

Dyland and the Irresistible Potent Penis Potion Part 8 – The Interview

Hello viewers!

I'm Irene Fortune from Channel 69 and today we are talking about the Endgame of Dylan and the Irresistible Potent Penis Potino!

With me, in the studio today, is **Serenity Tate**, a young upstart model at **HexxetsMagicComics** who'll be playing the main role in the final part of this iconic series.

Hello,
Serenity.
Thank you
for coming.

Heyho!

The IP³-Series was
the first Side Story
ever created by
Hexxet more than
a year ago.

What can you
tell us about the
Endgame and
are you thrilled
to be part of it?

Oh, I'm super happy about being able to star in this series!

So far, I've only had a small side gig in "The Gift" and that's it.

I'm on stand-by for an upcoming side role in *The Lost Temple*, but that will take months!

So, yeah. I'm super hyped that I can finally give a display of my acting skills. And it's a great honor to co-star with the great Dylan in a series that even has his name in the title!

Errr... okay.
But... enough
about yourself.

Give us some
juicy details
about the story
already.

In the last instalment
Dylan had an incredible
foursome in the local
pub's restroom with three
super hot waitresses. One
of them his long-term
crush Nicole.

Will Dylan call
Nicole and invite
her on a date?
They just belong
together!

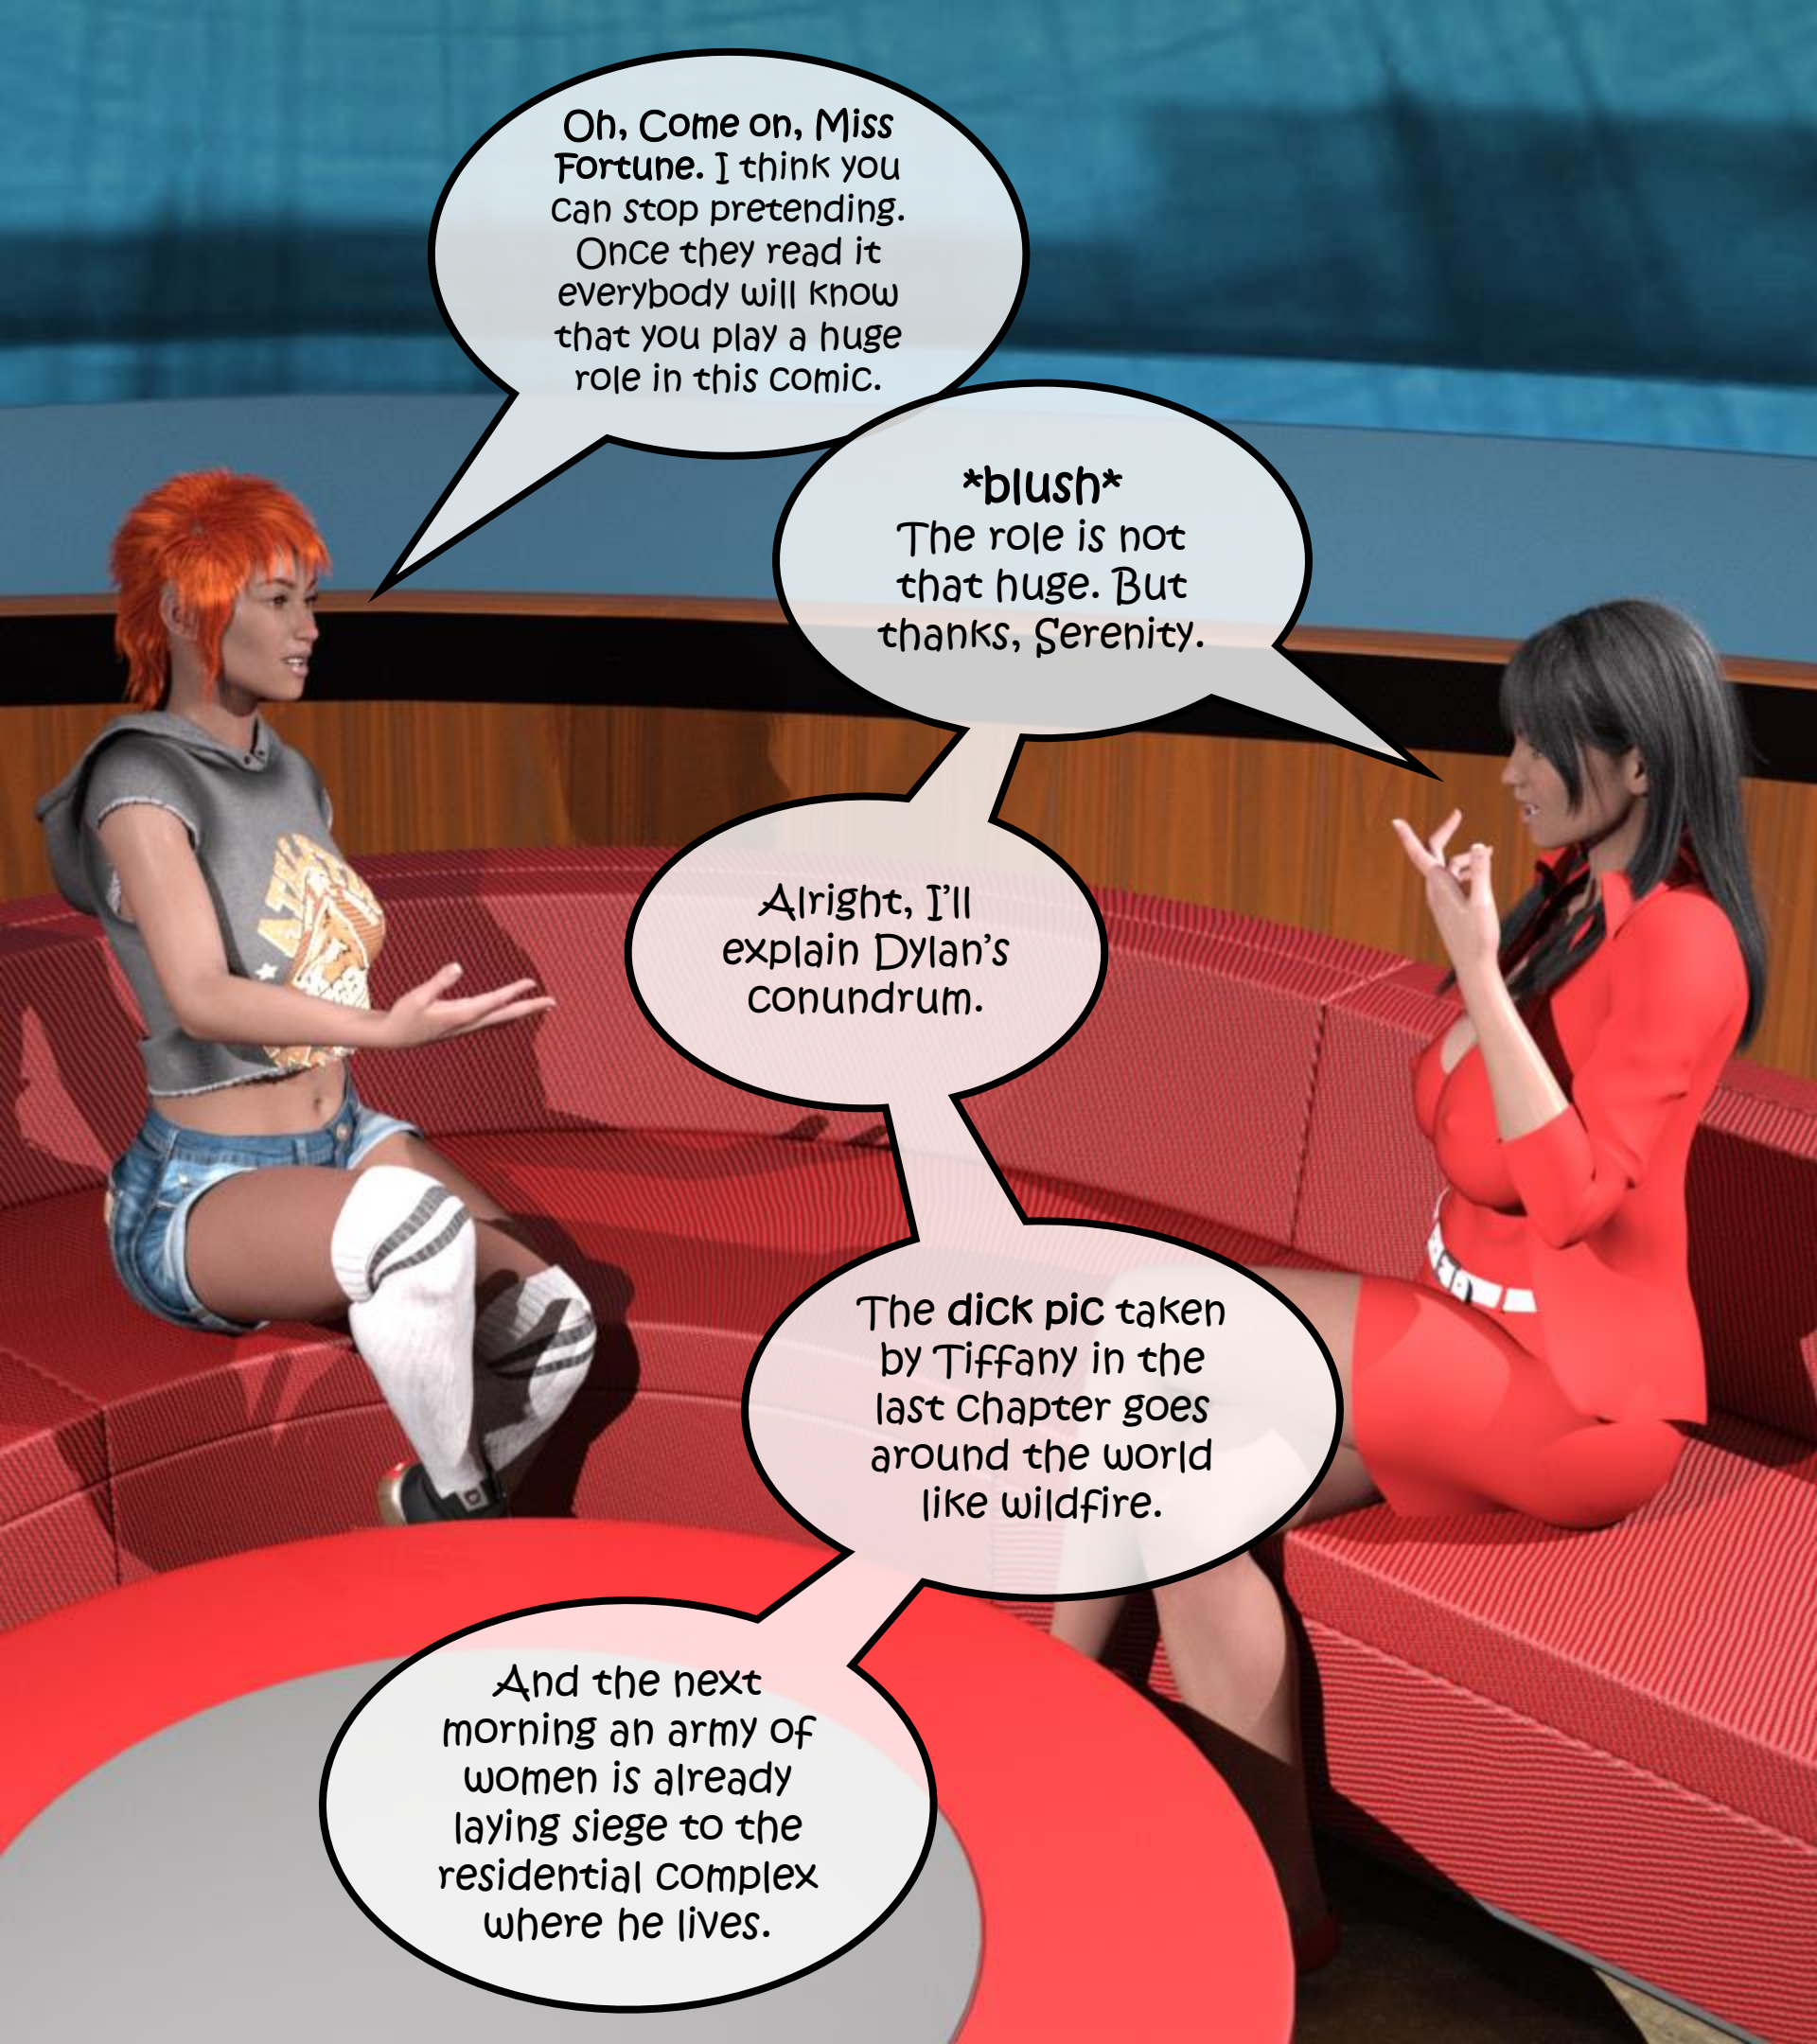

Miss Fortune, if this chapter was about Dylan dating Nicole, where would I come in?

Don't worry. Your hunch was correct. Dylan really is looking forward to such a date.

But Dylan is faced with a major problem that weekend.

I... but...

Oh, no! What kind of problem?

Oh, Come on, Miss Fortune. I think you can stop pretending. Once they read it everybody will know that you play a huge role in this comic.

blush
The role is not that huge. But thanks, Serenity.

Alright, I'll explain Dylan's conundrum.

The dick pic taken by Tiffany in the last Chapter goes around the world like wildfire.

And the next morning an army of women is already laying siege to the residential complex where he lives.

And that's where I
come in. While all
these women try to
penetrate the door
I'm at Dylan's side
and am there for
him.

Obviously!
This is still the
IP3 Series!

Stripping naked
and ready to
get penetrated
yourself, I
assume.

Alright!
Thanks for
the interview,
Serenity.

Dear viewers, if
you want to see a
dozen women
begging for Dylan's
magically enhanced
rod...

Or if you just want to
see how the story
about the magic cock
enhancement potion
concludes...
