There you are. Finally found me, huh? I was starting to think you couldn't find the right warehouse. Took you a bit longer than I expected, but I'm glad you made it.

Awww...did you pull your taser on me? I'm not even worthy of a gun? That makes me sad, you know. I thought that after all this back and forth, you would have taken more drastic measures against me.

Why did I do it? Is this an interrogation? I hate to break it to you, but you're not gonna get the answer you're looking for. There's a really simple reason. You're fun to mess with. Watching you find the clues I obviously laid out was pretty entertaining.

Now I have a question for you. You're not supposed to be here, are you? I bet you didn't even tell anyone about this place. Is that why you came alone? Did you think you could handle me all by yourself? You're dumber than you look. You don't even have your radio.

...

[sigh] You're saying a lot of stuff that really doesn't mean anything to me. No one knows you're here...and that's all that matters in my eyes. (teasing) Why are you so nervous? If you don't want me to come closer...then tase me. C'mon~ you can do it~.

You're a really shitty cop, you know that? I took you down so easily. Hey...ever been handcuffed before? Let's try it out. [cuffs sfx] How's that? You're pinned up against a wall and fully at my mercy. I've been fantasizing about this moment for quite a long time...I don't know what to do first.

...

What a dirty mind you have, officer. I don't recall mentioning anything sexual. I was just gonna rough you up a bit...but now you've intrigued me. Is that really what you think of me? That I'm some sort of sex-crazed maniac?

[laughs] Watching you struggle is really fun. Is this what a power trip is like? I'm sure you're familiar with that feeling. Cuffing people up and watching them beg for mercy...you must like that, don't you? I can see what the hype is all about. (hushed tone) I can get real up close and personal...and all you can do is sit there and beg for me to let you go.

*(teasing)* What's wrong~? Did I get too close? You seem a bit excited. Turns out, you're both an idiot *and* a whore...who knew? It must be my lucky day.

*[laughs]* I can't believe it...I was joking, but you really do look flustered. I haven't even touched you yet. I'm starting to think you had a different reason for hunting me down. Tell me...when was the first time you dreamed about me fucking you?

Look at that blush. You're so pathetic. I didn't realize you were so easy, officer. I thought you'd put up at least a small fight. Not that I'm complaining. Makes my job a lot easier.

You look so desperate. Should I help you out? Take these pants off. They're in the way. *[pants sfx]* Holy shit...you really are a slut. You're so turned on you're dripping everywhere.

I wonder what would happen if I touched you there...*[wet sfx] [laughs]* Wow~ I didn't expect to get such an intense reaction from you. Your whole body is shaking...does it feel good to be fingered by a criminal?

Choosing to remain silent, huh? Fine then...you'll give me your answer eventually.

*(strict)* Show me your neck. Now. Ah~ I heard that moan. Do you like when I'm rough with you? Of course you do, you fucking slut. *[kisses]* Your neck is pretty sensitive...I'm getting more sounds out of you now. I bet you'd like it if I left some marks on you... *[kisses]* Don't worry...I'll make sure you can't cover them tomorrow. That way, everyone will know what we were up to. *[kisses]*

*[wet sfx stops]* Hmm were you about to cum? I won't allow that. You don't get to until you beg me. I wonder...how long do you think that's gonna take? You're a stubborn thing...so it looks like I get to play with you more. *[laughs]* Keep glaring at me like that. It's turning me on.

Face the wall. Damn...I'm liking this view. Your body is just begging me to fuck you. *[belt sfx]* God, I can't wait to put you in your fucking place. *[wet sfx]* Ah, fuck yeah. You're so tight...shit. How's my cock feel inside of you? You like the way I stretch you out? I bet you do, you fucking whore.

It's hard to believe that you don't want me to do this when you're moving your hips like that. It's time to be more honest with yourself, officer. You're just a filthy little slut who loves to be used...especially by people like me, am I right?

Fuck...tilt your head for me. *[kisses]* Damn...I think that's the loudest moan I've gotten out of you so far. Biting is your thing, yeah? I'll get a bit rougher with you, then. *[kisses]*

Hold on...what is this? Is this a body cam? Has it been recording this whole time? *[laughs]* I have an idea. How do I take this thing off?

What am I doing? I'm recording this as evidence. I'll make sure you remember every second of tonight. Fuck...just look at the way you swallow me up. It would be a shame to be the only person who gets to witness this.

Are the guys at your precinct gonna see this recording? I bet they would love to know what you were up to tonight. Smile for the camera, officer. Show your chief how well you take my cock. Maybe he'll want to try you out too.

I said you can't cum until you beg. Don't think I don't notice the way your body is tensing up. *[laughs]* I think you're starting to lose it, officer. It almost sounds like you're...begging. Are you really that desperate to cum?

You're so fucking pathetic. How did someone like you become a cop? All you're good for is being a nice hole for someone to stick their cock in. You can't even capture the one criminal you're after. Now look at you...begging for that same criminal to get you off. You should be fucking embarrassed.

Shit...nnggh...you got so tight. You love being worthless, don't you? Fuck...get on your knees...right fucking now. *[wet sfx stops]* That's it...nnggh...fuck...open your mouth. *[loud moan]*  
*[heavy breathing]*

Ah shit...look at you. Let me get a close up of this. Damn...I can see the hearts in your eyes. You're out of your fucking mind, aren't you?

What's that? You wanna cum? I do like your begging, but there's something you forgot. I'm a liar. And I hate your fucking guts. So no, I won't help you. I'm gonna leave you handcuffed here, marked up and covered in my cum, for someone else to find.

You thought you could hunt me down and get away with it? Think again, officer. This is just the beginning. You'll regret ever getting involved with me.

Aww, don't look at me like that. You're gonna make me want another round.
