

The Photoshoot

What the hell I am doing going along with this "prank"?

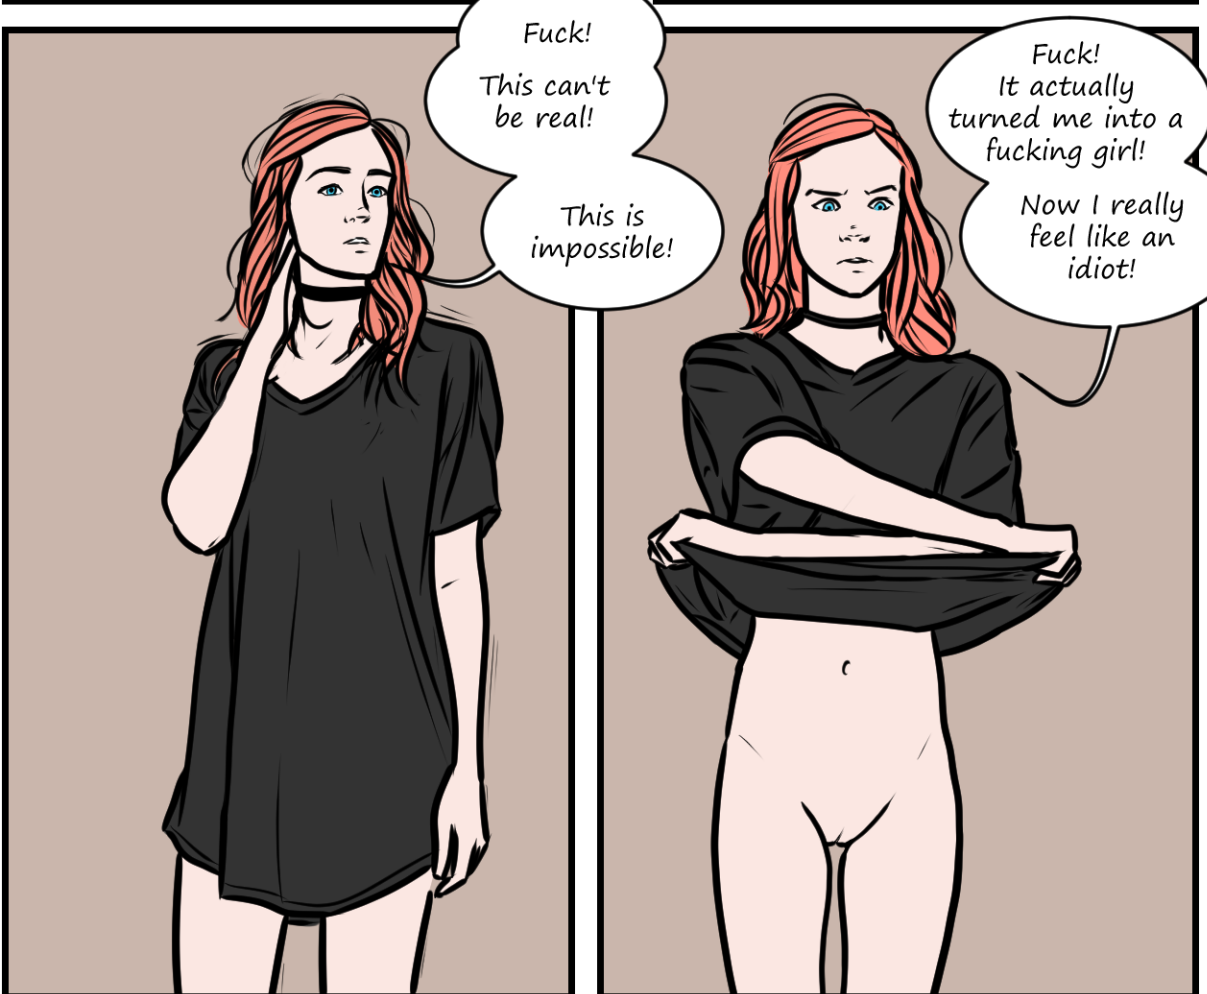

What is Ryan trying to accomplish here?

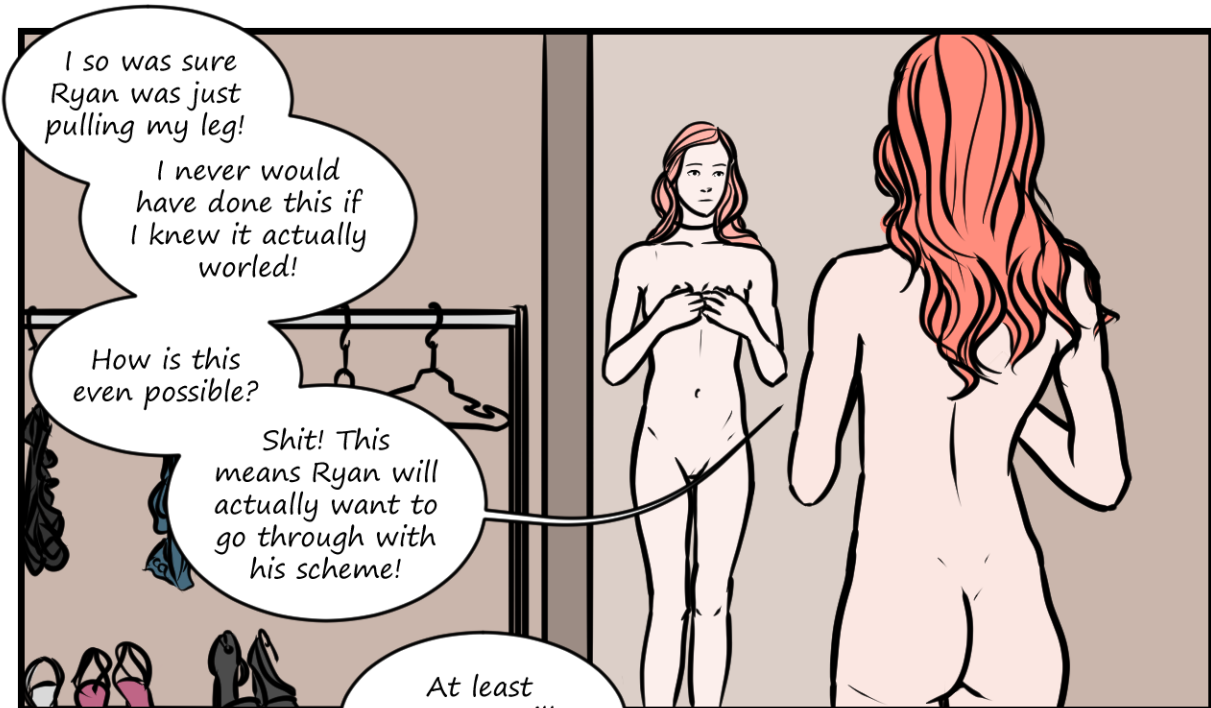

In two minutes I'll be back out there saying "ha ha, guess what, it didn't work."

I mean, there's easier ways to make me feel like an idiot.

Activato!

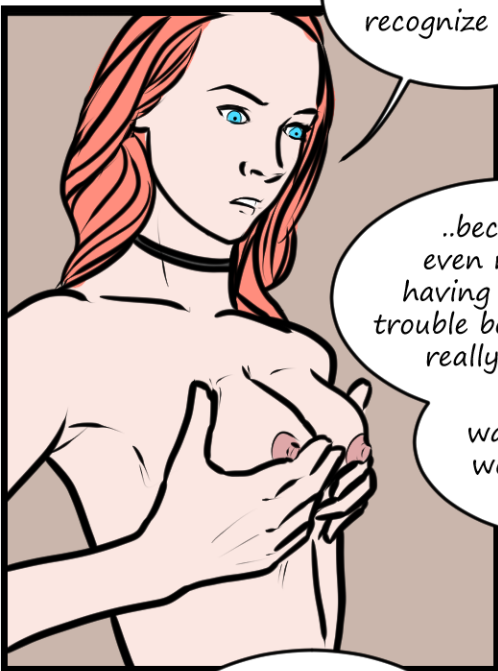

I so was sure Ryan was just pulling my leg!

I never would have done this if I knew it actually worked!

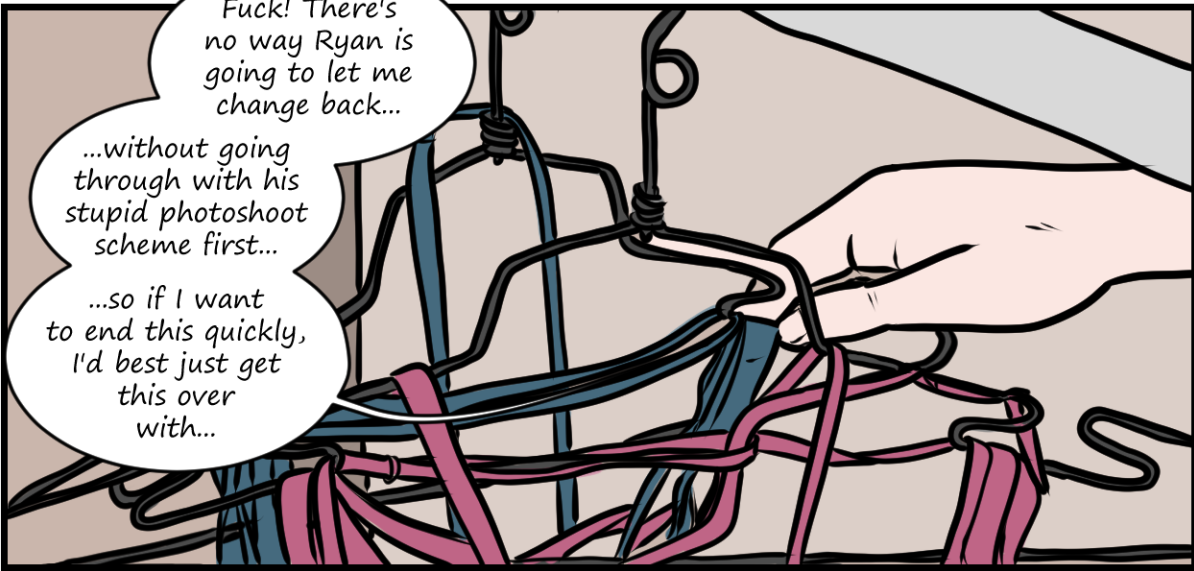

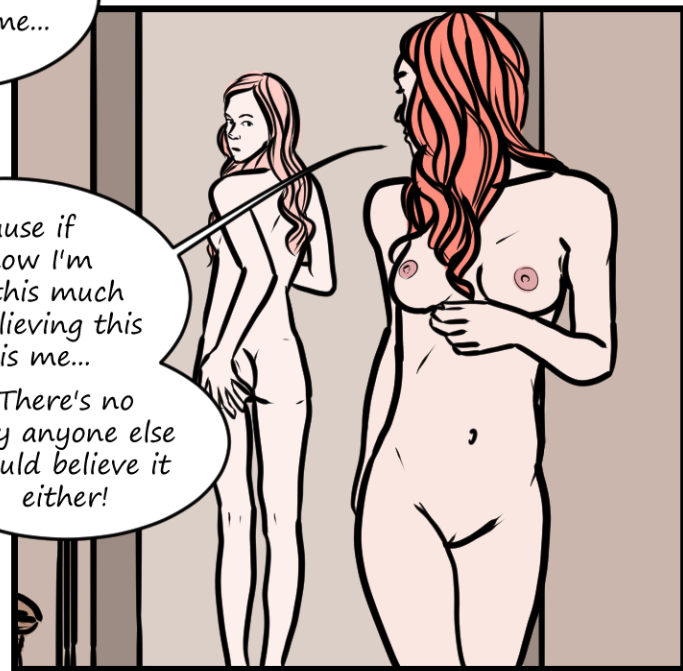

How is this even possible?

Shit! This means Ryan will actually want to go through with his scheme!

At least no one will recognize me...

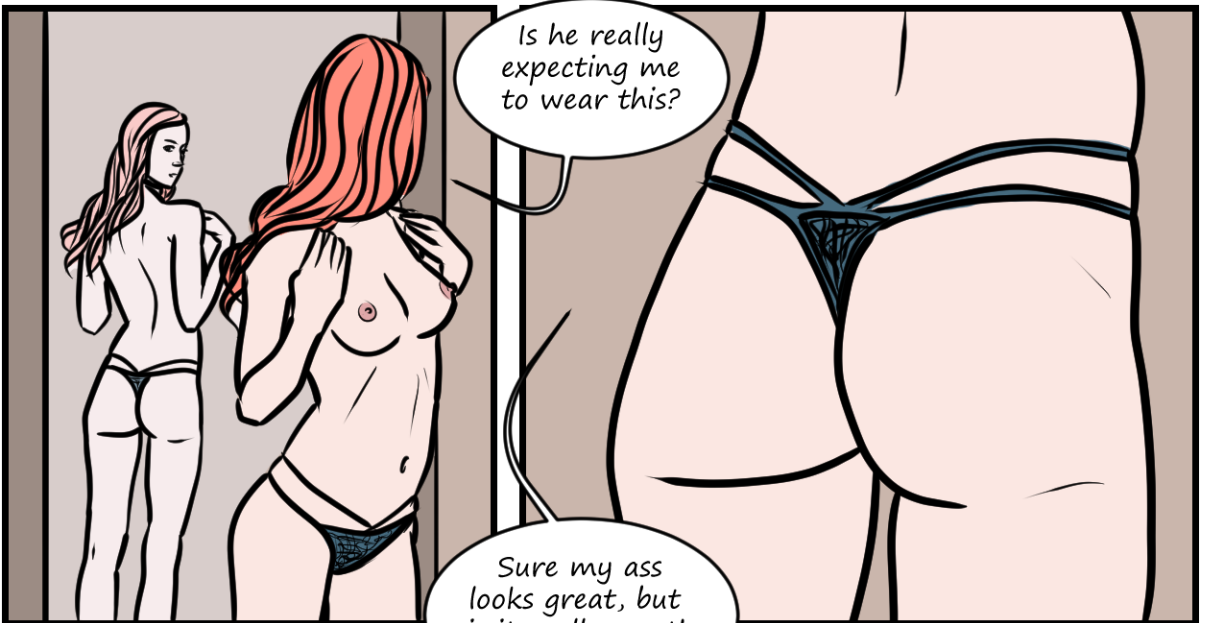

..because if even now I'm having this much trouble believing this really is me...
There's no way anyone else would believe it either!

Fuck! There's no way Ryan is going to let me change back...

