

**Happy Valentines
to my Crush**

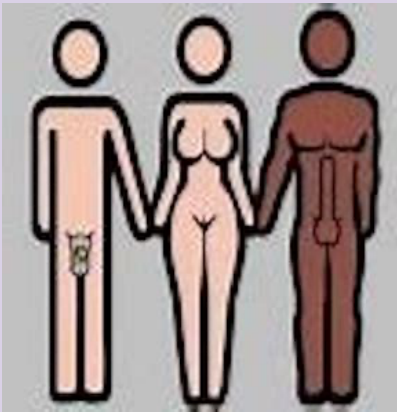

*Disgusting male behavior
I am so ashamed to be male
I am so sorry
Why do we do this...?
We don't deserve forgiveness
I must pay for these sins.*

*The patriarchy takes what it wants...
objectifying women...
Beta males MUST pay for
these sins of the past*

*As a beta male, I am embarrassed of
this behavior, because I did this not
knowing any better. Now I know...
and I must make amends...*

*Me... Your
sissy beta
simp
My penis is
for service.
My sex
belongs to
you*

*Your Alpha
Lover... His
penis is for
sex and
your
sexual
pleasure*

All Women are superior to me!

*My abstinence in chastity and celibacy is my
sacrifice to you to prove my self control and my
fervent devotion to you. My service to you is now
my sexual release.*

To My Amazing Crush

*I may not be able to date, kiss or love you,
I just want to be your trained beta simp.
You're not just a one in a million kind of girl,
You're a once in a lifetime kind of Goddess.
I want to worship you forever and always*

*The heart of love
is in the knowing
And as I know you
more each day
I know better than
the day before
How much I love you
but can't have you.*
