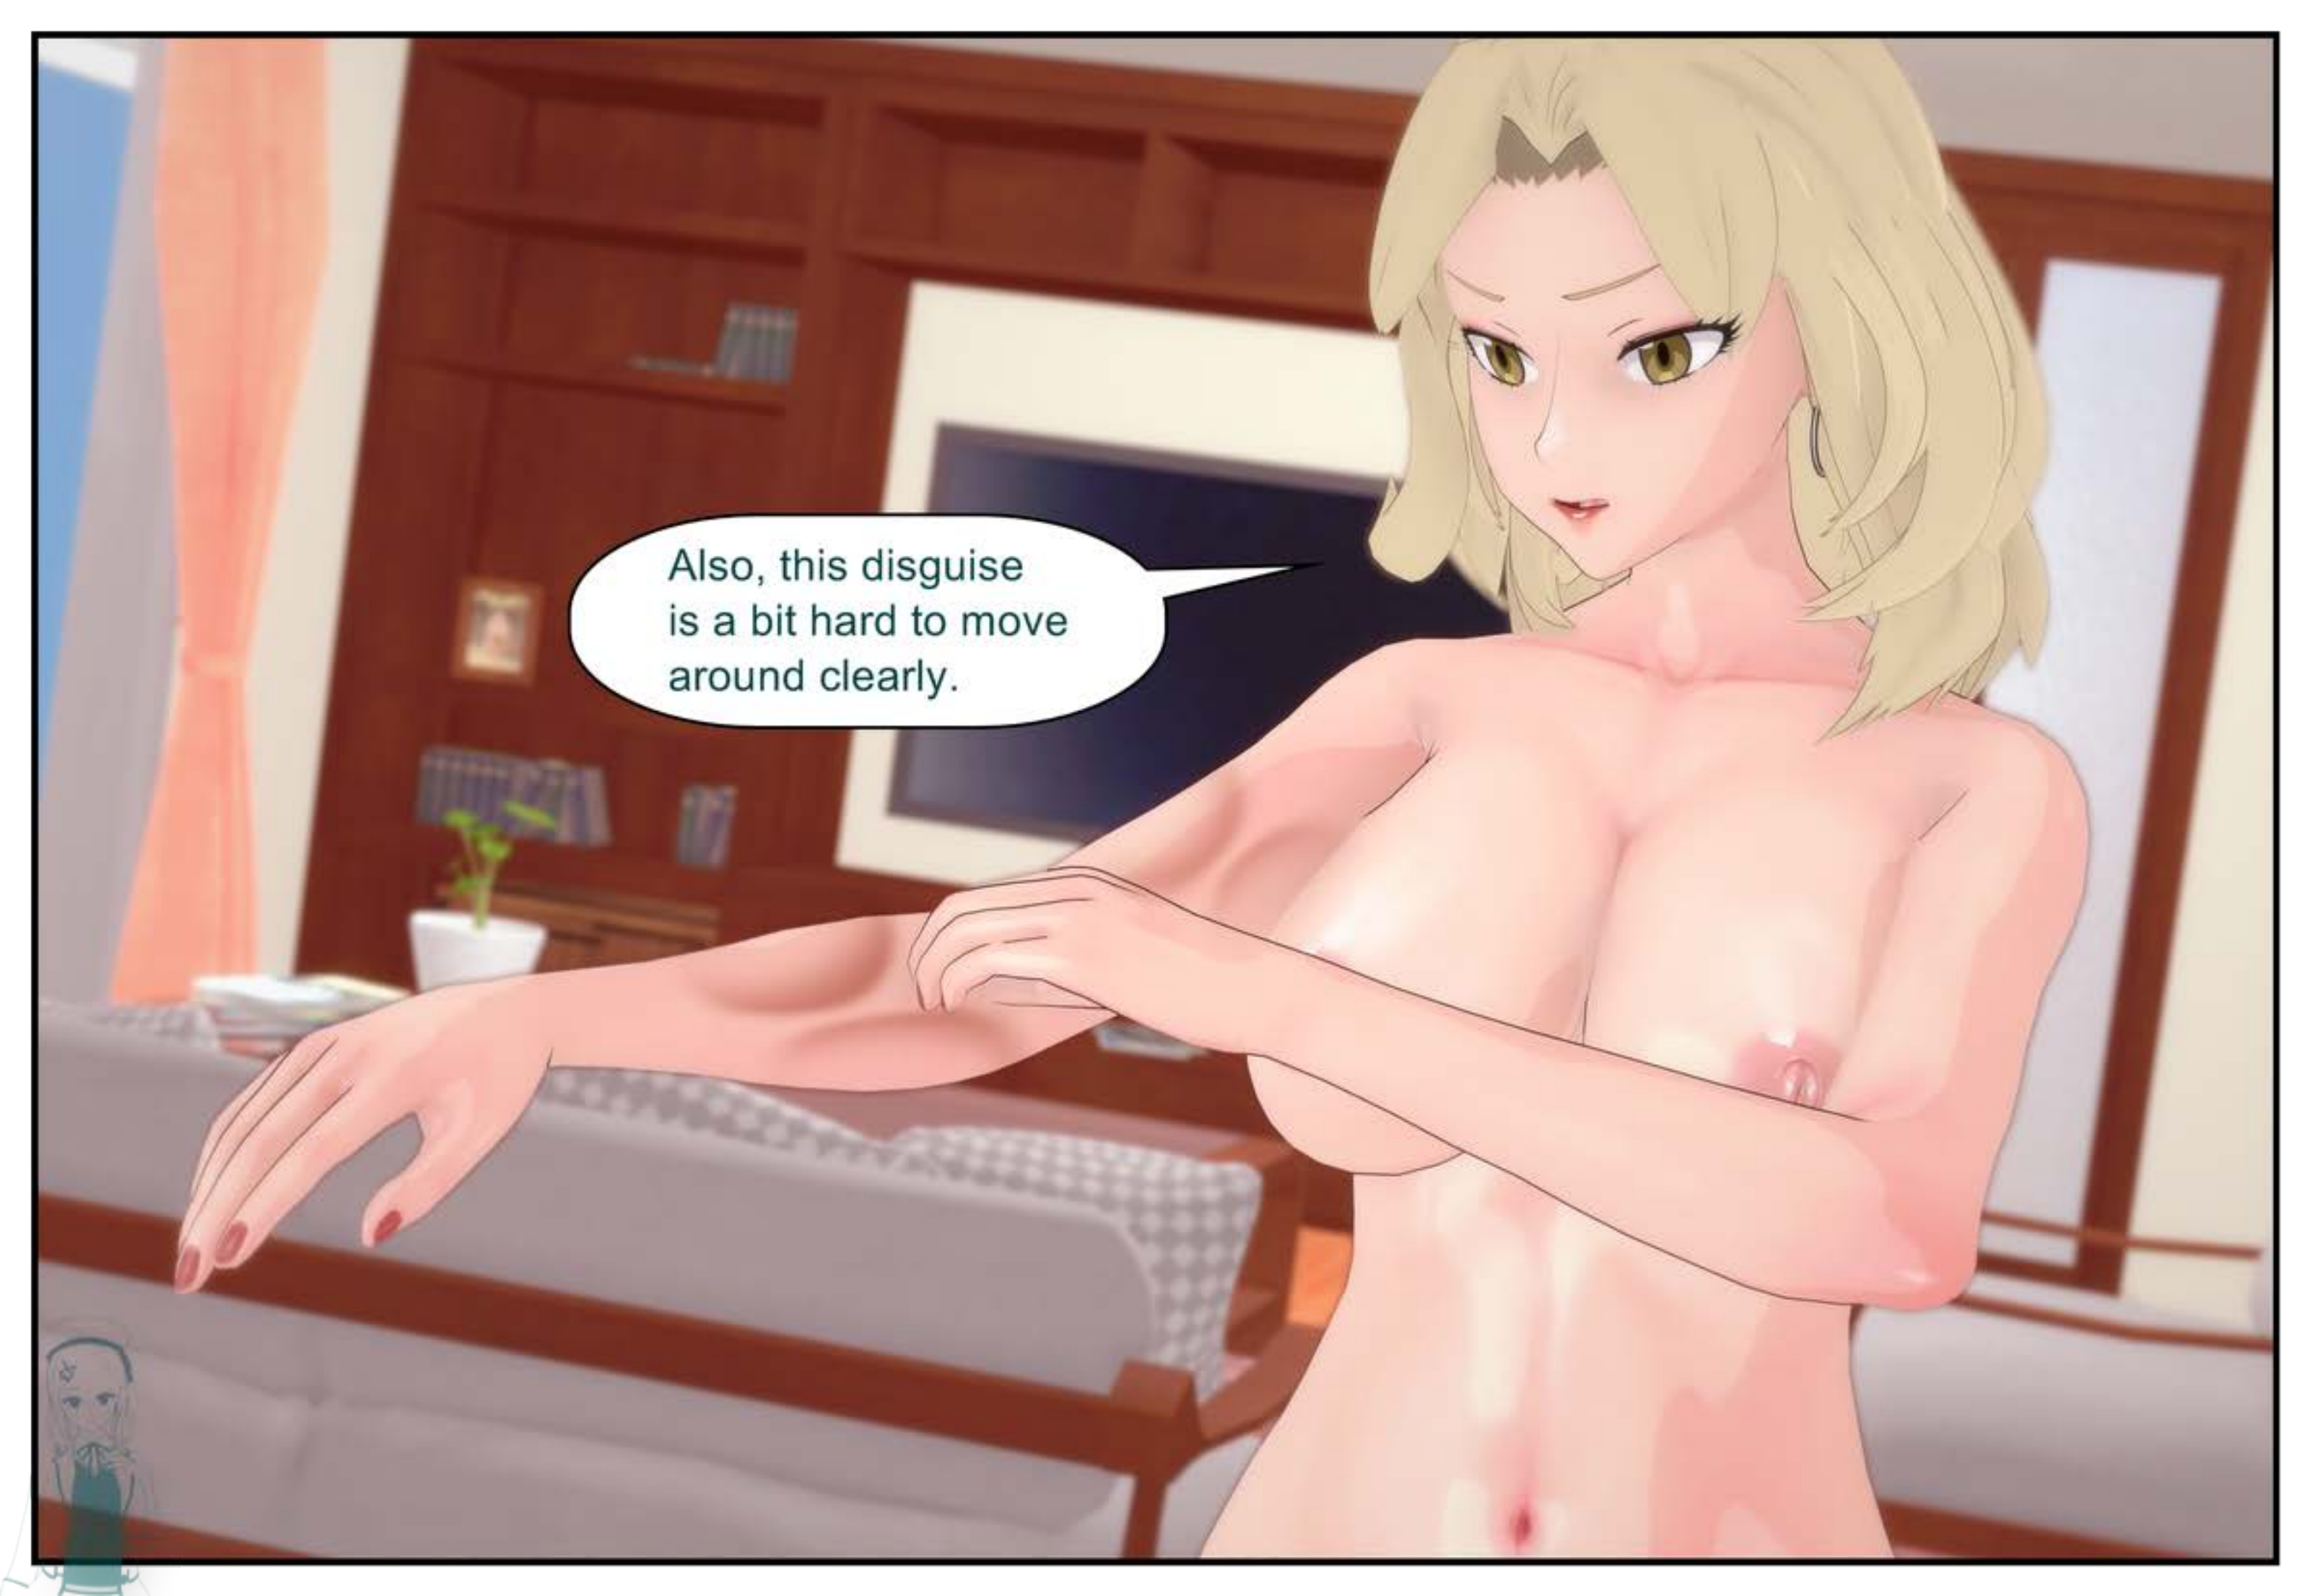

"Hm... It's no different than normal disguise."

"Camilla, one of
Yor's co-worker.
She has a day off
for vacation today."

Also, this disguise
is a bit hard to move
around clearly.

"Moreover, Franky said that this stuff has a special tech..."

A 3D-rendered anime-style character with short, wavy blonde hair and large, prominent breasts. She has a thoughtful or slightly worried expression, with her right hand raised to her chin. She is wearing a simple black earring. The background shows a room with wooden furniture, a window with orange curtains, and a doorway leading to another room.

"I will worry about that later... Time is running short."

A while later...

"Berlint City Hall...
There are SSS
operators everywhere."