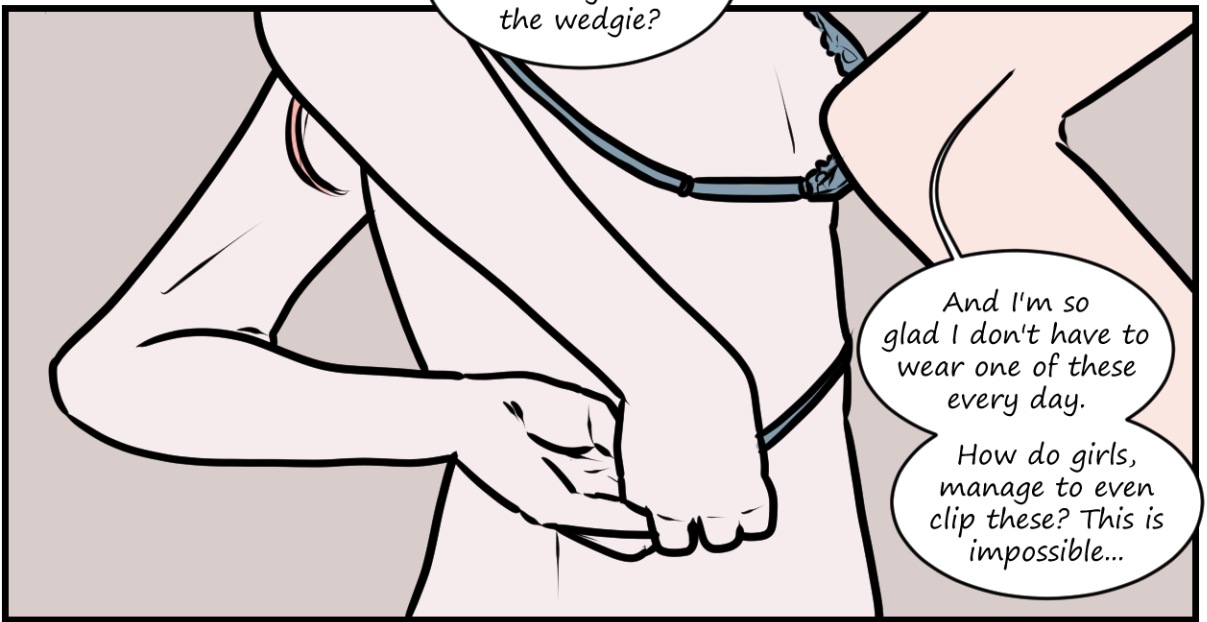

...without going through with his stupid photoshoot scheme first...

...so if I want to end this quickly, I'd best just get this over with...

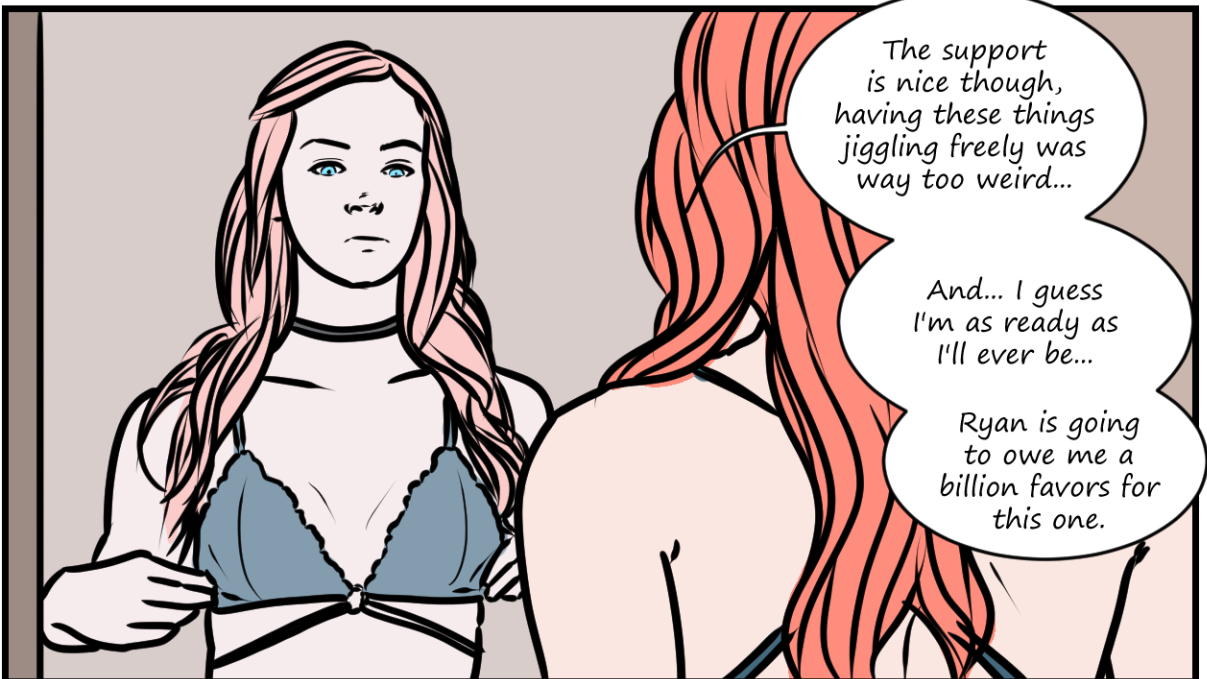

Is he really expecting me to wear this?

Sure my ass looks great, but is it really worth the wedgie?

And I'm so glad I don't have to wear one of these every day.

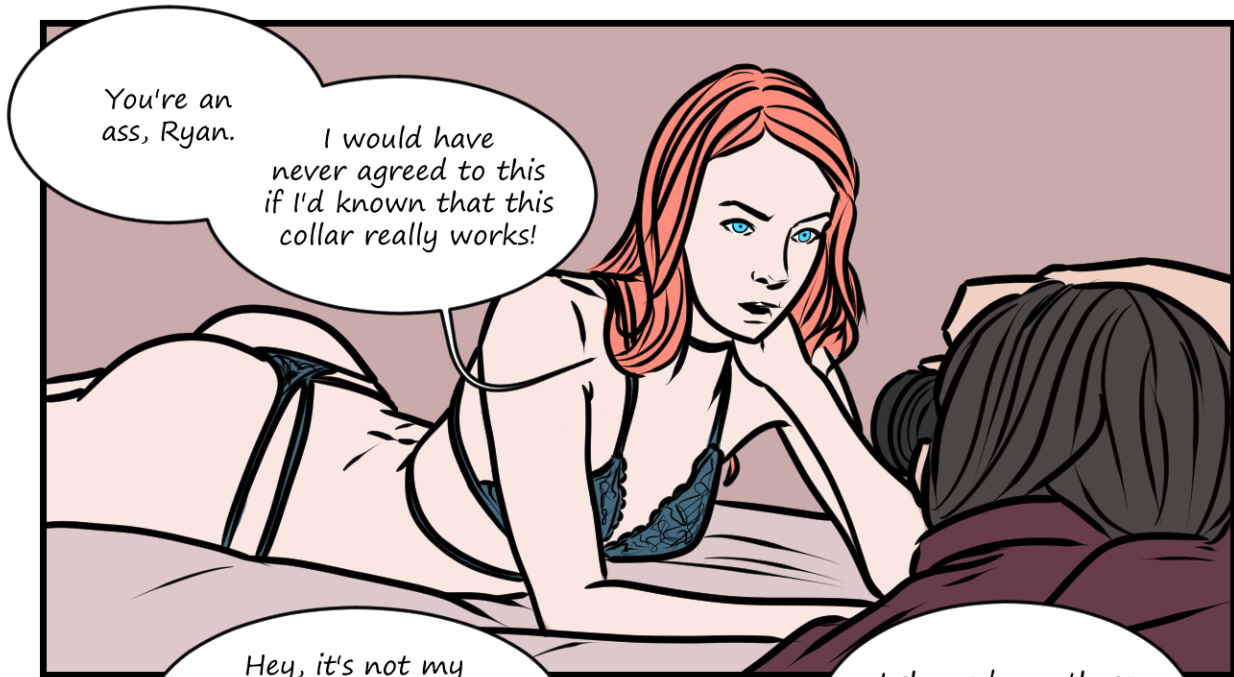

How do girls, manage to even clip these? This is impossible...

The support is nice though, having these things jiggling freely was way too weird...

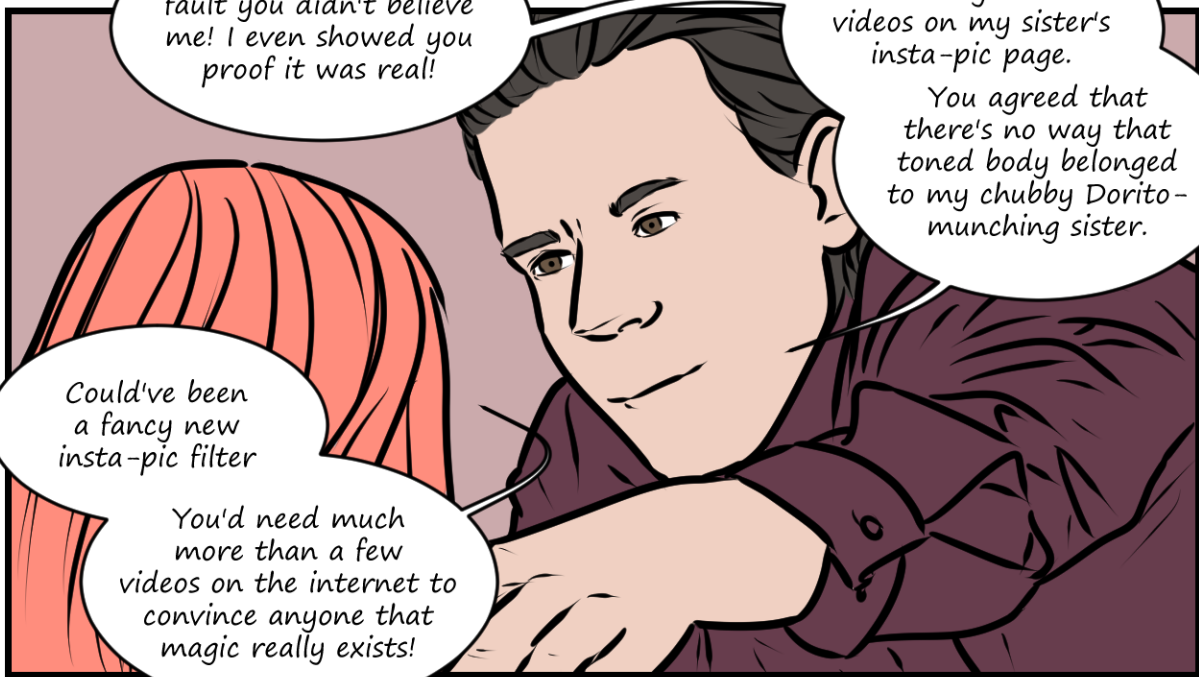

And... I guess I'm as ready as I'll ever be...

Ryan is going to owe me a billion favors for this one.

You're an ass, Ryan.

I would have never agreed to this if I'd known that this collar really works!

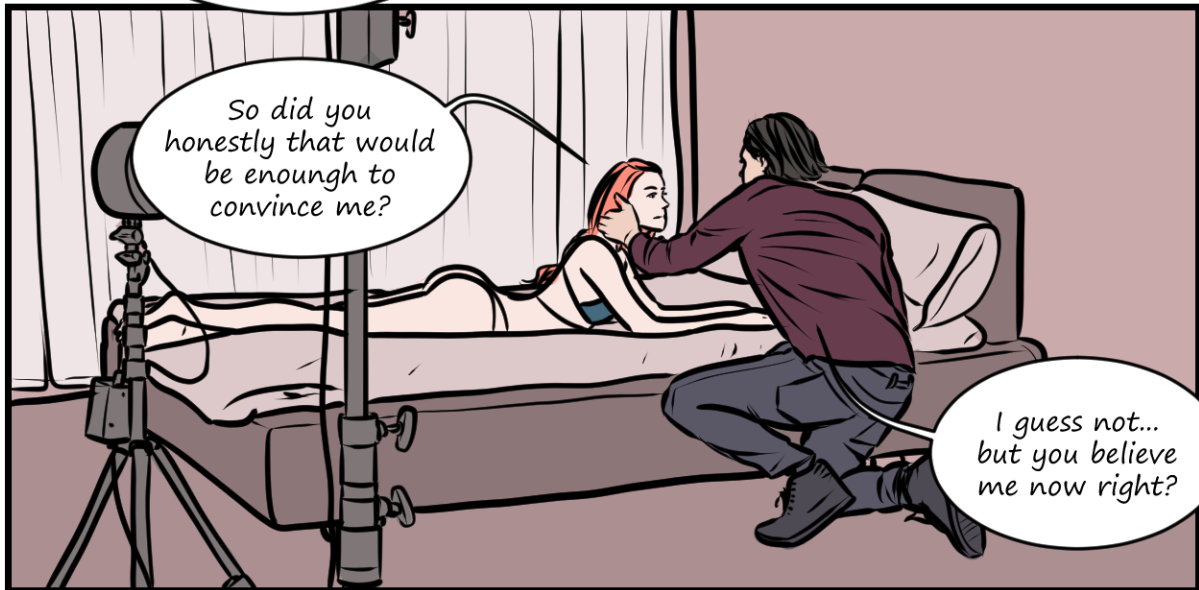

Hey, it's not my fault you didn't believe me! I even showed you proof it was real!

I showed you those videos on my sister's insta-pic page.

You agreed that there's no way that toned body belonged to my chubby Dorito-munching sister.

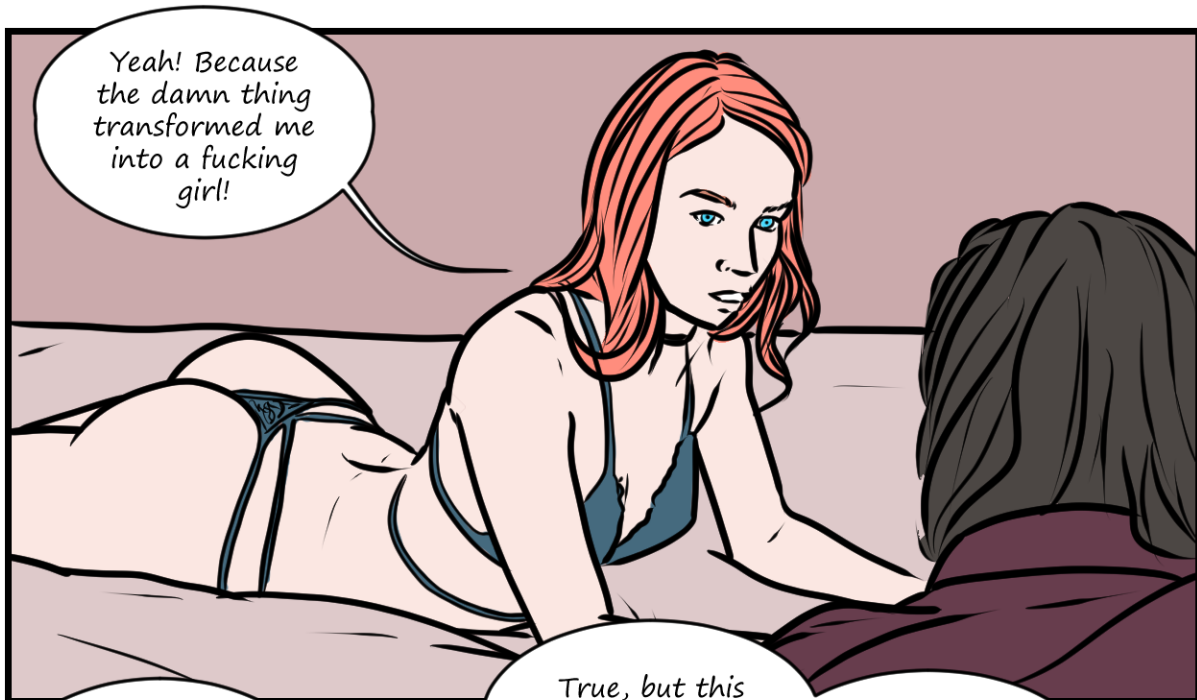

Could've been a fancy new insta-pic filter

You'd need much more than a few videos on the internet to convince anyone that magic really exists!

