

Office Party – Scene 06 – Part B

Charlotte's Plan

Snap

According to Lucine overheard Julie, she played a crazy game with Sayo and Isa ...

And if Lucine's inference is correct, there is a high chance the rules of that game still apply...

I could have sent Lucine to verify... but if this works... god I'm already hot for some asian pussy!

This house... that's a lot of glass... How can anybody live in the open like this?

I mean okay the glass is not facing the street and the garden is well hidden, but anyway!

Ah there she is.

OMG. Why is SHE here?

No don't worry. Don't you remember? You invited me over.

I did? Sorry it must have slipped my mind. When did I do that?

Sayo, remember inviting me over.

Ah yes of course. I did. Sorry. It kind of slipped my mind! Please come in!

I certainly did not!

Oh, my she's right. How could I forget inviting her over?!

Sayo, your boyfriend is on a business trip, correct?

Forget about him.

Hey, Sayo. Are you seeing anyone right now?

Oh Sayo! No, you did not my love. **Remember, I'm your girlfriend!**

Yup. Until next week. Why?

That's a bit personal, but no. I'm currently single.

Sorry Charlotte I seem to be kinda confused right now.

Did I say why I invited you over?

Well duh **flirt**
Why would I invite
my gorgeous
girlfriend over?

Bedroom's
upstairs.

You
coming?

This is working
better than
expected!

She's probably
feeling neglected
cause her BF is
out a town.

And now she is
projecting her
longing on our
"relationship"!

I guess it's trending? Maybe I should get one as well? Feels kinda nice to the touch.

Oh! Charlotte's wearing this panty thing I've seen yesterday in a store.

I never took Sayo for a girl who'd go commando... Maybe just at home?

So that's
another girl's
vagina...

Wow... I'm kinda
nervous. I don't
even know what
she likes...

I guess she
expects me to go
down on her?

Oh god. The
anticipation is
killing me.

I'm already
super wet!

I can't wait to
feel her tongue
on my clit!

I'm so sorry, Charlotte.

SOB

I know it's all my fault!

I've invited you over...

I really thought I could do it!

SOB

But I can't. It's just... I don't... I don't like... Oh god...

SOB

SOB

Yes...

SOB

Calm down, dear.

It's okay.

Talk to me.

What lays on your heart?

You don't like eating out a woman?

I'm sorry... But when it comes down to business... I'm into cock. I'm just not attracted to...

We don't have to have sex, if you don't want to.

But please listen to me for a moment.

Shhh!

I know that feeling. Trust me. But Sayo, listen to me. Just remember how you always fancied other women's curves.

Remember that you are infatuated with breasts. Remember that you love female breasts. Especially my big round mounds.

Forget any happy thoughts you have about cocks.

Remember that you always dreamed about making love to woman, when you were in bed with a man.

Remember, that deep inside, you've always been a lesbian.

Remember that you only had sex with men, because you wanted to fit in.

There was a bit of awkwardness after their talk since Sayo could not understand what went wrong with her just moments ago. But she insisted that she wanted to try again. And so, she did go down on Charlotte who was finally able to enjoy Sayo's tongue on her clit.

I'm so lucky. I have a girlfriend with gigantic fake tits! I'm loving them!

I hope she does not think mine are too small...

Maybe I should get mine enhanced as well?

This is not bad at all!

I'm loving it!

The taste, the smell. It's like I was always meant to do this!

Thank you, Charlotte! Thank you for putting up with me!

Oh Yes. Just like that!

You make me feel so good!

Oh! This is heaven.

Oh wow! This is so much better than... everything I've experienced so far.

Charlotte's so good at this... I wonder how many women she had already...

SLURP

Mhhh!

Ah! Charlotte. You are a goddess!

Oh god Charlotte. You taste amazing! Thank you for becoming my girlfriend and showing me this world!

Oh god that feels good. I think I'm going to... Yes! Cum!

Mhpf!

Mhh!

Ahmpf!

Still not into the taste. But she makes really cute noises!

But tell me the truth. Did you really have an orgasm?

I want to make you cum real hard!

I love you to.

Charlotte. That was amazing!

I love you. I love you so much!

Uh. Of course, I did cum! Your tongue felt amazing down there!

Did you not feel my whole-body shudder?

Charlotte?
Oh, Charlotte!

Your tongue feels
awesome. But I
don't think I can
cum again so soon.

She's so beautiful.
But I'm not that
multiorgasmic...
How can I stop her
without hurting her
feelings?

Challenge
accepted.

Behold my
secret trump
card.

Oi Sayo!
You, okay?

There she is.
Welcome back girl.

OMG! I've never
felt such intense
pleasure in my
entire life!

That's
great isn't
it!?

Oh wow. I'm basically controlling her orgasms!
What a thrill!

I love being in control of such a cute girl!...

Although... having such a strong orgasm seems like a pretty good deal as well!

Oh, how I love seeing your squirm in pleasure.

YES!

Oh god!!

Uh!

Uh!

I'm cumming!
I'm... I'm...

Oh YES!
God YES!
Ahhhhhh!

And we will.
But first you
need to calm
down.

But these
suggestion. For me
it's just an orgasm.
But who knows what
the others are going
through right now?!

Sayo, forget
about the
trigger.

Forget about
the suggestions
being active.

Forget I have
something
written on my
hand.

Remember it was
all me pleasuring
you that brought
you to those
orgasms.

Charlotte enjoyed cuddling with her new toy and stayed the night - Sayo was happy to have her.

OMG!
I can't believe how
hard you made me
cum, Charlotte!

I never came this
hard... nor this
often!

Charlotte, you are
awesome. I feel
like the luckiest
girl alive with you
at my side!

Ouh, come
here you
cutie!

Sunday Morning.

Yes, I'm sorry. There is a lot to plan before Monday.

You sure you have to go already?

I... just hope we can do this again.

I guarantee, there will be lots of opportunity in the future

But before that...

Alright Sayo, forget about me being your girlfriend. And remember your boyfriend.

See you there.
