In the time of chimpanzees I was a monkey

Butane in my veins and I'm out to cut the junkie

With the plastic eyeballs, spray-paint the vegetables

Got a couple of couches, sleep on the love-seat

D(Slide starts here too)

Someone came in saying I'□□m insane to complain

D

About a shotgun wedding and a stain on my shirt

D

Don't believe everything that you breathe

D

You get a parking violation and a maggot on your sleeve

D

So shave your face with some mace in the dark

D

Saving all your food stamps and burning down the trailer park

Yo, cut it

The forces of evil in a bozo nightmare

With the rerun shows and the cocaine nose-job

The daytime crap of the folksinger slob
D
He hung himself with a guitar string
D
A slab of turkey-neck and its hanging from a pigeon wing

You can't get right if you can't relate

Trade the cash for the beat for the body for the hate
D
And my time is a piece of wax falling on a termite
D
That's choking on the splinters