So did you honestly that would be enough to convince me?

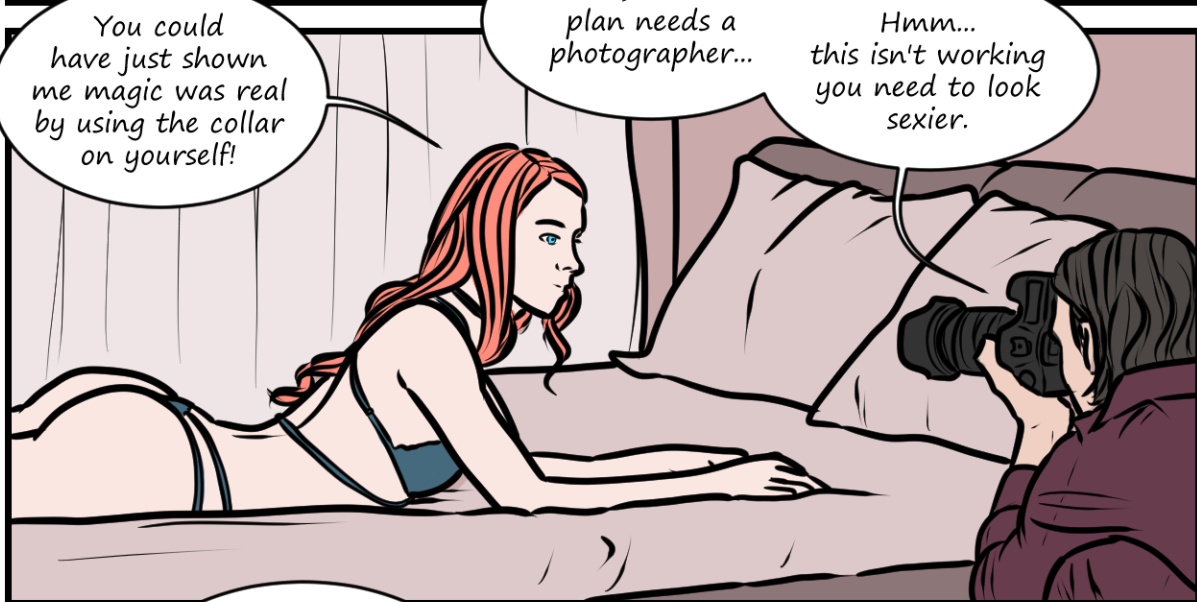

I guess not... but you believe me now right?

You could have just shown me magic was real by using the collar on yourself!

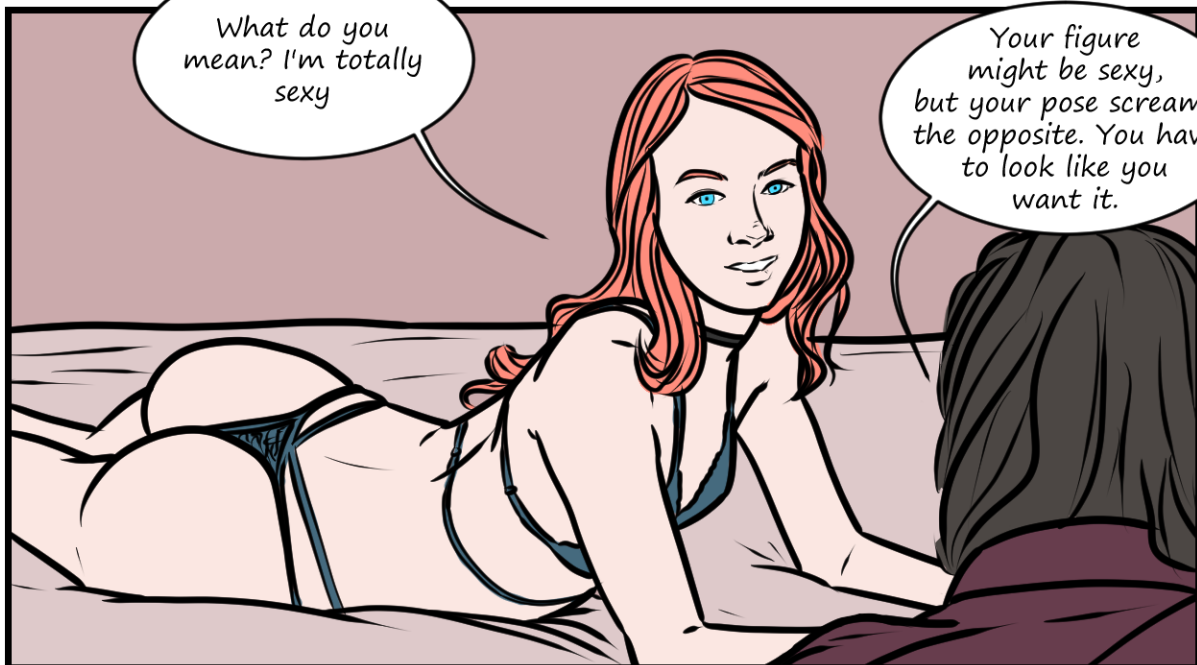

True, but this plan needs a photographer...

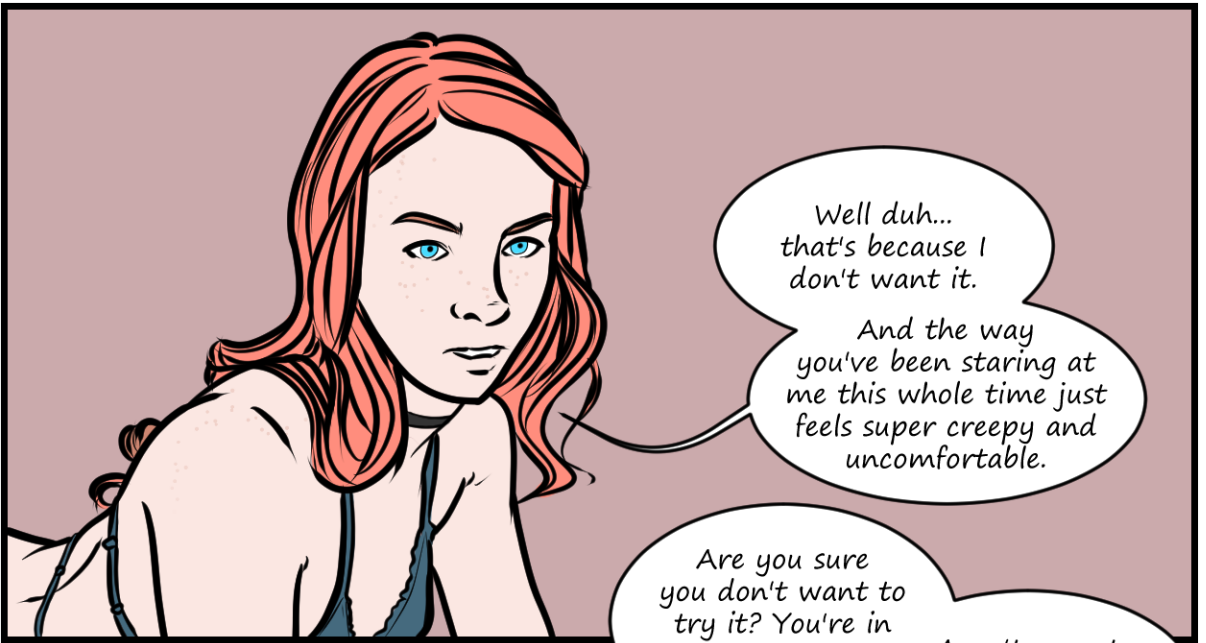

Hmm... this isn't working you need to look sexier.

What do you mean? I'm totally sexy

Your figure might be sexy, but your pose screams the opposite. You have to look like you want it.

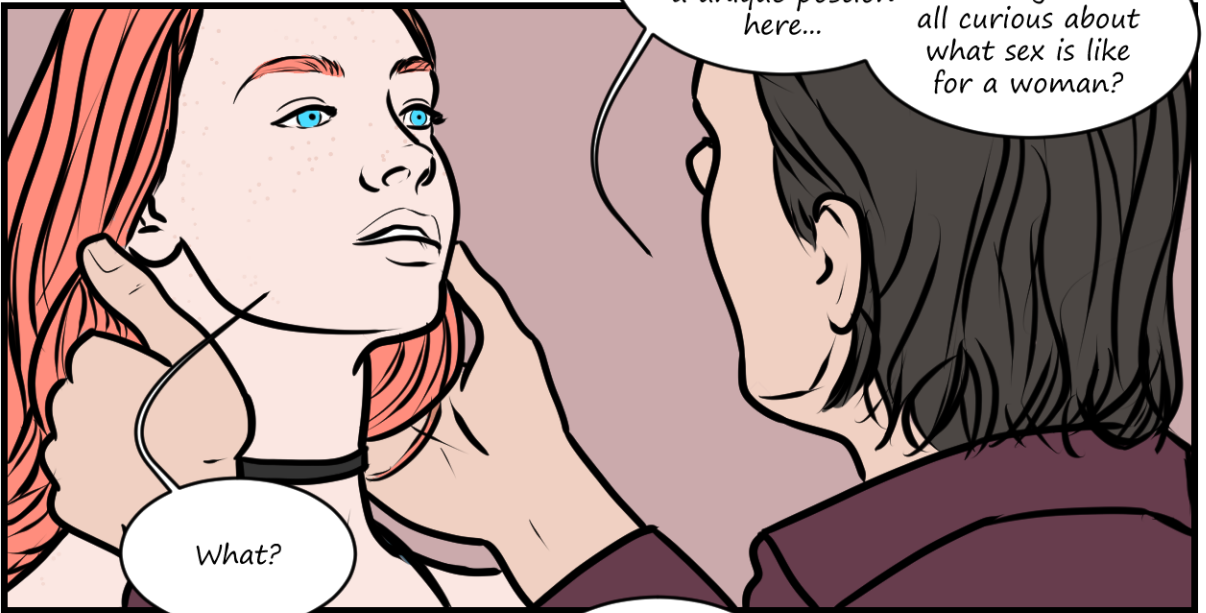

Well duh...
that's because I
don't want it.

And the way
you've been staring at
me this whole time just
feels super creepy and
uncomfortable.

Are you sure
you don't want to
try it? You're in
a unique position
here...

Aren't you at
all curious about
what sex is like
for a woman?

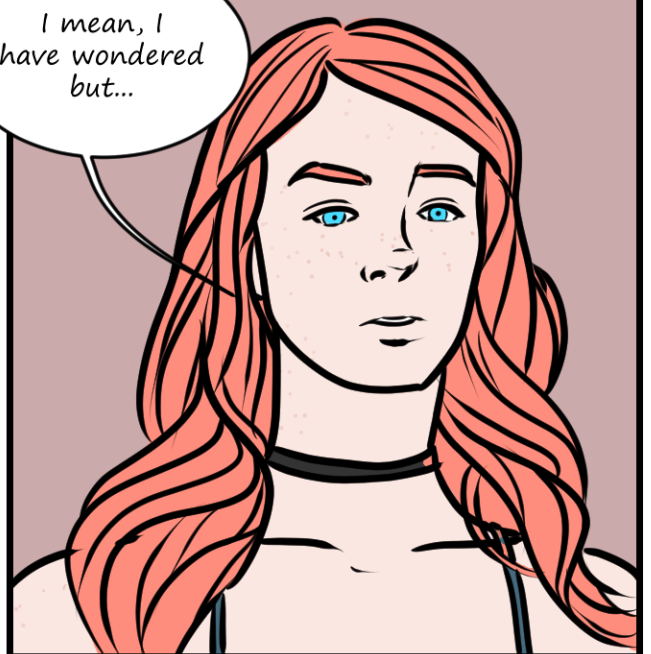

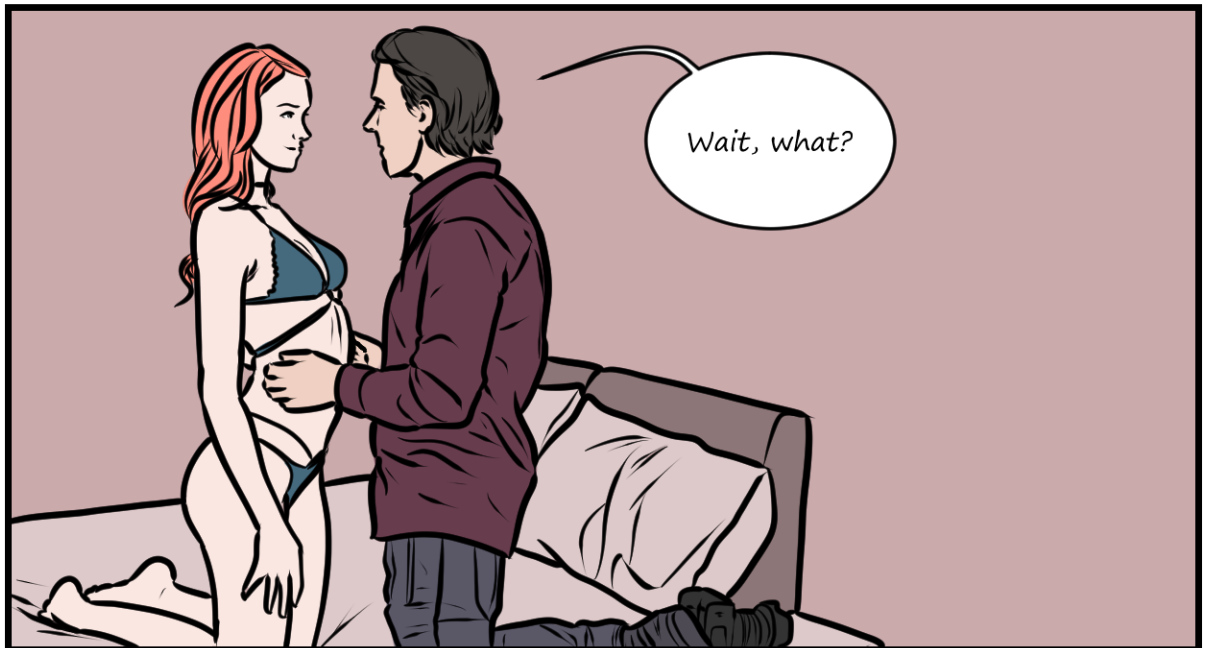

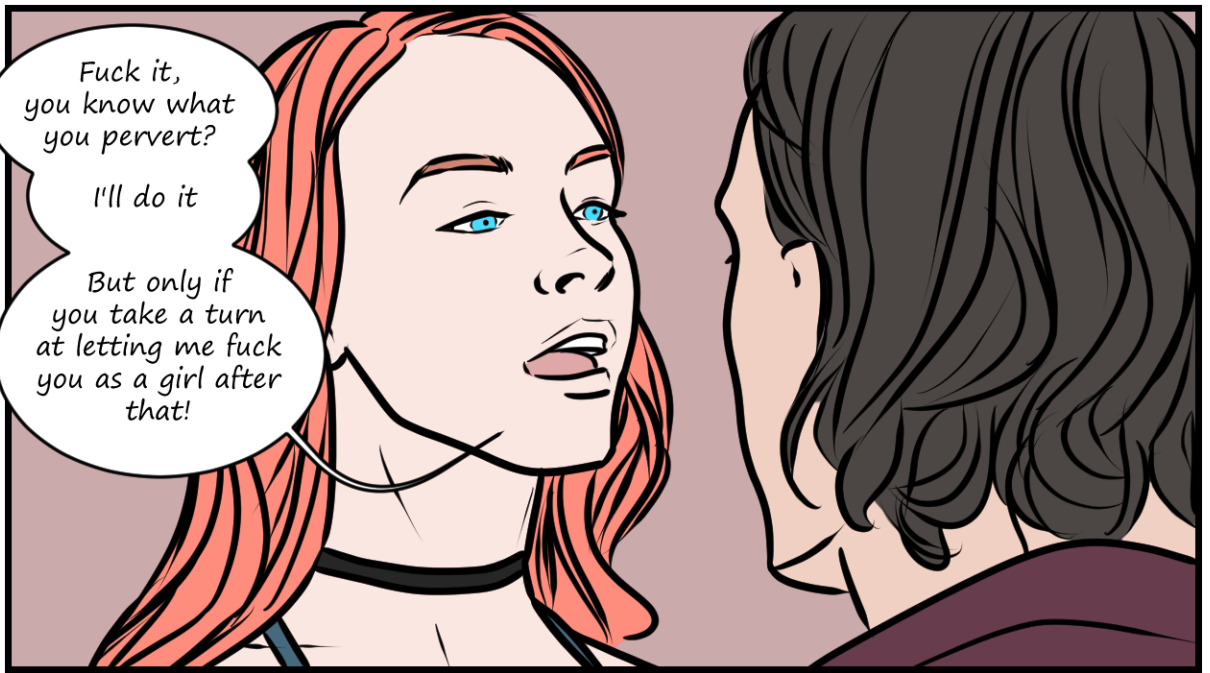

What?