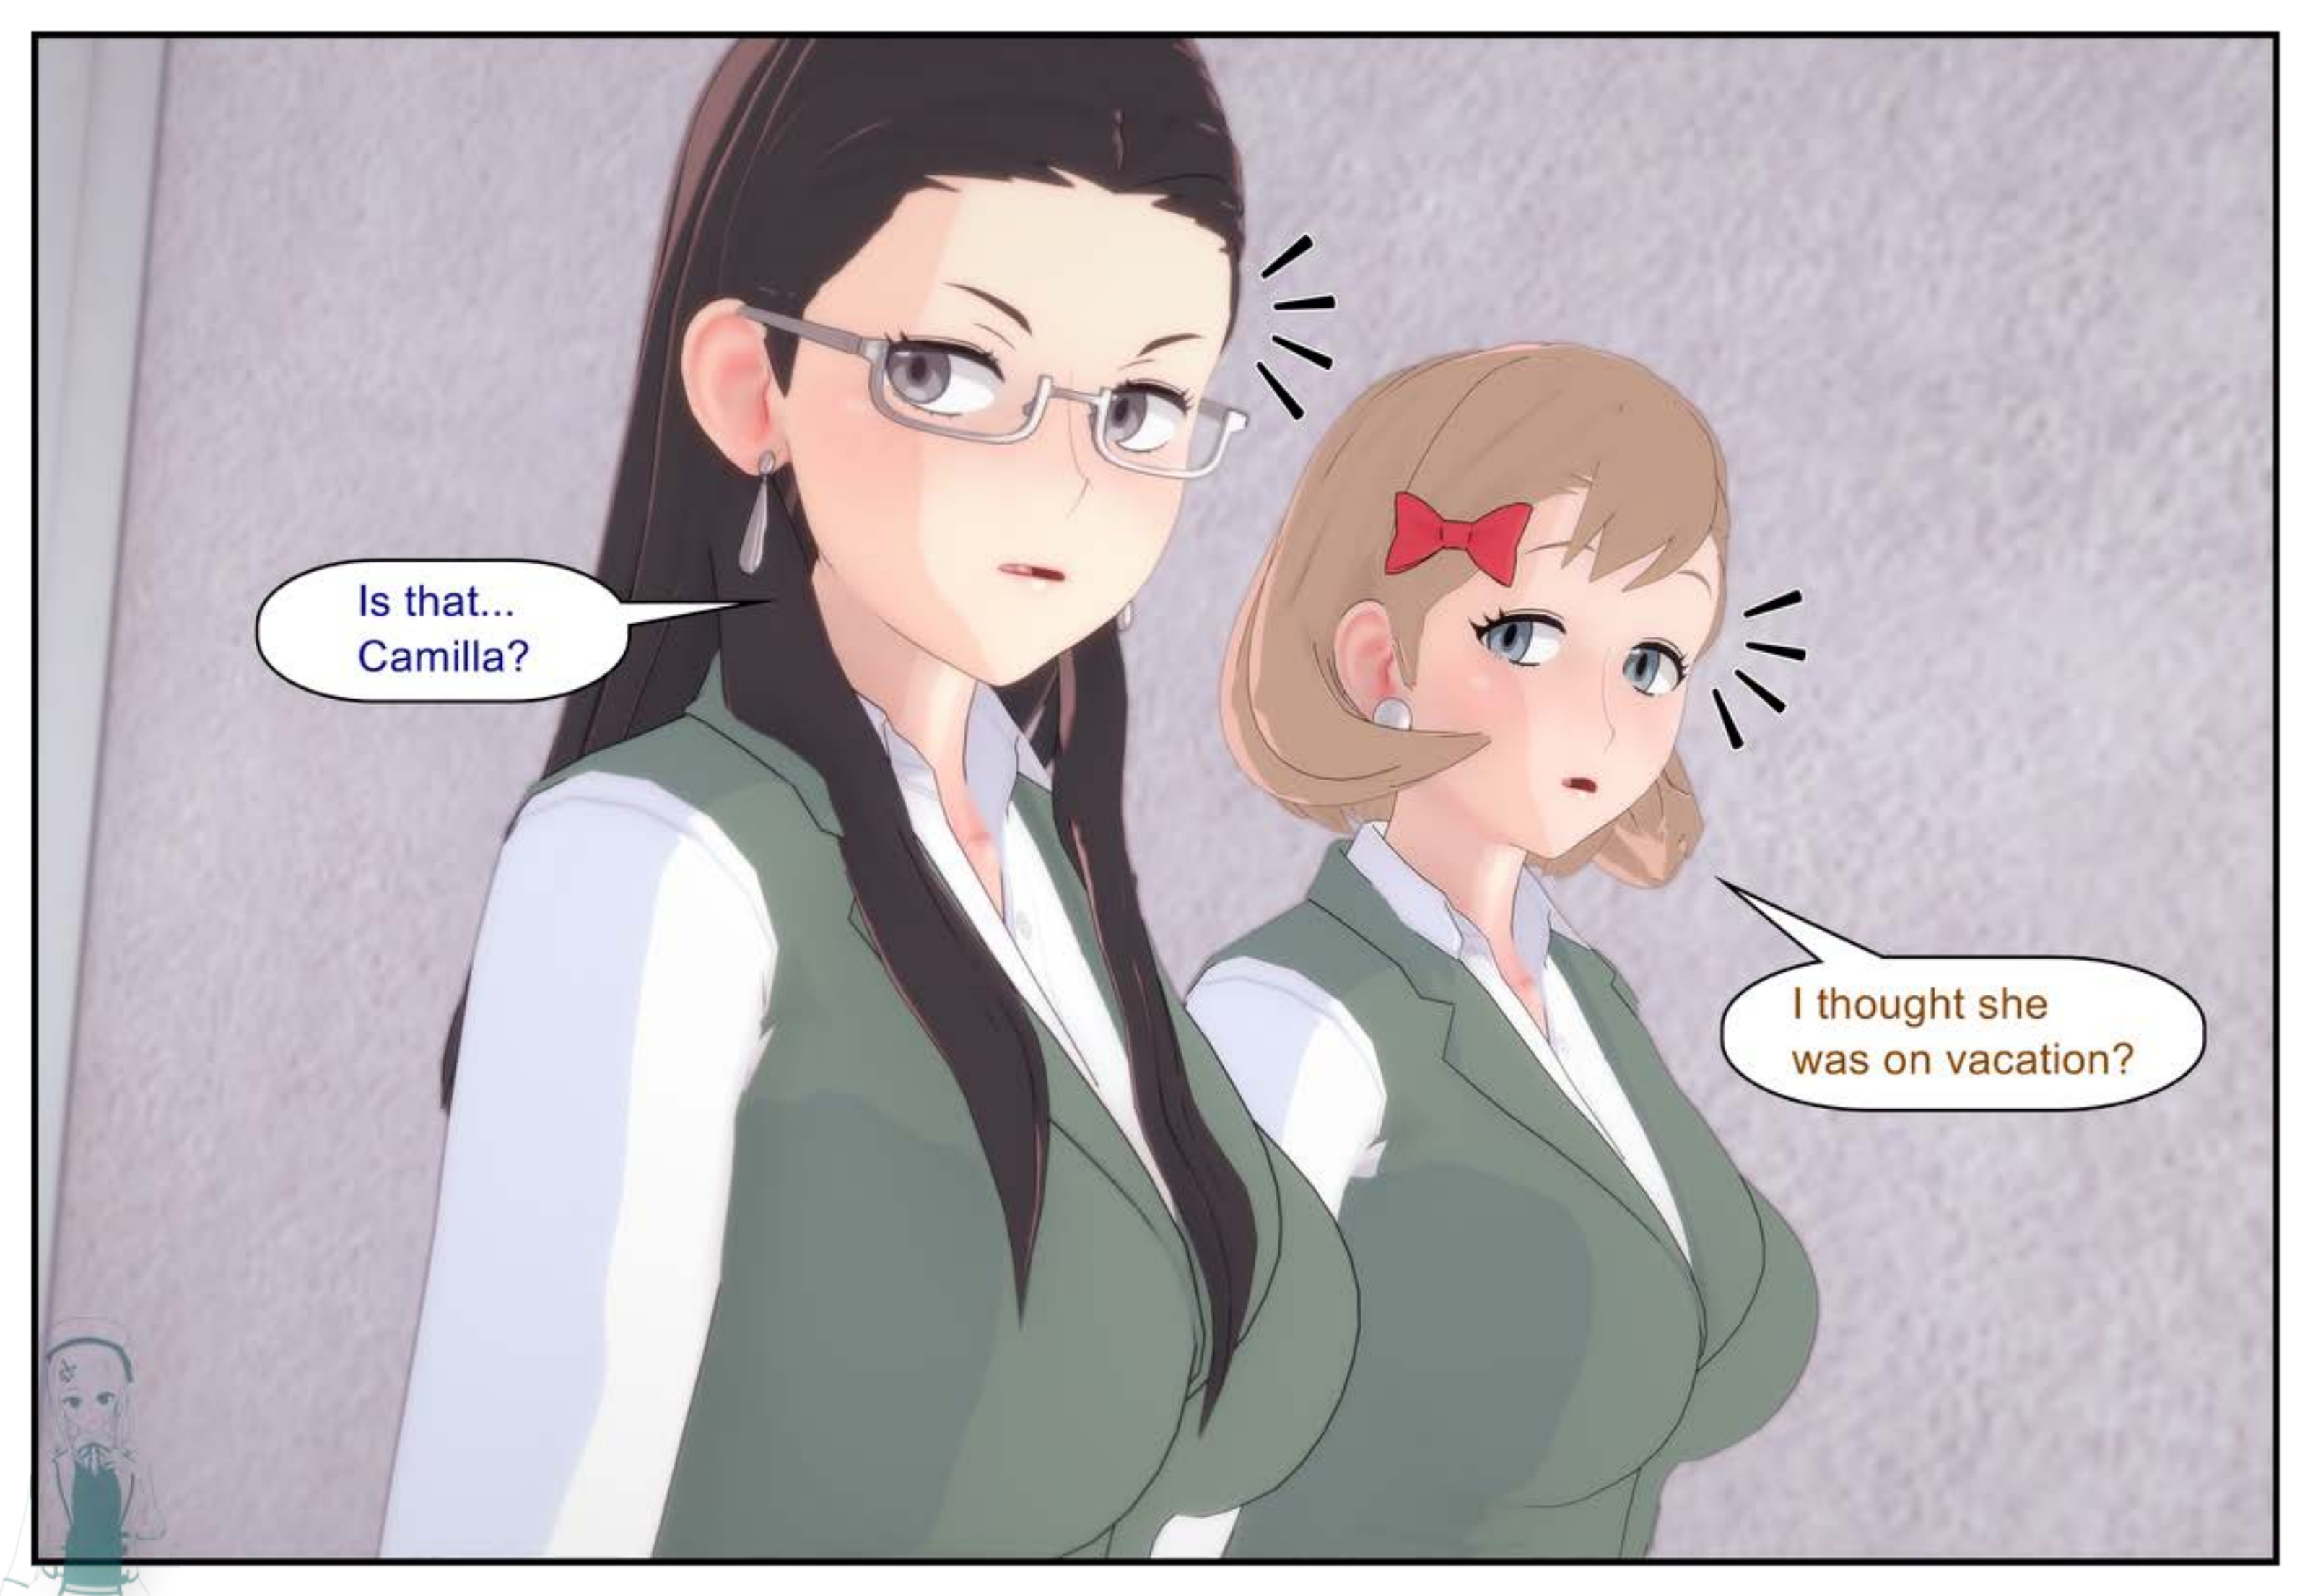

"The file is being
hid in the Director Office..."

"I will be able to sneak past through the guards fast."

Is that...
Camilla?

