[Verse 1]

Am
She always has a smile
G D
From morning to the night
Am
The perfect poster child
G D
That was once in my life
Am
A doll made out of glass
G D
All her friends think that she's great

[Pre-Chorus]

Em D
But I can see through it all
C
And she's about to break

[Chorus]

Am G
Remember last year when you told me
D Em
To always stay here and never leave me
Am G
The light from your eyes made it feel like
D Em
We-e-e-e were dancing in the moonlight
Am G
Remember last year when you told me
D Em
To always stay here and never leave me
Am G
The light from your eyes made it feel like
D Em
We-e-e-e were dancing in the moonlight
Am G D Em
You-ou-ou-ou were dancing in the moonlight
Am G D Em
And I-I-I-I was dancing in the moonlight

Am
Now she lost her way
G D
And she forgets to smile

Never gets a break

From this life in denial

A doll made out of glass
