DON'T DRAW IN THE DARK

FUNDAMENTALS:

UNDERSTAND YOUR OPTIONS

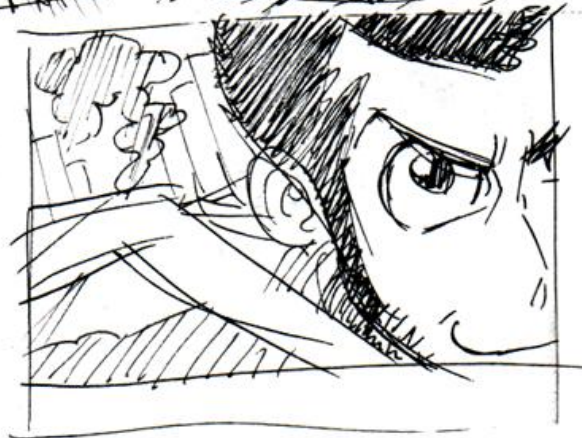

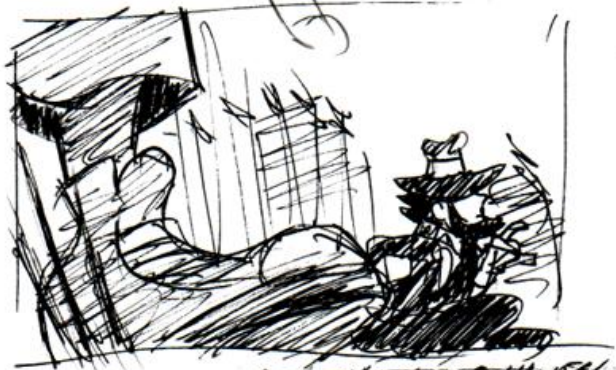

(learn basic construction of different body archetypes, how to position objects in space, rules of light/color/perspective)

