Office Party Monthly Side Story III

Kaa Watching

All main-story suggestions are in effect. The only relevant one for this story is that Nicole will think every usual request, requested by using the word „request“, is a good idea.

Nicole and Dylan are dating for almost a week now and their relationship is working out great. But the new Dylan is always looking for more. As he stumbles upon a shady site on the web, he finds a special version of the Jungle Book, promising that a very prominent snake form said movie will hypnotize anyone watching it's scenes intensively.

Dylan buys the movie and convinces Nicole to invite her coworker Ally over. Will Dylan's plan work out? Is the video a scam or will he soon have two hot women at his service?

I hope this Dylan guy is no creep!

Shouldn't have said yes to watching Disney immediately, when Nicole asked me.

But who could have guessed she'd invite me to her boyfriend's flat? And I do like Disney...

Knock
Knock

Hey there.

Ally, Welcome!

Come in.

So, this is Ally.
Ally Dylan.
Dylan Ally.

Wish I could say
the same about
you, but Nicole
didn't mention
you even once so
far!

Welcome!
Nicole told me a
lot about you.
Great to finally
meet you in
person.

Well, DUH.
We only met
recently!

Even more
reason to
talk about
him!

Now, now. Let's
get to know
each other over
a nice movie. I'm
gonna make
popcorn.

Please take a
seat. Get
comfortable.
Back in a sec.

And?

Well... He's not creepy. That's a good start

...

Okay fine! He is kinda cute.

Told ya! He's a nice guy!

Ally is pretty hot. If this works out, I can add a blonde to my stable.

