AVOID

You're gonna die poisoned
by four feet of steel!

- > **Is your sword THAT tiny?**
- > I've already had breakfast, thanks.
- > Hey, I know this line, plagiarist!

You fight like an
old zombie gardener!

- > **BRAINZ!**
- > That's so appropriate! You fight like a sunflower!
- > You are a talky person, aren't you?

Judging by your face,
I'd say we've met before.

- > **I got my tan from your shiny rookie armor.**
- > Nice gloves. Pick yourself up after the fight.
- > Steel marks flesh, but flesh cannot mark steel.

! RISE AND SHINE - Wake up in the tavern

A medieval tavern scene with a sign that says "Castle Siege". The tavern is filled with various items like swords, axes, and a large fish hanging from the ceiling. There are several people in the background, including a man in a red hood, a man with a beard and a horned helmet, a woman with a sword, and a man with a shield and a horned helmet. The scene is set in a wooden building with a large arched window.

Castle Siege

You've already told us that story. Move along, mate.

I bet he just can't.
He only looks this rad.

- > Come on, just one trick.
- > **Are you scared of my bravery?**
- > Uh, boring.

Negatory. Though you're acting like a typical hero. Wandering around. Asking endless questions.

- > I'm just healthy and curious!
- > Are there any epic swords around here?
- > Back to wandering around then.

...and keep talking to me.
I won't tell you anything about this place.
Nor will I buy or sell items.

- > Oh, so you have an axe in your stuff?
- > I could sell you a flying talking skull...
- > I'd better go.

Annoying. So annoying. Heard that you vikings love shiny things. Will you let me be if I give you some?

- > Something to silence my undead mate?
- > **I hope it's not cursed or something?**