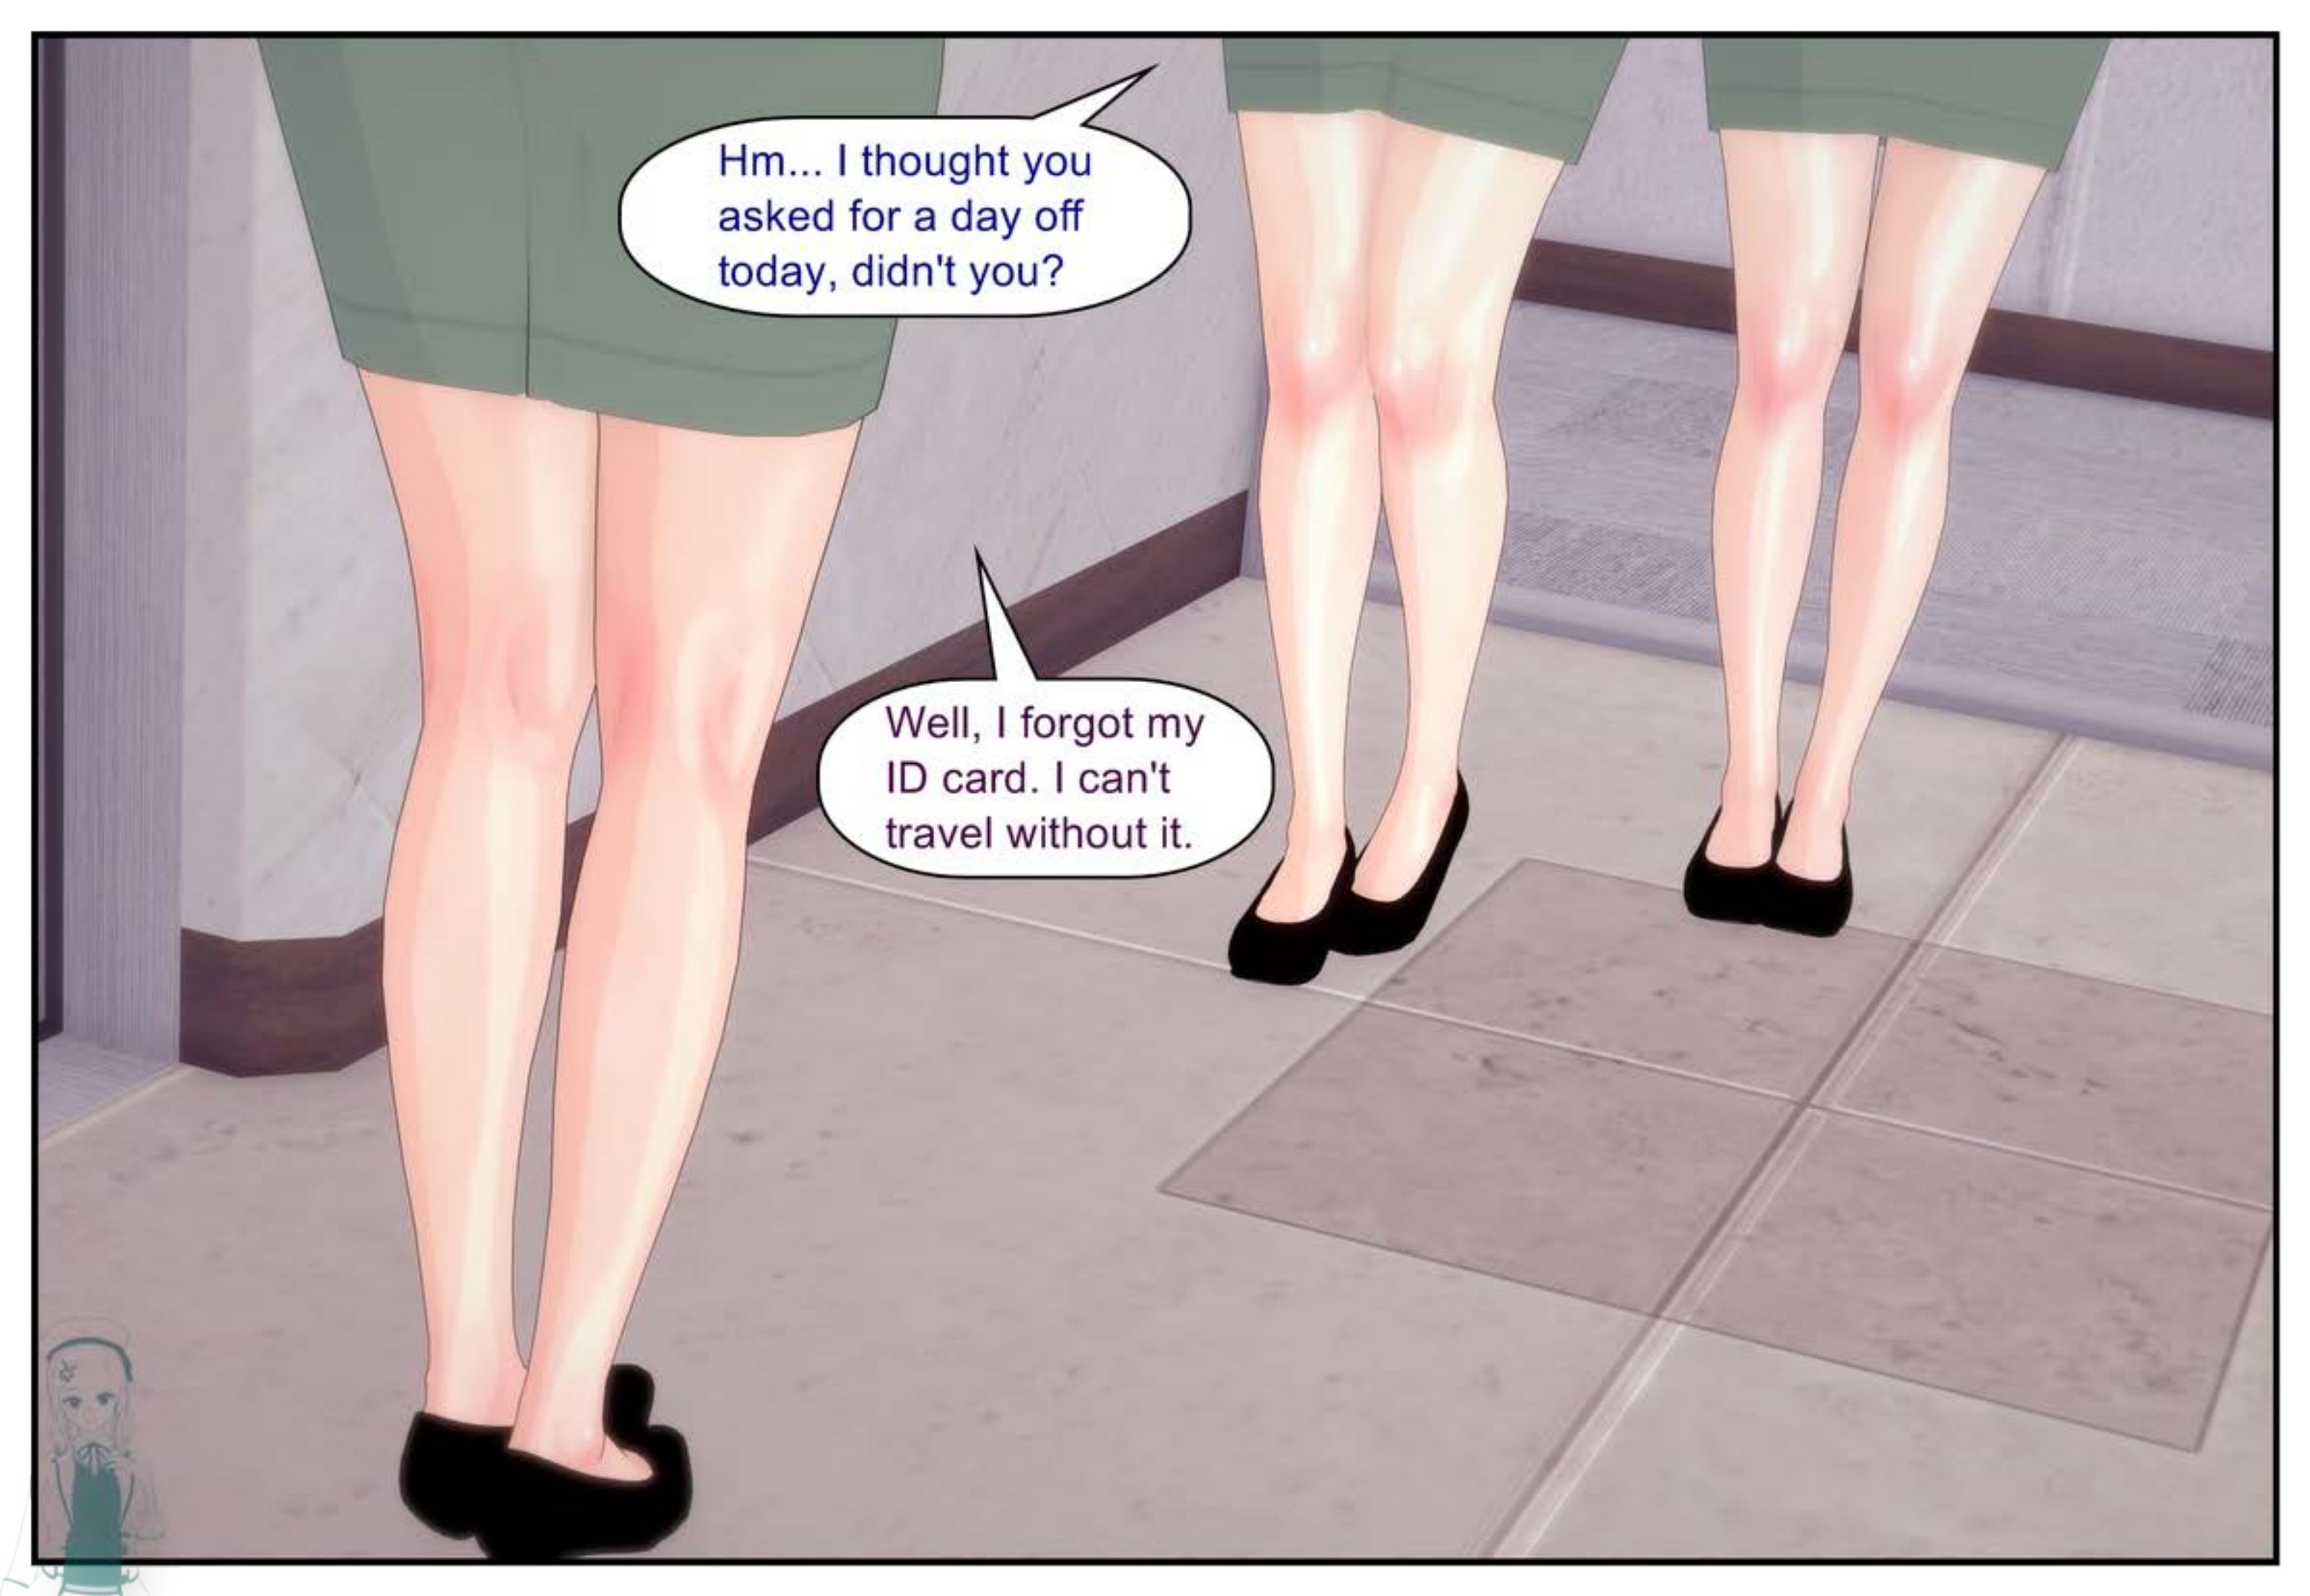

I thought she
was on vacation?

"Trouble coming,
I should try to split
myself out quick."

Hi, Sharon, Millie.
It's nice to see you
two here.

Hm... I thought you asked for a day off today, didn't you?

Well, I forgot my ID card. I can't travel without it.

You should be careful.
There're SSS agents
everywhere in the
City Hall.

A blonde woman with green eyes, wearing a white long-sleeved shirt and a green vest, is shown from the chest up. She has her right hand raised to her hair, looking slightly to the side with a thoughtful expression. The background is a blurred indoor setting with a door and wall panels.

It's dangerous for
you to wander around
without an ID card.

Thank you, Sharon.
Then, I will go find it now.

Sorry everyone!
I was late!!

Y-Yor...!?

"I wanted to help her up... but..."

At least watch
the floor, Senpai.
Don't run like
someone was
chasing you.

Camilla, it's
a bit rude...

Ahaha, I was a bit occupied this morning. Have to take my kid to school.

I'm sorry for letting
you see this mess.

It's not a mess. But you better re-schedule yourself next time, Senpai.

"I'm sorry, Yor."

That's all. I will taking my leave.

Don't mind her, Yor.
She may having a bit stress.