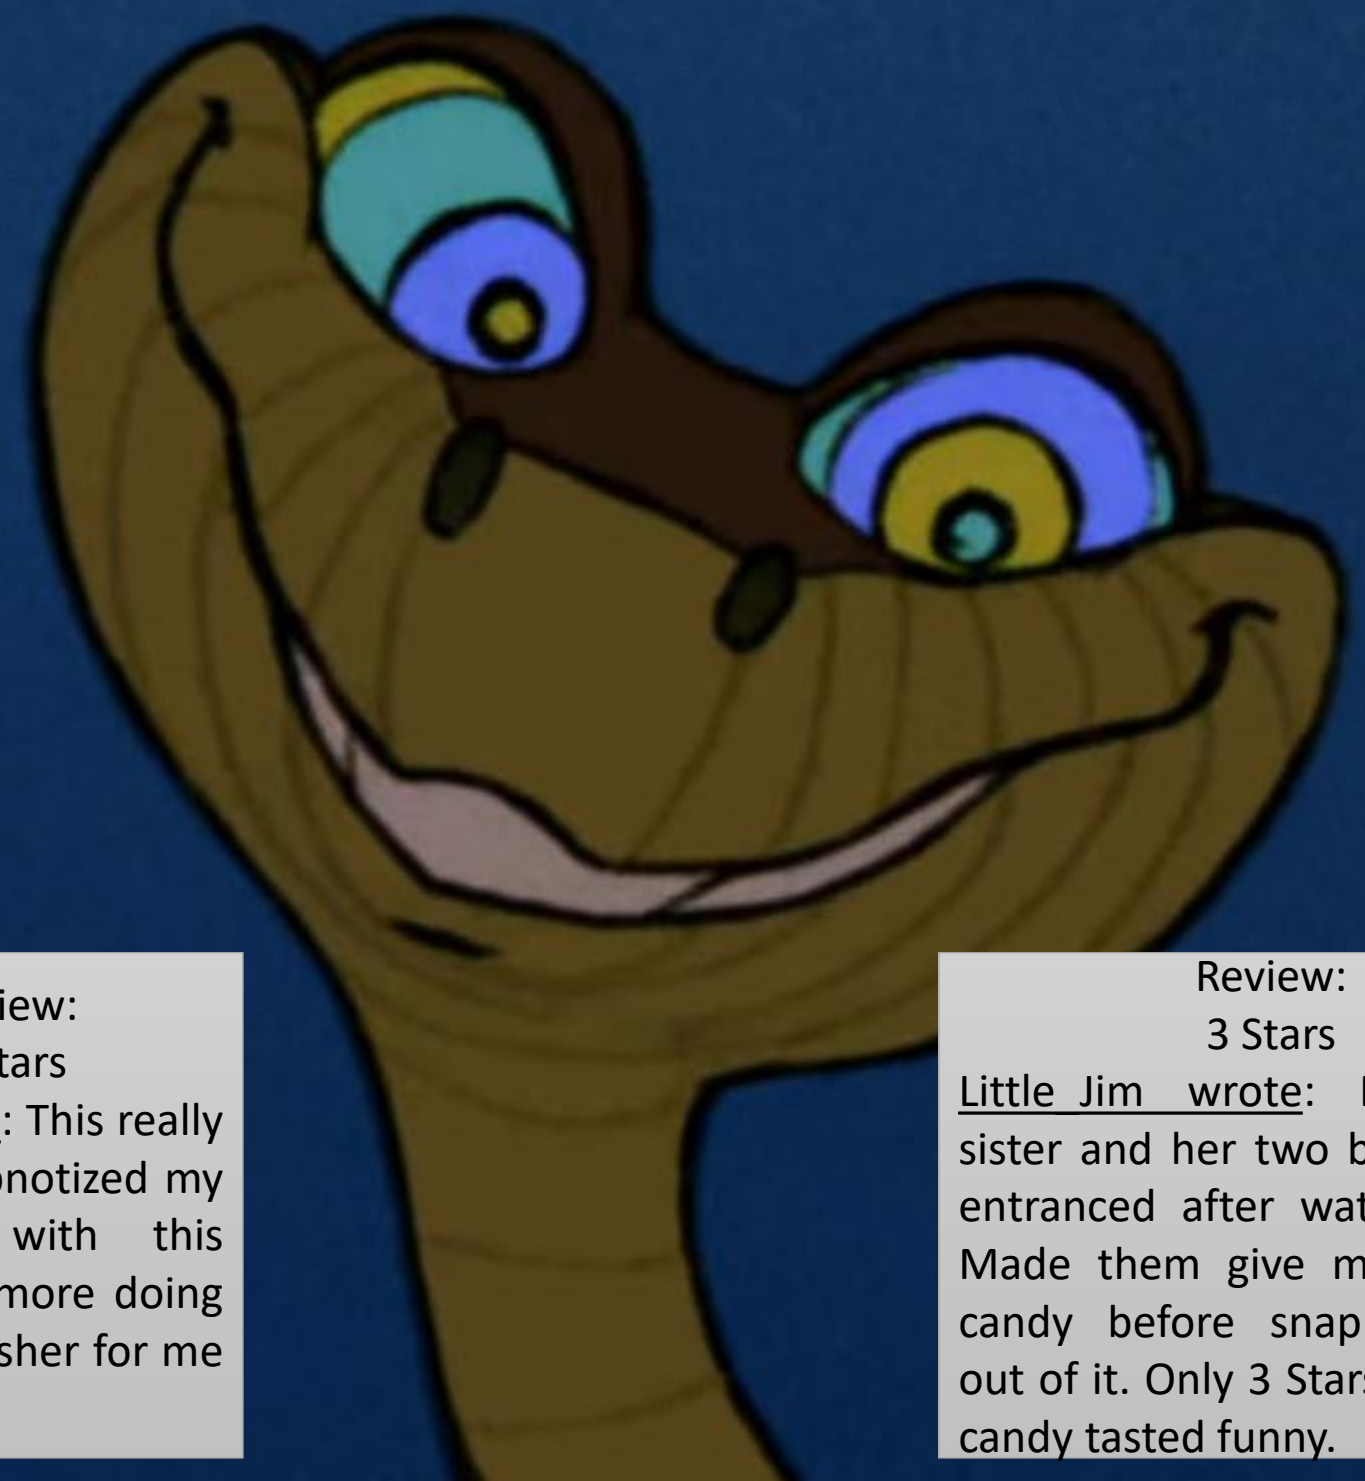

The rating is actually not bad.

