BEST CHRISTMAS
EVER!

A woman with long dark hair, wearing a red and white Santa-style outfit, is dancing with her right arm raised. To her right, a blue-skinned elf with white hair and a red and green striped outfit is also dancing. The background is a dark, textured wall.

That night Angie's tits and ass grew thirty sizes, and they were perfect from every possible angle. The little perv couldn't be happier and more cheerful through the entire event, didn't let her playmate bored, not even for a second. The rest of the night had lots and lots more wobbling and bouncing, what happened next, you ask? That's a story for a different evening!

Merry Christmas!

THE END