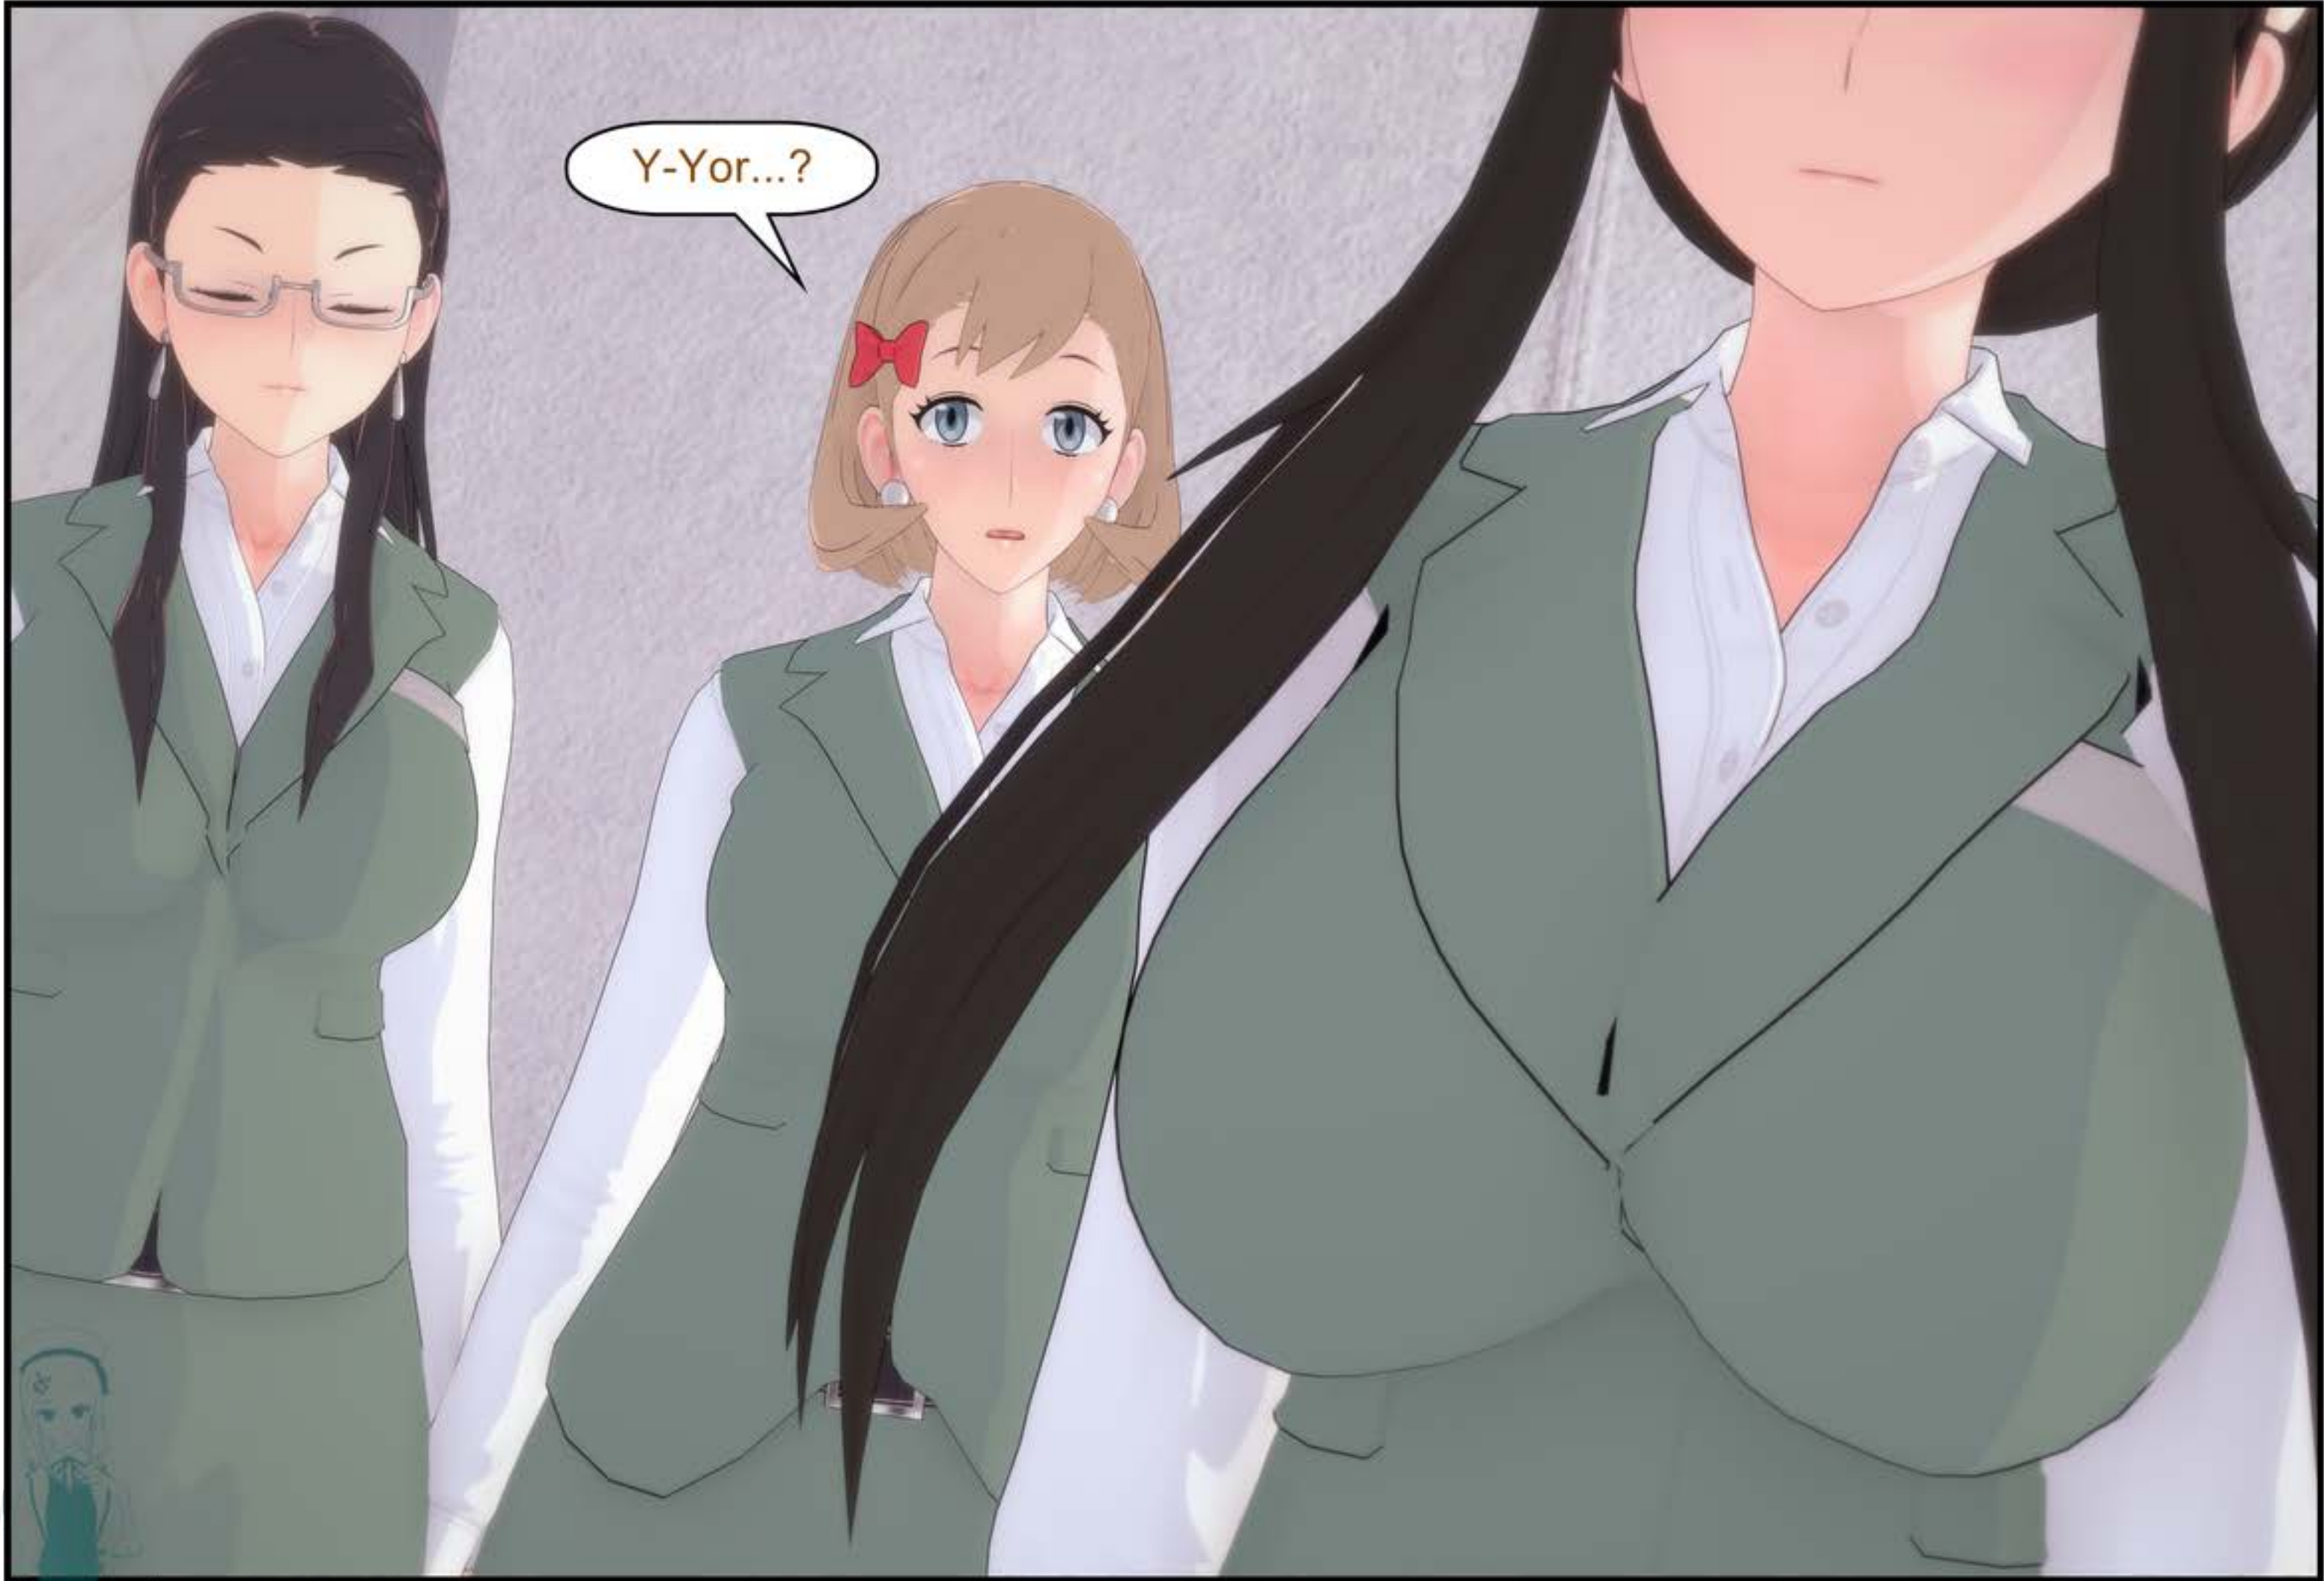

Ahaha, I'm not.

A payment for
her hard-working.

Say, Camilla has
a vacation.
Sound fun.

Let's do our best
then, right Yor?

Y-Yor...?

A woman with short, wavy blonde hair and green eyes is shown from the chest up. She is wearing a white long-sleeved shirt under a dark green vest. Her right hand is raised and open, palm facing left, as if gesturing. She has a serious expression. The background consists of vertical wood paneling.

"Not here. The file must be somewhere in this office."

"The last place left,
would be that locke drawer..."

"But... who would hide an classify file in the open like this?"

Who's there!?

A person wearing a dark blue suit jacket and grey trousers stands in the foreground, their back to the viewer. In the background, a woman with blonde hair is visible behind a wooden podium in what appears to be a courtroom or formal hearing room. The floor is covered with a red carpet.

Camilla...? Why are you here? I thought you were on vacation?

"Tch... Seem like
I was staying back
for too long."

I was looking for
my ID card.

You know, it's the most crucial thing for travelling.

"If it not going well, I will have to go for plan B."

