

Finally, the two of you have returned! We've been waiting here for ages. Did you both get caught in the terrible storm?

Aerin, why were you limping?

Oh, it's nothing serious. I took a longer route, my feet are just a little sore.

Staff member told us the storm was quite fierce; we feared the worst.

Sorry sorry for making you worrying! It's already getting so dark out here.

**BUT THERE'S NOTHING TO WORRY ABOUT!**

**WITH ME HERE, NOTHING CAN HURT OUR AERIN!!**

*Pull*

Right Right?! You can always count on me!

....

Oh? Haha,

You two appear to have grown closer. That's good news.

....

I'm curious what happened

What's gotten into you? People are starting to notice.

Huh?! Aren't we together? what's the issue?

*push*

...Uh Whatever!!! Don't draw unnecessary attention.

Keep your distance!!!

*Shove*

Speaking of which, Aerin, how's your foot earlier?

Did you hurt yourself badly when you fell?

Is it alright?

Ah Ah?

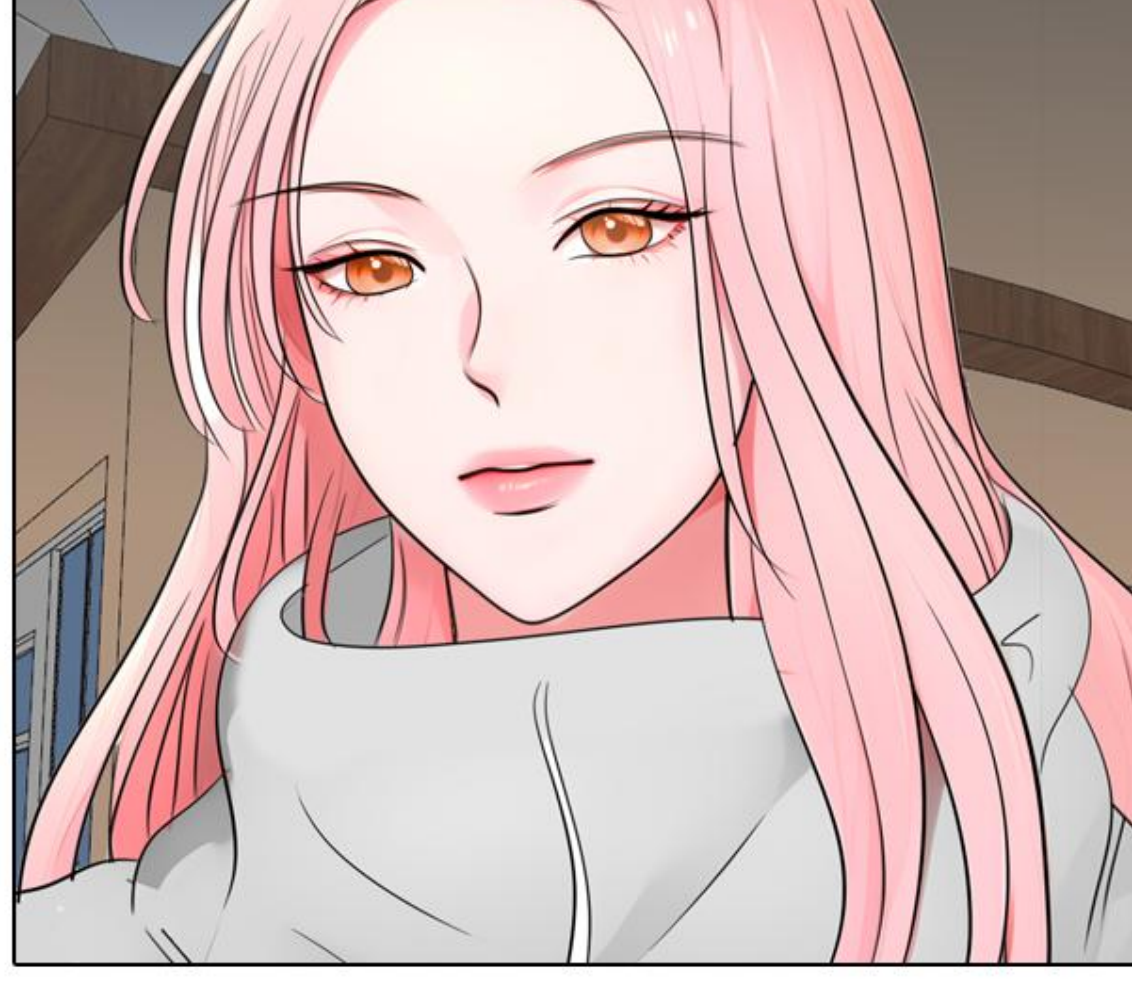

I'm Fine, really. Don't worry, unnie

And your beanie?  
It flew off when you fell, right?  
It's freezing out here; you really  
need to take care of yourself.  
We wouldn't want you falling ill,  
especially in this weather.