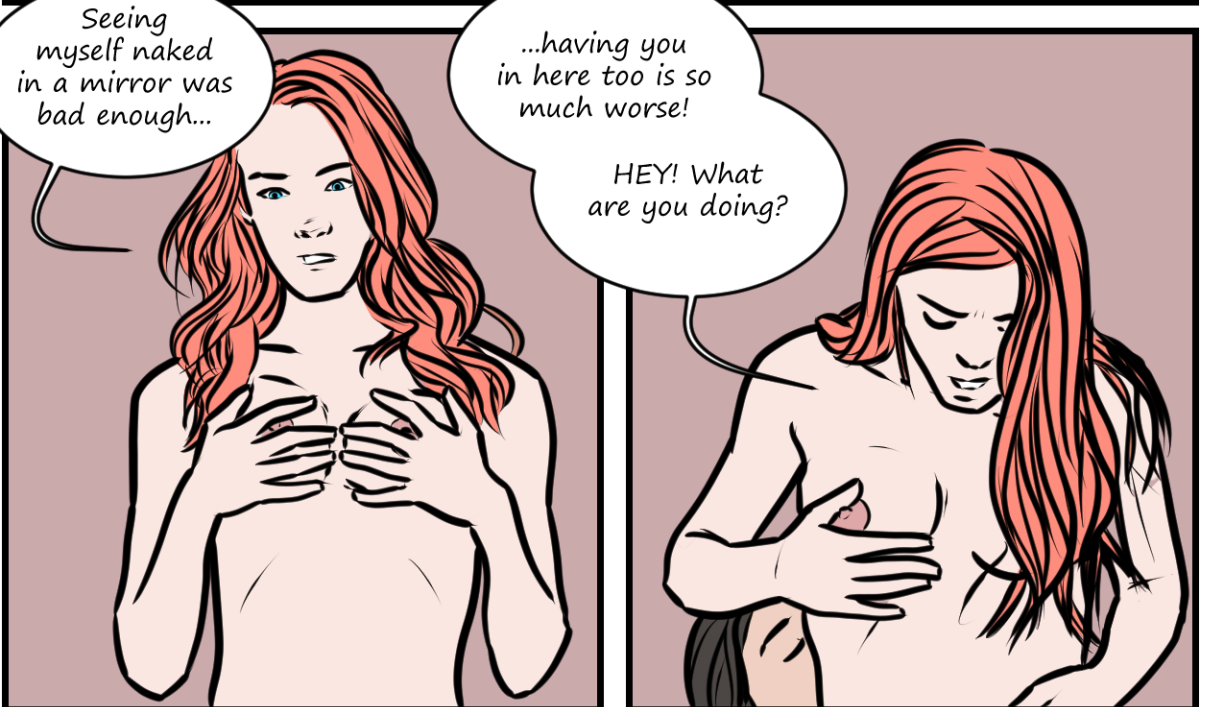

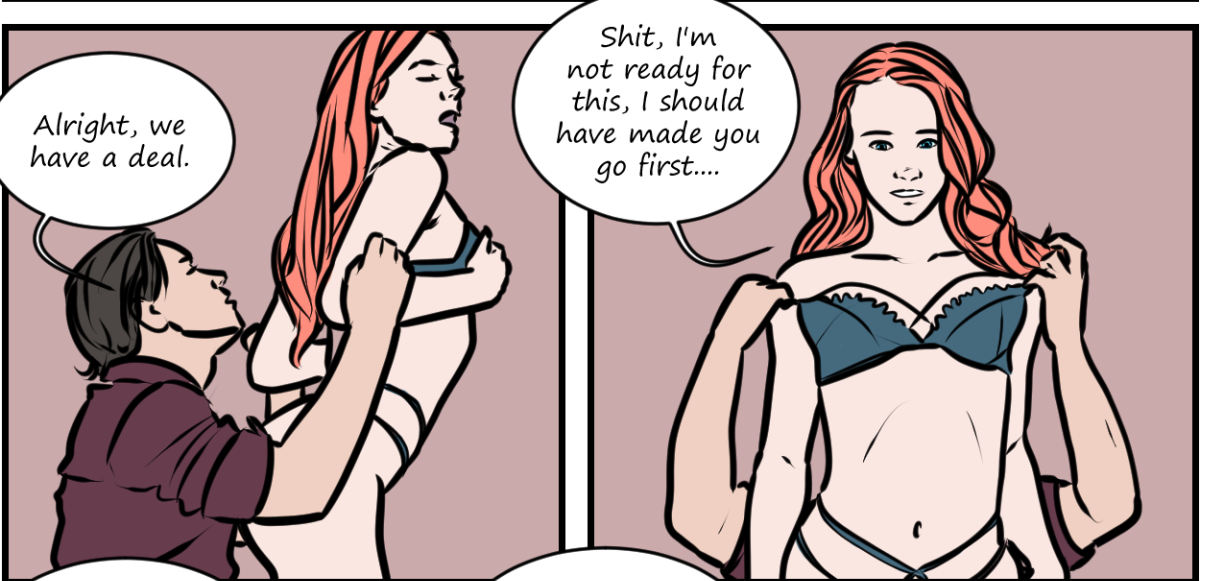

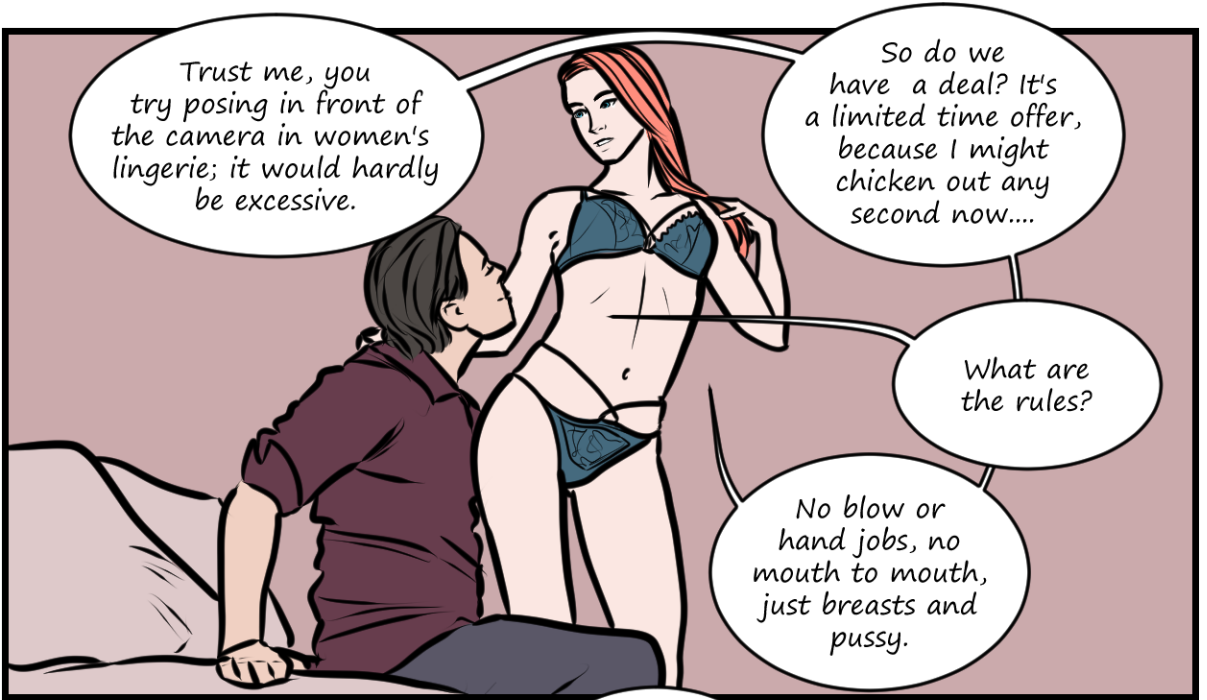

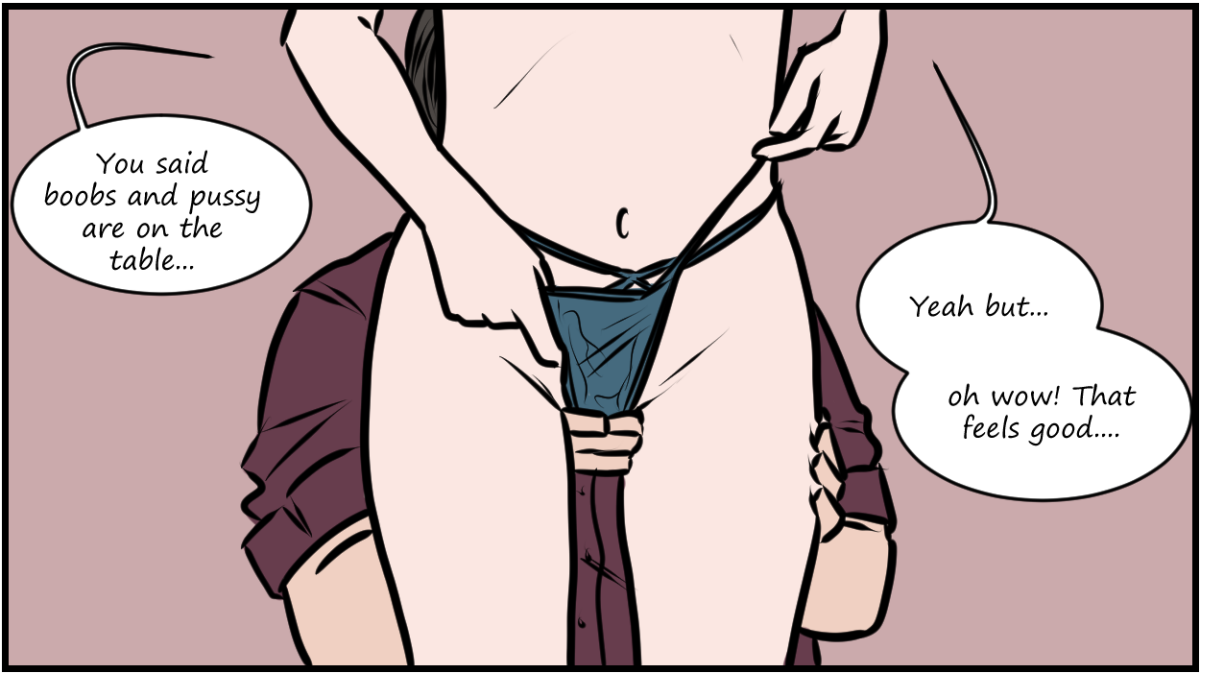

Eww...
No way...

I mean, I
have wondered
but...

