[Verse 1]

F# C#
I know what you think in the morning, when the sun shines on the ground,
D#m B F# C#
And shows what you have done, it shows where your mind has gone.
F# C#
And you swear to your parents, that it will never happen again,
D#m B F# C#
I know, I know, what that means, I know.

[Pre-Chorus]

B F# C#
That you all have guns, and you never put the safety on.
G#m F# C#
And you all have plans, to take it, to take it, don't take it, take it, take it.

[Chorus]

F# C# D#m
I'm trying, I'm trying to sleep. I'm trying, I'm trying to sleep.
B F# C#
But I can't, but I can't, when you all have guns for hands.
F# C# D#m
I'm trying, I'm trying to sleep. I'm trying, I'm trying to sleep.
B F# C#
But I can't, but I can't, when you all have guns for hands.

[Verse 2]

F# C#
Let's take this a second at a time. Let's take this one song, this rhyme.
D#m B F# C#
Together, let's breathe. Together, to the beat.
F# C#
But there's hope out the window, so that's where we'll go.
D#m B F# C#
Let's go outside and all join hands but until then you'll never understand
.

[Pre-Chorus]

[Chorus]

[Rap]

D#m B F# C# (4x) Third time, rapping starts

We've turned our hands to guns, trade in our thumbs for ammunition. I must
forewarn you of my disorder, my condition. 'Cause when the sun sets, it
upsets what's left of my invested interest, interested in putting my fing
ers to my head. The solution is I see a whole room of these mutant kids, f
used at the wrist I simply tell them they should shoot at this. Simply su
ggest my chest and this confused music is obviously best for them to turn
their guns to a fist.

[Bridge - same as intro]