I know~  
I'll be more careful  
next time.

...

....

....

Sigh

I told you  
I'm okay!  
Don't you hear me  
well?

Yah Kim Jisoo!  
It's just a small  
scratch! This much  
means nothing to me

??!  
What are you  
doing?!

.....

Alright! So...  
Aerin's been crushing  
on this perfect  
someone for  
so long...

She's amazing..  
Like, excellent in  
everything

Prettier than you,  
smarter than you,  
taller than you,  
more considerate  
than you....

...Yeah...

And you still  
agreed to get  
back to her?!

Yeah...  
She says  
she likes me..

But Eunpa.  
I want Aerin to see me  
the way she saw this person,  
I wanna make her fall  
for harder for me?  
Do you have any idea?

Beg me,

Begging  
you

Well,

**SEDUCE HER!**

**NANIII!?**

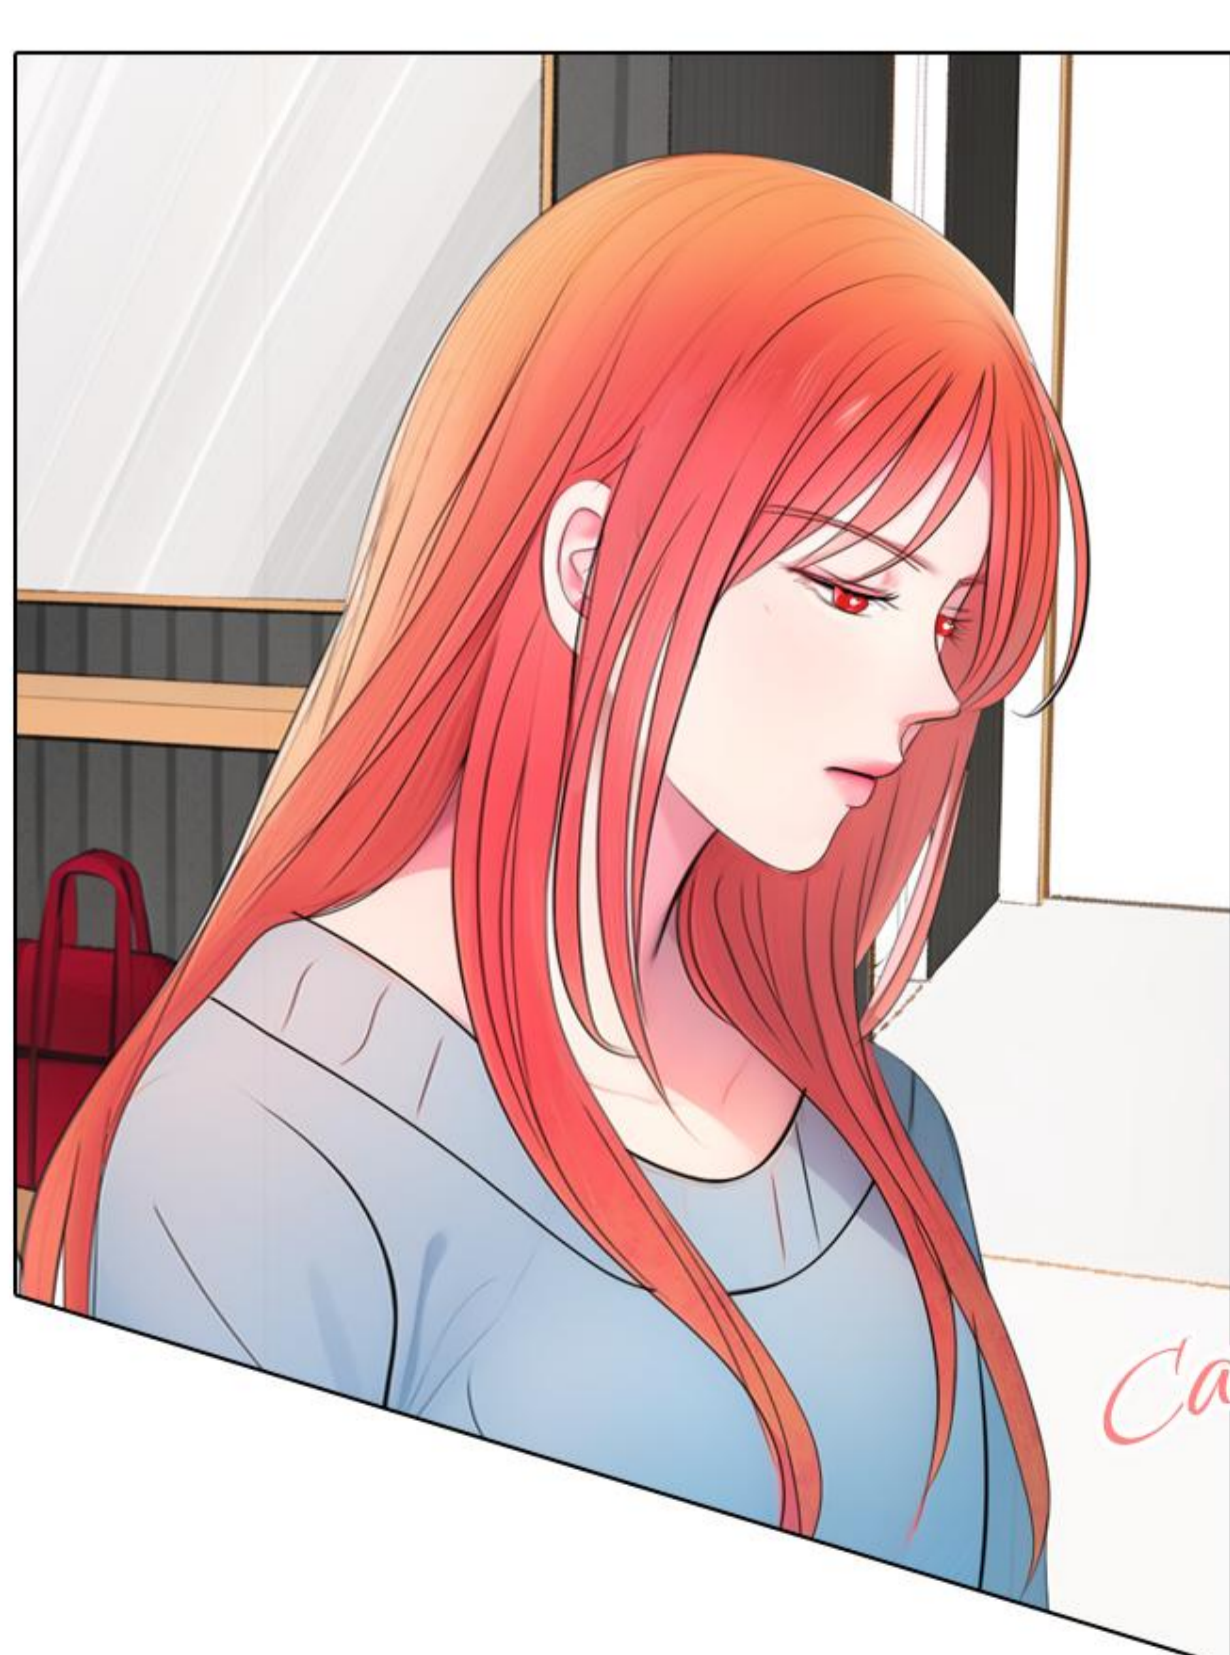

**AND IF SHE STILL  
DOESN'T CARE ABOUT YOU.  
THAT'S HER LOSS!**

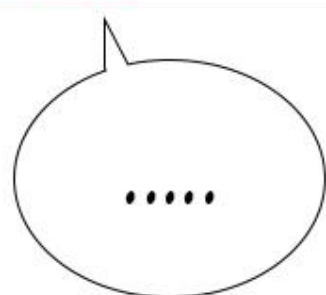

You Fell hard!  
I'm giving you  
a massage

*Rub*

*Caress*

*Press*

*Press*

Ah

I...FEEL SO WEIRD....!
