

THE MAGICAL COUPLE

Here I am,
honey. What's so
urgent?

Ah thank you for
coming my love. I'm
upstairs.

Still working
on your
costume?

And about my
costume?

I'm almost done,
with a few minor
touch-ups to go.

Sure, you know I like things done right.

I've already finished it. Would you like to try it?

I know, it's
in this dressing
room.

Do not
finish this
sentence.

IF
you say so,
however,
please close
your eyes.

Take your
time, I'm
enjoying...

Rahh, you're no
fun, Aurelie.

All right, it's
for your
pleasure.

Shh, keep it
down, you'll get
noticed.

HELLO,
DO YOU NEED
ME?

ZRRRR

NO RISK,
YOU REFUSE TO
MAKE THE
CONNECTION.

You know
exactly why.

I'M TELLING YOU YOU'RE WRONG, HE'S PERFECT.

HMMM, honey, it's still long?

Just a little longer, Maxime.

ZZZZZ

AH MY
FAVORITE PART,
WE'RE GOING ON
THE BLONDE?

Hum honey?

Not now, I'm
putting a part of
the costume on you.
Don't bother me.

ZZZZZ

THAT'S A
PRETTY BIG LIE,
YOU KNOW.

MAYBE SO,
BUT YOU'RE
OVERDOING IT.

Shh, you
know he's
naive.

Honey? Is it
good?

Almost

ZZZZZ

SO THERE
YOU GO, NOW
WHAT'S GOING TO
BE HIS
REACTION?

It's all
right, you can
open your eyes
now.

BINGO! SO
PREDICTABLE.

AHHHHHH NOOOOO
NOT AGAIIINNN!

You dare to ask why? We had an agreement, I remind you.

Stop taking me for an idiot. I want your explanations!

Come on, baby, why are you shouting?

Really? I don't remember.

But why two women?

I...I don't think that's a reason.

...All right, but no jokes?

Simple, I wanted to make a princely couple.

Because I know deep down you love being my little wife.

Listen, if you agree to be my princess for 24 hours, you can do whatever you want to me after that.

I promise.

YOU'RE A TERRIBLE LIAR, YOU KNOW.

DRINGGGGG

It's perfect and....

Ah, my cousin is already here.

Too late my princess, our carriage has arrived.

Anything after the convention, my princess.

What? No wait, you didn't tell me she was coming!

Grrr, you're gonna pay for that.

She also has a shadow following her like Aurelie...

Hi Aurelie and yes, that's my Espar.

Thanks, and let me introduce you to Mulan.

Not exactly, hihi. I did what you did with...Maxime.

Hu, what, no, I am Elza...

Hi cousin, co...Wahhh is that what I think?

WOUOUHHH, I knew it, welcome to the club.

Did you leave David? I, uh...

Nevermind, onward girls! The convention awaits us!