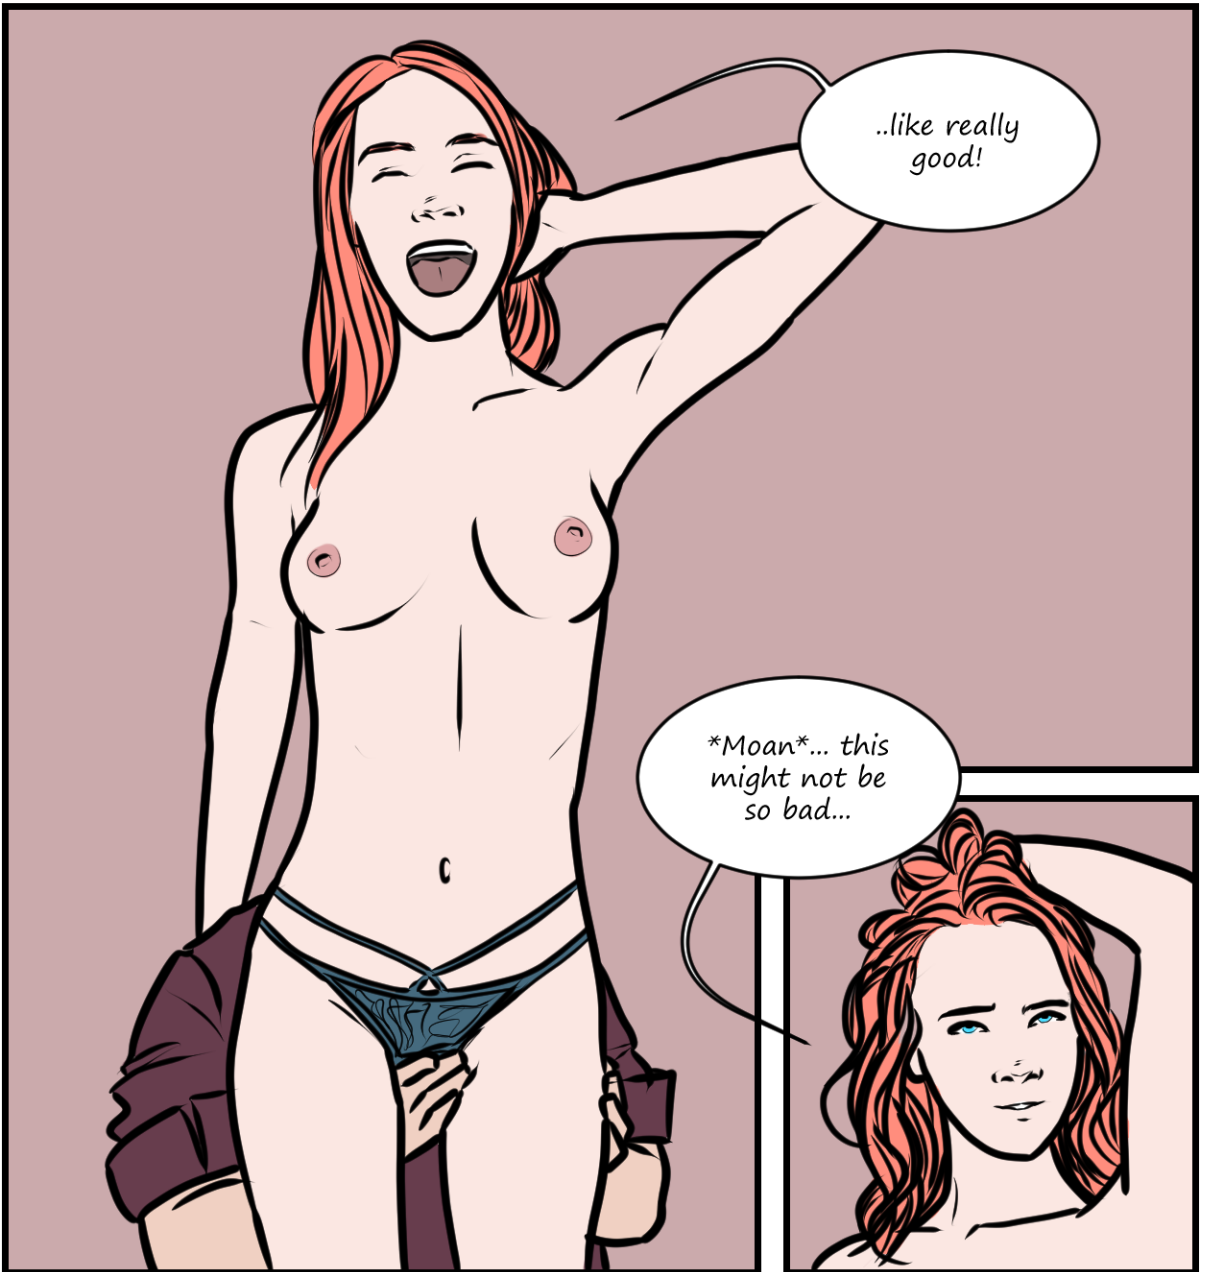

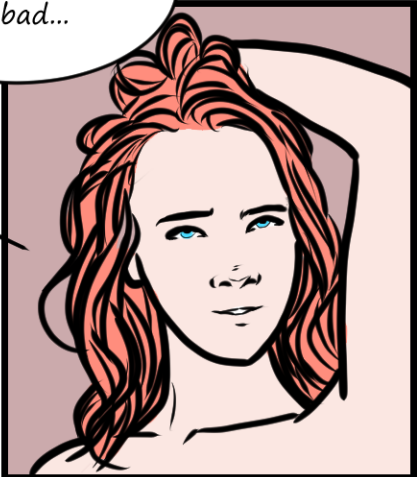

You said
boobs and pussy
are on the
table...

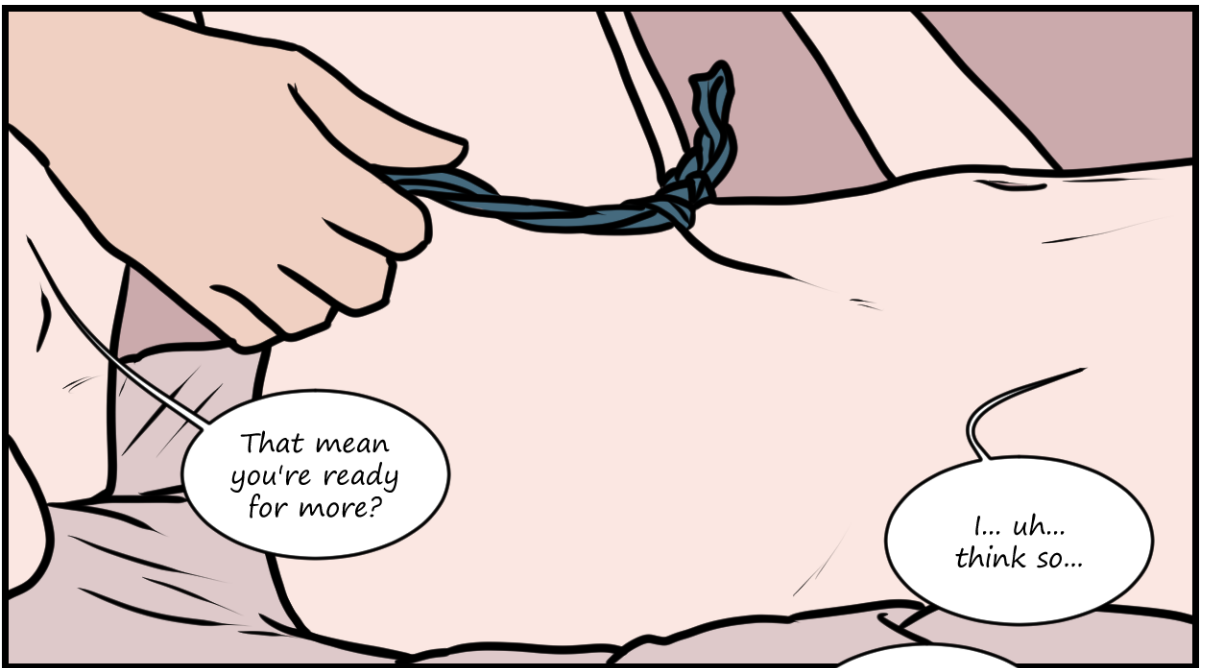

Yeah but...
oh wow! That
feels good....

..like really
good!

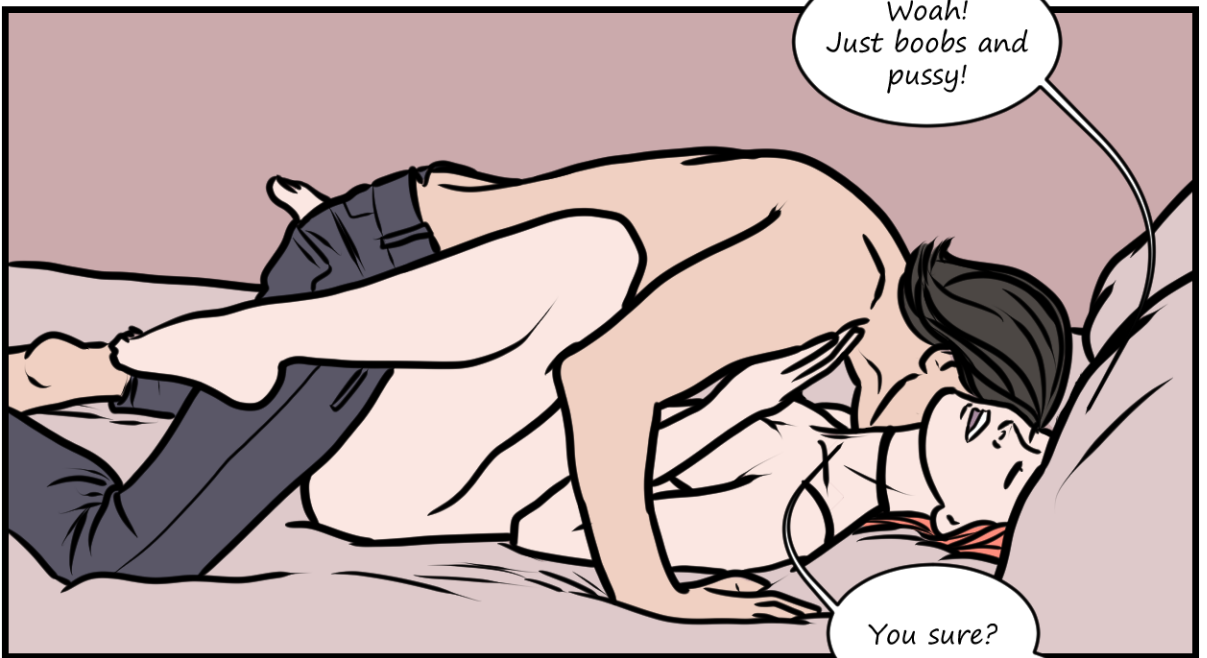

Moan... this
might not be
so bad...

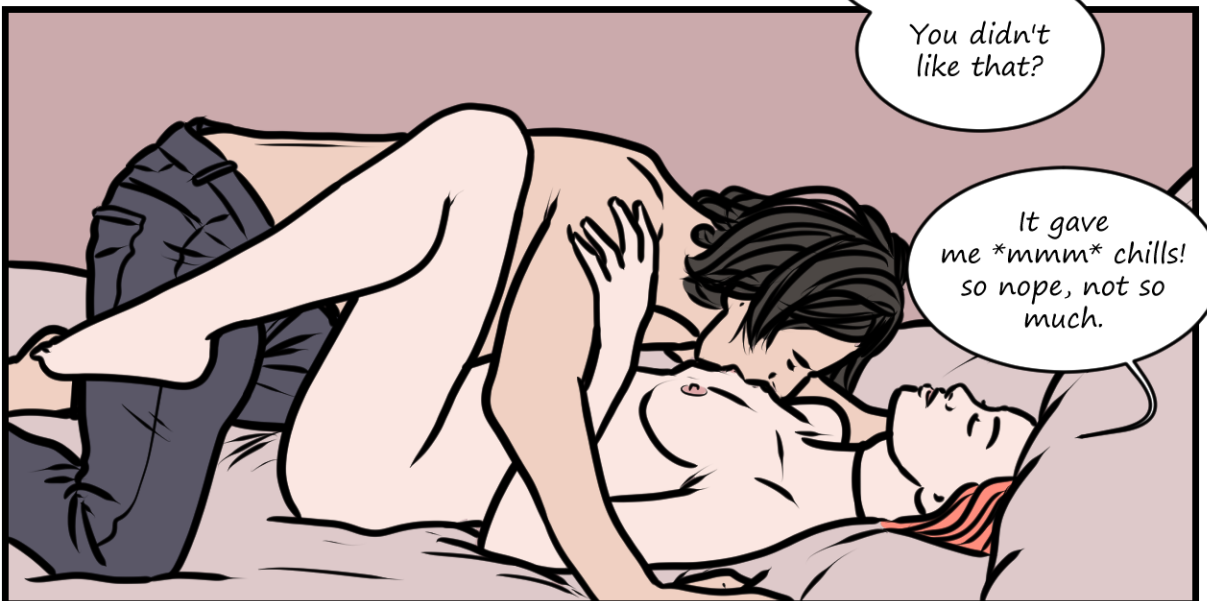

That mean you're ready for more?

I... uh... think so...

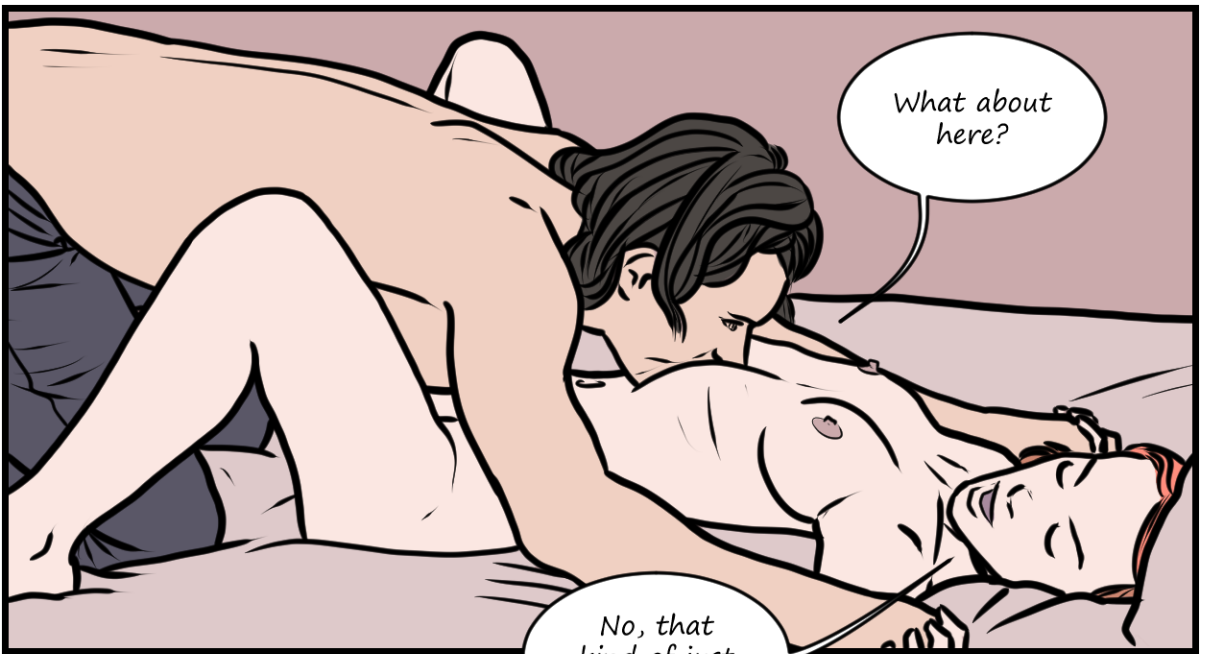

Woah! Just boobs and pussy!

You sure?