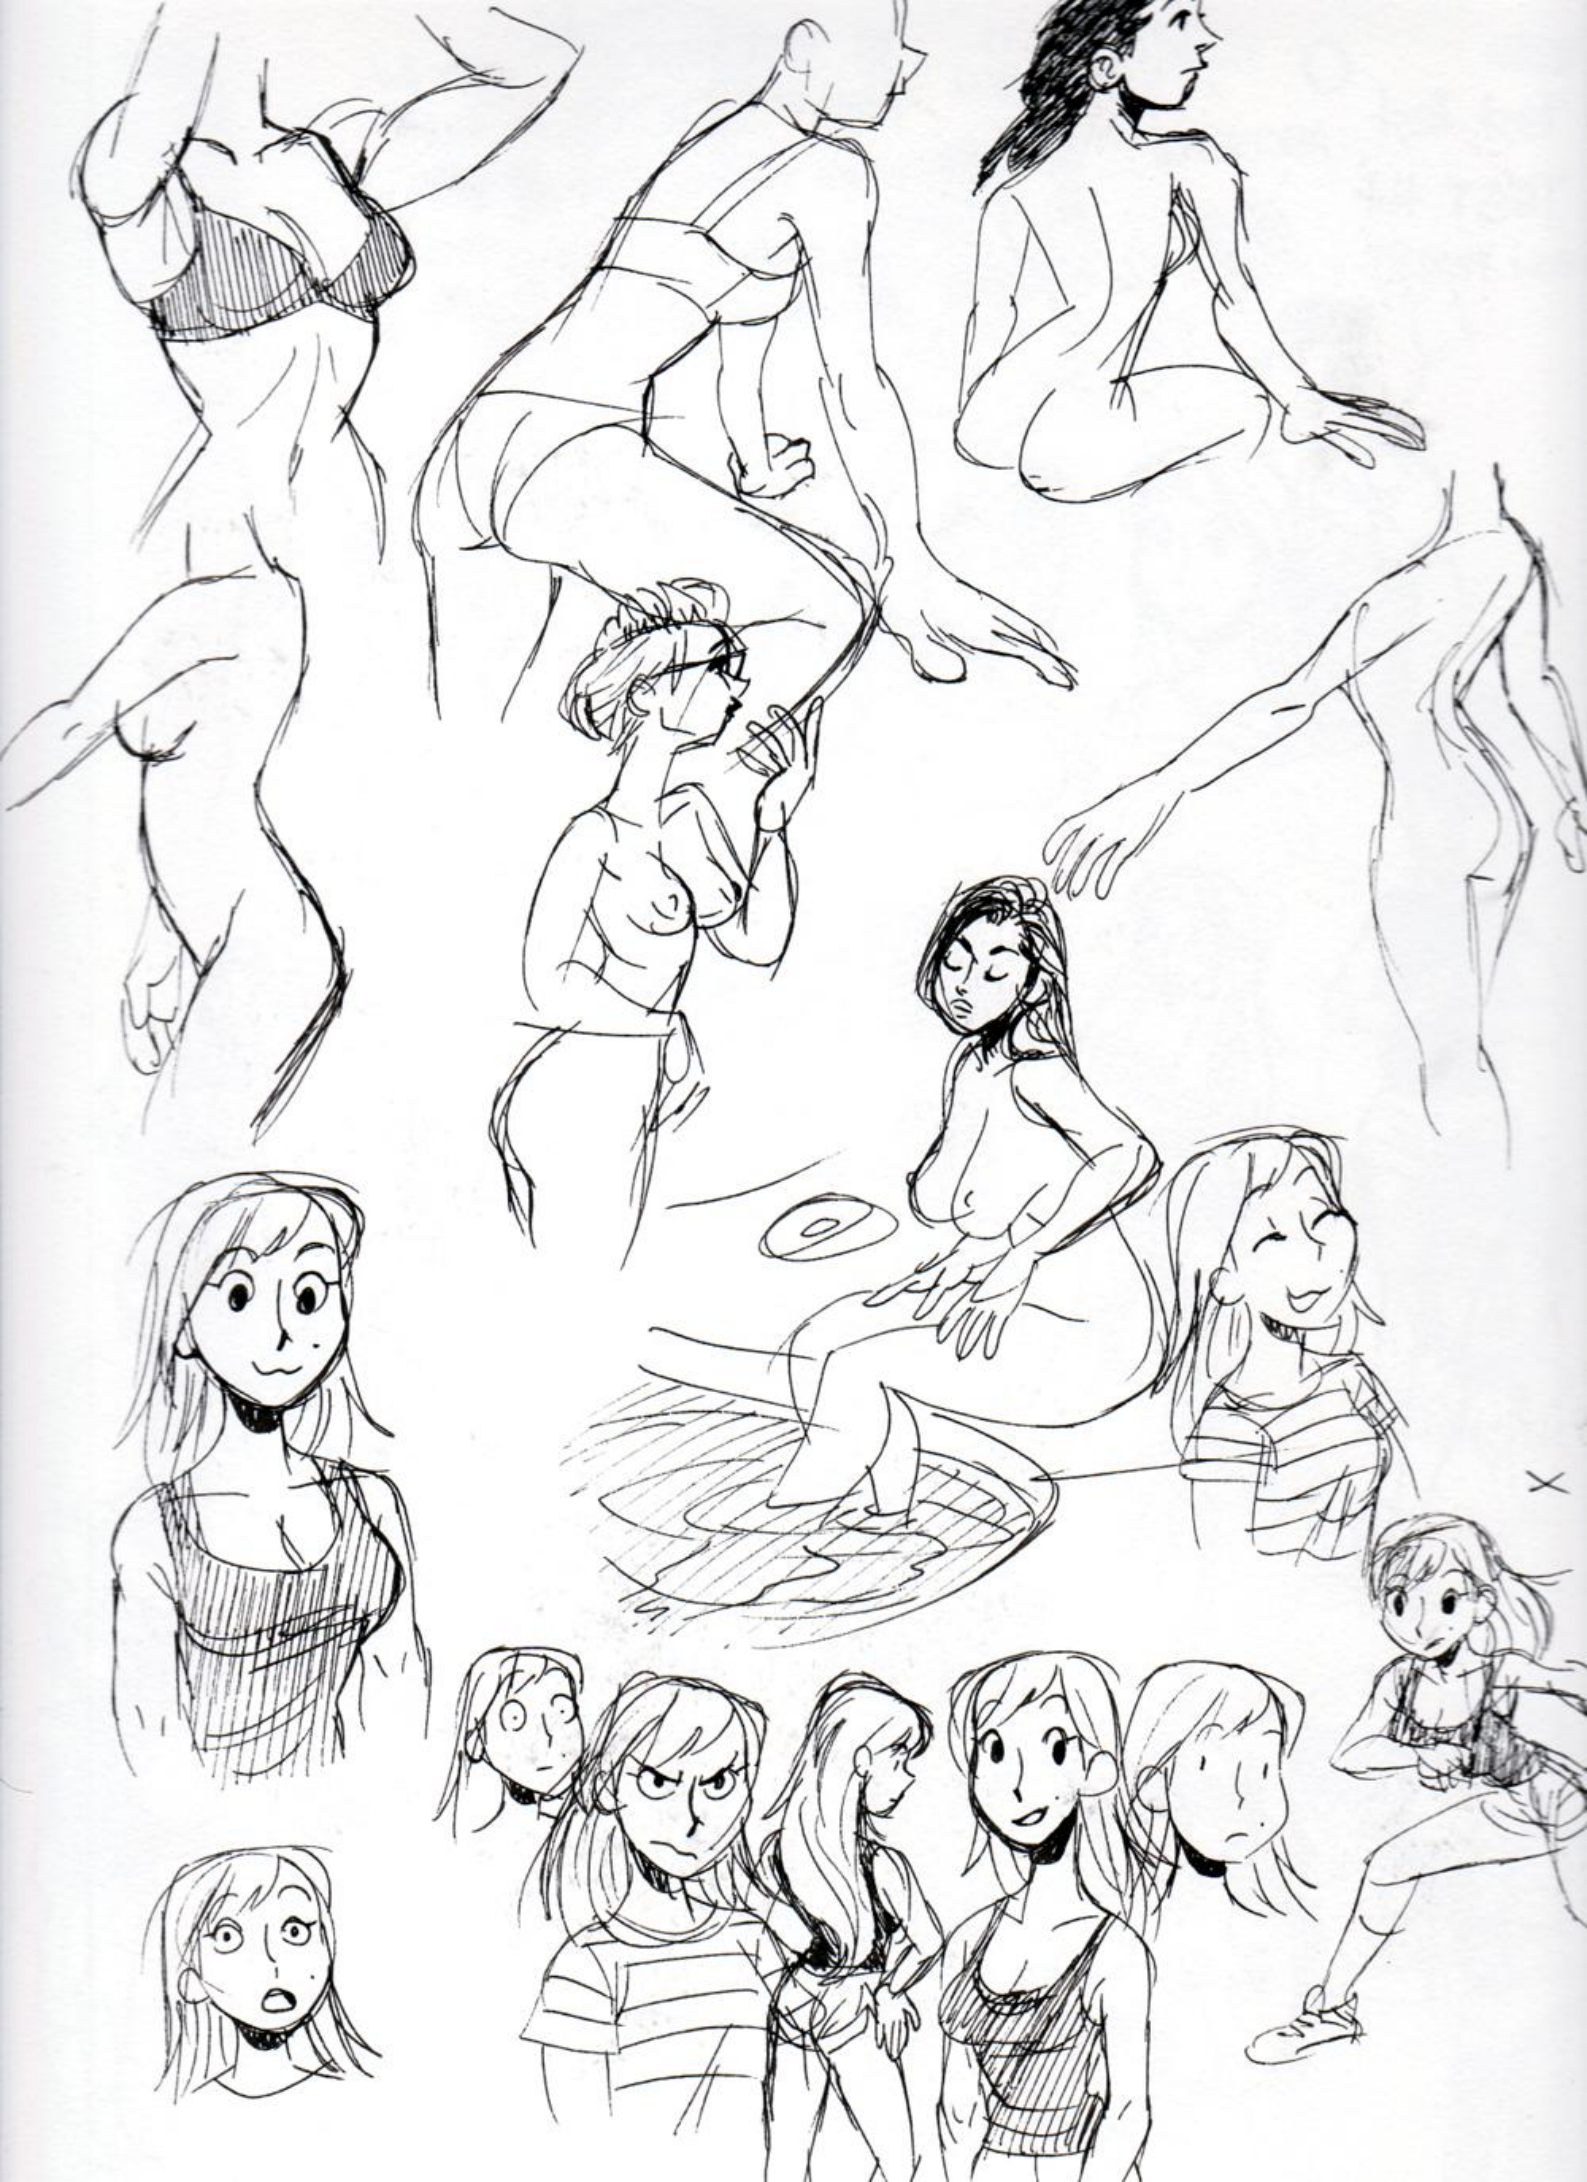

UNDERSTAND YOUR TOOLS

(how to use less or more detail/markmaking, using texture, studying variety and iteration)

PERSONAL ETHICS

(Developing patience with growth, acknowledge when you are drawing to practice or for fun, don't focus on results or other peoples work)
