

# PHOENIX AND THE MEAN GIRLS

## A COMIC BY OVIDIUS-NASO

*The 3 gals on the bench, led by the center gal (alpha), insult Phoenix's appearance, specifically her curviness and wardrobe. Probably includes (misplaced) accusations of promiscuity*

*Alpha leaves off with something to the effect of "you should try to be more like me", then the 3 start screwing around on their phones (the side 2 are likely on voice calls with other mean girls)*

*Phoenix says something like "I think I'll take you up on your offer", magic between her hands*

*probably just the 3 gals gabbing and generally being horrible human beings (but not noticing Phoenix at all)*

*Phoenix may make some quips here. Alpha reacts with "hey, what the?!" followed by "gah", "ack", etc grunt sounds*

*The other 2 gals are still gabbing*

*Alpha Finally composes herself enough to speak (in shock again), probably something like "did she just..."*

Alpha groans, says something like "OMGee what's happening now?"

the other gals have noticed Alpha complaining, but start gabbing about her now ("she must have taken a bad selfie or something")

pain - shock - muted pleasure

GRUMBLE

NOPE

STRETCH

VA-VOOM!

*the other gals notice Alpha's new appearance but seem unaware of the magic (as if she had always been that way)*

*They start insulting her like they insulted Phoenix earlier (perhaps calling her "beefy" or "a cow")*

*The other 2 wonder why they were sitting with such a "loser" who they would never be friends with, and walk away*

*Alpha gasps as some new weird feeling comes over her*

*TODO: some magic effects here*

*Phoenix saying something about how it's too crowded in here*

*Phoenix "phew"ing and saying that's better, etc. Alpha whining*

*Phoenix says she's excited to try out Alpha's look, and she'll trade back later. She also tells Alpha to enjoy her new look and make the best of it, or some such. (Remember this is supposed to be a punishment for Alpha)*

**THE END**