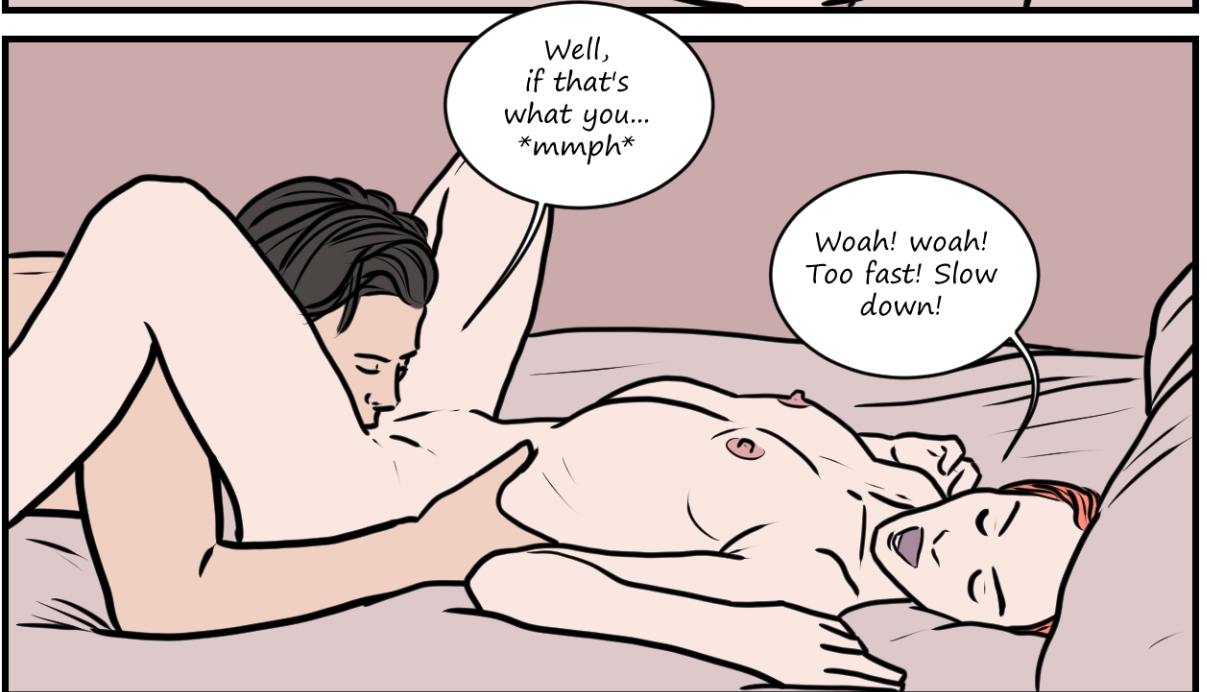

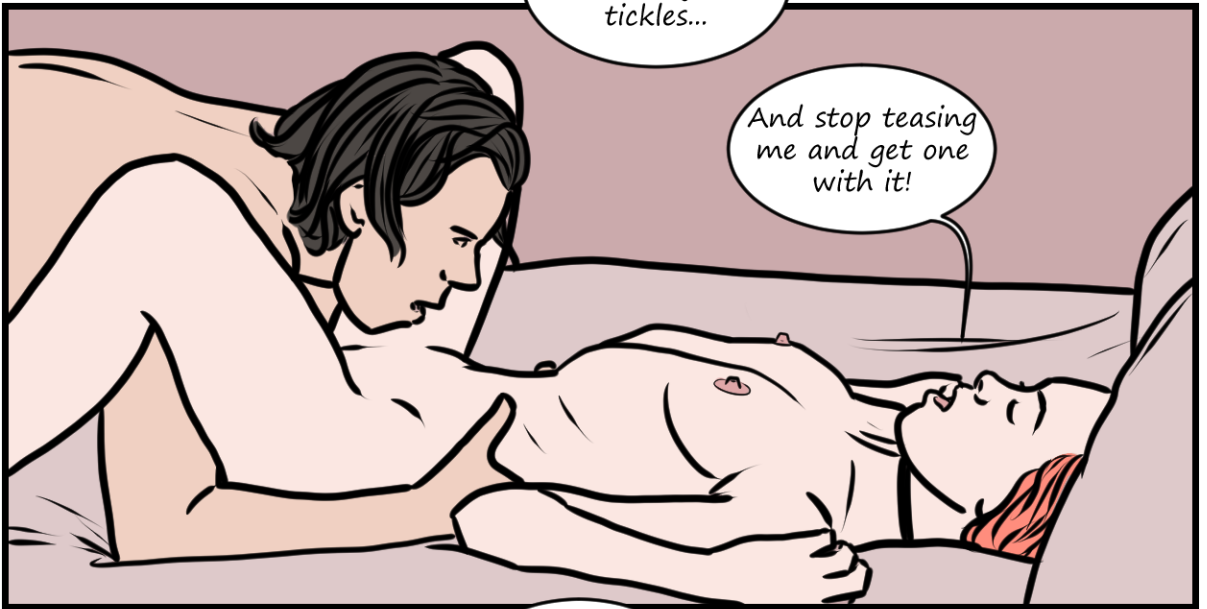

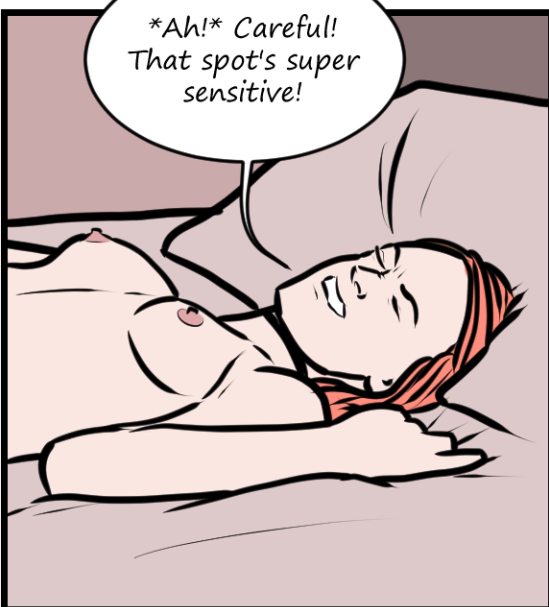

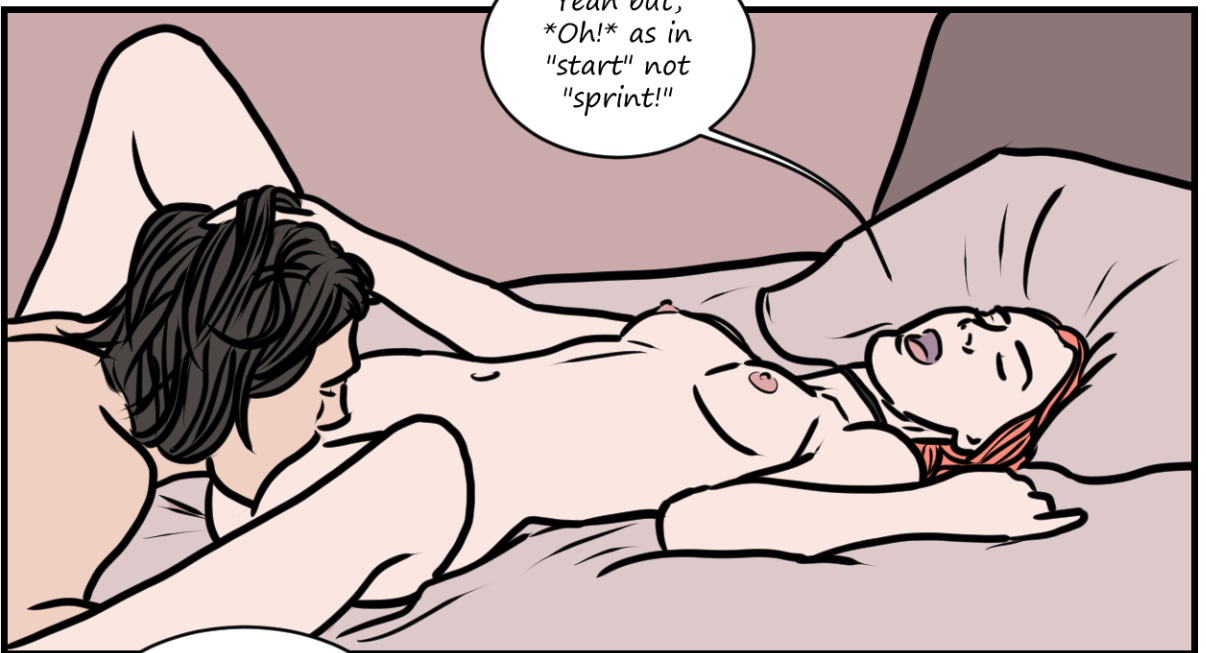

You didn't like that?

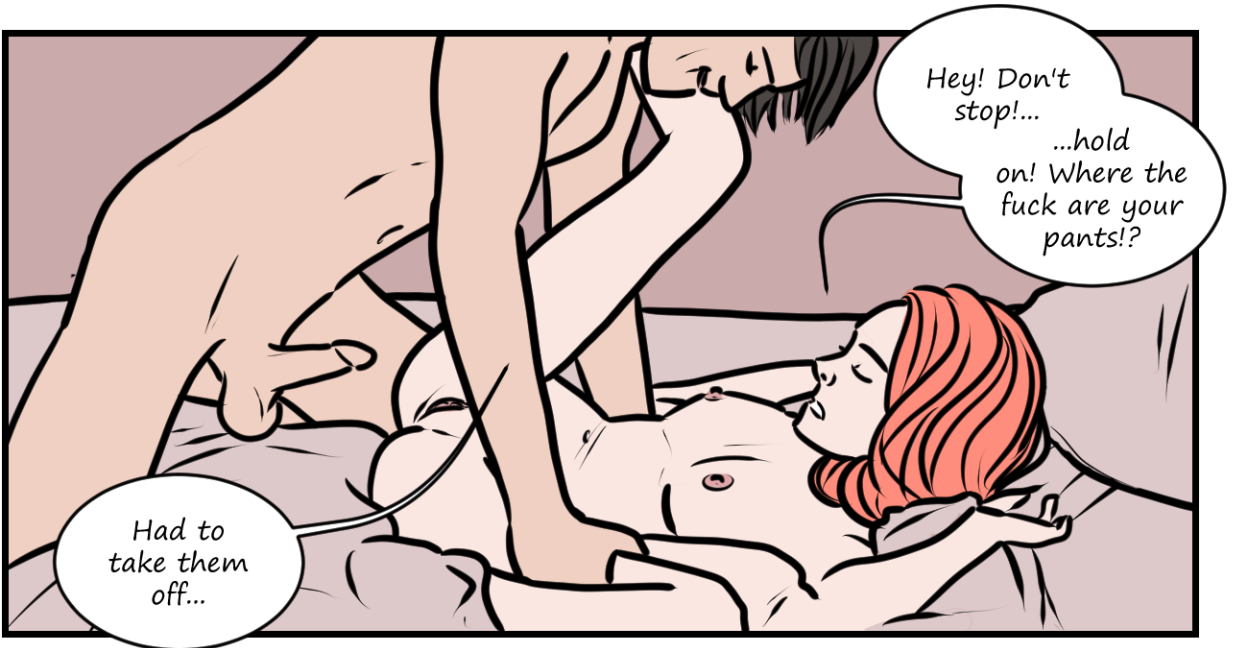

It gave me *mmm* chills! so nope, not so much.

No, that kind of just tickles...

Had to take them off...

Hey! Don't stop!...
...hold on! Where the fuck are your pants!?

