## Olivia Fern – The Moon’s song

Capo: 4

Chords:

Am | Em | F | C | G

---

**Am**

I went for a walk under the moon

**Em**

and I asked her for a song, to guide me on,

**F**

through the darkness,

**C G Am**

through the darkness...

**Am**

The darkness of my fears, when all else disappears.

**Em**

Oh, the darkness of self doubt, will burn out

**F**

all your lightness,

**C G Am**

all your lightness...

**Am**                      **Em**  
So let go of the shadow of shame and blame,  
                                 **F**  
praise and gain, you are more.  
         **C** **G** **Am**  
Oh just be who you are.

And she sang:

**G**            **Am**  
Child, be unafraid to shine,  
         **F**  
be bold and bright  
         **C**  
reflecting the light.

She sang:

**G**            **Am**  
Child, be unafraid to shine,  
         **F**  
be bold and bright  
         **C**  
reflecting the light.