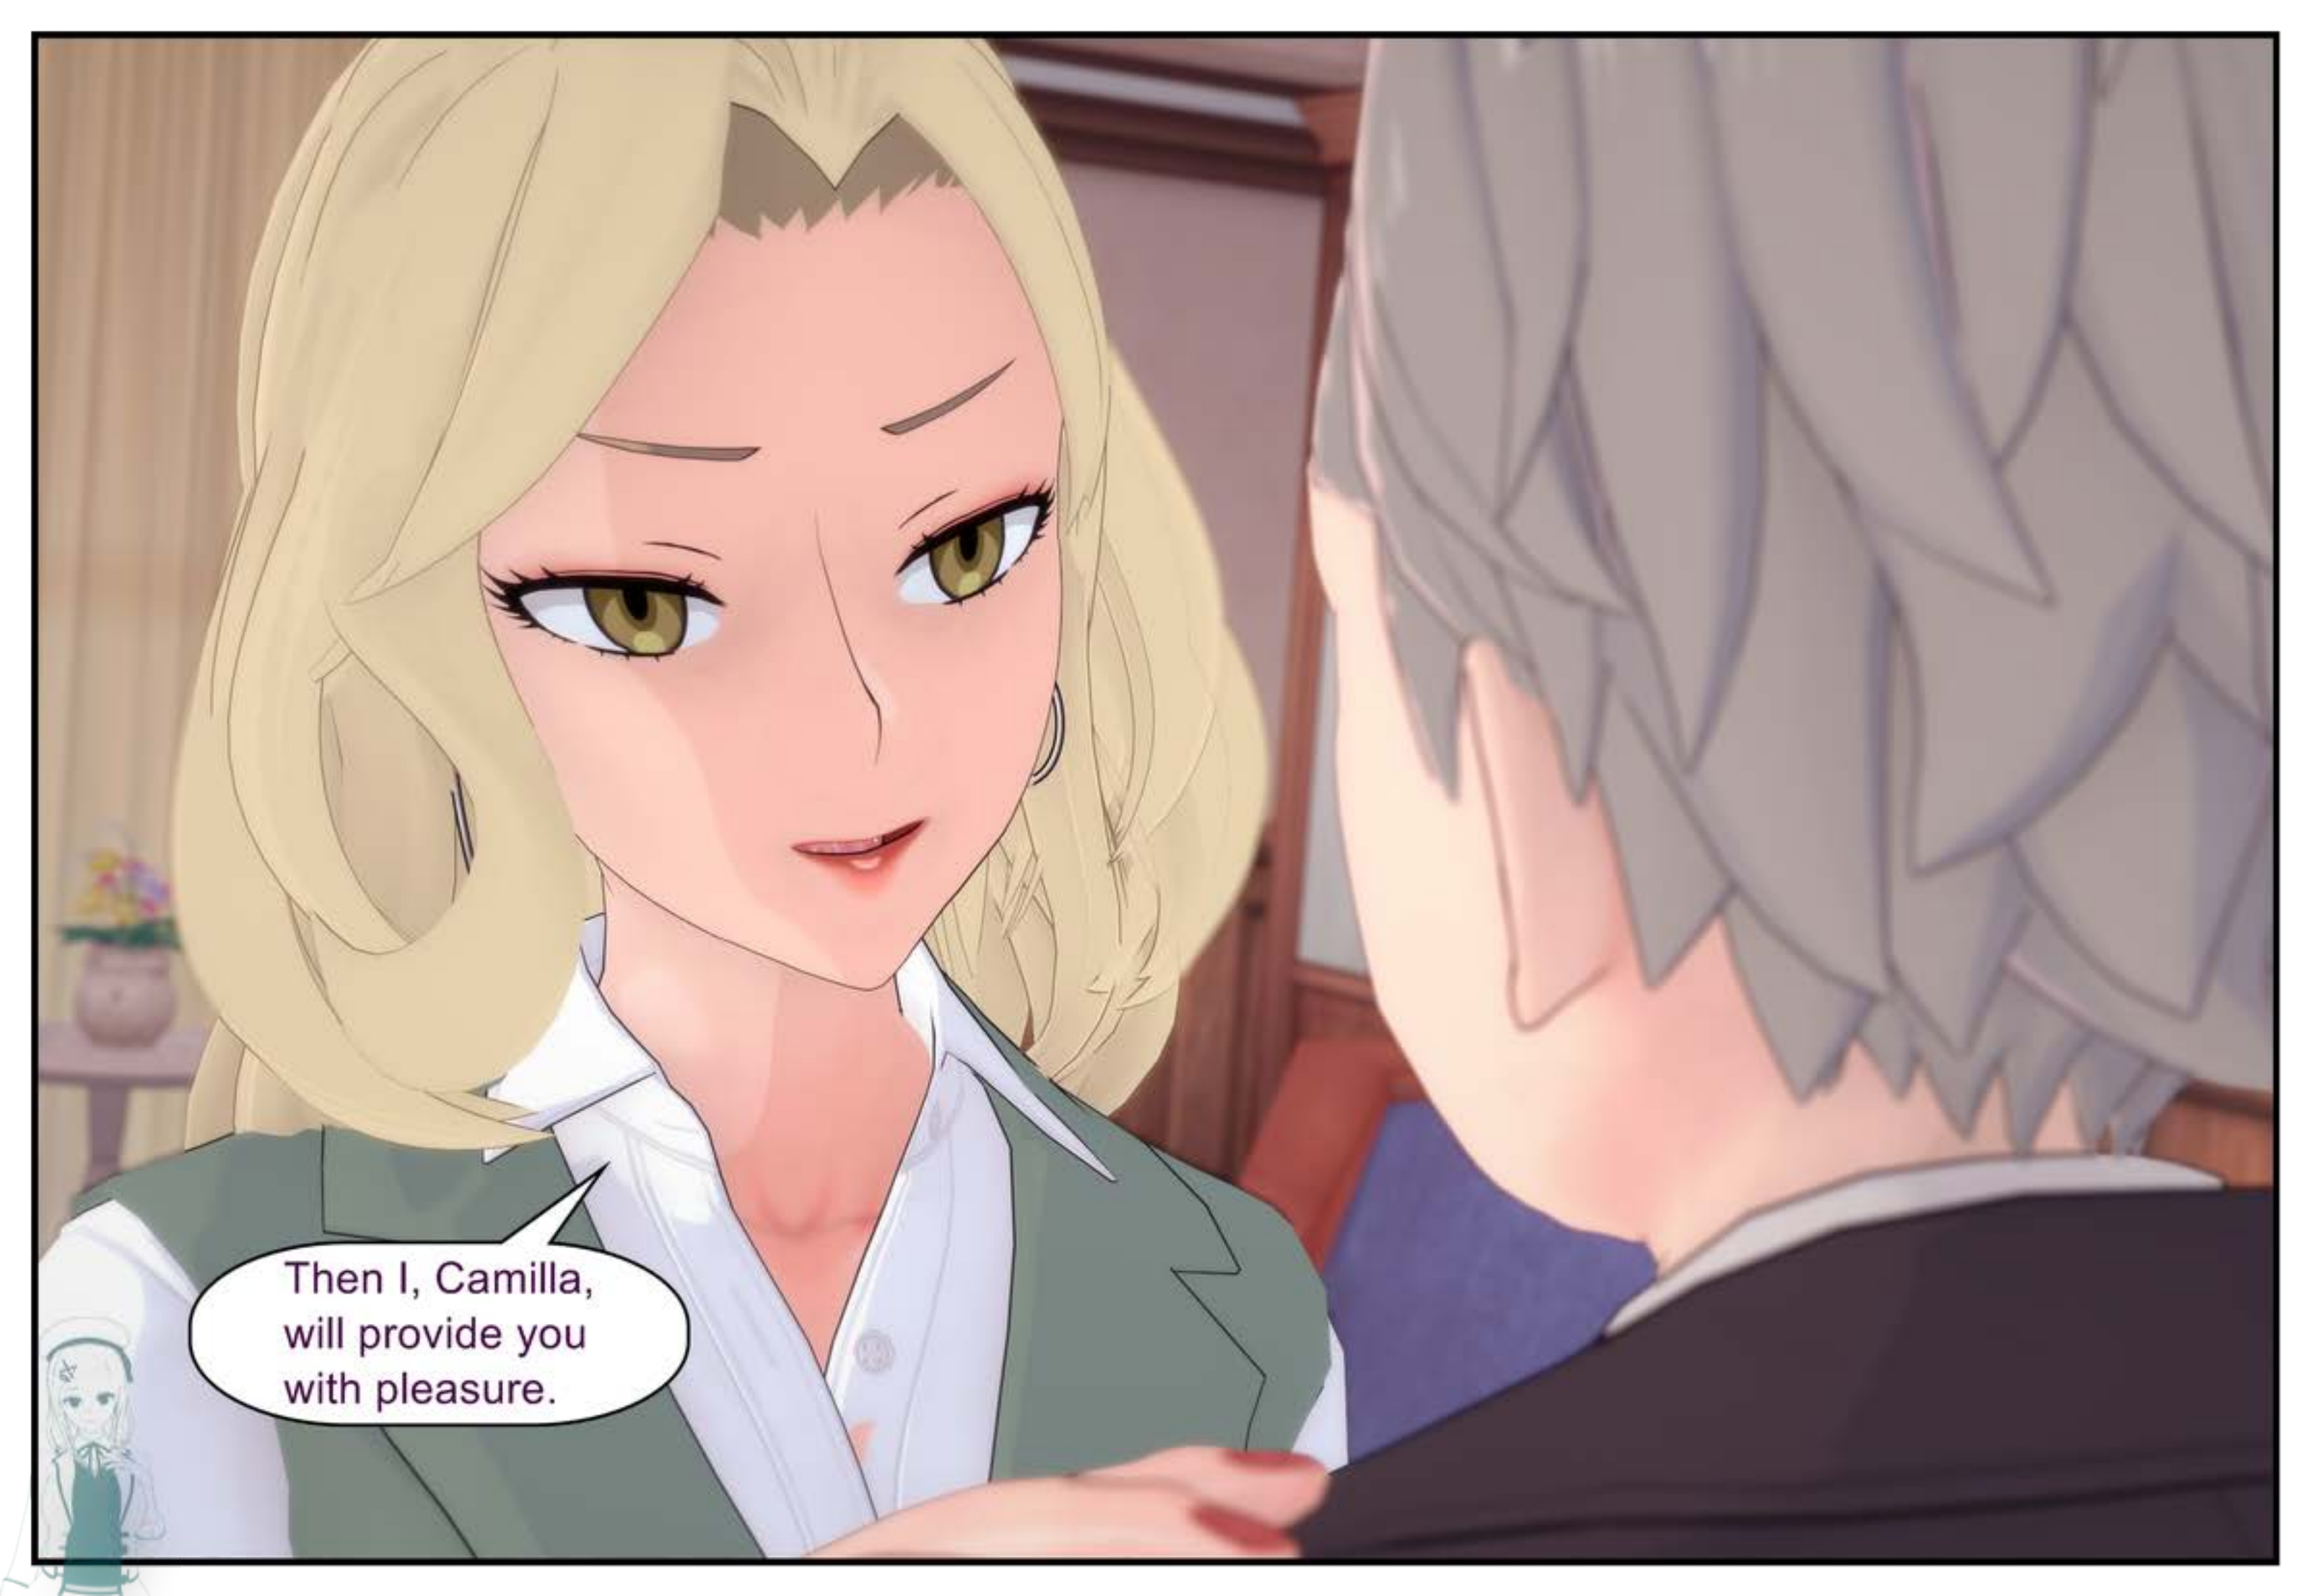

A man with short, light-colored hair is shown in profile, facing left. He is wearing a dark grey or black suit jacket over a white collared shirt and a dark red tie. The background consists of wood-paneled walls and a wooden floor. A speech bubble is positioned to the left of the man's head.

But this is the
restricted area. No
employee are allowed...

Ah... Lower your voice down, Director. If you willing to be quiet...

Then I, Camilla,
will provide you
with pleasure.

"Strange... These breast feel so real..."

"Don't tell me...
This is what Franky
told about?"

Hey, faster,
would you?

"Ugh... This also
affect me. It's
getting hotter inside."

"T-This is...
So sticky..."

A 3D-rendered anime-style scene. On the left, a character's back is shown, wearing a dark blue uniform with three buttons at the collar and a green cloth draped over their lower back. On the right, another character's hand is touching the first character's buttock. The hand is rendered with a pink, pixelated texture. A speech bubble is positioned above the hand, containing the text: "Hehe... If you don't want me to tell anyone, consider this is my request." The background shows a wooden door and some greenery.

Hehe... If you don't want me to tell anyone, consider this is my request.

Kekeke... Here I come!

"T-The guy... He is about to..."

"This... even my voice... turn to..."