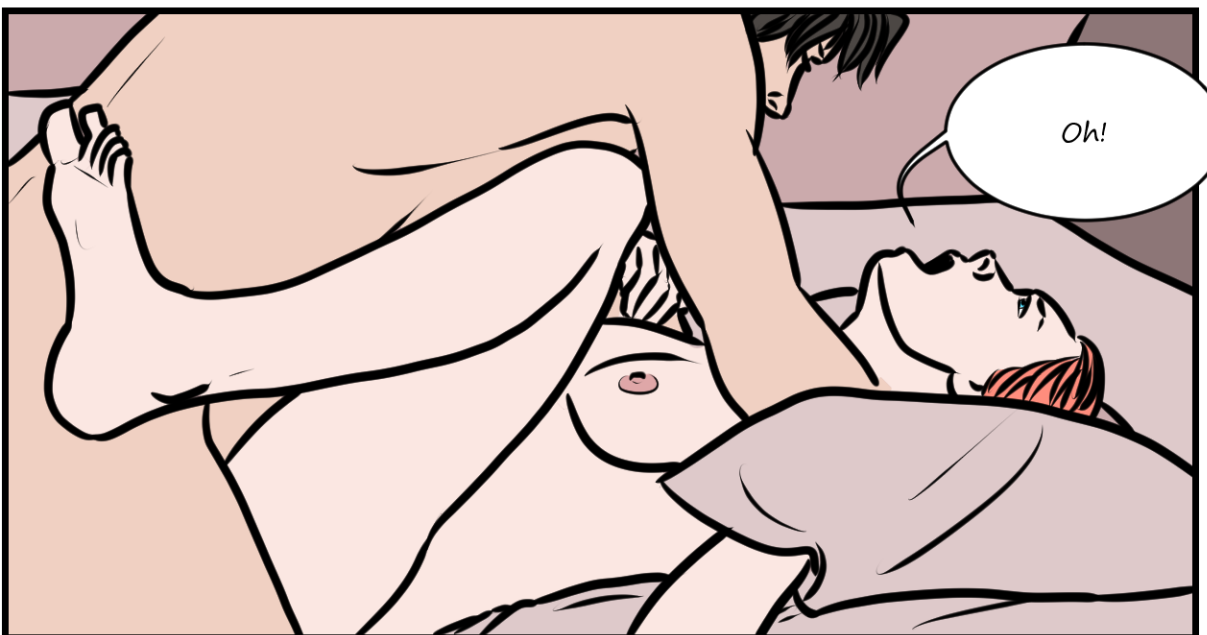

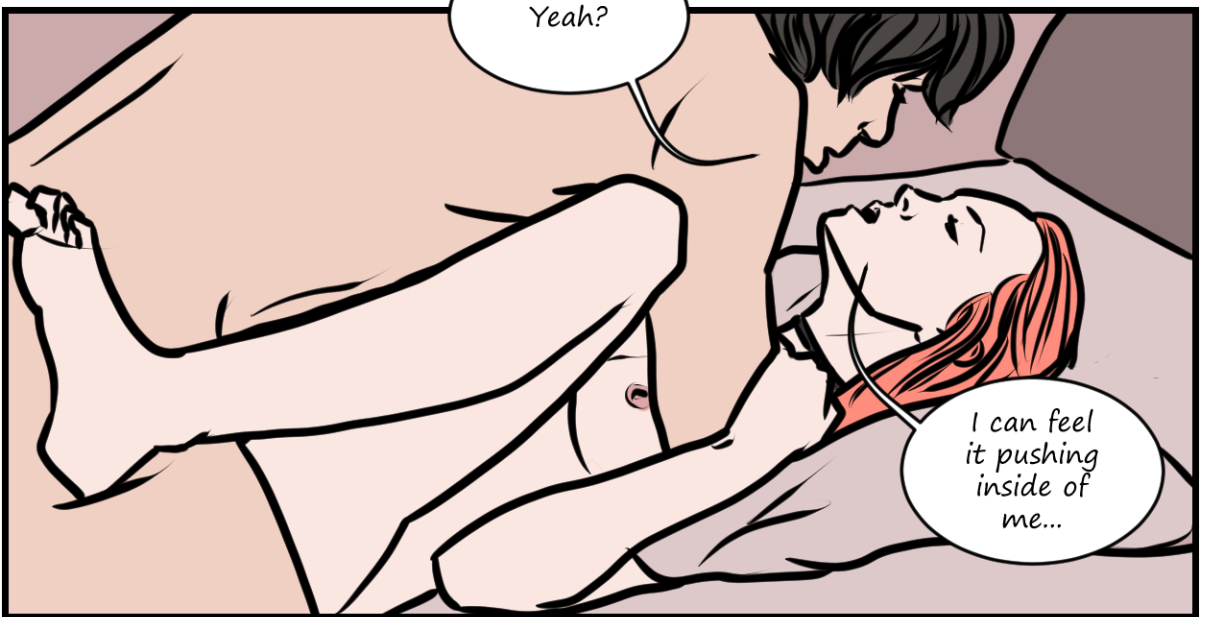

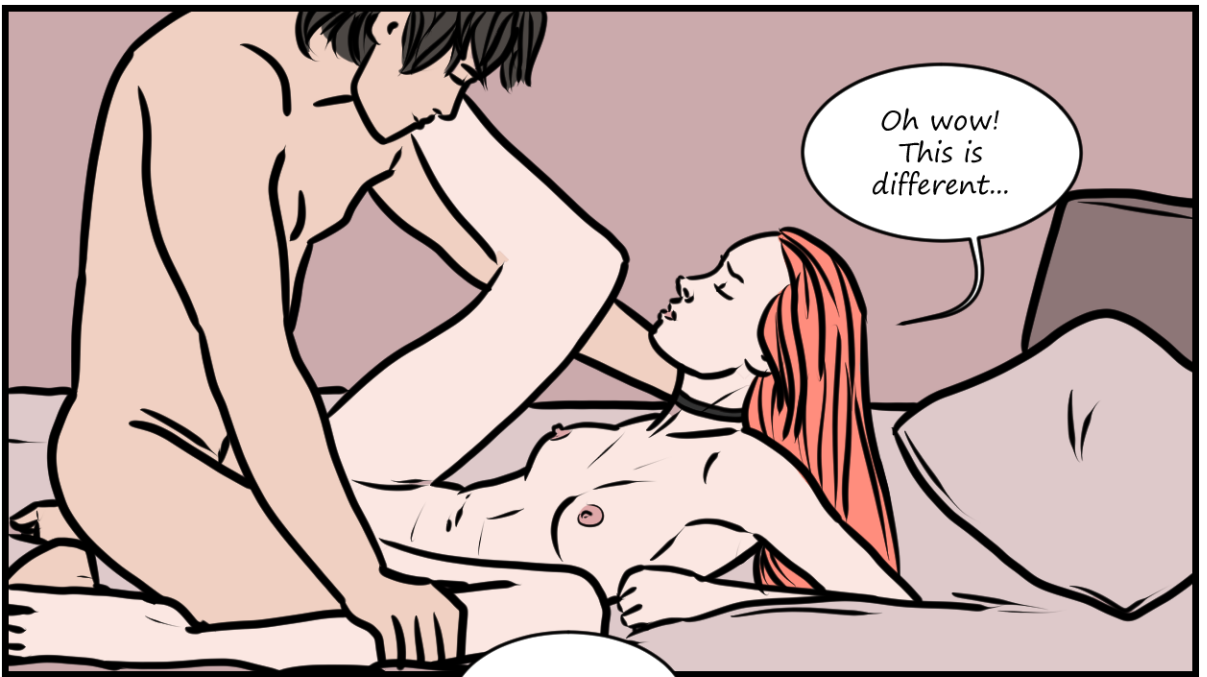

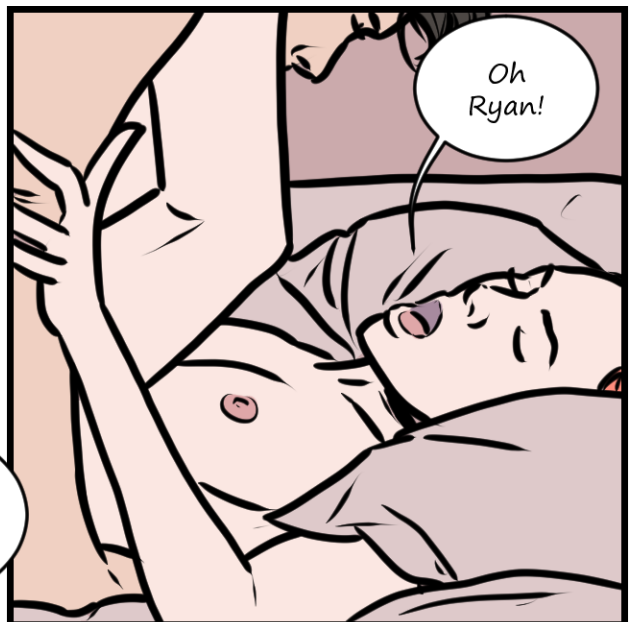

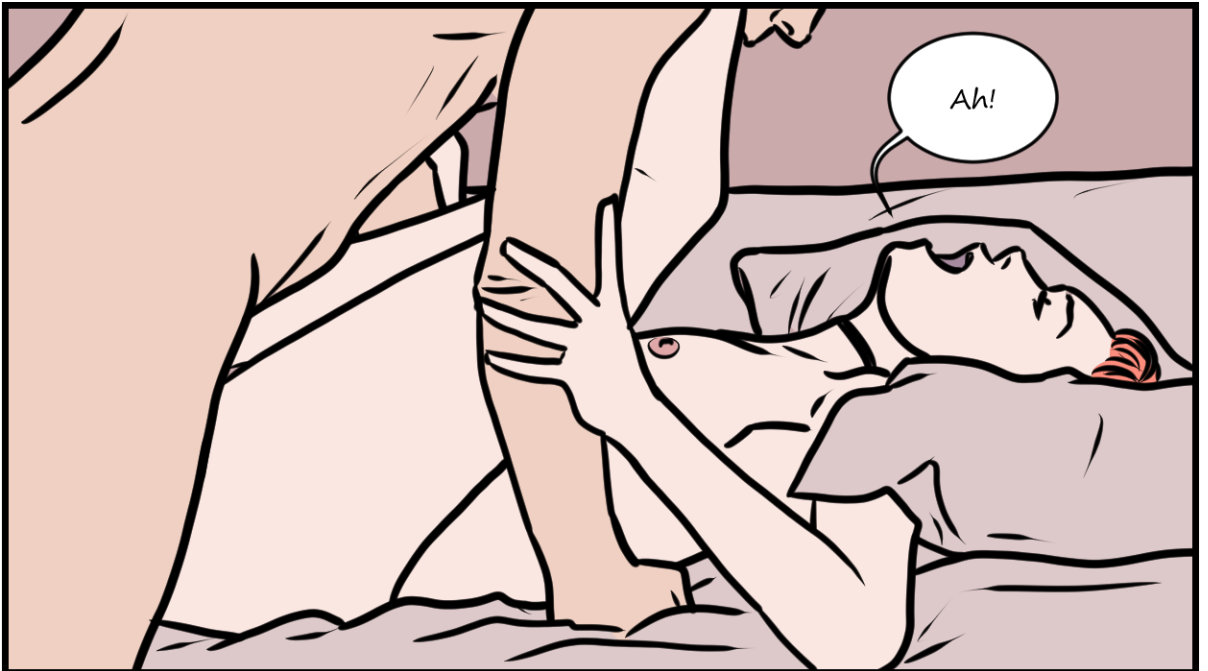

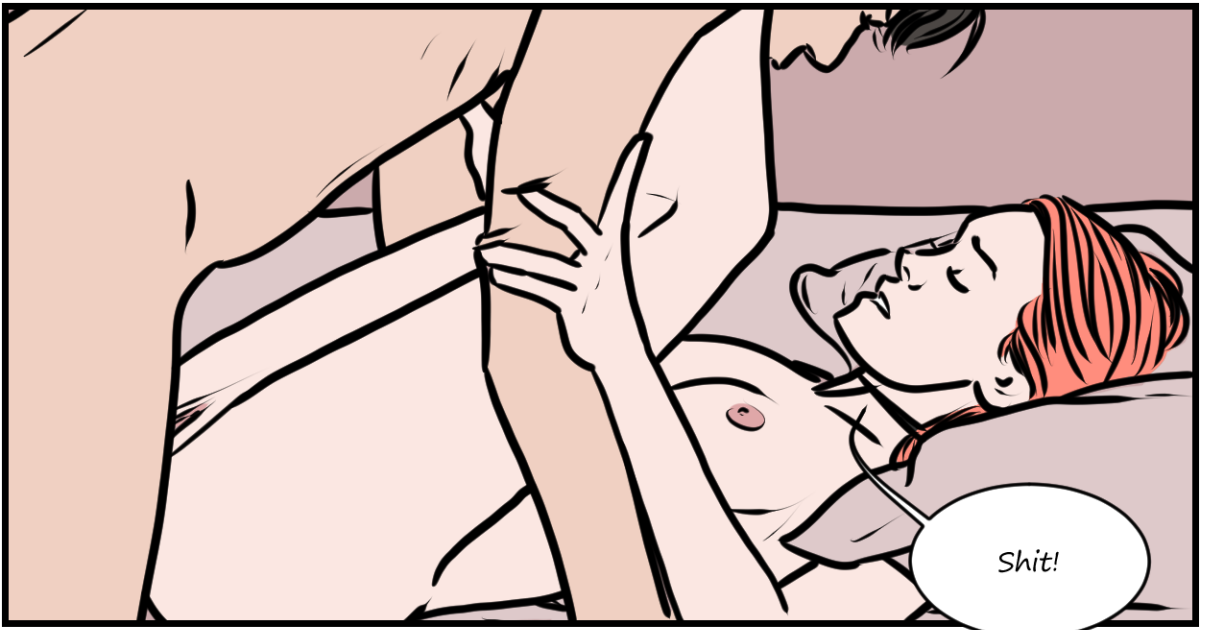

Because you seem wet enough for this...

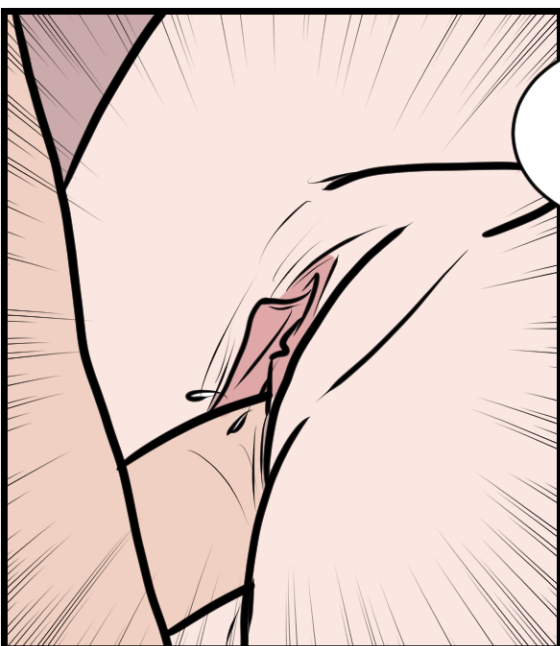

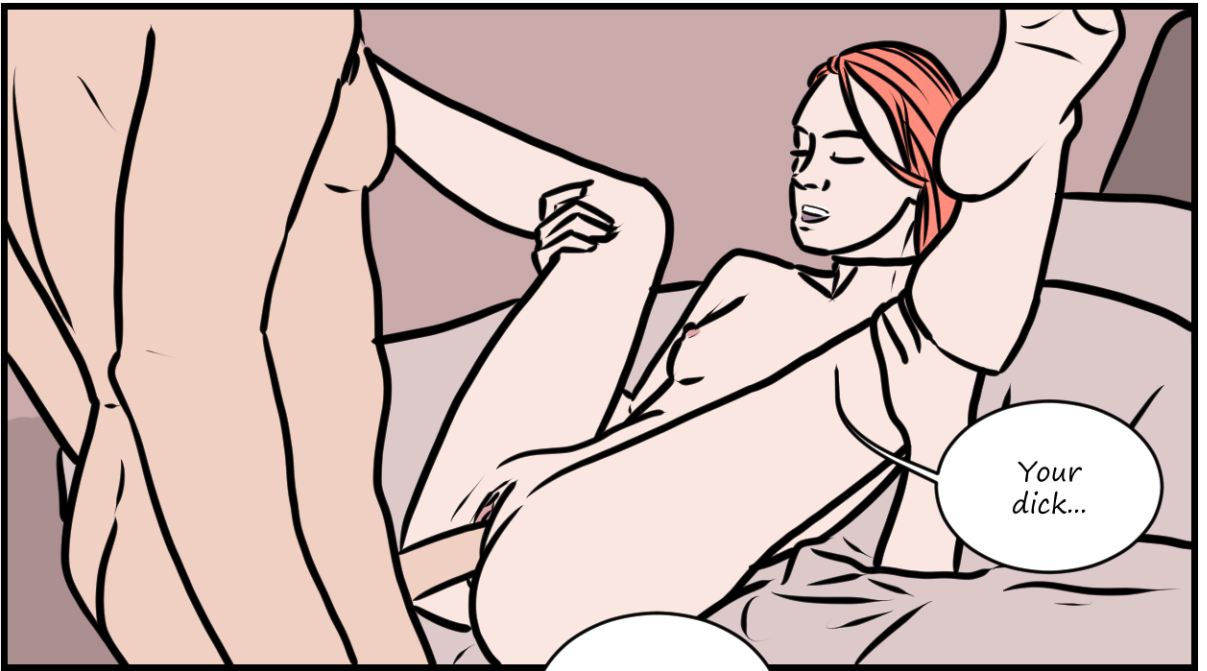

Just because I'm wet, doesn't mean...

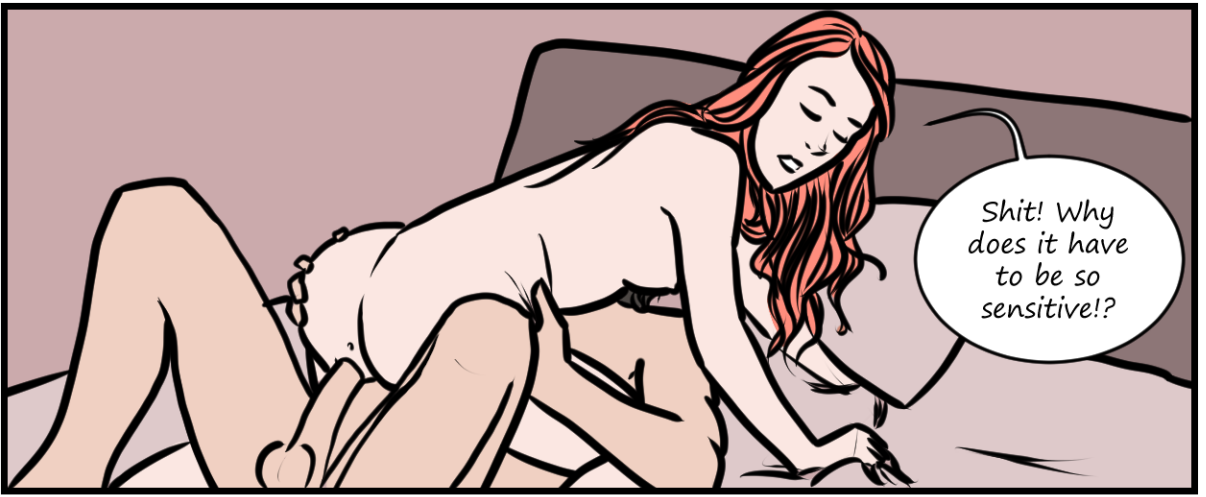

oh... OOH!

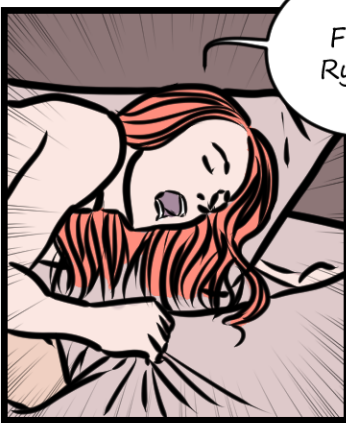

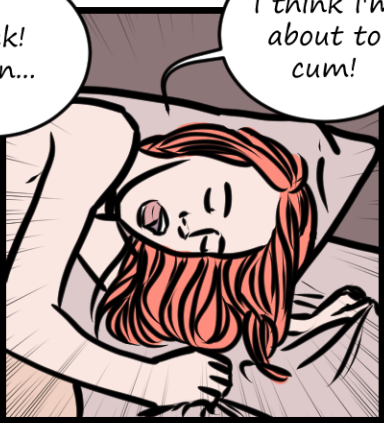

Shit! Why does it have to be so sensitive!?