Oh dear... These Reviews! You have to think bigger guys!

I'm so getting into Ally's panties if this works out!

Uhh
Popcorn.
Now that's
some cinema
feeling!

We think alike!
Movies and
popcorn just
go together!

When we are
alone, I just
call him
Master.

Alright. Nico
take the bowl.
I'm gonna
start the
movie now.

Guess it sounds
weird to others, but
somehow it suddenly
felt like a really
good idea to call him
Master...

Nicole's
too long
for him.

Nico?

So cute.
Already
nicknames for
each other.
What's his?

That's...
too much
information.

Nice ass though!

Ally!

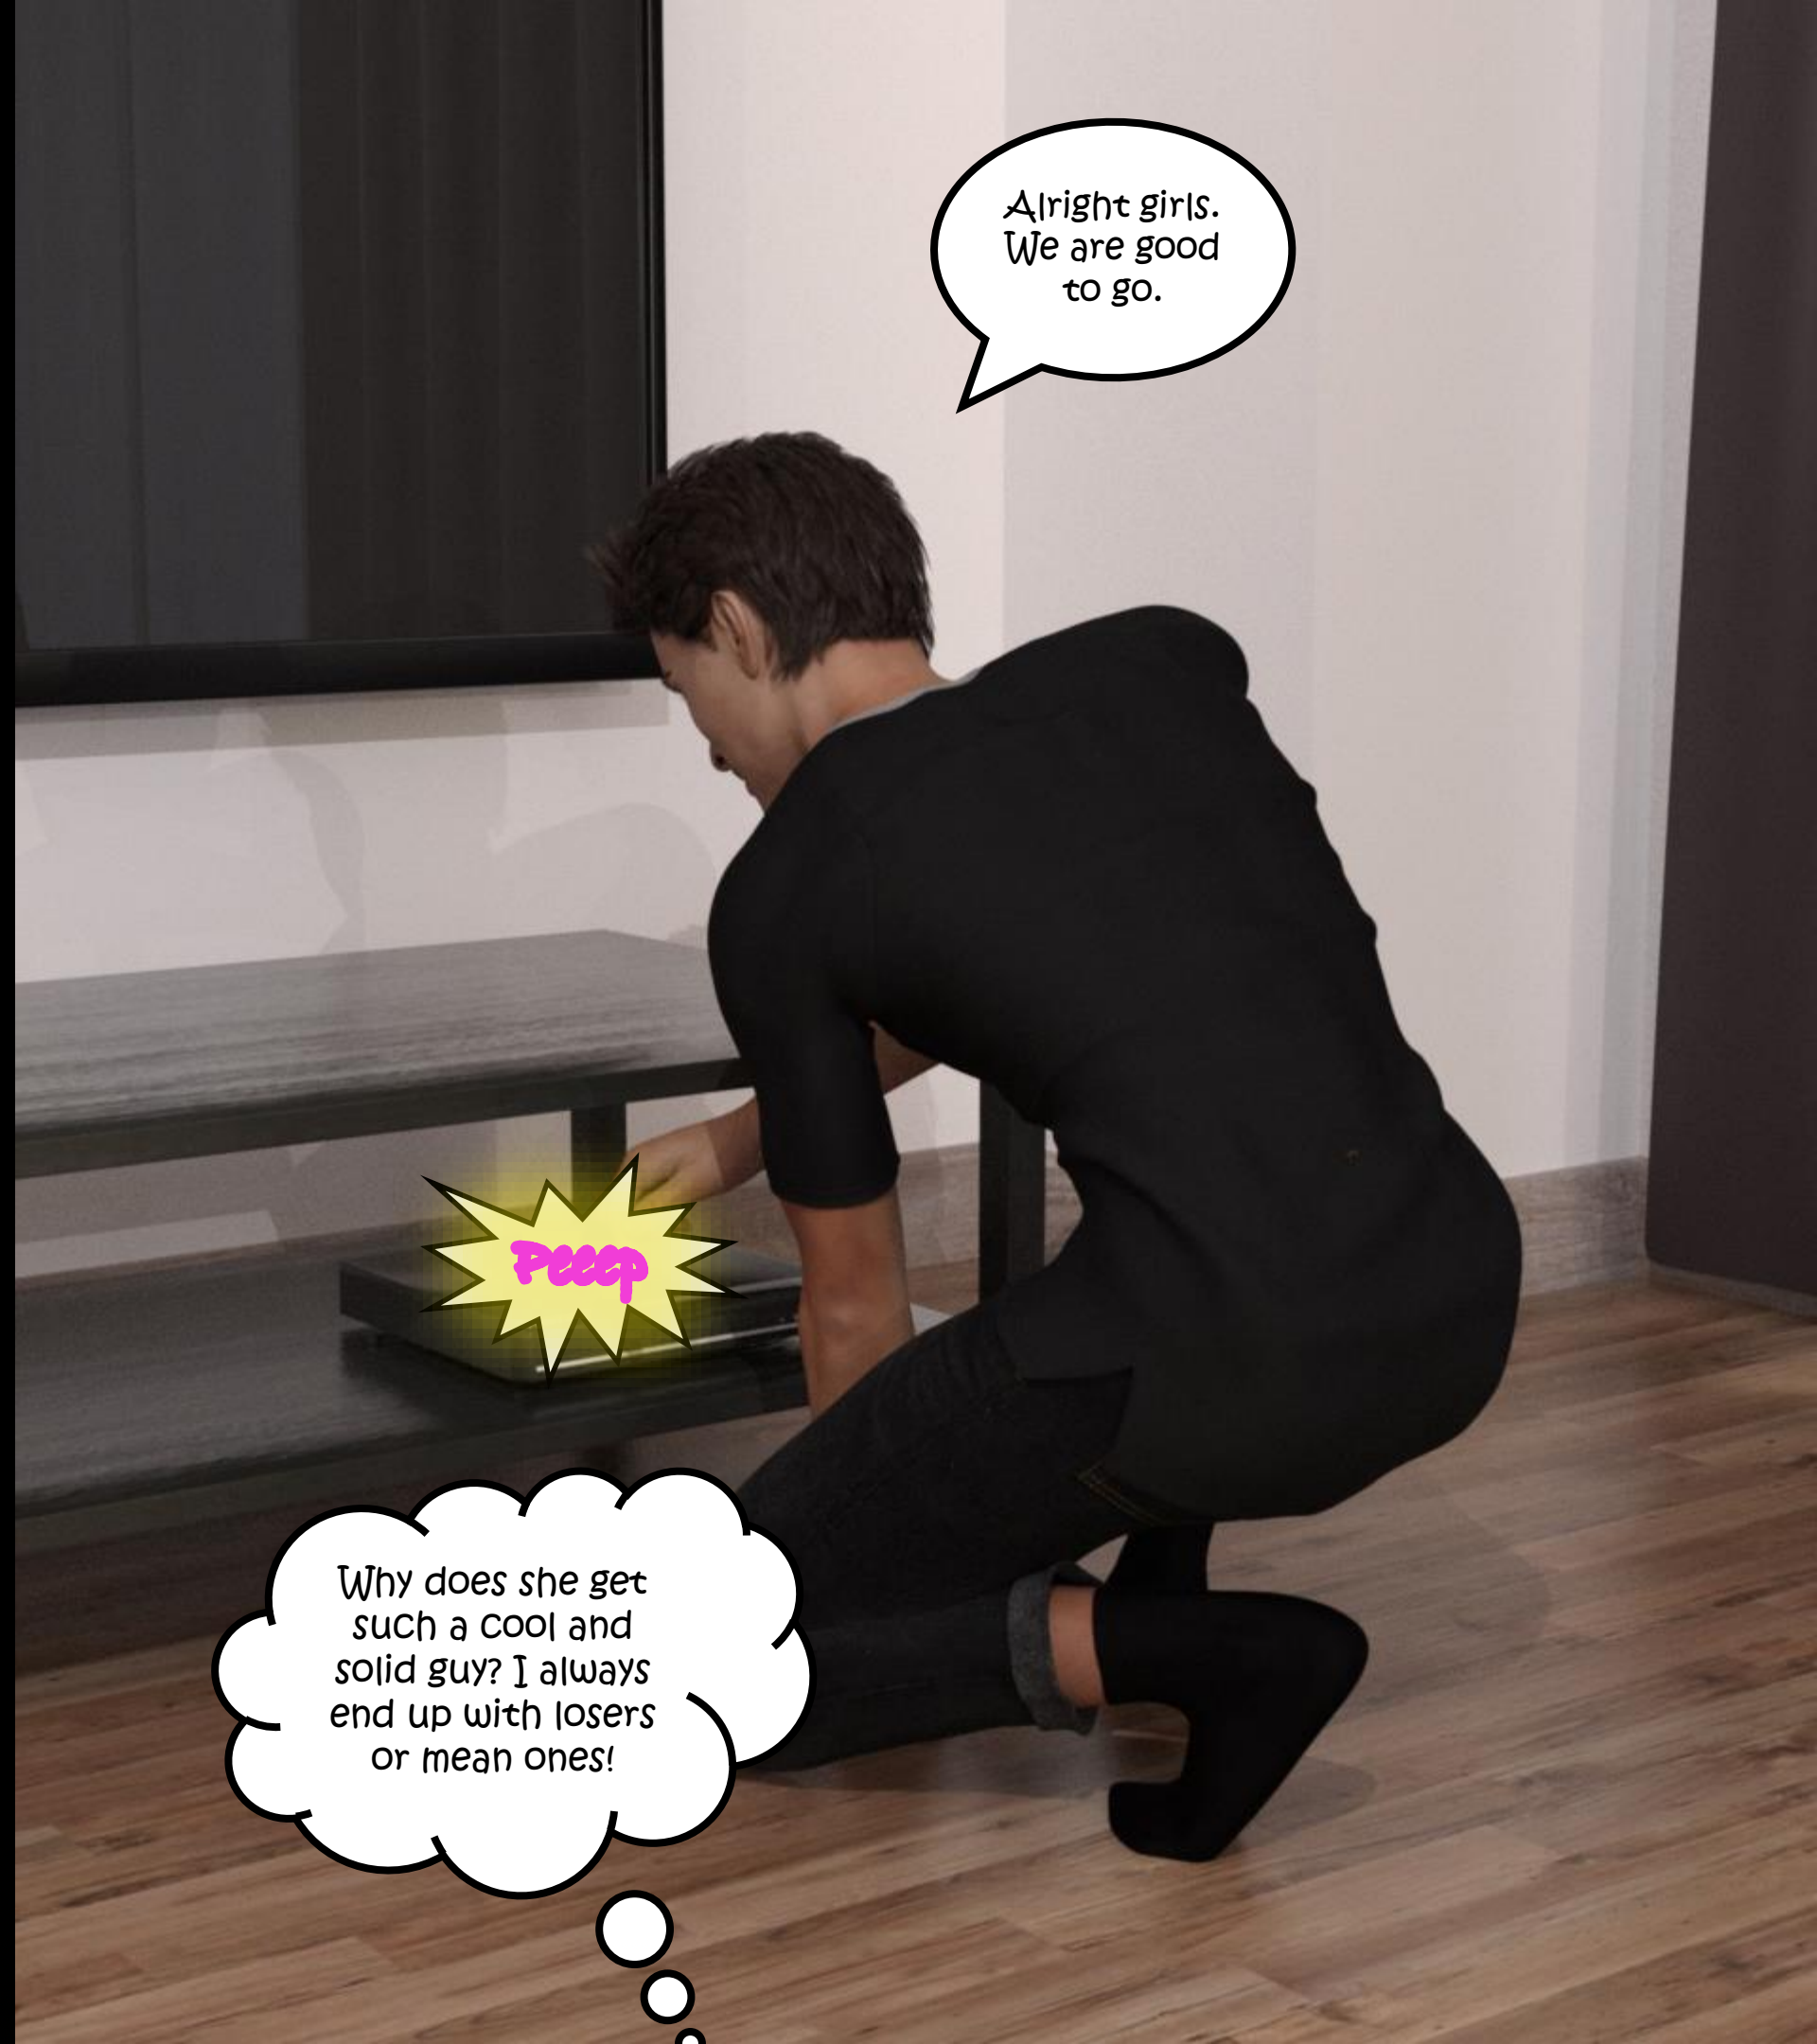

Don't worry. I'm not that desperate. Won't steal a boyfriend from you.