Bust

Bust

Bust

Bust

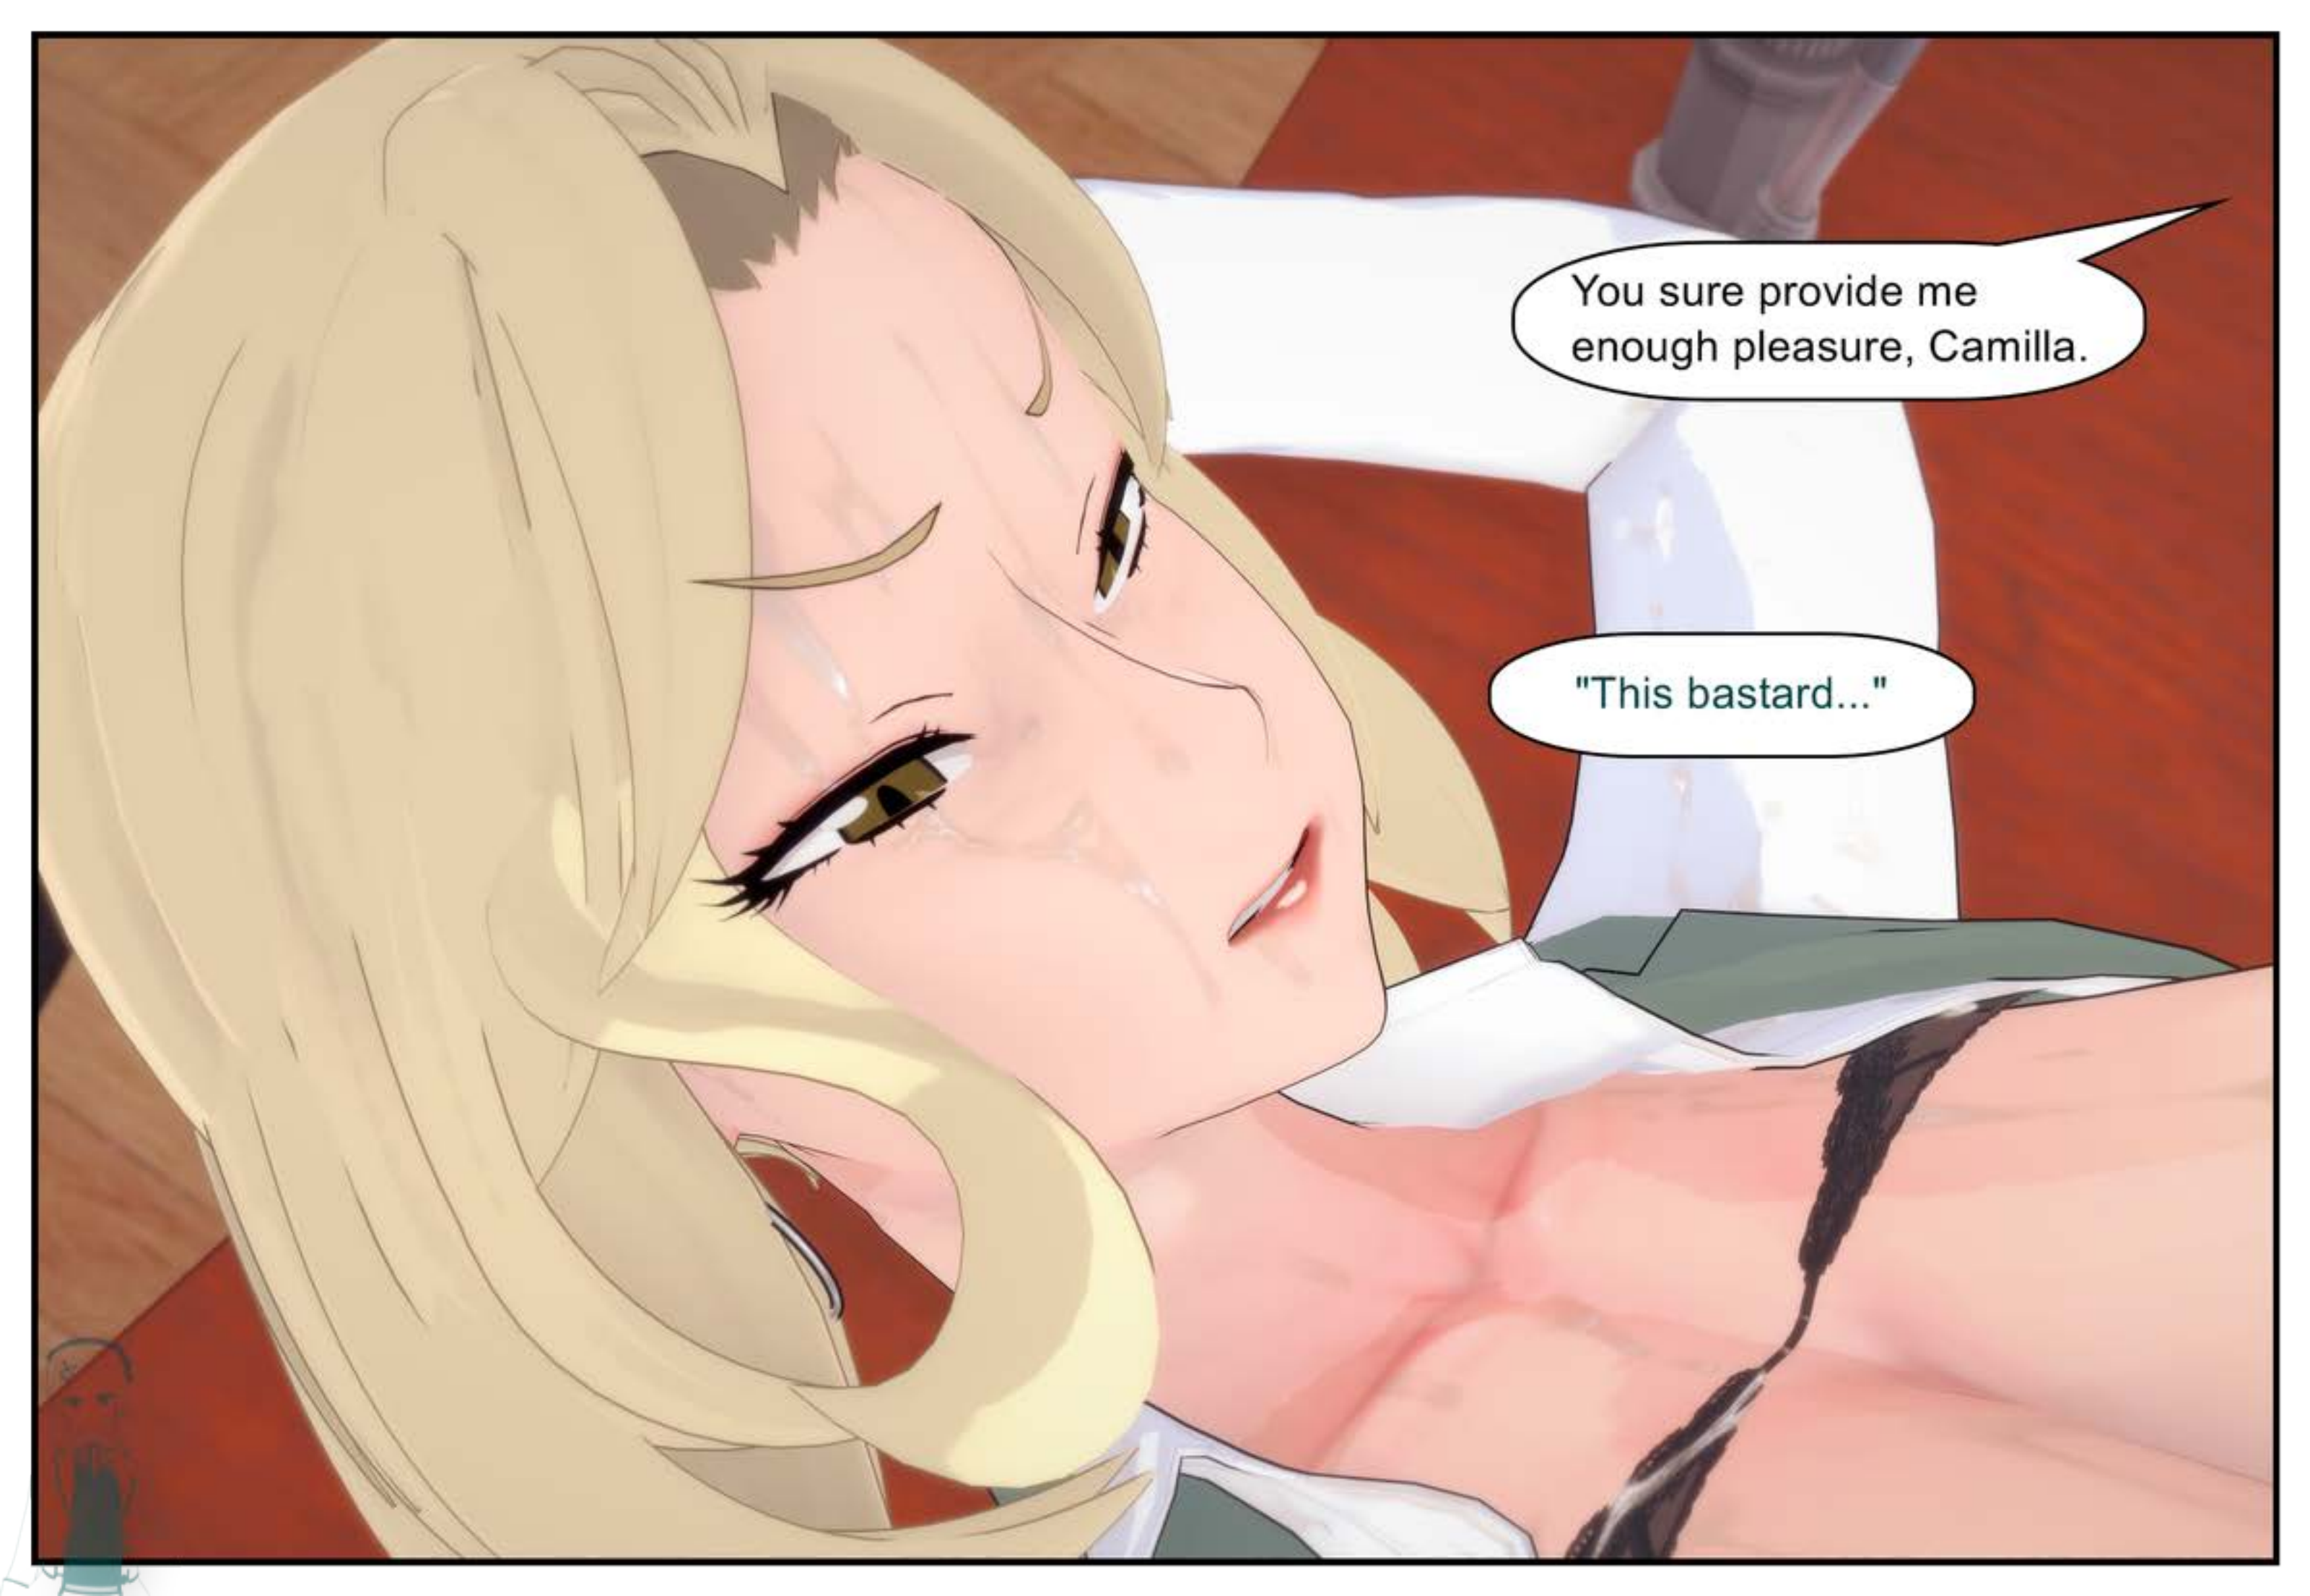

Haha... Well, this is fun. I will use this to threaten you next time.

You sure provide me
enough pleasure, Camilla.

"This bastard..."

H-Hey... What are you... Ack... Ugh...!!!

Crack Ah...

"Now, you can't threaten anyone anymore."

"At least, it would keep Yor and others at the City Hall safe. I need to get the file and get out!"

"Hmph... Quite an odd experience you created, Franky."

Bravo... Bravo.
How fast you got
the file.

You did help me to
lower the workload
a bit there, Mr. Spy
in disguise.

Hm... As I also
suspected you from
the beginning...

You are the one from other force who wanted this file too, correct?

Heh...? How did you know that I disguised as this woman?

You knew a lot about the SSS, although they are Government's Secret Organization.

Oh well, my tongue
did slip that time.
Never thought someone
else would be here
before me.

A blonde woman with green eyes, wearing a white long-sleeved shirt and a green vest, is shown from the chest up. She has a determined and slightly angry expression. Her right hand is clenched into a fist, and her left hand is pointing her index finger directly at the viewer. The background consists of light-colored vertical blinds on the left and a plain wall on the right.

Would you mind to
step aside for me?

There's no way that
I will let you get away
with this file.

A close-up illustration of a hand holding a green grenade. The hand is light-skinned with red-painted nails and is wearing a white long-sleeved shirt. The grenade is olive green with a yellow band around the neck and a dark grey pin. In the background, there is a dark wood door with a gold-colored frame containing a decorative, symmetrical pattern. A speech bubble is positioned in the upper right area of the frame.

Oh... If I were you,
I would hand it over.

"A grenade...!?
How could they
bring it into here!?"

You know this toy
would cause a lot
of noise, right?

A woman with long black hair, wearing glasses, a white button-down shirt, and a green vest, is holding a green grenade in her right hand. She has a slight smile and is looking towards the viewer. Her left hand is near her chin. The background shows a room with wood-paneled walls and decorative panels.

So hand me the file
and no sudden move.