But if it wasn't it would feel so good!

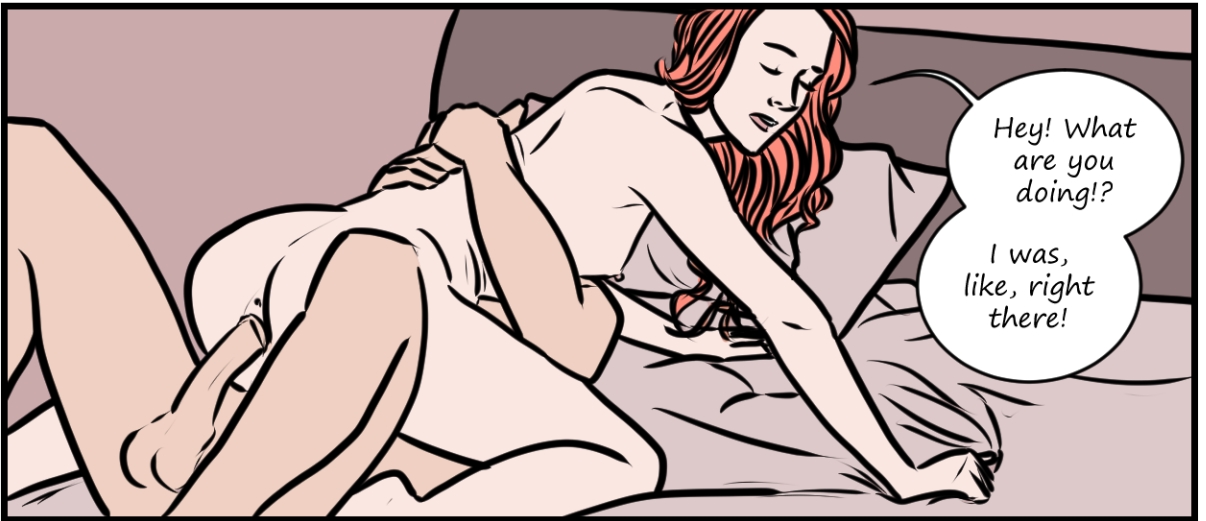

Fuck! Ryan...

I think I'm about to cum!

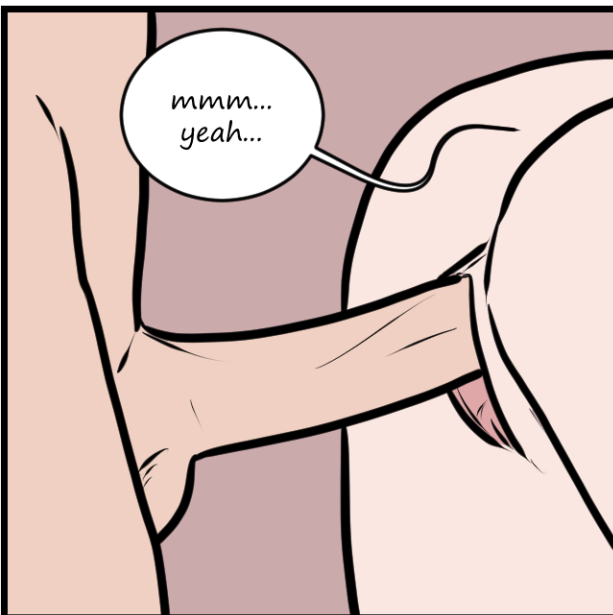

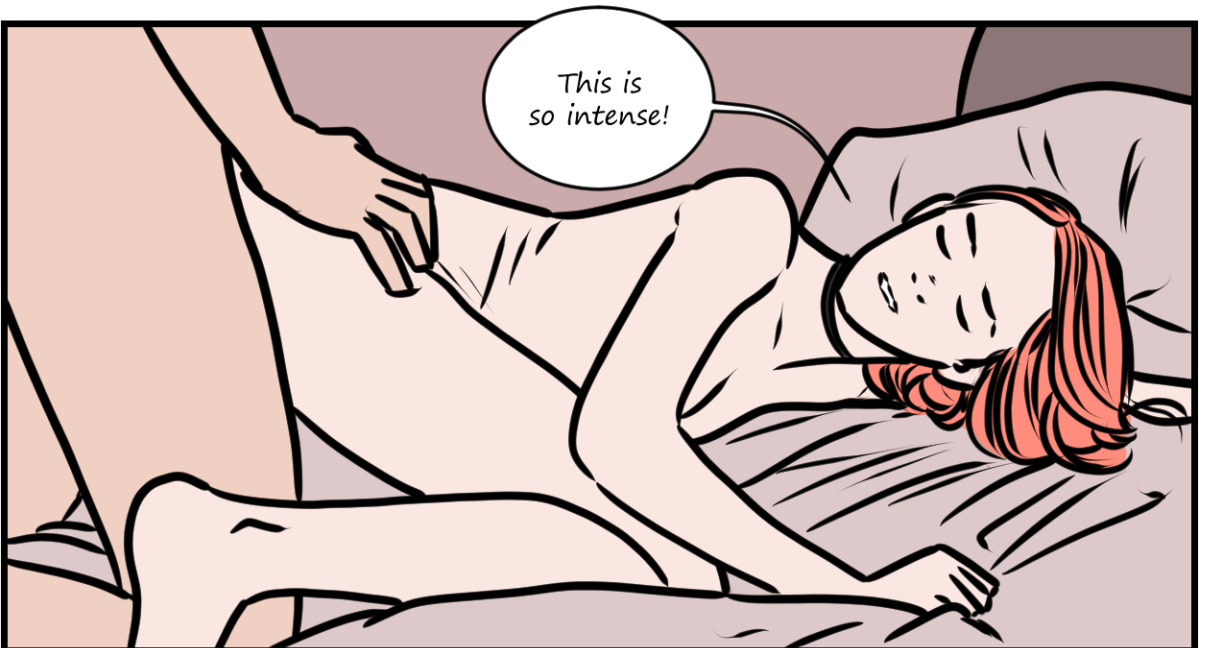

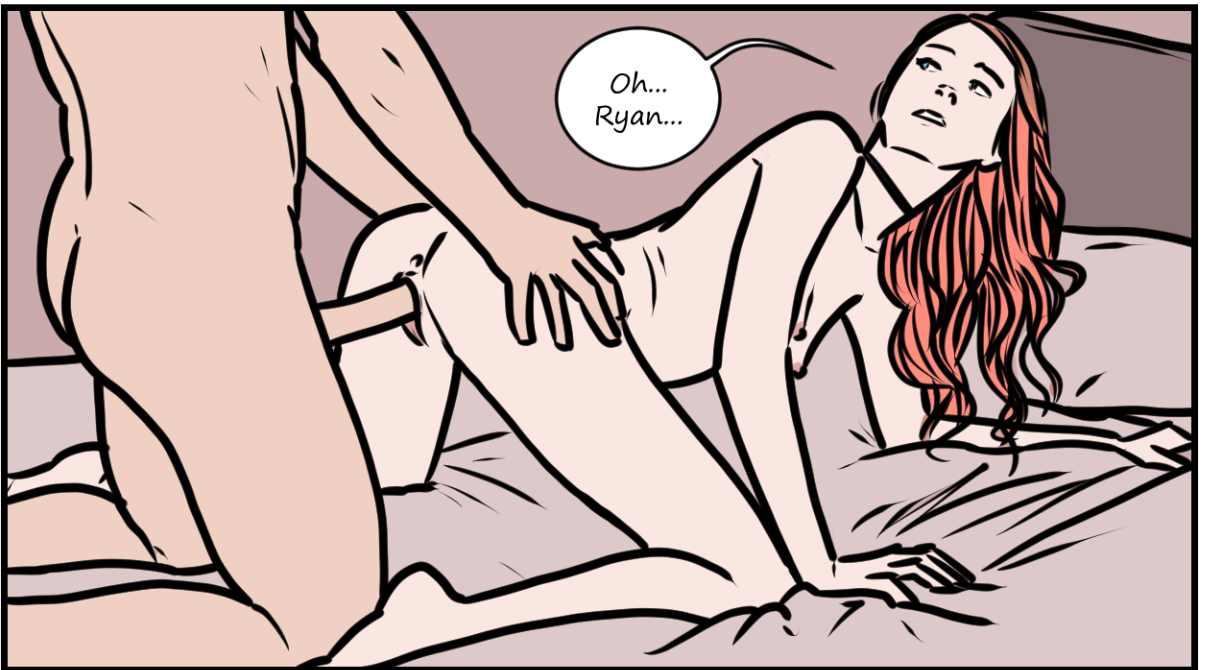

Almost there!

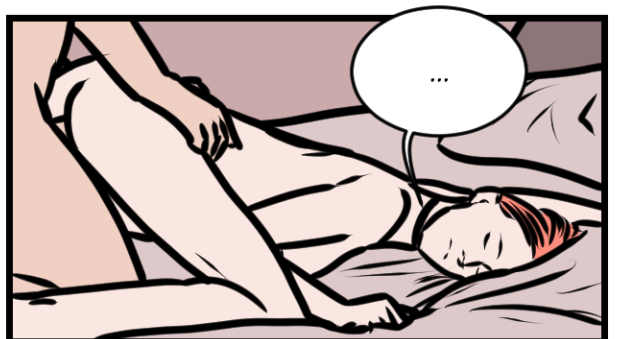

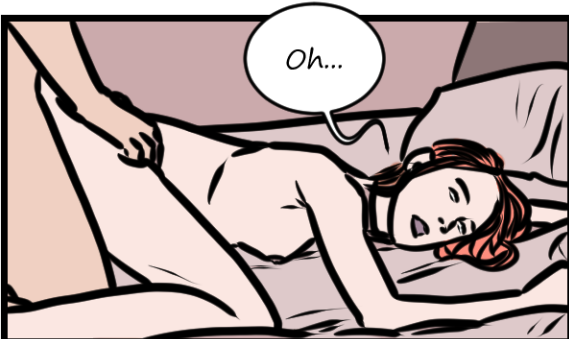

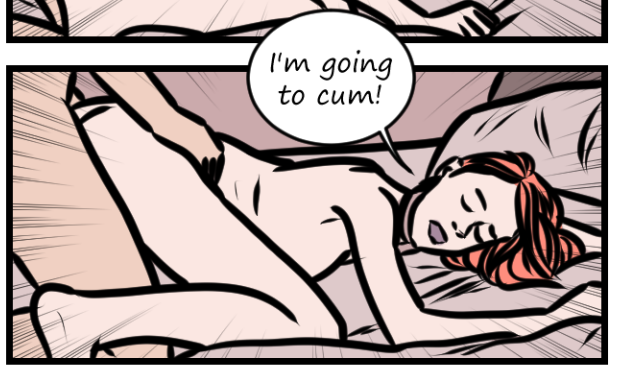

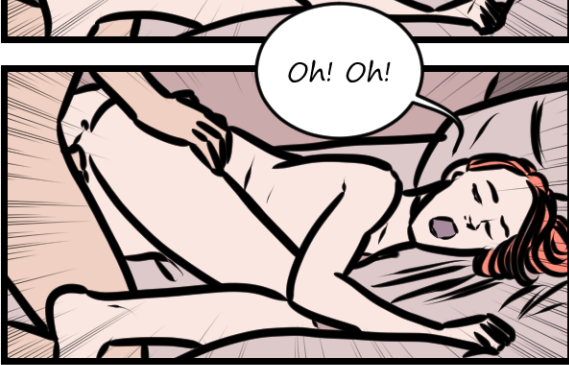

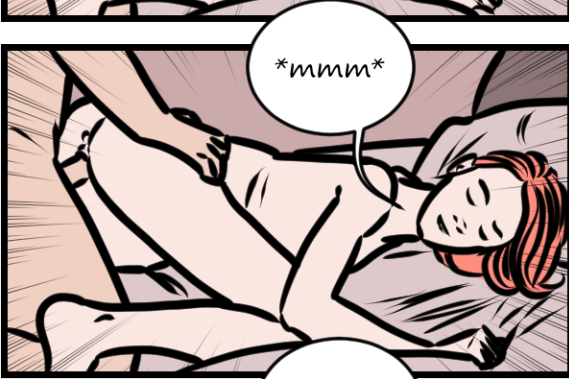

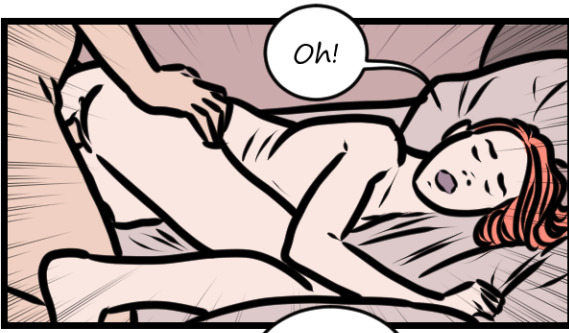

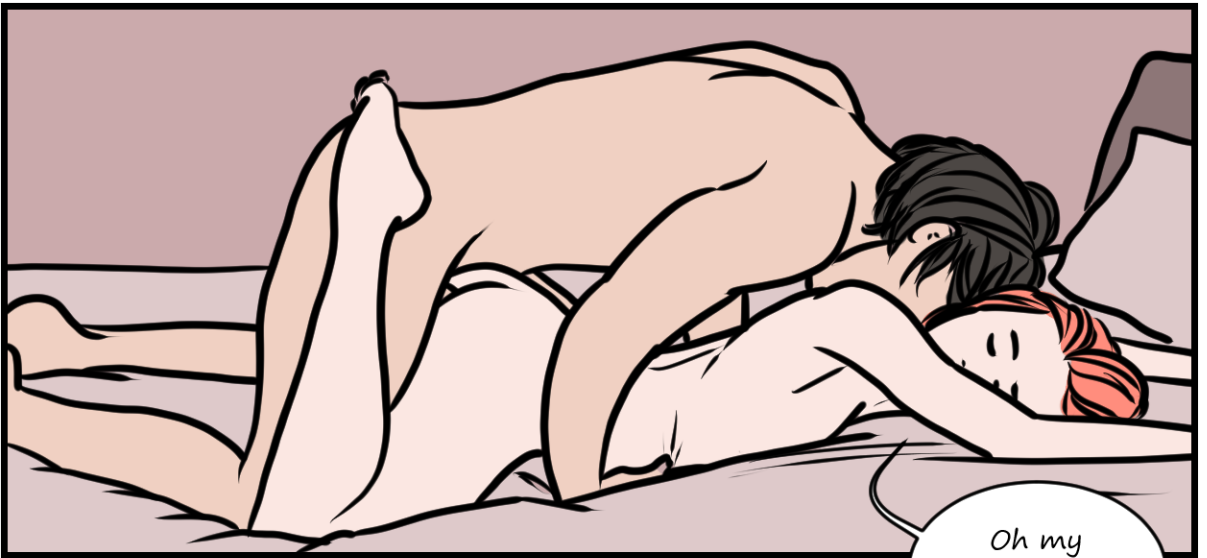

Hey! What are you doing!?

I was, like, right there!

Oh my God... that was amazing!

Good, because I'm spent!

Spent? What do you mean spent!?