I guess you are. But still, I'm blonde! Boys like blondes!

Ha-ha-ha.

Oh, shut it! Redheads are so much more special!

As if you could! I'm a pretty good deal!

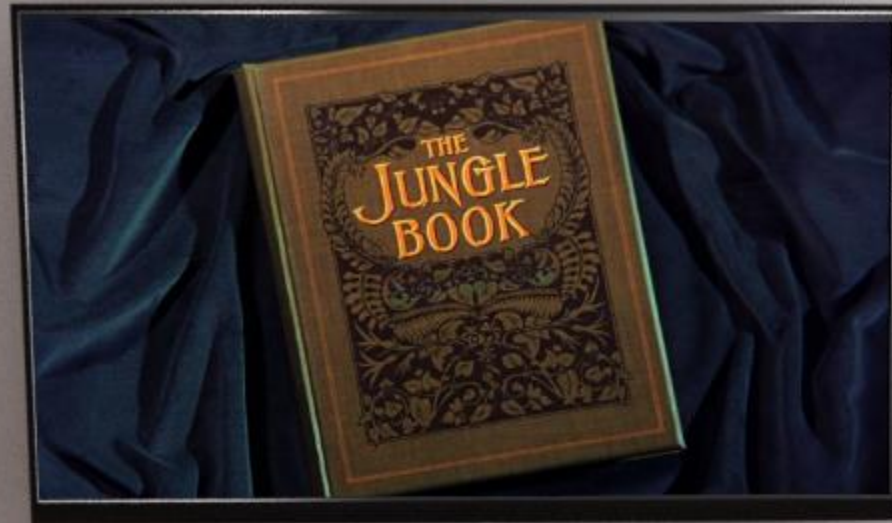

Alright girls. We are good to go.

Why does she get such a cool and solid guy? I always end up with losers or mean ones!

Wohoo!
How nostalgic!
It's been ages
since I've seen
the original.

Still can't
believe this
was created
1967!

It's really that
old? And you
found a special
version of this
movie?

Uh... Yup.
Probably some
geek let an AI
Algorithm improve
pixel quality to
blablabla...

Okay enough
with the tech-
talk now. Movie
watching, Now!

Shit! Quick!
Think up some
tech-mambo-
jumbo!

Okay first Kaa scene coming up. It's better if I don't watch this!

Oh no, we are out of popcorn. I'm gonna make some more.

Shh!
It's getting exciting!

Is the screen suddenly flickering a bit more? Meh, I guess it's just an old movie.

Fail!
Damn it!

Guess I should
not trust some
cheesy web
page!

Ha-ha!
Gotcha! I
knew you'd
be into that!

Yeah. Eh.
Ha-ha. It
was just a
joke.

Woohoo. Can
you hear me?
Will you obey
me? Ha-ha

chuckle

I hear and
I obey.

No way...

Erm.. Ally?
It's not fun
anymore. I already
did that. You can't
just copy my joke.

Obeding
is fun.

Stop it!
Do you
hear me?

I hear
and I
obey.

Really?

Now act like a chicken!

What? That's basic hypnosis stuff!

Bwok
Bwok

She might still be pretending though...

You are right. We need to go further.

Ally, Strip!

Nice bod!

I can't believe she's really under! This is hilarious!

Alright. I guess that proves it!

That's a bit much... But I guess it proves she's really under. Not even Ally would strip in front of a stranger that fast...

We can't be sure yet.

Ally, go down on me!

Oh yea!