This file will trigger
the war between Westalis
and Ostania...

So what? I don't
really care.

All I wanted to see
the two countries to
stab each other.

The bloodshed,
massacre,... I like it!!!

Being able to watch
the children and
woman scream, and
fear of death...

Even if I died here,
I won't regret doing it!

So... That's
your intention...

W-What...
When did you!?

"I-Is that...
even Yor?"

About you,
Camilla...

I met and talked with you on the way to work this morning.

So... the one in front of me is fake. An intruder.

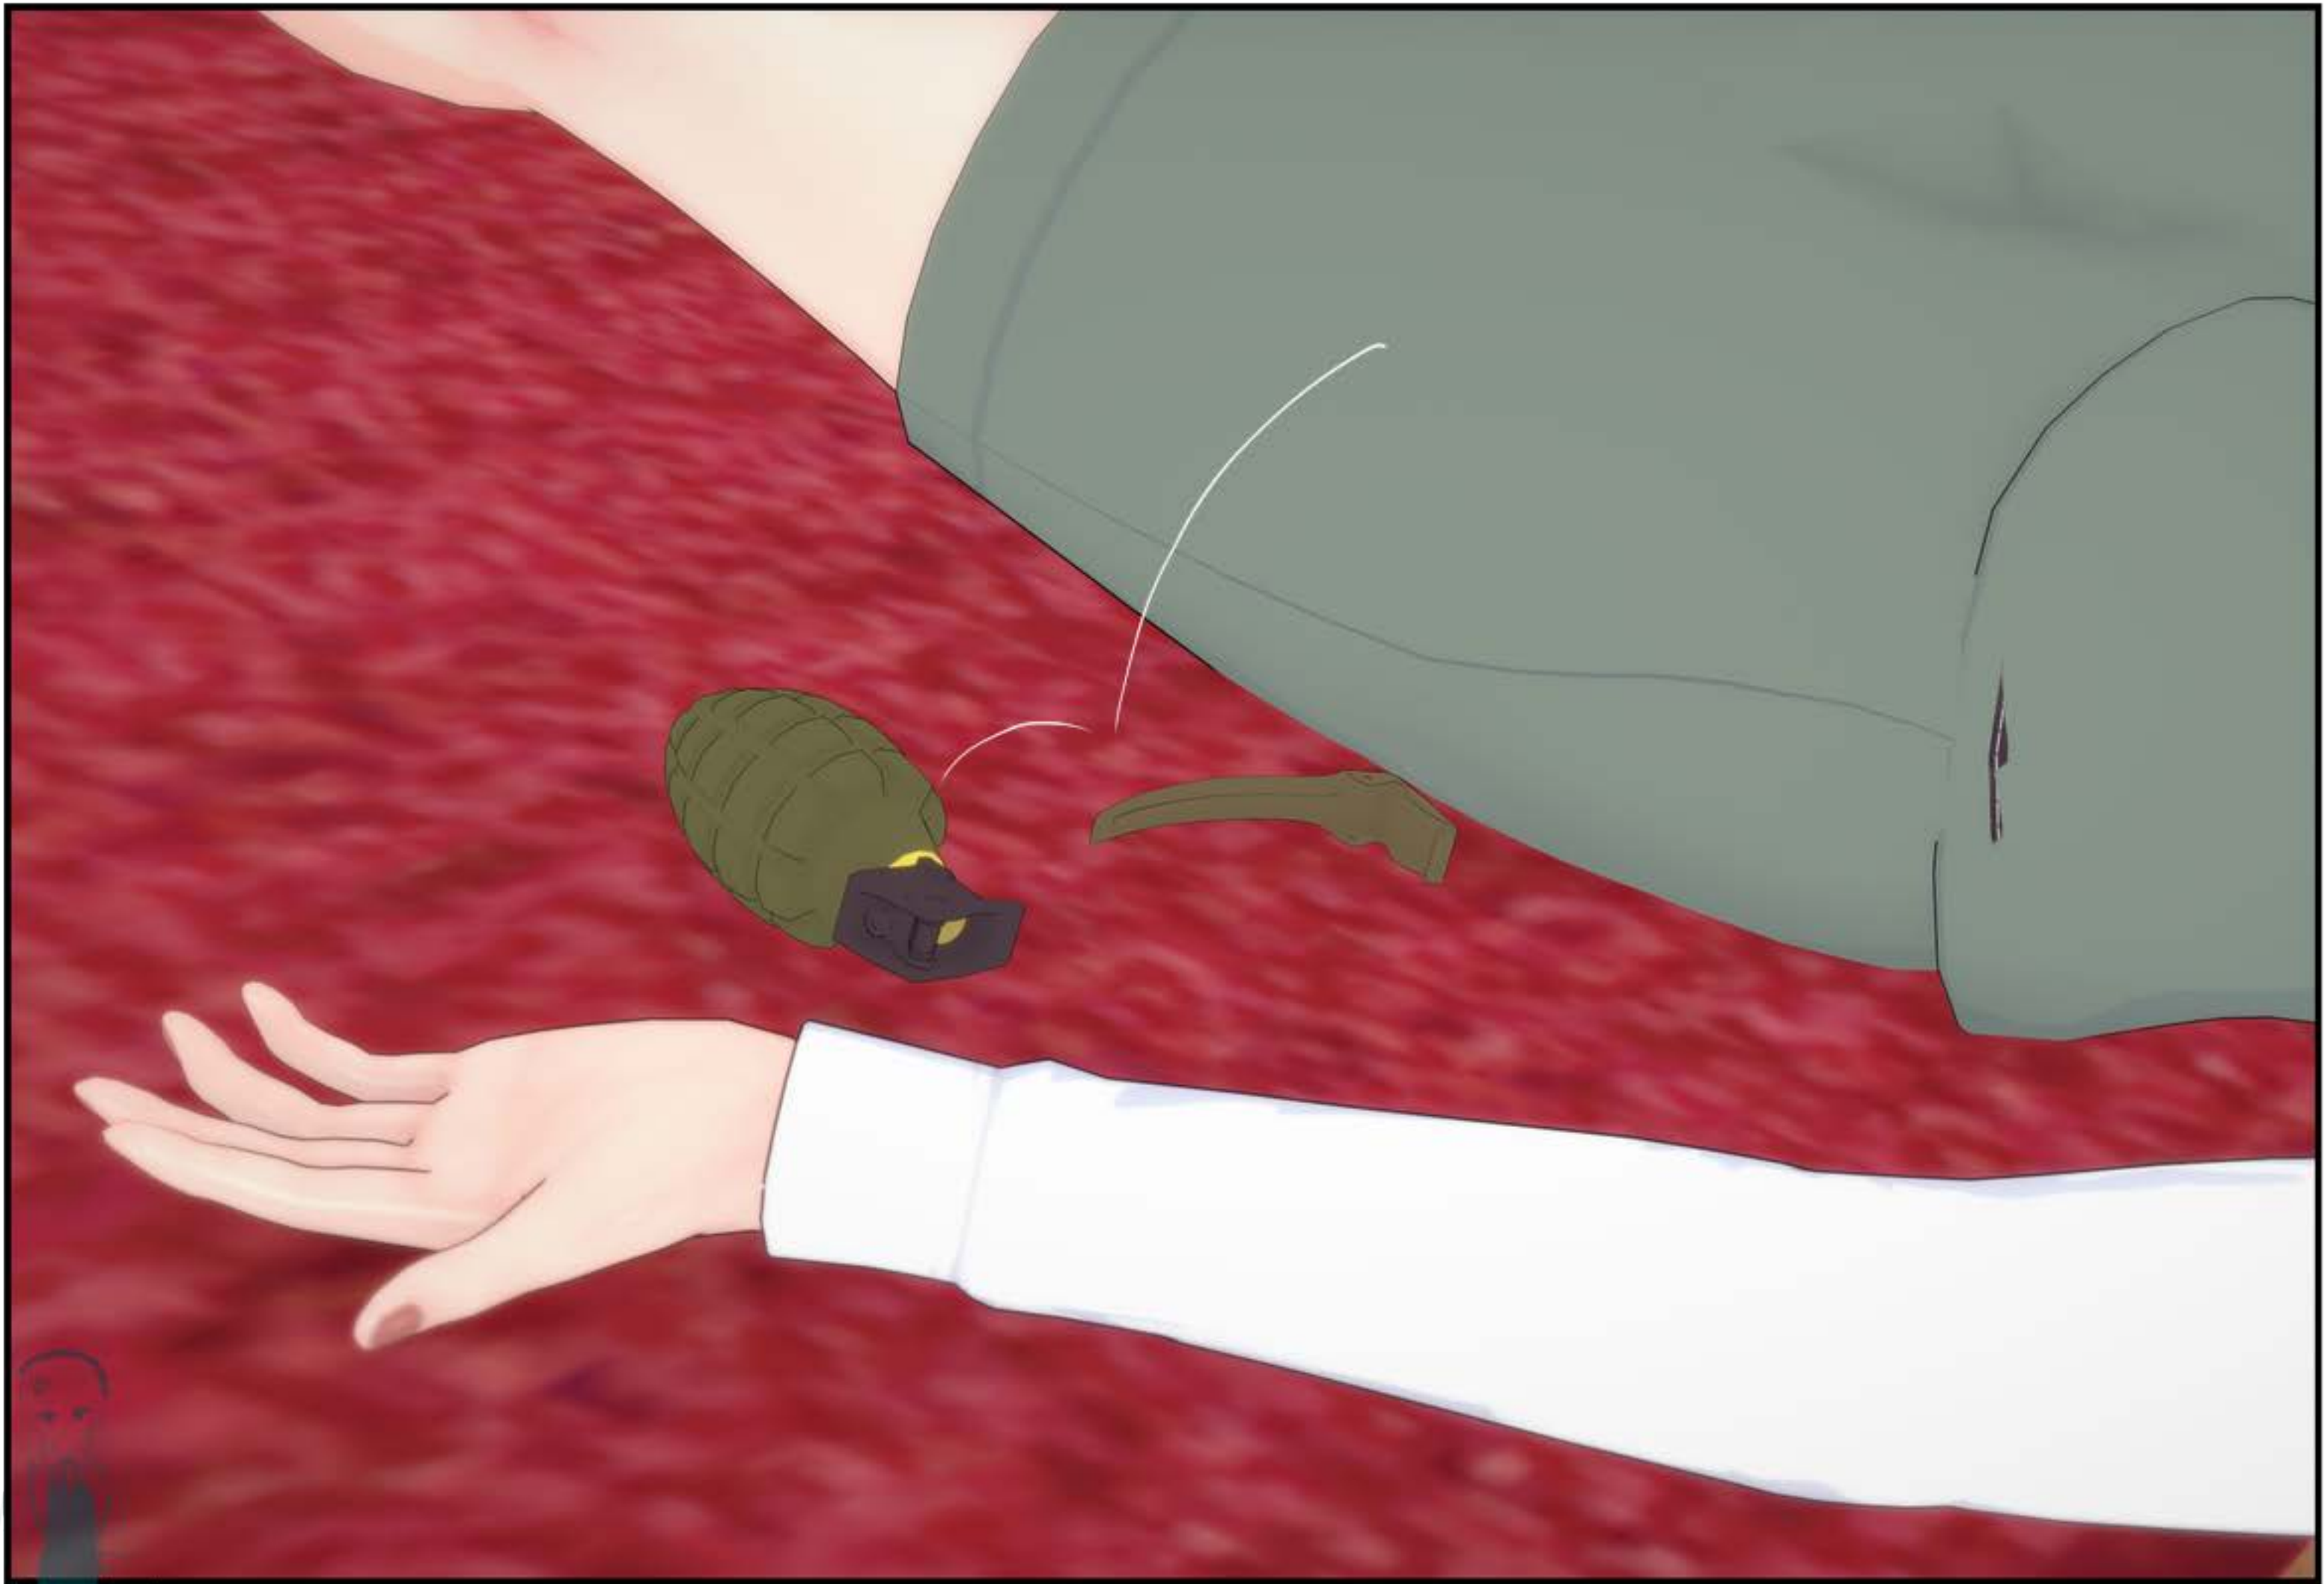

"The disguise..."

"That sound...
the grenade!!!"

"She...
protected me?"

Hey! I heard an explosion in the room!

"No good... They are coming!"

"I have to use smoke...
for me and Yor to run!"

Yor! Run! You will
be taken in if they
caught you here!

"Camilla...? Why do
I hear it like..."

Cough...

Quick, surround
the building! Do
not let anyone out!

Sir! There's no one
in the room. Except
for two burnt bodies.

