

MICHAEL HERRERA <> INDONESIA 2009 UAP/UFO

INTRO: US MARINE // 2nd Battalion/ 5th Marines

OPERATION KETSANA: HUMANITARIAN ASSISTANCE OPERATION

- An 7.6 magnitude earthquake and a tsunami hit western Indonesia
- Only his crew was routed to that location to provide support
- Indonesia has a large terrorist population - The Marine crew was armed and tasked to provide security along with medical and food supplies.

EYE WITNESS ACCOUNT: DIRECT ENCOUNTER WITH A MAN MADE CRAFT

- Had his camera on him and documented this encounter from 150 m away
- Noticed a ROTATING OBJECT along the tree line
 - The size of a FOOTBALL field
 - Transitioning colors // Very smooth surface
 - Octagonal shaped // Pyramid structure
 - Rotating clockwise and suspended 10-15 feet off the ground
 - No SONIC BOOM upon take off
 - Saw weapons being loaded onto this craft
- Intercepted by rogue American forces // no insignias // American gear and weapons
 - These soldiers made death threats to the 6 man crew observing the craft
 - Had advanced weapons

SABOTAGE:

- All 6 Marine team members had their phone confiscated
- Were debriefed by unknown commanders
- Herrera had his camera battery and memory card removed from his secure locker
- Forced to sign an NDA by an identifying Air Force personnel : threatened with death

CORROBORATION:

- The other 5 Marines who shared this experience has corroborated with Herrera's eye witness accounts
- They have not come forward due to fear and lack of protection and/are still serving in the military and do not want to jeopardize their career

DISCLOSURE PROJECT

- Has testified under oath the government UFO investigation team (AARO) and a Senate committee
- Has decided to share his encounter by new UFO whistleblower protections recently enacted