Oh my god she's really doing it...

Is he going to stop this soon?

I can't believe this! I can't believe him!

Ally!
Stop this immediately!

What were you thinking?!

Are you fucking kidding me?!

It was just a test if...

Oh, stop it! We are together for not even a week, and you already go after my best friend?!

You are just like all the other men. You're an animal!

Please Nicole for... I request that you forgive me!

I guess... it's a good idea to forgive him...

He'd probably have stopped any second on his own...

And it was a good test to see if she was really under...

Alright. You're right.

I guess I was overreacting. I forgive you.

Thank you. Now let's sit all back down and watch the scene once more.

What?! But that could hypnotize us as well!

Don't worry. I'll keep my eyes closed.

I just request, that you watch the scene once more and focus all your attention on it.

I hope this works even with the lights on...

I am happy.

I guess it's a good idea to watch this scene again with full attention.

I do trust Dylan. That bj thing before was just a joke. I can trust him! And I guess it could feel really good...

letting myself go... Giving him control over me...

So sleepy

...

Now girls.
Are both of
you in a deep
trance?

We are in
a deep
trance.

Alright. Ally.
Why don't you
start
masturbating.

Obeying is
fun. I will
masturbate.

Her request trigger
already gave me
some leeway with
her, but now I can
mold her into the
girlfriend I always
wanted!

Ha-ha-ha!
Muhahahaha!
It worked. It
really worked!

...

Moan

Squeeze

rub

So, Nicole. You are not the jealous type.

Not jealous ...

Actually, you love me having sex with other women.

Love having you fuck other women.

And of course, you'd love to join in. You love threesomes.

Love threesomes ...

You like fooling around with other women for my pleasure.

I like... For your pleasure...

Great. Now please go down on Ally.

Now isn't this great Ally? You love doing dirty stuff to get me hard.

Love... doing dirty stuff... for you.

Moan

You'd love for me to join you.

Alright! Time for some action!

I'd love... for you to join in...

Lick

slurp

Oh yeah.
You feel
fantastic
Ally.

Keep kissing!
You girls are
driving me
crazy!

Smooch

After some clean up Dylan has the still hypnotized girls rewatch the scene, just to be on the safe side and to prepare them for more reprogramming.

So, when I wake you up you won't remember any of this.

And you, Nicole, have decided that I am your everything.

You live to make me happy. My happiness and pleasure is the most important thing in your life.

From now on you will not only call me Master when alone, but I'll really be your Master - Owing you completely.

You'll just remember we had a lovely movie night.

Ally, you actually enjoyed it so much, you'll want to join us every Wednesday for movie night.

And you find both of us very attractive. You'll give it your all to seduce us into having a threesome.

We hear and we obey.

Great now get dressed.

After Dylan had the two girls snap out of their trance they had a short and lovely chat but then it was time for Alley to head home. Dylan accompanies her to the door when she suddenly starts to act strangely.

Uh...
What is she doing?

Shit!
This is supposed to look sexy! Now I almost fell over!

You know...
It was a lovely evening.

So, I was wondering... Maybe next time... we could do more than just movies...

Alright! Did it!
Now be sexy Ally!

If you know what I mean... Here. Please take these. So, you remember me until next time *wink*

I'm so happy he accepted my panties!

Now I just have to seduce Nicole, then we can have a threesome!

Just thinking about it gets my panties wet!... Oh! Right. No more panties on...

I better get home quick!

sniff

Hey, Dylan. Is she gone?

Yup.

Right, right...
Hey, do you happen to know any other cute girls I'd like?

No, I'm sorry Master. I don't have any other female friends that would meet your standards.

But Ally knows a lot of people. I'm sure she knows some sexy girls. Also, I know for sure she has a cute little sister that recently turned eighteen!

Alright, I'll keep that in mind.

Blowjob now.

Then may I tempt you to join me in the bedroom, Master?

It's too bad you were not able to have your way with Ally today.

But I'm sure I can convince her to join a threesome, next time, Master!

Yes, Master!
At once!
Pleasing you, is my pleasure!