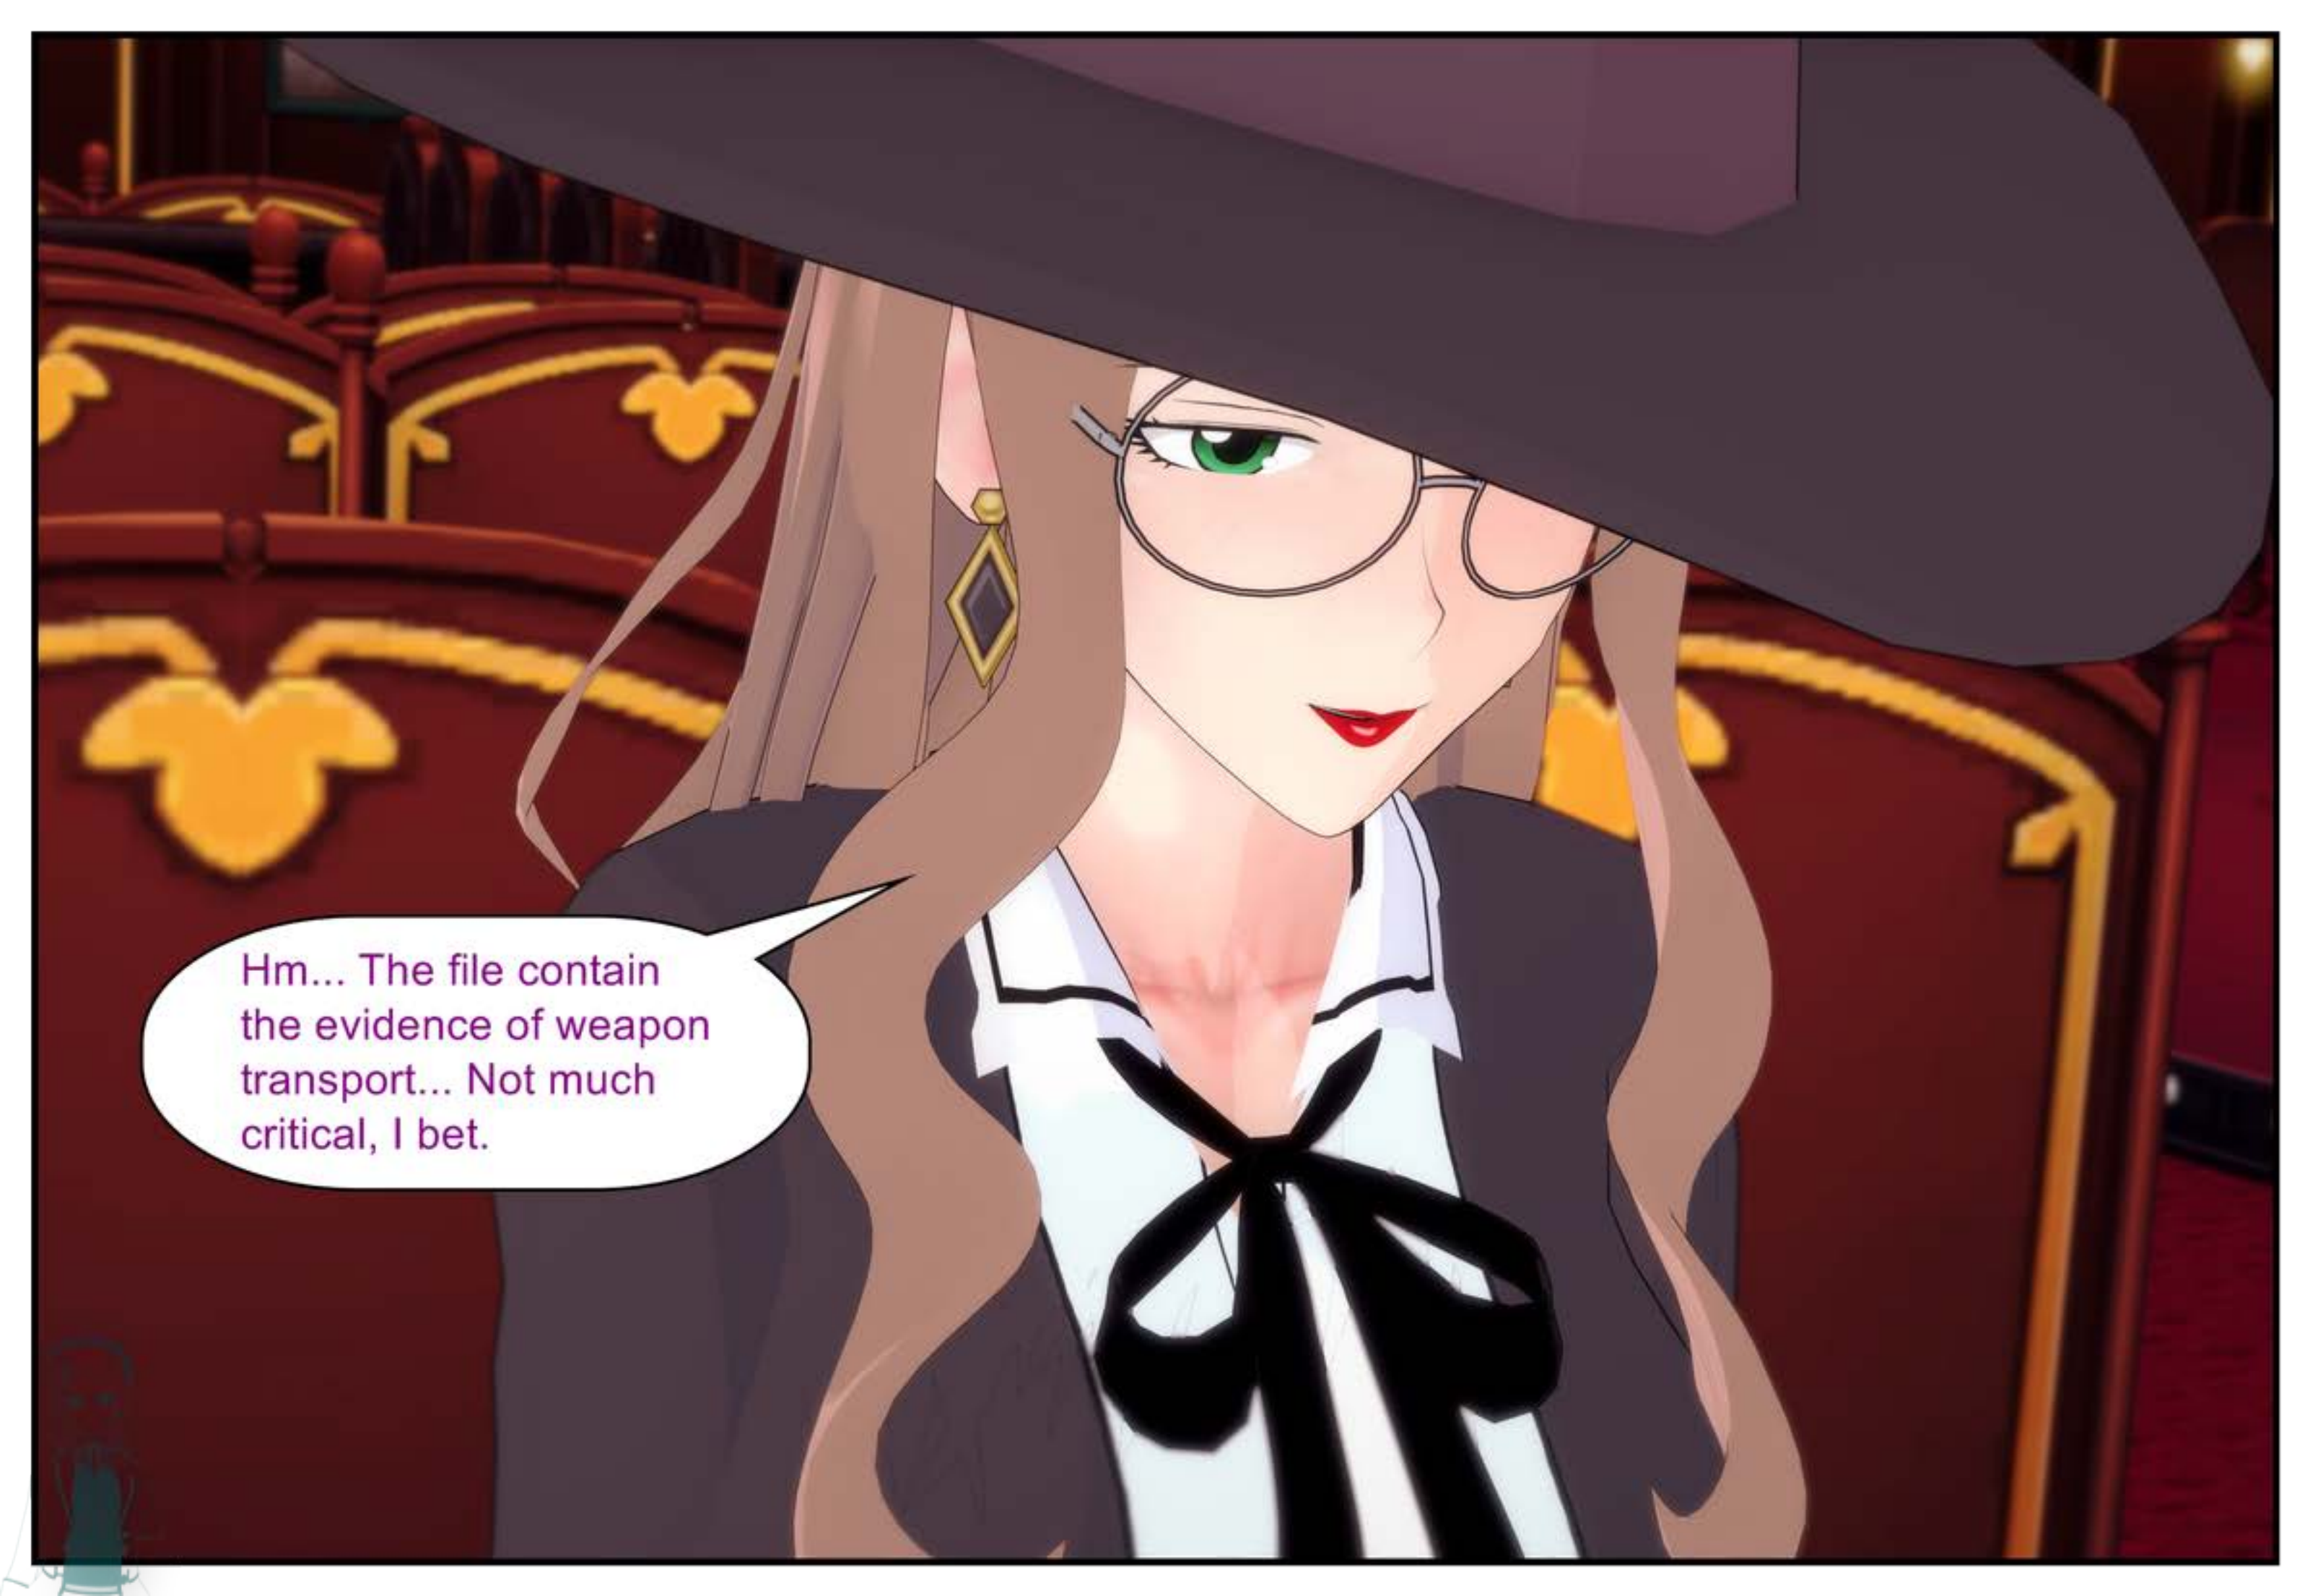

The file is gone, sir!

Darn it! Find it!
Search the whole
place, NOW!!!!

A while later...

A fanstatic work, Twilight.
Seem like you been
through a lot.

Hm... The file contain
the evidence of weapon
transport... Not much
critical, I bet.

For that, the SSS is now on rage. We will have to stand down in a while.

"I'm glad that Yor didn't get taken in. Or else..."

Sorry to have you
pull a stunt like this,
Twilight. It is now
case closed.

Well, seeing you
bring the file back
in the woman disguise...

Hmph... Franky's invention kinda weird. But at least it did the job, right?

A dimly lit, elegant dining room with a dark wood-paneled ceiling and walls. A large, ornate chandelier with multiple glowing lights hangs from the ceiling. The walls feature a series of arched alcoves, each with a small, glowing light fixture. In the foreground, several red upholstered chairs are visible, suggesting a formal dining setting.

A glass of whiskey
should do the trick.

Half-agree. Then,
drink anything?
My treat tonight.

Also, I will tell Franky to re-adjust the disguise."

END?

Oh? Interesting
already, Twilight?

I don't know yet,
less diguise possible.
