

Short Story – (Fluttershy vs Sunset!)

You: aaargh! Dammt!

**game over screen* x_x*

I'm playing Equine Eternal on maximum difficulty on my Ponintendo Switch, but seriously, this video game will cause me stress!!! I think the best thing for now is to take a break, so I decide to turn off the console and go to do my homework... ..
HAH! Sure!

You: I'll go read something ^^ ---

knock – knock

You: hmm?

Oh, someone knocks on my door. I'm honestly not expecting anyone ... at least today hehe.

open the door

You: ...??

Fluttershy: hi ^-^

Blessed be the reason that brought her here, it's Fluttershy! ୧୦୧!

You: Fluttershy? ... ahm, hi... hehe, how are you?

Fshy comes into my house.

Fluttershy: I'm sorry to come without telling you before ☹

You: woah, don't worry about that! I'm happy to see you.

Fluttershy: huh? O///O ... are you happy... to see me? >///<

You: of course!

Fluttershy tries to hide her face, but I can tell that she is a little flushed :S ...

You: I'm always happy to see my friends ^^

Fluttershy: ... oh... you friends... right u.u

Now is she ... disappointed? I said something wrong? O.o

You: anyway, can I help you? :O

Fluttershy: oh yes! ... well, Sunset and I were competing in a challenge at Mariano Kart, but my Ponintendo broke down and... ahmm... I know you have a console and I thought you could let me use it for a while. I swear it's not a long time! It's only 3 races that's all!

Fshy seems very interested in continuing with this challenge ... I wonder what this is all about.

You: no problem, you can use my Switch if you want but... Just out of curiosity, what is this "challenge" about?

Fluttershy: It's to know which of us will have a date with y... ..
... oh... o///o... n-noting.

Her face flushes again and she lowers her gaze to avoid contact... with me? She's been doing the same thing two times, do I have something on my face?

You: alright, here...

I give her my Ponintendo and immediately she contacts with Sunset.

Fluttershy: hey Sunset... sorry for my delay, but I'm here, let's do this!

Sunset (call phone): aha! Very well! You're my friend Fluttershy, but I'm not going to let you win so easily! This will be my victory and he will have a date with me! muahaha!.

Fluttershy: So quickly did you forget that the last time we played together, I beat you? :) . Victory has my name ... I have everything organized for my date with him :3

Sunset (call phone): I'd like to see you try! Hahaha!!

You: ????...

What the heck is going on here... Fshy seems to be seriously immersed in this challenge and from what I can hear, Sunset too. They both openly debate about "dating" with someone hmmm, who are they talking about?

Fluttershy: here I go!!

Fluttershy's expression changes radically from one moment to the next, now she shows a look of seriousness in her eyes, determination ... and many other things that definitely make her look very cute e.e

Fluttershy lays down on the couch, making her instance "more comfortable" from what I see.. and Geez! I had not noticed until now that she has magnificent legs ... from this perspective, I can see her majestic figure in all the splendor possible... o///o

Fluttershy: aaaah!! Take this Sunset! Red shell hahaha!!

You: .. **gulp** ...

Fluttershy notices that I look at her, and I have no doubt that my face is red right now :S , but she just gives me a cute smile and continues to play.

On the other hand, I decide to leave her alone so as not to interrupt her. The game lasts approximately 40 minutes ... and it seems that there is already a winner.

Fluttershy: I WOOOON!! YAAY!!

I hear a loud scream, and it's none other than Fluttershy celebrating her victory hehe.

You: nice Fshy ^^ Congrats!

Fluttershy: hehe thank you ^-^

You: ...

Fluttershy: ...

Awkward silence.

You: ... ahem... well, I'm sorry I overheard you while you're with Sunset in the call ... but I know that you've won, and that means you will be asked to someone for a date, am I wrong? :O

Fluttershy: ... y-yes... You see, Sunset and I wanted to have a date with the same guy ... and well, we decided to do this challenge and the one who wins, she would have the date with him first.

You: oh that is great! Once again, congrats Fshy! That guy is definitely very lucky to date with you :D

Heh, I'm happy for her. This person must be very important for her to decide to do this.

Fluttershy: y-you think that? o///o.

You: Obviously 😊

Fluttershy: hehehe ^///^ *giggles*

You: Why are you laughing? :O

Fluttershy: well ... you are that guy... that's why hehe...

You: oh nice, but now WHOOOAHkjsdhsajdsasdh sakdhsadksajhdsakuhw euyw iorheoiudhvHihKSFd LKVDNSIV... WHAAAAAAAAAAAAAAAAAAAAATTT???! WHAT!! ME?!

ME?!

Fluttershy: yeah hehe.. sorry for not telling you earlier u.u... so... you... wanna... date with.. me? >///
<

My heart suddenly starts to beat fast!! O_____o'' .. what... the... HECK!!

You: ...

Fluttershy: oh... ahm... You have things to do I guess, heh ... don't worry, you don't have to date with me if you don't want to ...

Fshy lower her gaze ... and I can see ... sadness? in her face...

You: oh wait... you just caught me off guard, that's all ... sure, I'd love to go out with you.

Fluttershy: really? :D yay!

Fluttershy with me... on a date? Oh my Equestria! who could refuse that ?! AHA! Im in!!

-END- ☺
