# Eric Clapton - Wonderful tonight (G-Major)

## Lyrics with Chords:

(Verse 1)

**G**                    **D**            **C**                    **D**  
It's late in the evening, she's wondering what clothes to wear.  
**G**                    **D**            **C**                    **D**  
She puts on her makeup, and brushes her long blond hair.  
**C**                    **D**            **[Walk down]**  
And then she asks me: "do I look alright?"  
                         **C**                    **D**                    **G**                    **D C D**  
And I say: "Yes you look wonderful tonight!"

(Riff)

(Verse 2)

**G**                    **D**            **C**                    **D**  
We go to party, and everyone turns to see  
**G**                    **D**            **C**                    **D**  
this beautiful lady, that's walking around with me.  
**C**                    **D**            **[Walk down]**  
And then she asks me: "do you feel alright?"  
                         **C**                    **D**                    **G**  
And I say: "Yes I feel wonderful tonight!"

(Bridge)

**C**                    **D**                    **[Walk down]**  
I feel wonderful because I see the lovelight in your eyes,  
                         **C**                    **D**                    **C**                    **D**  
and the wonder of it all is that you just don't realize,  
                         **G**                    **D C D**  
how much I love you!

(Verse 3)

**G**                    **D**            **C**                    **D**  
It's time to go home now, and I've got an aching head  
**G**                    **D**            **C**                    **D**  
so I give her the car keys, and she helps me to bed.  
**C**                    **D**            **[Walk down]**  
And then I tell her, as I turn off the light:  
                         **C**                    **D**                    **G**  
I say: "my darling you are wonderful tonight!  
                         **C**                    **D**                    **G**                    **D C D**  
Oh my darling, you are wonderful tonight."
